HOME PARAMOUNT PEST CONTROL COMPANY

Company Profile

Home Paramount Pest Control operates 32 offices in 7 states and is one of the largest, independent family-owned and operated pest control firms in the nation. We employ over 500 team members and strive to recruit, develop and retain highly qualified personnel.

In 2005, Home Paramount attained the National Pest Management Association's QualityPro Certification, which signifies "The Mark of Excellence." This corporate program is designed to differentiate QualityPro companies from the competition authenticating that Home Paramount's business, ethical and environmental practices meet the highest industry standards committed to providing premier service.

QualityPro companies meet superior standards including:

- Practicing environmentally responsible pest control.
- Employing only highly trained, credentialed employees.
- Maintaining an up-to-date insurance policy.
- Marketing truthfully and ethically.
- Checking employee references, driving history, and criminal backgrounds.
- Maintaining a drug-free workplace.

In 2009, Home Paramount earned a further mark of distinction by raising the bar and earning National Pest Management Association's QualityPro Green™ designation. This designation certifies that Home Paramount stands out as an environmentally friendly business.

For more information on Quality Pro we invite you to visit www.npmaqualitypro.com.

Home Paramount was founded by Walter A. Tilley, Sr. in Baltimore, Maryland in 1939 operating as Home Exterminating Company. Always active in his community, Mr. Tilley helped establish the Maryland Pest Control Association in 1943. This association of industry members set the stage for the modern pest management industry and helped form a framework for the industry's regulatory and business standards.

The acquisition of the Virginia based Paramount Termite Control Company was a pivotal moment in the organization's history. Paramount, a regional powerhouse, provided pest and termite control services throughout Virginia. The two companies ultimately merged to form Home Paramount Pest Control. This merger combined complementary resources and similar organizational philosophies to enhance customer service and technical excellence. The diversification of Home Paramount's business interests also provided exciting synergies benefiting Home Paramount's customers through access to state of the art pest control products and technologies. Today, Home Paramount is a third-generation family-owned and operated business and one of the largest independent pest management firms in the United States. With branch offices in Delaware, Florida, Pennsylvania, Maryland, Virginia and North Carolina, Home Paramount has transformed from a small family operation to the leading pest management firm in the Mid-Atlantic.

Home Paramount's trained, dedicated staff is part of a comprehensive pest management team that is prepared to partner with you to guarantee superior results. Home Paramount boasts a team of full-time entomologists who strive to keep our customers and service personnel up to date of technical and regulatory trends. Our commitment to community and to the pest control industry has been proven through over seventy five years of service.

For additional information we invite you to visit our website at www.homeparamount.com.

Other Designations

Angie's List Super Service Award

Home Paramount is an Angie's List Super Service Award winner – Angie's list is a nationally recognized company, which rates consumer service companies in various industries. The Super Service Award is given only to top rated service companies. Angie's list is yet another top rated designation for Home Paramount Pest Control.

Environmentally Friendly Company - Premium Green™

Commitment to Sustainability – Our Premium Green program takes a holistic approach to pest control that integrates inspections and exclusion services with the judicious application of “green” products. This integrated approach involves a series of evaluations, decisions and controls. Priority is always given to low impact, non-chemical and least disruptive solutions.

Premium Green products are carefully selected based on impact and effectiveness. For example, we use a revolutionary line of botanically derived pest control products made of essential oils such as clove, peppermint, rosemary and thyme. These products are based on the natural defenses plants use to combat insects and care extremely effective.

Home Paramount's green termite solution is the *Sentricon® Colony Elimination System*. The only termite control product ever to earn the Presidential Green Chemistry Challenge Award.

HOME PARAMOUNT PEST CONTROL COMPANY

A Company Committed to Health and Safety

We are committed to the health and safety of our employees, our clients and our environment. For generations, Home Paramount Pest Control has taken the initiative to research, implement and monitor new technologies and materials to ensure the health and safety of all of the communities we serve. Our personnel are specifically trained to make responsible decisions regarding product use and recommend non-chemical solutions when possible. At the same time, we recognize that unwanted pests pose real health and safety risks to our customers and their clients and we will partner with you to implement manageable solutions responsibly.

