TO THE PROFESSIONAL SERVICES AGREEMENT
BETWEEN
THE CITY OF MIAMI BEACH, FLORIDA
AND**

**SAVINO & MILLER DESIGN STUDIO, P.A.,
DATED MAY 19, 2016,**

**FOR ADDITIONAL ARCHITECTURAL AND ENGINEERING DESIGN SERVICES FOR THE
FUTURE COMMUNITY PARK (FORMER PAR 3) PROJECT,
IN AN AMOUNT NOT-TO-EXCEED OF \$35,698;**

This Amendment No. 2 to the Agreement, made and entered this ____ day of _____ 2018, by and between the CITY OF MIAMI BEACH, a Municipal Corporation existing under the laws of the State of Florida (hereinafter referred to as City), having its principal offices at 1700 Convention Center Drive, Miami Beach, Florida 33139, and SAVINO & MILLER DESIGN STUDIO, P.A, a Florida Corporation, having its offices at 12345 NE 6 Avenue, Miami, Florida 33161 (hereinafter referred to as the Consultant).

RECITALS

WHEREAS, on December 9, 2015, the Mayor and City Commission adopted Resolution No. 2015-29234, authorizing administration to enter into negotiations and further authorizing the Mayor and City Clerk to execute a Professional Services Agreement with the firm of Savino & Miller Design Studio, P.A., (Consultant), to provide professional services for the planning, design, bid, award and construction administration of the Future Community Park (former Par 3) (the Project); and

WHEREAS, On May 19, 2016, a professional services agreement was executed in the amount of \$933,465.; and

WHEREAS, on September 5, 2017 the conceptual drawings and renderings for the project were presented at the Design Review Board (DRB) hearing and the DRB recommended the approval of the project with certain conditions and approved a Certificate of Appropriateness; and

WHEREAS, on January 26, 2018 the City approved Amendment No.1, in the amount of \$32,295, for design services, to incorporate the reduction and reconfiguration of the lake; removal of the parking lot from the west side of the property and enlarge the parking along Pinetree Drive; and reconfigure the walkway and jogging path; and

WHEREAS, on March 7, 2018, the City Commission passed Resolution 2018-30222, accepting the recommendation of the FCWPC, to continue with the current design of the park; and

WHEREAS, as part of the 30% design review, comments were generated by City departments and the Parks and Recreational Facilities Advisory Board and the following additional elements are necessary to be included in the design scope: pathway lighting, interior and exterior security lighting, tennis court lighting, conduits for the future installation of security cameras, and revised tennis center building; and

WHEREAS, in addition, the conditions at the site have changed due to Hurricane Irma debris removal operations and a revised site survey, tree report, and tree management plans are necessary; and

WHEREAS, the Consultant submitted a price proposal for additional services for Amendment No. 2 in the negotiated amount of \$35,698, for the design, permitting, bid award and limited construction administration of the above described services; and

WHEREAS, City staff has found the proposal to be fair and reasonable; and

WHEREAS, the total contract amount, including the previous amendment, will revise the contract amount to a not-to-exceed total of \$1,001,458.

NOW, THEREFORE, the parties hereto, and in consideration of the mutual promises, covenants, agreements, terms, and conditions herein contained, and other good and valuable consideration, the respect and adequacy are hereby acknowledged, do agree as follows:

1. **ABOVE RECITALS**

The above recitals are true and correct and are incorporated as a part of this Amendment No. 2.

2. **MODIFICATIONS**

a. The Agreement is amended to include and incorporate the additional work, as set forth in Exhibit 2-1, attached hereto.

b. In consideration for the performance of the additional Services, as set forth in Exhibit 2-1, City shall pay the Consultant the total not-to-exceed amount of \$35,698.

3. **OTHER PROVISIONS.**

All other provisions of the Agreement, as amended, are unchanged.

4. **RATIFICATION.**

The City and Consultant ratify the terms of the Agreement, as amended by this Amendment No. 2.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment No. 2 to be executed in their names by their duly authorized officials as of the date first set forth above.

March 9, 2018

Dear Mr. Miller,

I will provide an updated written tree resource evaluation for the property known as Par 3 Park in Miami Beach. This will update my original Par 3 Community Park report dated September 26, 2016.

Based upon the scope of the original report any trees or palms that have been damaged, failed, changed significantly, or have been removed will be documented in an additional Appendix to the original report. I will not remeasure trees or palms that appear to be unchanged.

I will rate the trees and palms in accordance with ANSI A300 (Part 5) – 2012, Annex A, Management Report Information. The trees and palms will be rated Good, Moderate, or Poor.

I will also follow the Levels and Scope of Tree Risk Assessment from the ANSI A300 Part 9- 2017: Levels of tree risk assessment; Level 1 limited visual tree risk assessment, Level 2 basic tree risk assessment, and Level 3

advanced tree risk assessment. The scope of this report/evaluation is limited to a Level 2 Assessment for all trees and palms onsite.

My fee will not exceed \$900 with payment due at the time of digital delivery to the architect and/or the owner. This fee will include any subsequent follow-up with the architect or the City of Miami Beach regarding the tree resource evaluation.

My fee for further work which may include monitoring demolition, hearings, or meetings regarding tree issues will be \$150 per hour.

RE: Miami Beach Community Park – Request for Additional Services

Dear Barry,

Based on our meeting last week with the Department of Parks and Recreation and the Department of Capital Improvements we request additional services in regards to the proposed design modifications to the multi-use pavilion.

DESCRIPTION OF ITEMS REQUIRING ADDITIONAL SERVICES:

1. Increase in size and use of the proposed multiuse pavilion
 - a. Increase square footage of storage room
 - b. Provide larger electrical room
 - c. Provide additional stall in Women's Restroom and urinal in Men's Restroom
2. Eliminate all impermeable shade elements
3. Rearrange the restrooms so that the lavatories are facing the exterior and overall restrooms do not have doors and is secured with one roll down gate
4. Open up distance between each restroom and office/storage building and elimination of individual vestibules to the Men's' and Women's Restrooms to allow for better surveillance

ADDITIONAL SERVICES REQUIRED TO ACCOMPLISH:

1. Site visit to Flaming Park to review the existing restrooms and layout which is now the preferred restroom design
2. Modify restroom design and multiuse building
3. Reconfigure common vestibule and add roll down gates to restrooms and vending machine
4. Create new storefront for office
5. Enlarge electrical room for increased program use
6. Add additional square footage for storage
7. Remove all non-permeable canopies
8. Modify exterior elevations and sections
9. Modify roof plan

FEE FOR ADDITIONAL SERVICES:

Design services

Principal Architect – 4 hrs x \$172/hr=\$688
Architect/Project Manager – 10 hrs x \$138/hr=\$1,380
Designer – 16 hrs x \$83/hr=\$1,328

Total additional service request - \$3,396

The proposed modifications assume that renderings will not need to be updated and that the modifications will not require presentations to the DRB or the Department of Planning nor subsequent revisions.
