RE: Faena Forum – Change of previously approved super graphic banner

Our firm represents 3420 Collins Avenue, LLC ("Owner") who is the owner of the Faena Forum located at 3301 Indian Creek Drive (the "Property"). The Forum is a place of assembly as that term is defined in the Faena District Overlay. The Forum is operated by Faena Arts, Inc., a non-profit organization engaged in the performing and visual arts and engages in cultural activities.

On July 12, 2016 the Historic Preservation Board (HPB) approved the installation of several super graphic banners and cultural institutional banners on the Property via HPB0516-0020.

The Owner is requesting permission to change the design of one of the super graphic banners. The particular banner that is sought to be changed is located on the south side of Forum facing east. Similar to the currently installed banner, the new banner is a mural-type banner. The new banner was created by Assume Vivid Astro Focus.

Assume Vivid Astro Focus (AVAF) is comprised of Eli Sudbrack and Christophe Hamaide-Pierson. Eli Sudbrack was born in Rio de Janeiro, Brazil and lives and works between São Paulo and New York. Christophe Hamaide-Pierson was born in Paris and lives and works in Paris. Their work is part of major international collections such as the Museum of Modern Art, New York; Museum of Modern Art, São Paulo; De La Cruz Collection; and The Depart Foundation. AVAF is currently showing "Avalanches, volcanoes, asteroids, floods," a solo show at Fredric Snitzer Gallery in Miami until June 19th.

The description of the design of the new banner, which celebrates the participatory art installation roller rink concept titled "ángelos veloces arcanos fugaces" is as follows.

As our world becomes increasingly marred by isolation and the loss of public spaces, as we are more and more condemned by individual ambition and the deterioration of shared resources and organic interactions, AVAF's work harnesses the power and energy of collective creation and experiential art. Ángeles veloces

arcanos fugaces is not merely a neo-disco roller rink but, more broadly, an all-encompassing fantasia of music, lights, dance, and explosive color that commemorates the utopian ideals of the disco era. Drawing upon diverse imagery ranging from films like Xanadu with Olivia Newton-John to Lança Perfume by Brazilian singer Rita Lee, photos from the The Roxy in New York City to the Roxy Roller in Rio de Janeiro, AVAF recognizes disco as a pervasive cultural export that has affected artistic practice and influenced pop culture across the hemisphere from North to South. AVAF's installation exemplifies the Faena commitment to participatory, interactive, holistic art experiences. This spirit has been at the core of the Faena mission and vision since our inception: A museum is not a place to view art, but rather a place to experience art.

The new banner is the same size as the currently installed banner, 10' x 70'. The new banner would be installed and secured onto the wall in the same manner as the current banner, with 1/4" x 2 3/4" tap con screws every 36" through all outside edges of the banners.

The proposed new banner has the same "Faena Art" logo in the same location (near the bottom of the banner) as the existing banner. We submit that the logo, which is for the non-profit Faena Arts, Inc. organization, does not have a "commercial association" as that phrase is used in Section 138-204 which regulates noncommercial graphics and images.

We submit that this new banner is an interesting and suitable graphic for the Forum that is appropriate given the use of the Forum as a place of assembly and cultural institution. We respectfully request the Historic Preservation Board's favorable review of the request.

Sincerely,

Neisen O. Kasdin

HISTORIC PRESERVATION BOARD
City of Miami Beach, Florida

MEETING DATE: July 12, 2016

FILE NO: HPB0516-0020

PROPERTY: 3301 Indian Creek Drive

APPLICANT: 3420 Collins Avenue LLC

LEGAL: Lots 7 through 10, inclusive, and tract opposite same facing Indian Creek, Block 20, of the Miami Beach Improvement Company Subdivision, according to the plat thereof, recorded in plat book 5, page 8 of the Public Records of Miami-Dade County, Florida.

IN RE: The application for a Certificate of Appropriateness for the installation of two supergraphic banners and three cultural institution banners.

O R D E R

The City of Miami Beach Historic Preservation Board makes the following FINDINGS OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

I. Certificate of Appropriateness

- A. The subject site is located within the Collins Waterfront Local Historic District.
- B. Based on the plans and documents submitted with the application, testimony and information provided by the applicant, and the reasons set forth in the Planning Department Staff Report, the project as submitted:
 - 1. Is consistent with the Certificate of Appropriateness Criteria in Section 118-564(a)(1) of the Miami Beach Code.
 - 2. Is consistent with Certificate of Appropriateness Criteria in Section 118-564(a)(2) of the Miami Beach Code.
 - 3. Is consistent with Certificate of Appropriateness Criteria in Section 118-564(a)(3) of the Miami Beach Code.
- C. The project would remain consistent with the criteria and requirements of section 118-564 if the following conditions are met:
 - 1. Revised elevation, site plan and floor plan drawings shall be submitted and, at a minimum, such drawings shall incorporate the following:
 - a. The banner proposed for location no. 4 shall be subject to review and approval by the Historic Preservation Board.

Page 2 of 4
HPB0516-0020
Meeting Date: July 12, 2016

- b. The final details of the supergraphic banners shall be provided, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board,. The supergraphic shall not contain any signage or advertising.
- c. The final attachment details for banners shall be submitted, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.

II. Variance(s)

- A. No Variances were requested as a part of this application.

