Mr. Tom Mooney,  
Planning Director  
City of Miami Beach  
1700 Convention Center Drive  
Miami Beach, Florida 33139  
April 28, 2016

**Re: HPB Approval for Extension for HPB File No 7434 re 801 Lincoln Rd**

Dear Mr. Mooney:

PPF MBL Portfolio, LLC is the owner of the property located at 801 Lincoln Road (the "Property"). Approval was granted by the Historic Preservation Board on July 8, 2014 for the design of a new 3 story commercial building. In the summer of 2015 we returned for two HPB hearings. On June 9, 2015 we secured a Certificate of Appropriateness of our building signs and setbacks for upper floors. On July 14, 2015 we secured a variance to eliminate internal loading within the building. We are now seeking an extension of time to the original authorization because more than 18 months has passed from the time of the original HPB approval prior to securing a final building permit.

We submitted our first application to the building department for new construction on September 11, 2015. Since then we have continuously worked continuously and in good faith with the building department and planning department on securing a final permit for this building.

Although we had initially intended to build the building in two phases, by first securing certificates of occupancy for expanded tenant spaces on Lincoln Road and then building the rest of the building, we had to revise and consolidate plans in response to comments from the Fire Department. The consolidated set of plans was resubmitted to the City for review and merged into the initial submittal. The overall design and finished product has remained unchanged throughout.

Notable milestones for the project include the following:

- December 22, 2015: secured demolition permit to remove the prior structure located at the site of our new building. At that time we paid all concurrency fees and building department fees due at the time, as well as county impact fees.
- December 29, 2015: completed demolition of Abuela's.

Mr. Tom Mooney  
Planning Director  
City of Miami Beach  
April 28, 2016, Page 2

- February 1, 2016: A phased permit was issued for the project. To accommodate requirements of the building department we have made significant upgrades to the existing building's life safety and electrical systems.
- On April 6, 2016 we met with reviewers from the building department for a 3-time review and, successfully resolved outstanding issues under their jurisdiction.

We are eager to continue to advance this project which will greatly enhance the environment in the surrounding vicinity.

Thank you in advance for your assistance with providing our extension for this HPB File.