Integrated Pest Management - The Home Paramount Approach

Home Paramount's Integrated Pest Management (IPM) philosophy is a systematic approach to controlling pests that does not rely on automatic application of pesticides on a scheduled basis. Instead, IPM relies on thorough inspection followed by intervention if, when, and where needed. Sanitation, maintenance, landscape alteration, education and chemical methods may be used in site specific combinations to solve or prevent pest problems. Pest control materials selected for use are applied in a manner that reduces or eliminates exposure to people, animals and the environment, but maximizes exposure to target pests. IPM relies on communication and cooperation between the customer and the pest control technician. Below is a list of recommendations that can be helpful in managing pest infestations.

Our IPM approach involves three steps:

1. A floor level inspection of each building to identify pest activity, entry points, harborage areas, and potential food sources.
2. A customized, facility-specific pest management program employing the least hazardous, most up-to-date pest management methods for effective control. This pest management plan will change seasonally to best address the various pest pressures that are present throughout the year.
3. An on-going monitoring and communication program to keep you up-to-date on what pests are present and what Home Paramount is doing to prevent and/or minimize infestations. A written service record of each service.

The benefits of our IPM program are:

- ✓ Provides long term results
- ✓ Environmentally friendly
- ✓ Reduces unnecessary chemical use and its liability
- ✓ Reduces risk of pesticide resistance
- ✓ Proactive, not reactive
- ✓ Detects a potential pest problem before it's a major problem
- ✓ Provides a written record of pest activities and control actions
- ✓ Promotes a better community relationship
- ✓ Site-specific

HOME PARAMOUNT PEST CONTROL COMPANY

COMMON PEST SERVICES.

Target Pests

Home Paramount can provide pest management services for ants (excludes big-headed, caribbean crazy, carpenter, fire, pharaoh and white footed), centipedes, cockroaches, crickets, earwigs, ground beetles, indoor mice, millipedes, pill bugs, silverfish, sow bugs, spiders and springtails. Home Paramount will service the property for the target pest(s) using such materials as it deems necessary in its sole discretion. No other pests, other than those specified in the Scope of Service, are covered under this Agreement. Total elimination of the target pest(s) is not guaranteed and full control of some pests may require additional service fees.

Initial Service

Our service professionals and technical experts will ensure that your pest concerns are immediately addressed as well as other areas that are conducive to pest infestations. Home Paramount will do what it takes to achieve control and most importantly do what it takes to meet your expectations. In areas that require cleaning, reorganization or other means of control, we will offer solutions and recommendations.

Recurring Services

A designated Home Paramount professional will monitor and service your property or facility according to the agreed upon service frequency. A logbook will be provided for documenting and communicating pest sightings between visits. This book will be reviewed and updated upon each visit by your service professional.

Services may be modified seasonally or as required in anticipation of different pests or to address new pest concerns. Exterior services also vary as seasons change and, where practical, we will treat these areas to reduce pests from entering from the outside.

Extra Service Requests

Home Paramount customers may need additional services in between scheduled visits. Our Customer Service Call Center and our Commercial Account Management team are available during and after standard business hours and on weekends to receive these emergency service requests. Service requests for pests not covered under the Service Agreement will be quoted and billed separately.

HOME PARAMOUNT PEST CONTROL COMPANY

ADDITIONAL PEST SPECIFIC SERVICES.

Birds

Birds become pests when they nest or roost in the wrong areas. Their droppings create health and safety concerns associated to more than 60 transmittal diseases. Histoplasmosis is a fatal respiratory disease that results from a fungus growing in dried bird droppings and Salmonellosis can be traced to pigeons, starlings and sparrows. Home Paramount has an array of service programs that includes identification of entry points and habitat modification including traps or other treatment and ongoing maintenance to deter and repel roosting and nesting.

Common Nuisance Flies

Flies are more than an annoyance to your patrons, guests and your livestock. Their unlimited range maximizes their ability to contaminate food preparation and storage areas as well as animal feed. Diseases carried by the common house fly include typhoid, cholera and dysentery. Other diseases include salmonella, anthrax and tuberculosis. House flies have also been known to transmit the eggs of parasitic worms. Tolerable control of these pests is challenging and necessitates a thorough review of options. Home Paramount can offer both pesticide and non-pesticide alternatives to reduce fly population and breeding sites.

