MIAMIBEACH PARKS & RECREATION

ADOPT-A-BENCH PROGRAM

The City of Miami Beach has established an Adopt-A-Bench Program, providing individuals or entities the ability to commemorate or honor family, friends, or special events by adopting a new or an existing bench in a City park.

The following are the established procedures and requirements for the Adopt-A-Bench Program, which are subject to change by the City:

- In order to participate in the Program, the attached application must be completed and submitted to the City of Miami Beach Parks and Recreation Department, 1701 Meridian Avenue, Suite 401, Miami Beach, FL 33139 or by email to adoptabench@miamibeachfl.gov. Donors may elect to adopt an existing park bench or propose the addition of a new bench within a City park. Participation in the Program requires a \$10,000.00 adoption fee, to be paid in full by the donor within thirty (30) days of application approval. The adoption fee will cover the cost of new bench installation and maintenance, or the maintenance of an existing bench, whichever is applicable, including the purchase, inscription, and installation of a commemorative plaque. Proceeds from the Adopt-A-Bench Program will be used to finance City park beautification efforts. Donors must acknowledge that the adopted bench is for the use of the general public at all times during park hours, and that the commemorative plaque is subject to approval pursuant to Section 82-504 of the City Code.
- The City of Miami Beach is a duly incorporated municipality in the State of Florida exempt from federal taxation as a tax-exempt public corporation. Donations to the City of Miami Beach through the Adopt-A-Bench Program are defined as charitable contributions and are deductible as provided by federal law. Donors are responsible for consulting with a tax professional.
- Parks and Recreation Department standards will be used in the selection of bench and plaque options. If a new bench is to be installed, it shall replicate other benches at that park. Donors may not design their own bench/plaque, or have an external vendor supply a bench/plaque. Not all City park benches (or proposed sites) are eligible for participation in the program.
- Park location and bench sites are subject to approval and availability. Bench and plaque options (design, color, material, inscription, etc.) shall be strictly limited to those pre-determined by the Parks and Recreation Department, as described in the attached application. The plaque will remain affixed to the bench for a minimum of ten years. After ten years, the bench will be made available for re-adoption, provided that the Adopt-A-Bench Program is in existence. Prior to expiration of the ten-year period, the original donor may contact the City of Miami Beach Parks and Recreation Department to re-adopt the bench. If a donor does not re-adopt the bench by paying the re-adoption fee to the Parks and Recreation Department prior to the expiration of the ten year period, the bench will be eligible for adoption by another individual or entity.
- The City reserves the right, in its sole discretion, to alter, relocate, permanently move, or replace a bench/plaque due to capital construction, landscape redesign, or other extenuating circumstances. During the ten-year donation period, a comparable location will be provided by the City. In the event of damage to the bench and/or plaque as a result of a natural disaster or vandalism, the City is not obligated to repair or replace the bench and/or plaque. Donors are encouraged to keep all contact information up-to-date with the Parks and Recreation Department.
- The City reserves the right not to accept applications from entities whose business involves products and/or services which, at the City's sole discretion, are not considered appropriate in terms of affiliation with a public entity, particularly a parks and recreation system, and which would conflict with the City's brand or licensing agreements.

All inquiries regarding the Adopt-A-Bench Program should be referred to the City of Miami Beach Parks and Recreation Department at 305.673.7767 or by email to adoptabench@miamibeachfl.gov; office hours are Monday through Friday, 8:30 AM to 5:00 PM.