III. General Terms and Conditions applying to both 'I. Certificate of Appropriateness' and 'II. Variances' noted above.

- A. Where one or more parcels are unified for a single development, the property owner shall execute and record a unity of title or a covenant in lieu of unity of title, as may be applicable, in a form acceptable to the City Attorney.
- B. Applicant agrees that in the event Code Compliance receives complaints of unreasonably loud noise from mechanical and/or electrical equipment, and determines the complaints to be valid, even if the equipment is operating pursuant to manufacturer specifications, the applicant shall take such steps to mitigate the noise with noise attenuating materials as reviewed and verified by an acoustic engineer, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
- C. A copy of all pages of the recorded Final Order shall be scanned into the plans submitted for building permit, and shall be located immediately after the front cover page of the permit plans.
- D. The Final Order shall be recorded in the Public Records of Miami-Dade County, prior to the issuance of a Building Permit.
- E. Satisfaction of all conditions is required for the Planning Department to give its approval on a Certificate of Occupancy; a Temporary Certificate of Occupancy or Partial Certificate of Occupancy may also be conditionally granted Planning Departmental approval.
- F. The Final Order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
- G. The conditions of approval herein are binding on the applicant, the property's owners, operators, and all successors in interest and assigns.

Page 3 of 4
HPB0516-0020
Meeting Date: July 12, 2016

H. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code.

IT IS HEREBY ORDERED, based upon the foregoing findings of fact, the evidence, information, testimony and materials presented at the public hearing, which are part of the record for this matter, and the staff report and analysis, which are adopted herein, including the staff recommendations, which were amended and adopted by the Board, that the application is GRANTED for the above-referenced project subject to those certain conditions specified in Paragraph I, II, III of the Findings of Fact, to which the applicant has agreed.

PROVIDED, the applicant shall build substantially in accordance with the plans entitled "Faena Forum Banners/Supergraphics" as prepared by Professional Signs, undated, and as approved by the Historic Preservation Board, as determined by staff.

When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Order. No building permit may be issued unless and until all conditions of approval that must be satisfied prior to permit issuance, as set forth in this Order, have been met.

The issuance of the approval does not relieve the applicant from obtaining all other required Municipal, County and/or State reviews and permits, including final zoning approval. If adequate handicapped access is not provided on the Board-approved plans, this approval does not mean that such handicapped access is not required. When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Order.

If the Full Building Permit for the project is not issued within eighteen (18) months of the meeting date at which the original approval was granted, the application will expire and become null and void, unless the applicant makes an application to the Board for an extension of time, in accordance with the requirements and procedures of Chapter 118 of the City Code; the granting of any such extension of time shall be at the discretion of the Board. If the Full Building Permit for the project should expire for any reason (including but not limited to construction not commencing and continuing, with required inspections, in accordance with the applicable Building Code), the application will expire and become null and void.

In accordance with Chapter 118 of the City Code, the violation of any conditions and safeguards that are a part of this Order shall be deemed a violation of the land development regulations of the City Code. Failure to comply with this Order shall subject the application to Chapter 118 of the City Code, for revocation or modification of the application.

MEETING DATE: February 14, 2012

FILE NO: 7299

PROPERTY: 3301 Indian Creek Drive & 3400 - 3420 Collins Avenue

LEGAL: All of Block 20, and Lots 10, 11, 12, and 13, Block 22, Amended Map of the Miami Beach Improvement Company, According to the Plat Thereof, as Recorded in Plat Book 5, Pages 7 & 8, of the Public Records of Miami-Dade County, Florida.

IN RE: The Application for a Certificate of Appropriateness for the construction of a new 5-story hotel with an accessory assembly space located on the vacant parcel at 3301 Indian Creek Drive, the partial demolition, renovation and restoration of an existing 3-story hotel, located at 3400 Collins Avenue, along with the construction of a new roof-top addition, and the construction of a new 6-story parking garage with accessory retail and restaurant uses, located on the vacant parcel at 3420 Collins Avenue. Underground parking with mechanical lifts is also proposed spanning all three parcels, including beneath a portion of 34th Street.

O R D E R

The applicants, Collins 3300, LLC, and 3420 Collins Avenue, LLC, filed an application with the City of Miami Beach Planning Department for a Certificate of Appropriateness.

The City of Miami Beach Historic Preservation Board makes the following FINDINGS OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

- A. The subject structure is classified as 'Contributing' (Historic) in the Miami Beach Historic Properties Database and is located within the Collins Waterfront Local Historic and National Register Districts.
- B. Based on the plans and documents submitted with the application, testimony and information provided by the applicant, and the reasons set forth in the Planning Department Staff Report, the project as submitted is consistent with the Certificate of Appropriateness Criteria in Section 118-564(a)(1) of the Miami Beach Code, is not consistent with Certificate of Appropriateness Criteria 'a' & 'd' in Section 118-564(a)(2) of the Miami Beach Code, is not consistent with Certificate of Appropriateness Criteria 'b-d', 'h-i' & 'm' in Section 118-564(a)(3) of the Miami Beach Code, and is consistent with the Certificate of Appropriateness

for Demolition Criteria in Section 118-564(f)(4) of the Miami Beach Code.