Interior plants can be a source of annoying and persistent infestations of aphids and gnats. While controlling these pests is typically the responsibility of the horticulturists, Home Paramount entomologists can provide on-site guidance as to the most appropriate materials measure and products to eliminate them.

Mosquito and Ticks

Not simply a pest, mosquitoes are a vector for some of the world's most dangerous diseases such as Encephalitis, Malaria and West Nile Virus. Home Paramount's three part abatement program reduces these populations. This includes inspection and identification of conducive conditions of breeding sites, treatment of high risk areas to interrupt the life cycle and treatment of daytime resting places to eliminate the current population.

Ticks often found in bushy areas and areas of vegetation live off the blood of their hosts such as domestic animals, wildlife, rodents, livestock and of course humans. Because ticks dwell near the skin of the host, they are often masked by clothing, fur or hair and are not easily detectable. Lyme disease can be transmitted during a bite, but symptoms may not appear until much later. Home Paramount will treat Eco tone areas with effective products designed to reduce tick populations and control future invasions.

Termites

Termites are responsible for an estimated \$5 billion dollars of damage every year in the United States. Because termite damage is not typically covered by insurance, repairs can be costly. Home Paramount has a holistic approach that offers a low impact, non-chemical and less disruptive solution with the Sentricon® Colony Elimination System. The first and most successful termite baiting system is a unique cellulose matrix inserted into strategically placed, in-ground bait stations. Termites feed on the Recruit® termite bait, share it, and the colony dies. The effectiveness of the Sentricon System at eliminating termite colonies is supported through independent research at 30 universities, 70 published scientific articles, and by the U.S. Department of Agriculture.

OTHER PROGRAM SOLUTIONS.

Sanitation - PREMIUM CLEAN™

Premium Clean is Home Paramount's proprietary environmentally sound sanitation solution. Drains and floors in food-processing require special attention as they are the source for pervasive swarms of fruit flies and drain flies that must be controlled before they emerge as adults. This sanitation solution can be safely used in commercial kitchens and food areas to eliminate potential hazards caused by organic waste. It can also be used to decontaminate areas soiled by rodent urine.

Food Safety Pest Management

Food Safety is critical and fumigation on bulk grain, rice and other perishable commodities is a specialized service that Home Paramount offers. Indian meal moths, cigarette beetles and other pests have been known to infest and contaminate product resulting in critical cost. We are trained and experienced in the proper method for eliminating these pests to protect your bottom line.

Product and Equipment

As part of the Integrated Pest Management Approach, Home Paramount can offer non-pesticide solutions that control and minimize interior unwanted pest activity. This includes, but is not limited to, mattress covers and liners for control of bed bugs, an array of lights and traps to minimize a flying insect population and exclusion services to eliminate general pest entry points. Unless purchased by Customer, equipment remains the property of Home Paramount and customer authorizes Home Paramount to collect all equipment upon termination of this Agreement. Home Paramount reserves the right to charge an additional fee for equipment that is not returned or damaged.

Lawn and Ornamental

Home Paramount has lawn and ornamental programs that keep your lawn and landscaping looking green and healthy. Pests such as chinch bugs, white grubs, white flies, fire ants, etc. can be an otherwise uncontrollable and undesirable problem. Home Paramount offers pest control solutions to combat the attacks of these pests through application of fungicides and insecticides and programs that include fertilization, turf and weed control.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding?* on page 2.

By signing the filled-out form, you:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

EXAMINATION OF SOLICITATION DOCUMENTS AND SITE:

It is the responsibility of each Bidder, before submitting a Bid, to:

- Examine the solicitation thoroughly.
- Visit the site or structure, as applicable, to become familiar with conditions that may affect costs, progress, performance or furnishing of the Work.
- Take into account federal, state and local (City and Miami-Dade County) laws, regulations, permits, and ordinances that may affect costs, progress, performance, furnishing of the Work, or award.
- Study and carefully correlate Bidder's observations with the solicitation.
- The submission of a Bid shall constitute an incontrovertible representation by Bidder that Bidder has complied with the above requirements and that without exception, the Bid is premised upon performing and furnishing the Work required by the solicitation and that the solicitation documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.

