LEGAL: Lot 3 and the South 3 feet of Lot 2, Block 17, of the Ocean Beach Addition No. 2, According to the Plat Thereof, as Recorded in Plat Book 2, Page 56, of the Public Records of Miami-Dade County, Florida.

IN RE: The Application for an after-the-fact Certificate of Appropriateness for the installation of two retractable awning structures attached to the east façade of the building.

ORDER

The City of Miami Beach Historic Preservation Board makes the following FINDINGS OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

I. Certificate of Appropriateness

- A. The subject site is located within the Ocean Drive/Collins Avenue.
- B. Based on the plans and documents submitted with the application, testimony and information provided by the applicant, and the reasons set forth in the Planning Department Staff Report, the project as submitted:
 - 1. Is consistent with the Certificate of Appropriateness Criteria in Section 118-564(a)(1) of the Miami Beach Code.
 - 2. Is not consistent with Certificate of Appropriateness Criteria 'a' & 'b' in Section 118-564(a)(2) of the Miami Beach Code.
 - 3. Is not consistent with Certificate of Appropriateness Criteria 'd' in Section 118-564(a)(3) of the Miami Beach Code.
 - 4. Is consistent with Sea Level Rise and Resiliency Review Criteria in Section 133-50(a) of the Miami Beach Code.
- C. The project would be consistent with the criteria and requirements of section 118-564 and 133-50(a) if the following conditions are met:
 - 1. Revised elevation, site plan and floor plan drawings shall be submitted and, at a minimum, such drawings shall incorporate the following:

HPB17-0136

Meeting Date: October 10, 2017

- a. The existing unpermitted retractable awning shall be removed within 60 days from October 10, 2017. Two new retractable awnings may be introduced on the east façade of the building between the existing columns with a minimum separation of 6'-0" between awnings.
- b. The separate awning structures shall project a maximum of 8'-6" into the right-of-way when fully extended, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
- c. The awning structures shall maintain a minimum vertical clearance of 8'-6" from the elevation of the sidewalk to the underside of the awning structure (excluding the fabric valance), in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
- d. The drop of the awning structures shall not exceed 2'-6" measured from the top of the hood to the underside of the awning (excluding the fabric valance), in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
- e. All items which have been installed on the exterior of the building and within terrace without a Certificate of Appropriateness, shall be removed prior to the issuance of a building permit for the awning structures, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
- f. Final details of all exterior surface finishes and materials for the frames of the structures, including samples, shall be provided, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
- g. Fixtures, including but not limited to lighting, speakers, fans, heaters, misters shall not be permitted to be attached to the awning structures.
- h. Any lighting, fans or heaters or similar fixtures proposed to be located within the terrace shall be free standing and shall not be permanently attached, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
- i. No exterior speakers, except as may be required for Fire or Building Code/Life Safety Code purposes may be permitted within the terrace.
- j. Vertical side panels and/or gutters, including those for weather protection, shall not be permitted to be attached to the awning structures.
- k. Televisions or similar digital screens shall not be permitted to be located within the terrace.

II. Variance(s)

- A. No variance(s) were filed as part of this application.

III. General Terms and Conditions applying to both 'I. Certificate of Appropriateness' and 'II. Variances' noted above.

- A. Where one or more parcels are unified for a single development, the property owner shall execute and record an unity of title or a covenant in lieu of unity of title, as may be applicable, in a form acceptable to the City Attorney.
- B. A copy of all pages of the recorded Final Order shall be scanned into the plans submitted for building permit, and shall be located immediately after the front cover page of the permit plans.
- C. The Final Order shall be recorded in the Public Records of Miami-Dade County, prior to the issuance of a Building Permit.
- D. Satisfaction of all conditions is required for the Planning Department to give its approval on a Certificate of Occupancy; a Temporary Certificate of Occupancy or Partial Certificate of Occupancy may also be conditionally granted Planning Departmental approval.
- E. The Final Order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
- F. The conditions of approval herein are binding on the applicant, the property's owners, operators, and all successors in interest and assigns.
- G. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code.

IT IS HEREBY ORDERED, based upon the foregoing findings of fact, the evidence, information, testimony and materials presented at the public hearing, which are part of the record for this matter, and the staff report and analysis, which are adopted herein, including the staff recommendations, which were amended and adopted by the Board, that the application is GRANTED for the above-referenced project subject to those certain conditions specified in Paragraph I, II, III of the Findings of Fact, to which the applicant has agreed.

PROVIDED, the applicant shall build substantially in accordance with the plans entitled "Leslie Hotel Cala Cafe", as prepared by J.D.C. Architect, Inc., dated August 10, 2017, and as approved by the Historic Preservation Board, as determined by staff.

Meeting Date: October 10, 2017

When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Order. No building permit may be issued unless and until all conditions of approval that must be satisfied prior to permit issuance, as set forth in this Order, have been met.

The issuance of the approval does not relieve the applicant from obtaining all other required Municipal, County and/or State reviews and permits, including final zoning approval. If adequate handicapped access is not provided on the Board-approved plans, this approval does not mean that such handicapped access is not required. When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Order.

If the Full Building Permit for the project is not issued within eighteen (18) months of the meeting date at which the original approval was granted, the application will expire and become null and void, unless the applicant makes an application to the Board for an extension of time, in accordance with the requirements and procedures of Chapter 118 of the City Code; the granting of any such extension of time shall be at the discretion of the Board. If the Full Building Permit for the project should expire for any reason (including but not limited to construction not commencing and continuing, with required inspections, in accordance with the applicable Building Code), the application will expire and become null and void.

In accordance with Chapter 118 of the City Code, the violation of any conditions and safeguards that are a part of this Order shall be deemed a violation of the land development regulations of the City Code. Failure to comply with this Order shall subject the application to Chapter 118 of the City Code, for revocation or modification of the application.

Dated this 16 day of October, 2017.