C. The project would be consistent with the criteria and requirements of section 118-564 if the following conditions are met:

1. Revised elevation, site plan and floor plan drawings, consistent with the revised plans submitted at the public hearing, shall be submitted to and approved by staff; at a minimum, such drawings shall incorporate the following:
 - a. The final design details for the proposed parking garage at the north end of the site, as well as the paving details for the entire site, shall be further developed and detailed in a manner to be approved by staff.
 - b. The final design and details of the proposed subterranean parking shall be provided and shall be modified so as not to impede in anyway the placement of large street trees within the public right-of-way in grade level planters as indicated on the landscape plan provided, subject to the review and approval of staff
 - c. The final design and details of the proposed new hotel structure on the southernmost block shall be provided, including materials and finishes, in a manner to be reviewed and approved by staff.
 - d. Doors for the loading dock fronting 34th Street shall be provided, in a manner to be reviewed and approved by staff, and such doors shall remain closed at all times except during the actual loading and unloading of vehicles.
 - e. With the exception of the exterior modifications proposed as part of this application, the exterior of the Atlantic Hotel shall be retained, preserved and restored in a manner consistent with historic documentation, subject to the review and approval of staff.
 - f. With the exception of the interior lobby modifications proposed as part of this application, the lobby of the Atlantic Hotel shall be retained, preserved and restored in a manner consistent with historic documentation, subject to the review and approval of staff.
 - g. Final details of all proposed storefront systems and associated details shall be provided for all of the structures on the project site, in a manner to be reviewed and approved by staff.
 - h. The final design and details of all exterior and interior railings for all buildings shall be provided, in a manner to be reviewed and approved by staff.
 - i. A comprehensive plan and drawings for the shoring and bracing of the exterior walls and lobby area of the historic Atlantic Beach Hotel shall be submitted to Planning staff for review, and submitted to the Building Department for approval and issuances of required building permits prior to the commencement of any demolition of the historic structure.

- j. Prior to the issuance of a Certificate of Occupancy, the project Architect shall verify, in writing, that the subject project has been constructed in accordance with the plans approved by the Planning Department for Building Permit.
2. In accordance with Section 118-395 of the City Code, the applicant may retain all non-conforming setbacks and parking credits.
3. A revised landscape plan, prepared by a Professional Landscape Architect, registered in the State of Florida, and corresponding site plan, shall be submitted to and approved by staff. The species type, quantity, dimensions, spacing, location and overall height of all plant material shall be clearly delineated and subject to the review and approval of staff. At a minimum, such plan shall incorporate the following:
 - a. A paving scheme may be developed for the entire 34th Street right-of-way, subject to the review and approval of the Planning and Public Works Departments.
 - b. Street trees shall be required, and shall include the City standard bound aggregate system with fertilization trench, irrigation, and up-lighting along all street fronts, in a manner to be approved by Staff.
 - c. If for any reason the planting of any street tree is not feasible, then the applicant shall submit a monetary contribution to the City's Tree Program for the number of trees not installed and meeting these requirements, sufficient to cover their cost at market value. The same quantity, species and size tree shall be planted by the Parks and Recreation Department in any available public right-of-way area within the same corridor or as near to the subject property as possible. If trees are placed on a different street, then species may be change to follow the Street Tree Master Plan.
 - d. All exterior walkways and driveways shall consist of decorative pavers, set in sand or other equally semi-pervious material, subject to the review and approval of staff.
 - e. All landscape areas abutting driveways and parking areas shall be defined by decorative bollards.
 - f. A fully automatic irrigation system with 100% coverage and an automatic rain sensor in order to render the system inoperative in the event of rain. Right-of-way areas shall also be incorporated as part of the irrigation system.
 - g. The utilization of root barriers and/or structural soil, as applicable, shall be clearly delineated on the revised landscape plan.
 - h. The applicant's out lot, located on the west side of Indian Creek Drive, between 32nd and 33rd Streets, shall be designed in a manner consistent with

the Indian Creek Greenway Concept Plan, in a manner to be reviewed and approved by staff.

- i. The applicant shall verify, prior to the issuance of a Building Permit, the exact location of all backflow prevention devices. Backflow prevention devices shall not be permitted within any required yard or any area fronting a street or sidewalk, unless otherwise permitted by the Land Development Regulations. The location of all backflow prevention devices, and how they are screened from the right-of-way, shall be clearly indicated on the site and landscape plans and shall be subject to the review and approval of staff. The fire department shall require a post-indicator valve (PIV) visible and accessible from the street.
 - j. The applicant shall verify, prior to the issuance of a Building Permit, the exact location of all post-indicator valves (PIV), fire department connections (FDC) and all other related devices and fixtures, which shall be clearly indicated on the site and landscape plans, and shall be subject to the review and approval of staff.
 - k. The applicant shall verify, prior to the issuance of a Building Permit, the exact location of all applicable FPL transformers or vault rooms; such transformers and vault rooms, and all other related devices and fixtures, shall not be permitted within any required yard or any area fronting a street or sidewalk. The location of any exterior transformers, and how they are screened with landscape material from the right-of-way, shall be clearly indicated on the site and landscape plans and shall be subject to the review and approval of staff.
 - l. Prior to the issuance of a Certificate of Occupancy, the Landscape Architect for the project architect shall verify, in writing, that the project is consistent with the site and landscape plans approved by the Planning Department for Building Permit.
4. All building signage shall be consistent in type, composed of flush mounted, non-plastic, individual letters and shall require a separate permit. Illuminated signs shall only be permitted facing Collins Avenue, and only non-illuminated signs shall be permitted facing all other streets.
 5. The final exterior surface color scheme, including color samples, shall be subject to the review and approval of staff and shall require a separate permit.
 6. A traffic mitigation plan, which addresses all roadway Level of Service (LOS) deficiencies relative to the concurrency requirements of the City Code, if required, shall be submitted prior to the issuance of a Building Permit and the final building plans shall meet all other requirements of the Land Development Regulations of the City Code.
 7. Manufacturers drawings and Dade County product approval numbers for all new windows, doors and glass shall be required, prior to the issuance of a building permit.