WARRANTY/GUARANTEE REQUIREMENTS:

The contractor warrants the materials supplied and the work performed under this contract conform to warranty materials provided and work performed for one (1) year from date of completion.

In addition to all other warranties that may be supplied by the bidder, the bidder shall warrant its products and/or service against faulty labor and/or defective material for a minimum period of one (1) year after the date of acceptance of the labor, materials and/or equipment by the City. This warranty requirement shall remain in force for the full one (1) year period; regardless of whether the contractor is under contract with the City at the time of the defect. Any payment by the City on behalf of the goods or services received from the contractor does not constitute a waiver of these warrant provisions.

The contractor shall be responsible for promptly correcting any deficiency, at no cost to the City,

within five (5) calendar days after the City notifies the contractor of such deficiency in writing. If the contractor fails to honor the warranty and/or fails to correct or replace the defective work or items within the period specified, the City may, at its discretion, notify the contractor, in writing, that the bidder may be debarred as a City bidder/proposer and/or subject to contractual default if the correction or replacements are not completed to the satisfaction of the City within ten (10) calendar days of receipt of the notice. If the contractor fails to satisfy the warranty within the period specified in the notice, the City may (a) place the contractor in default of the contract, and/or (b) procure the products or services from another contractor and charge the contractor for any additional costs that are incurred by the City for this work or items, either through a credit memorandum or through invoicing

TERMS:

City of Miami Beach is tax exempt and no taxes shall be included unless otherwise specified, by the City, on the quote form.

The City may reject any or all quotations, or any portion of the quotation, as it deems, in the best interest of the City.

It is agreed that services quoted shall comply with all Federal, State, and local laws relative thereto, and that the bidder shall defend actions or claims brought, and save harmless the City from loss, cost or damage by reason of actual or alleged infringements of patents, copyrights, etc.

The City, at its sole discretion, may request additional information during the evaluation period.

CITY OF MIAMI BEACH CERTIFICATION OF CONTRACT

TITLE: For Pest Control Services

CONTRACT NO.: ITB 2017-095-AK

EFFECTIVE DATE(S): This Contract shall remain in effect for a period of three (3) years from the date of execution by the Mayor and City Clerk of the City of Miami Beach, and may be extended at the sole discretion of the City of Miami Beach, through its City Manager, for two (2) additional one (1) year terms.

SUPERSEDES: N/A

CONTRACTOR(S): HULETT ENVIRONMENTAL SERVICES INC (PRIMARY VENDOR).

ESTIMATED ANNUAL CONTRACT AMOUNT: \$ 18,954.00

- A. AUTHORITY - Upon affirmative action taken on April 26, 2017, by the Mayor and City Commission of the City of Miami Beach, Florida ("City"), approving the award of this Contract, and upon execution thereof by the City and Hulett Environmental Services, Inc., a Florida corporation (the "Contractor").
- B. EFFECT - This Contract is entered into to provide for Pest Control Services, pursuant to City Invitation to Bid No. 2017-095-AK and any addenda thereto (the ITB), and Contractor's bid in response thereto (this Contract, the ITB, and Contractor's bid in response thereto may hereinafter collectively be referred to as the "Contract Documents").
- C. ORDERING INSTRUCTIONS - All blanket purchase orders shall be issued in accordance with the City of Miami Beach Department of Procurement Management policies and procedures, at the prices indicated, exclusive of all Federal, State and local taxes. All blanket purchase orders shall show the City of Miami Beach Contract Number ITB 2017-095-AK.
- D. CONTRACTOR PERFORMANCE - City of Miami Beach departments shall report any failure of Contractor's performance (or failure to perform) according to the requirements of the Contract Documents to City of Miami Beach, Adrian Morales-Property Management Division Director - Property Management Department at 305-673-7000 ext. 2932..
- E. INSURANCE CERTIFICATE(S) - The Contractor shall file Insurance Certificates, as required, which must be signed by a Registered Insurance Agent licensed in the State of Florida, and approved by the City of Miami Beach Risk Manager, prior to delivery of supplies and/or commencement of any services/work by Contractor.
- F. ASSIGNMENT AND PERFORMANCE - Neither this Contract nor any interest herein shall be assigned, transferred, or encumbered by Contractor without the prior written consent of the City. In addition, Contractor shall not subcontract delivery of supplies, or

any portion of work and/or services required by the Contract Documents without the prior written consent of the City.

