FILE NO. ZBA0516-0011

IN RE: The application for a variance to reduce the minimum required number of seats for a restaurant serving beer and wine for consumption on the premises.

LEGAL

DESCRIPTION: Lot 1, Block 58 of "Pine Ridge Subdivision", According to the Plat Thereof, as recorded in Plat Book 6 at Page 34 of the Public Records of Miami-Dade County, Florida.

MEETING DATE: July 8, 2016.

ORDER

The applicant, Texas Taco Factory Express, Inc, filed an application with the Planning Department for the following variance for a restaurant serving beer and wine for consumption on the premises:

1. A variance to reduce by twelve (12) seats the minimum required thirty (30) seats for a restaurant selling beer and wine in order to operate an eighteen (18) seat restaurant serving beer and wine for consumption on the premises.

The City of Miami Beach Board of Adjustment makes the following FINDINGS OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

- A. Based on the plans and documents submitted with the application, testimony and information provided by the applicant, and the Planning Department Staff Report, the project as submitted satisfies the requirements of Section 118-353(d) of the Miami Beach Code. Accordingly, the Board of Adjustment has determined the following:

That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district;

That the special conditions and circumstances do not result from the action of the applicant;

That granting the variance requested will not confer on the applicant any special privilege that is denied by this Ordinance to other lands, buildings, or structures in the same zoning district;

That literal interpretation of the provisions of this Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district

under the terms of this Ordinance and would work unnecessary and undue hardship on the applicant;

That the variance granted is the minimum variance that will make possible the reasonable use of the land, building or structure;

That the granting of the variance will be in harmony with the general intent and purpose of this Ordinance and that such variance will not be injurious to the area involved or otherwise detrimental to the public welfare; and

That the granting of this request is consistent with the comprehensive plan and does not reduce the levels of service as set forth in the plan.

B. The Board hereby **Approves** the Variance request(s), and imposes the following conditions based on its authority in Section 118-354 of the Miami Beach City Code:

1. Substantial modifications to the plans submitted and approved as part of the application, as determined by the Planning Director or designee, may require the applicant to return to the Board for approval of the modified plans, even if the modifications do not affect variances approved by the Board.
2. As proffered by the applicant, the package sales of single cans/bottles of beer shall not be permitted.
3. Only beer, wine, and food shall be served for consumption on the premises, including any exterior areas. The sale of hard liquor for consumption on the premises shall be prohibited at all times.
4. Music shall be limited to ambient background music only and no dance hall or entertainment license shall be approved.
5. Except as may be required by the Fire, Building, or Life Safety Codes, no loudspeakers shall be affixed to or otherwise located on the exterior of the premises.
6. The establishment shall not be converted to a stand-alone bar, or dance hall.
7. The Operator shall be responsible for maintaining the areas adjacent to the facility, such as the sidewalk on 15th Street, in a clean condition, free of all refuse, at all times.
8. The Board of Adjustment shall maintain jurisdiction over this file. Within ninety (90) days after obtaining a City business tax receipt to sell beer and wine, the operator shall make a progress report to the Board. The Board reserves the right to modify the conditions of this approval at the time of a progress report, in a non-substantive manner, including modifications to the hours of operation, to impose additional conditions to address possible problems and to determine the timing and need for future progress reports.

9. This approval is granted to "Texas Taco Factory Express, Inc." only. Any change of operator, or ownership by fifty (50) percent or more of stock ownership, partnership interest, or the equivalent, shall require review and approval by the Board of Adjustment as a modification to this Order. If deemed necessary, at the request of the Planning Director, the applicant shall provide a progress report to the Board. The Board reserves the right to modify the Variance(s) approved herein at the time of a progress report in a non-substantive manner, to impose additional conditions to address problems and to determine the timing and need for future progress reports.
10. The property owner shall be responsible for compliance with all of the conditions of this variance. The current operator and any subsequent operators of the business shall be specially apprised of all conditions. Subsequent operators shall be required to appear before the Board of Adjustment to affirm their understanding of the conditions listed, herein.
11. If there is any change in the use or operation of the establishment, including but not limited to any attempt by the establishment to convert to a stand-alone bar, dance hall, and/or entertainment establishment, or in the event the use ceases to exist for any reason (except for temporary closure during a season or remodeling, both for a period up to six (6) months), the variance shall be subject to Section 118-356, City Code, for revocation or modification of the variance.
12. The applicant shall comply with all conditions imposed (if applicable) by the Public Works Department.
13. The Board of Adjustment shall retain the right to call the operators back before the Board and modify the hours of operation or the occupant load should the City issue any written warnings and/or notices of violation about loud, excessive, unnecessary, or unusual noise.
14. A violation of Chapter 46, Article IV, "Noise," of the Code of the City of Miami Beach, Florida (a/k/a "noise ordinance"), as may be amended from time to time, shall be deemed a violation of this Order and subject to the remedies as described in the Code of the City of Miami Beach, Florida.
15. A copy of all pages of the recorded Final Order shall be scanned into the plans submitted for building permit, and shall be located immediately after the front cover page of the permit plans.
16. The final building plans shall meet all other requirements of the Land Development Regulations of the City Code.
17. The applicant shall comply with all conditions imposed by the Public Works Department.
18. The conditions of approval herein are binding on the applicant, the property's owners and all successors in interest and assigns.
19. The final order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order

shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.

20. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code, except to the extent of the variance(s) granted herein.
21. The Final Order shall be recorded in the Public Records of Miami-Dade County, prior to the issuance of a Building Permit.

The decision of the Board regarding variances shall be final and there shall be no further review thereof except by resort to a court of competent jurisdiction by petition for writ of certiorari.

IT IS HEREBY ORDERED, based upon the foregoing findings of fact, the evidence, information, testimony and materials presented at the public hearing, which are part of the record for this matter, and the staff report and analysis, which are adopted herein, including staff recommendations, as modified by the Board of Adjustment, that the application for Variance(s) Approval is GRANTED for the above-referenced project, subject to those certain conditions specified in Paragraph B (Condition Nos. 1-21, inclusive) hereof, to which the applicant has agreed.

PROVIDED, the applicant shall build substantially in accordance with the plans approved by the Board of Adjustment, as determined by staff, entitled "409 - 411 15th Street, Miami Beach" as prepared by Beilinson Gomez Architects, signed and sealed May 24, 2016, modified in accordance with the conditions set forth in this Order and staff review and approval.

No building permit may be issued unless and until all conditions of approval that must be satisfied prior to permit issuance as set forth in this Order have been met. The issuance of this Order does not relieve the applicant from obtaining all other required Municipal, County and/or State reviews and permits, including final zoning approval. If adequate handicapped access is not provided on the Board-approved plans, this approval does not mean that such handicapped access is not required.

When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Order.

If the Full Building Permit for the project is not issued within eighteen (18) months of the meeting date at which the original Variance Approval was granted, the subject Approval will expire and become null and void, unless the applicant makes application to the Board for an extension of time, in accordance with the requirements and procedures of Chapter 118 of the City Code; the granting of any such extension of time shall be at the discretion of the Board. At the hearing on any such application, the Board may deny or approve the request and modify the above conditions or impose additional conditions. If the Full Building Permit should expire for any reason (including but not limited to construction not commencing and continuing, with required inspections, in accordance with the applicable Building Code), and not reinstated by the Building Official or designee, the Variance Approval will expire and become null and void.