8. All roof-top fixtures, air-conditioning units and mechanical devices shall be clearly noted on a revised roof plan and elevation drawings and shall be screened from view, in a manner to be approved by staff.
9. Revised drawings, with corresponding color photographs, that are separate from the construction documents, drawn to scale and clearly documenting the existing conditions of the subject building, shall be submitted. Such drawings and photographs shall include all four elevations and interior floor plans of the building, as well as a site plan.
10. An historic analysis of the existing structure, inclusive of a photographic and written description of the history and evolution of the original building on site, shall be submitted to and approved by staff, prior to the issuance of a Building Permit; such historic analysis shall be displayed prominently within the public area of the structure, in a location to be determined by staff.
11. All new and altered elements, spaces and areas shall meet the requirements of the Florida Accessibility Code (FAC).
12. The project shall comply with any landscaping or other sidewalk/street improvement standards as may be prescribed by a relevant Urban Design Master Plan approved prior to the completion of the project and the issuance of a Certificate of Occupancy.
13. The applicant may be required to submit a separate analysis for water and sewer requirements, at the discretion of the Public Works Director, or designee. Based on a preliminary review of the proposed project, the following may be required by the Public Works Department:
 - a. A traffic and neighborhood impact study shall be conducted as a means to measure a proposed development's impact on transportation and neighborhoods. The study shall address all roadway Level of Service (LOS) deficiencies relative to the concurrency requirements of the City Code, and if required, shall be submitted prior to the issuance of a Building Permit. The final building plans shall meet all other requirements of the Land Development Regulations of the City Code. The developer shall refer to the most recent City of Miami Beach's Traffic and Neighborhood Impact Methodology as issued by the Public Works Department.
 - b. Remove/replace sidewalks, curbs and gutters on all street frontages, if applicable. Unless otherwise specified, the standard color for city sidewalks is red, and the standard curb and gutter color is gray.
 - c. Mill/resurface asphalt in rear alley along property, if applicable.
 - d. Provide underground utility service connections and on-site transformer location, if necessary.
 - e. Provide back-flow prevention devices on all water services.

- f. Provide on-site, self-contained storm water drainage for the proposed development.
 - g. Meet water/sewer concurrency requirements including a hydraulic water model analysis and gravity sewer system capacity analysis as determined by the Department and the required upgrades to water and sewer mains servicing this project.
 - h. Payment of City utility impact fees for water meters/services.
 - i. Provide flood barrier ramps to underground parking or minimum slab elevation to be at highest adjacent crown road elevation plus 8".
 - j. Right-of-way permit must be obtained from Public Works.
 - k. All right-of-way encroachments must be removed.
 - l. All planting/landscaping in the public right-of-way must be approved by the Public Works and Parks Departments.
14. The Applicant agrees to the following operational conditions for any and all permitted hotel and accessory uses and shall bind itself, lessees, permittees, concessionaires, renters, guests, users, and successors and assigns and all successors in interest in whole or in part, in a covenant to be recorded in the public records, subject to the review and approval of the City Attorney, to comply with the following operational and noise attenuation requirements and/or limitations.
- a. RESTAURANT CONDITIONS
 - i. Any accessory restaurant use shall not operate between midnight and 6:00 A.M. This shall not apply to room service.
 - b. ROOFTOP CONDITIONS
 - i. The applicant shall ensure through appropriate contracts, assignments and management rules that these restrictions are enforced. Owner agrees to include the rules and regulations set forth in these conditions in any contract or assignment.
 - ii. Rooftop facilities, inclusive of the roof deck, shall be for the exclusive use of registered hotel guests and their invitees. No bar counter shall be placed on the roof or on any terraces, private decks or balconies at any time.
 - iii. Any food served on the rooftop or on exterior public areas of the hotel shall be prepared in the hotel kitchen. Food and beverage service to the rooftop shall cease at 8PM, seven (7) days a week and all usage of the roof-top other than staff clean up shall cease by 11PM.

- iv. Rooftop lighting fixtures shall be designed to deflect light from spilling over to adjacent and nearby properties.
- v. All roof-top fixtures, air-conditioning units and mechanical devices shall be screened from view. In addition, Owner agrees to install an exhaust system for the kitchen that will substantially reduce all grease and smoke that would otherwise escape to the surrounding area. Finally, Owner agrees to install the fan in connection with the kitchen exhaust system within the interior of the building in order to reduce noise levels at the exhaust outlet.