Contractor warrants and represents that all persons providing/performing any supplies, work, and/or services required by the Contract Documents have the knowledge and skills, either by training, experience, education, or a combination thereof, to adequately and competently provide/perform same, or services to City's satisfaction, for the agreed compensation.

Contractor shall provide/perform the supplies, work, and/or services required under the Contract Documents in a skillful and respectable manner. The quality of the Contractor's performance and all interim and final product(s) and /or work provided to or on behalf of City shall be comparable to the best local and national standards.

- G. SERVICE EXCELLENCE STANDARDS – Excellent Customer Service is the standard of the City of Miami Beach. As a Contractor of the City, Contractor will be required to conduct itself in a professional, courteous and ethical manner, and at all times adhere to the City's Service Excellence standards. Training will be provided by the City's Organizational Development and Training Specialist.
- H. PUBLIC ENTITY CRIMES – Contractor acknowledges that the provision of the Public Entity Crimes Act, Section 287.133, Florida Statutes, shall apply to this Contract, which statute, among other things, provides that a person or affiliate who is a contractor, consultant or other provider, who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to the City, may not submit a bid on a contract with the City for the construction or repair of a public building or public work, may not submit bids on leases of real property to the City, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with the City, and may not transact any business with the City in excess of the threshold amount provided in Section 287.017, Florida Statutes, for category two purchases for a period of 36 months from the date of being placed on the convicted vendor list. Violation of this section by Contractor shall result in cancellation of the Contract and may result in Contractor debarment.
- I. INDEPENDENT CONTRACTOR - Contractor is an independent contractor under this Contract. Supplies, work, and/or services, provided by Contractor pursuant to the Contract Documents shall be subject to the supervision of Contractor. In providing such supplies, work, and/or services, neither Contractor nor its agents shall act as officers, employees, or agents of the City. This Contract shall not constitute or make the parties a partnership or joint venture.
- J. THIRD PARTY BENEFICIARIES - Neither Contractor nor City intends to directly or substantially benefit a third party by this Contract and/or the Contract Documents. Therefore, the parties agree that there are no third party beneficiaries to this Contract and that no third party shall be entitled to assert a claim against either of them based upon this Contract and/or the Contract Documents. The parties expressly acknowledge that it is not their intent to create any rights or obligations in any third person or entity under this Contract and/or the Contract Documents.

Certification of Contract

- K. NOTICES - Whenever either party desires to give notice to the other, such notice must be in writing, sent by certified United States Mail, postage prepaid, return receipt requested, or by hand-delivery with a request for a written receipt of acknowledgment of delivery, addressed to the party for whom it is intended at the place last specified. The place for giving notice shall remain the same as set forth herein until changed in writing in the manner provided in this section. For the present, the parties designate the following:

- L. MATERIALITY AND WAIVER OF BREACH - City and Contractor agree that each requirement, duty, and obligation set forth in the Contract Documents is substantial and important to the formation of this Contract and, therefore, is a material term hereof.

City's failure to enforce any provision of the Contract Documents shall not be deemed a waiver of such provision or modification of this Contract. A waiver of any breach of a provision of this Contract shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Contract.

- M. SEVERANCE - In the event a portion of this Contract and/or the Contract Documents is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective unless City or Contractor elects to terminate this Contract. An election to terminate this Contract based upon this provision shall be made within seven (7) days after the finding by the court becomes final.