c. NOISE CONDITIONS

- i. The Historic Preservation Board (HPB) or the Planning Director shall retain the right to call the owners and/or operators back before the HPB, at the expense of the owners and/ or operators, to impose and/or modify the hours of operation, and the placement or use on the property of exterior loudspeakers, fixed or portable, or amend or impose other conditions, should there be a valid violation (as determined by Code Compliance) about loud, excessive, unnecessary, or unusual noise or other conditions of this approval. An adverse adjudication of a violation against the owner or operator is not necessary for the board to have jurisdiction over the matter under this condition. This condition vests jurisdiction independent of any other condition hereof.
- ii. A violation of Chapter 46, Article IV, "Noise," of the Code of the City of Miami Beach, Florida (a/k/a "noise ordinance"), as amended, shall be deemed a violation of this approval and subject the approval to modification in accordance with the procedures for modification of prior approvals as provided for in the Code, and subject the applicant to the review provided for in the first sentence of the above subparagraph.
- iii. No outdoor bar counters shall be permitted on the premises.
- iv. Except as may be required for fire or building code/Life Safety Code purposes, no loudspeakers shall be affixed to or otherwise located on the exterior of the premises.
- v. In addition to rooftop facilities, use of any pool or spa and pool or spa deck, courtyards and open air portions of the public areas of the hotel premises, as well as all terraces, private decks, and balconies associated with hotel units, shall be for the exclusive use of registered hotel guests and their invitees. No bar counter shall be placed on any of these areas at any time.
- vi. The hotel rules and practices shall prohibit registered guests, visitors, invitees and others using the hotel facilities or otherwise on the premises, from operating audio amplification equipment, inclusive of loudspeakers,

radio receivers, television sets, musical instruments, or other machines or devices for the producing or reproducing of sound, that produces noise that is plainly audible at any apartment unit in the adjacent and nearby properties.

- vii. Notwithstanding the occupancy and seat counts shown on the plans submitted, calculations for required parking and concurrency for the project shall be determined by the Planning Department prior to approval of a building permit. Such parking and traffic calculations shall be based upon both the number of hotel rooms, and, additionally, the intensity of the proposed accessory restaurant as measured by the number of seats in dining areas, and by the square footage of the liquor service areas not included in the areas for which seats are calculated as provided for in this subparagraph.

d. OPERATIONAL CONDITIONS

- i. All trash containers shall utilize rubber wheels, or the path for the trash containers shall consist of a surface finish that reduces noise, in a manner to be reviewed and approved by staff.
 - ii. Adequate trash room space, air conditioned and noise baffled, shall be provided, in a manner to be approved by the Planning and Public Works Departments. Doors shall remain closed and secured when not in active use.
 - iii. Garbage dumpster covers shall be closed at all times except when in active use and garbage pickups and service deliveries shall not take place between 7PM and 8AM.
 - iv. Outdoor cooking anywhere on the premises is prohibited. Kitchen and other cooking odors will be contained within the premises. All kitchens and other venting shall be chased to the roof and venting systems shall be employed as necessary to minimize or dissipate smoke, fumes and odors.
 - v. Equipment and supplies shall not be stored in areas visible from streets, alleys or nearby buildings.
15. A drawn plan and written procedure for the proposed demolition shall be prepared and submitted by a Professional Structural Engineer, registered in the State of Florida, which fully ensures the protection of the public safety, as well as the protection of the existing structure on the subject site and all existing structures adjacent to the subject site during the course of demolition.
 16. The Certificate of Appropriateness for Demolition shall only remain in effect for the period of time that there is an active Certificate of Appropriateness for the associated new construction on the subject property.

17. At the time of completion of the project, only a **Final Certificate of Occupancy (CO)** or **Final Certificate of Completion (CC)** may be applied for; the staging and scheduling of the construction on site shall take this into account. All work on site must be completed in accordance with the plans approved herein, as well as any modifications approved or required by the Building, Fire, Planning, CIP and Public Works Departments, inclusive of all conditions imposed herein, and by other Development Review Boards, and any modifications required pursuant to field inspections, prior to the issuance of a CO or CC. This shall not prohibit the issuance of a Partial or Temporary CO, or a Partial or Temporary CC.
18. The Final Order shall be recorded in the Public Records of Miami-Dade County, prior to the issuance of a Building Permit.
19. The Final Order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
20. The conditions of approval herein are binding on the applicant, the property's owners, operators, and all successors in interest and assigns.
21. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code.

IT IS HEREBY ORDERED, based upon the foregoing findings of fact, the evidence, information, testimony and materials presented at the public hearing, which are part of the record for this matter, and the staff report and analysis, which are adopted herein, including the staff recommendations, which were amended by the Board, that the Certificate of Appropriateness is GRANTED for the above-referenced project subject to those certain conditions specified in paragraph C of the Findings of Fact (Condition Nos. 1-21, inclusive) hereof, to which the applicant has agreed.

PROVIDED, the applicant shall build substantially in accordance with the plans approved by the Historic Preservation Board, as determined by staff, entitled "Atlantic Hotels", as prepared by OMA Architecture, PC, dated 12-16-11.

When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Order. No building permit may be issued unless and until all conditions of approval that must be satisfied prior to permit issuance, as set forth in this Order, have been met.

The issuance of a Certificate of Appropriateness does not relieve the applicant from obtaining all other required Municipal, County and/or State reviews and permits, including final zoning approval. If adequate handicapped access is not provided on the Board-approved plans, this approval does not mean that such handicapped access is not required. When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent

Meeting Date: February 14, 2012

with the plans approved by the Board, modified in accordance with the conditions set forth in this Order.

If the Full Building Permit for the project is not issued within eighteen (18) months of the meeting date at which the original Certificate of Appropriateness was granted, the Certificate of Appropriateness will expire and become null and void. If the Full Building Permit for the project should expire for any reason (including but not limited to construction not commencing and continuing, with required inspections, in accordance with the applicable Building Code), the Certificate of Appropriateness will expire and become null and void.

In accordance with Section 118-561 of the City Code, the violation of any conditions and safeguards that are a part of this Order shall be deemed a violation of the land development regulations of the City Code. Failure to comply with this Order shall subject the Certificate of Appropriateness to Section 118-564, City Code, for revocation or modification of the Certificate of Appropriateness.

Dated this 21st day of February, 2012.

IN RE: The Request by Collins 3300, LLC, and 3420 Collins Avenue, LLC, requesting Conditional Use approval, pursuant to Sections 130-38 and 118-192 of the Land Development Regulations of the City Code, to develop the project as described on plans submitted by the architectural firm OMA, and dated December 30, 2011, on three parcels at the addresses mentioned above: to construct a 5-level mechanical parking structure on Site 3, a 1-level subterranean parking structure with mechanical parking, which spans underneath the 3 sites, accessory retail on the ground floor of the garage structure and either accessory retail or restaurant on the 5th floor, as well as to renovate the historic Atlantic Hotel and develop a small hotel and assembly hall on Sites 1 and 2.

LEGAL

DESCRIPTION: See Exhibit "A" attached

MEETING DATE: February 28, 2012

CONDITIONAL USE PERMIT

The applicants, Collins 3300, LLC, and 3420 Collins Avenue, LLC, are requesting approval, pursuant to Sections 130-38 and 118-192 of the Land Development Regulations of the City Code, for a Conditional Use Permit. Notice of the request was given as required by law and mailed out to owners of property within a distance of 375 feet of the exterior limits of the property upon which the application was made.

The Planning Board of the City of Miami Beach makes the following FINDINGS OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

That the property in question is located in the RM-2 – Residential Multifamily, Medium Intensity Zoning District;

That the use is consistent with the Comprehensive Plan for the area in which the property is located;

That the intended use or construction will not result in an impact that will exceed the thresholds for the levels of service as set forth in the Comprehensive Plan;

That structures and uses associated with the request are consistent with the Land Development Regulations;

That the public health, safety, morals, and general welfare will not be adversely affected;

That necessary safeguards will be provided for the protection of surrounding property, persons, and neighborhood values.

IT IS THEREFORE ORDERED, based upon the foregoing findings of fact, the evidence, information, testimony and materials presented at the public hearing, which are part of the record for this matter, and the staff report and analysis, which is adopted herein, including staff recommendations, as modified by the Planning Board, that a Conditional Use Permit as requested and set forth above, be GRANTED subject to the following conditions to which the applicant has agreed:

1. The Planning Board shall maintain jurisdiction of this Conditional Use Permit. If deemed necessary, at the request of the Planning Director, the applicant shall appear before the Planning Board for a progress report within 90 days from the issuance of the BTR. The Board reserves the right to modify the Conditional Use approval at the time of a progress report in a non-substantive manner, to impose additional conditions to address possible problems and to determine the timing and need for future progress reports. This Conditional Use is also subject to modification or revocation under City Code Sec. 118-194 (c).
2. This Conditional Use Permit is issued to Collins 3300, LLC, and 3420 Collins Avenue, LLC, to construct a 5-level mechanical parking structure on Site 3, together with a 1-level subterranean parking structure with mechanical parking, spanning the entire project on Sites 1, 2 and 3, including accessory retail on the ground floor of the garage structure and either accessory retail or restaurant on the 5th level of the structure. Subsequent owners and operators shall be required to appear before the Board to affirm their understanding of the conditions listed herein.
3. Any change of operator or ownership shall require review and approval by the Planning Board as a modification to this Conditional Use Permit.
4. The conditions of approval for this Conditional Use Permit are binding on the applicant, the property owners, operators, and all successors in interest and assigns.
5. Substantial modifications to the plans submitted and approved as part of the application, as determined by the Planning Director or designee, may require the applicant to return to the Board for approval.
6. The applicant, its successors and assigns, now and in the future, shall abide by all the documents and statements submitted with this application.
7. All necessary variances for the entire project shall be applied for and obtained prior to applying for a Building Permit.
8. The intensity of uses for both the Saxony Hotel and residential tower project on the east and the Atlantic hotel project on the west, as a unified project, shall not exceed the 249 parking spaces that can be provided in a conventional manner, not utilizing mechanical devices.

9. Parking operation shall be by valet attendants only. A contract with a valet operator shall be submitted to staff for review and approval prior to a final Certificate of Occupancy or Business Tax Receipt, whichever occurs first.
10. Calculations for required parking for the project shall be determined by the Planning Department. Such parking calculations shall be based upon both the number of hotel rooms, and the intensity of the proposed accessory uses as measured by the number of seats in dining areas, and by the square footage of the liquor service areas not included in the areas for which seats are calculated. A final determination for the required parking shall be conducted prior to approval of a Certificate of Occupancy or Business Tax Receipt, whichever comes first; a fee in lieu of providing the required parking shall be required should any deficiency be found, which shall be paid before the Certificate of Occupancy is issued.
11. Mechanical parking systems shall also satisfy the following conditions:
 - (a) The noise or vibration from the operation of mechanical parking lifts, car elevators, or robotic parking systems shall not be plainly audible to or felt by any individual standing outside an apartment or hotel unit at any adjacent or nearby property. In addition, noise and vibration barriers shall be utilized to ensure that surrounding walls decrease sound and vibration emissions outside of the parking garage. The sound specifications on the mechanical parking system to be installed shall be submitted to staff for review and approval prior to the issuance of a building permit.
 - (b) For mechanical lifts, the parking lift platform must be sealed and of a sufficient width and length (minimum of eight feet by 16 feet) to completely cover the bottom of the vehicle on the platform to prevent dripping liquids or debris onto the vehicle below;
 - (c) All free-standing mechanical parking lifts must be designed so that power is required to lift the car, but that no power is required to lower the car, in order to ensure that the lift can be lowered and the top vehicle can be accessed in the event of a power outage; robotic garages and vehicle elevators must have backup generators sufficient to power the system;
 - (d) All mechanical lifts must be designed to prevent lowering of the lift when a vehicle is parked below the lift;
 - (e) The ceiling heights of any parking level with parking lifts within the parking garage shall be a minimum of 11 feet by six inches;
 - (f) All parking lifts shall only be operated using a spring loaded underwriters laboratories (UL) approved key switch control. No push button is allowed;
 - (g) All electrical components of the lifts shall be underwriters laboratories (UL) approved;
 - (h) All mechanical parking systems, including lifts, elevators and robotic systems, must be inspected and serviced at least once per year with an annual safety report signed by a licensed mechanical engineer; and
 - (i) All parking lifts shall be maintained and kept in good working order.

12. The City's concurrency requirements can be achieved and satisfied through payment of mitigation fees or by entering into an enforceable development agreement with the City. The Transportation and Concurrency Management Division shall make the determination of the project's fair-share mitigation cost. A final concurrency determination shall be conducted prior to the issuance of a Building Permit. Mitigation fees and concurrency administrative costs shall be paid prior to the project receiving any Building Permit. Without exception, all concurrency fees shall be paid prior to the issuance of a Temporary Certificate of Occupancy or Certificate of Occupancy.
13. The applicant shall submit an MOT (Method of Transportation) to Public Works Department staff for review and approval prior to the issuance of a building permit. The MOT shall address any traffic flow disruption due to construction activity on the site.
14. A landscape plan for the entire site, prepared by a Professional Landscape Architect, inclusive of street trees as per the City of Miami Beach Master Street Tree Plan, shall be submitted to and approved by staff before a building permit is issued for construction.
15. The applicant shall obtain a Certificate of Occupancy prior to the issuance of a Business Tax Receipt.
16. The applicant shall satisfy outstanding liens and past due City bills, if any, to the satisfaction of the City prior to the issuance of an occupational license to operate this entertainment establishment.
17. The applicant shall obtain a full building permit within 18 months from the date of the meeting, and the work shall proceed in accordance with the Florida Building Code. Extensions of time for good cause, not to exceed a total of one year for all extensions, may be granted by the Planning Board.
18. The Planning Board shall retain the right to call the owner or operator back before them and modify the hours of operation or the occupant load of the accessory uses proposed for the project should there be valid complaints about loud, excessive, unnecessary, or unusual noise. Nothing in this provision shall be deemed to limit the right of the Planning Board to call back the owner or operator for other reasons and for other modifications of this Conditional Use Permit.
19. A violation of Chapter 46, Article IV, "Noise," of the Code of the City of Miami Beach, Florida (a/k/a "noise ordinance"), as may be amended from time to time, shall be deemed a violation of this Conditional Use Permit and subject to the remedies as described in section 118-194, Code of the City of Miami Beach, Florida.
20. This order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
21. Within a reasonable time after applicant's receipt of this Conditional Use Permit as signed and issued by the Planning Director, the applicant shall record it in the Public Records of Miami-Dade County at applicant's expense and then return the recorded instrument to the

Planning Department. No building permit or certificate of completion shall be issued until this requirement has been satisfied.

22. The establishment and operation of this Conditional Use shall comply with all the aforementioned conditions of approval; non-compliance shall constitute a violation of the Code of the City of Miami Beach, Florida, and shall be subject to enforcement procedures set forth in Section 114-8 of said Code and such enforcement procedures as are otherwise available. Any failure by the applicant to comply with the conditions of this Order shall also constitute a basis for consideration by the Planning Board for a revocation of this Conditional Use.
23. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code.

O R D E R

The applicant, Collins 3300, LLC and 3420 Collins Avenue, LLC, filed an application with the Planning Department for variances in order to develop three parcels of land into a unified project, consisting of a hotel, parking structure and the preservation of the historic Atlantic Hotel, as follows:

Site 1: 3301 Indian Creek Drive

1. A variance to waive 25'-0" of the minimum required 45'-0" front yard setback for the tower portion in order to locate the tower at 20'-0" from the west property line, facing Indian Creek.
2. A variance to waive 25'-0" of the minimum required 45'-0" front yard setback for the tower portion in order to locate the tower at 20'-0" from the east property line, facing Collins Avenue.
3. A variance to waive 9½" of the minimum required subterranean parking setback of 5'-9½" in order to build the subterranean parking at 5'-0" from the south property line.
4. A variance to waive all of the minimum required subterranean parking setback of 5'-9½" in order to build the subterranean parking up to the north property line.

Site 2: 3400 Collins Avenue (Atlantic Hotel)

5. A variance to waive all of the minimum required subterranean parking setback of 5'-0" in order to build the subterranean parking up to the south property line.
6. A variance to waive all of the minimum required subterranean parking setback of 5'-0" in order to build the subterranean parking up to the north property line.

7. A variance to waive 5'-0" of the minimum required rear pedestal setback of 10'-0" in order to build an addition at 5'-0" from the west property line, following the existing building line.
8. A. A variance to waive 3'-0" of the minimum required interior north side pedestal setback of 8'-0" in order to build an addition at 5'-0", following the existing building line.
B. A variance to waive all of the minimum required interior north side pedestal setback of 8'-0" in order to allow a stairway to cross the interior side property line and to connect to the proposed building on Site 3.
9. A variance to waive 11'-2" of the minimum required sum of the side yards of 16'-0" in order to provide a sum of the side yards of 4'-10".

Site 3: 3420 Collins Avenue

10. A variance to waive all of the minimum required subterranean parking setback of 5'-0" in order to build the subterranean parking up to the south property line.
11. A variance to waive all of the minimum required interior south side pedestal setback of 8'-0" in order to allow a stairway to cross the interior side property line and to connect to the building on Site 2.
12. A variance to waive 8'-0" of the minimum required sum of the side yards of 16'-0" in order to provide a sum of the side yards of 8'-0".

Notice of the request for variance was given as required by law and mailed to owners of property within a distance of 375 feet of the exterior limits of the property on which application was made.

THE BOARD FINDS that the property in question is located in the RM-2 Zoning District.

THE BOARD FURTHER FINDS, based upon evidence, testimony, information and documentation presented to the Board, and portions of the staff report and recommendations, as applicable, which are incorporated herein by this reference, that with regard to the requested variance when conditioned as provided for in this Order:

That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district;

That the special conditions and circumstances do not result from the action of the applicant;

That granting the variance requested will not confer on the applicant any special privilege that is denied by this Ordinance to other lands, buildings, or structures in the same zoning

district;

That literal interpretation of the provisions of this Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of this Ordinance and would work unnecessary and undue hardship on the applicant;

That the variance granted is the minimum variance that will make possible the reasonable use of the land, building or structure;

That the granting of the variance will be in harmony with the general intent and purpose of this Ordinance and that such variance will not be injurious to the area involved or otherwise detrimental to the public welfare; and

That the granting of this request is consistent with the comprehensive plan and does not reduce the levels of service as set forth in the plan.

IT IS THEREFORE ORDERED, by the Board, that the variances be APPROVED as requested and set forth above; with the following conditions to which the applicant has agreed:

1. The applicant shall comply with all the conditions imposed by the Historic Preservation Board File No. 7299.
2. Substantial modifications to the plans submitted and approved as part of the application, as determined by the Planning Director or designee, may require the applicant to return to the Board for approval of the modified plans, even if the modifications do not affect variances approved by the Board.
3. A landscape plan for the entire site, prepared by a Professional Landscape Architect, inclusive of street trees as per the City of Miami Beach Master Street Tree Plan, shall be submitted to and approved by staff before a building permit is issued for construction.
4. The applicant shall comply with all conditions imposed by the Public Works Department.
5. All improvements in the public right-of-way associated with the subject project shall be subject to the final review and approval of the Planning Department Director, Public Works Director, and the Parks and Recreation Department Director, and shall require an agreement, subject to the review and approval of the City Attorney, providing for the assumption of maintenance and liability obligations by the Applicant, and its successors and assigns, executed and recorded before the issuance of a building permit.
6. The applicant shall obtain a full building permit within eighteen months (18) months from the date of this hearing. If the full building permit is not obtained within the specified time limits, the applicant shall, prior to expiration of such period, apply to the Board for an extension of time. At the hearing on such application, the Board

may deny or approve the request and modify the above conditions or impose additional conditions. Failure to comply with this order shall subject the variance to Section 118-356, City Code, for revocation or modification of the variance.

7. The conditions on this Order are binding on the applicant, the property's owners and all successors in interest and assigns.
8. This order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
9. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code, except to the extent of the variance granted herein.
10. This Order shall be recorded, at the expense of the applicant, in the Public Records of Miami-Dade County; the original or a certified copy shall be provided to the Planning Department prior to the issuance of a Building Permit.

PROVIDED, the applicant shall build substantially in accordance with the plans approved by the Board of Adjustment, as determined by staff, entitled "Atlantic Hotels", as prepared by Revuelta Architecture International, dated January 10, 2012, modified in accordance with the conditions set forth in this Order and staff review and approval.

The applicant shall have a full building permit for the work contemplated herein issued by the Building Department on or before September 2, 2013 (within eighteen months of the date of this hearing) as per the above conditions. If the full building permit is not obtained within the specified time limits, the applicant shall apply to the Board for an extension of time prior to expiration of such period; otherwise, this Order will expire, and become null and void, unless the issuance of such permit is stayed by an appeal of this Order to a court of competent jurisdiction.

This Order does not constitute a building permit, but upon presentation of a recorded copy of this Order to the Planning Department, a permit shall be processed and approved (subject to compliance with the conditions hereof) in accordance with and pursuant to the ordinances of the City of Miami Beach.