- N. APPLICABLE LAW AND VENUE - This Contract and/or the Contract Documents shall be enforceable in Miami-Dade County, Florida, and if legal action is necessary by either party with respect to the enforcement of any or all of the terms or conditions herein exclusive venue for the enforcement of same shall lie in Miami-Dade County, Florida. **By entering into this Contract, Contractor and City hereby expressly waive any rights either party may have to a trial by jury of any civil litigation related to, or arising out of the Contract and/or the Contract Documents. Contractor, shall specifically bind all subcontractors to the provisions of this Contract and the Contract Documents.**
- O. AMENDMENTS - No modification, amendment, or alteration in the terms or conditions contained herein, or in the Contract Documents, shall be effective unless contained in a written document prepared with the same or similar formality as this Contract and executed by the City and Contractor.
- P. This Contract shall not be effective until all bonds and insurance(s) required under the Contract Documents have been submitted to, and approved by, the City's Risk Manager.
- Q. The ITB and Contractor's bid in response thereto, are attached to this Contract and are hereby adopted by reference and incorporated herein as if fully set forth in this Contract. Accordingly, Contractor agrees to abide by and be bound by any and all of the documents incorporated by the Contract Documents. Where there is a conflict between any provision set forth within (i) this Contract; (ii) the ITB; and /or (iii) Contractor's bid in response thereto, the more stringent provision (as enforced by the City) shall prevail.

IN WITNESS WHEREOF the City and Contractor have caused this Certification of Contract to be signed and attested on this 15 day of MAY, 2017, by their respective duly authorized representatives.

MIAMI BEACH

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Jimmy L. Morales, City Manager
DATE: April 26, 2017

SUBJECT: REQUEST FOR APPROVAL TO AWARD A CONTRACT PURSUANT TO
INVITATION TO BID (ITB) NO. 2017-095-AK PEST CONTROL SERVICES.

RECOMMENDATION

Approve the City Manager's recommendation pertaining to the bids received, pursuant to ITB 2017-095-AK for Pest Control Services.

ANALYSIS

Since 2016, the City has accessed Palm Beach County Board Contract No. 12-075/AR for Pest and Rodent Control Services, for City's facilities. Working with Property Management and the Sustainability office, staff determined that it is in the best interest of the City to solicit the City's own contract for pest control services, including services that maximize sustainable operations. The awarded vendor(s) will ensure facilities are being provided with routine interior and exterior pest control services, and other specialty services as necessary, in an environmentally friendly manner.

In order to establish a contract, the Procurement Department issued Invitation to Bid ("ITB") 2017-095-AK for pest control services.

ITB PROCESS

ITB No. 2017-095-AK was issued on February 6, 2017, with bid opening date of March 8, 2017. One addendum was issued. The Procurement Department issued bid notices to 95 companies utilizing www.publicpurchase.com website. 37 prospective bidders accessed the advertised solicitation. The notices resulted in the receipt of six (6) responses from: Hulett Environmental Services, Inc., Terminix International Company, LP, Home Paramount Pest Control Company, East Coast Pest Control & Fertilization, Inc., Tower Pest Control, Inc., Ed's Pest Control, Inc., d/b/a Pest Logic. See tabulation sheet (Attachment A).

The ITB stated that the lowest responsive, responsible bidder(s) meeting all terms, conditions, and specifications of the ITB will be recommended for award. In its due diligence, the Procurement Department found that all six (6) responses met the requirements of the ITB. Therefore, based on best cost provided, staff recommends award to: Hulett Environmental Services, Inc., as lowest responsive, responsible bidder to the ITB; Terminix International

Company, LP, as a secondary lowest responsive, responsible bidder to the ITB; and Home Paramount Pest Control Company, as a tertiary lowest responsive, responsible bidder to the ITB.

Hulett Environmental Services, Inc.,

Hulett Environmental Services, Inc., is family owned and operated since 1968. Hulett is local pest control and exterminating company with its customized Healthy Home programs and a leader in providing family, pet, and planet friendly pest control solutions. **ADDENDUM NO. 1
INVITATION TO BID NO. 2017-095-AK
PEST CONTROL SERVICES
February, 24 2017**

This Addendum to the above-referenced ITB is issued in response to clarifications and revisions issued by the City. The ITB is amended in the following particulars only (deletions are shown by strikethrough and additions are underlined).

I. MODIFICATIONS:

ITB DUE DATE AND TIME. The deadline for the receipt of bids is extended until 3:00 p.m., on WEDNESDAY, MARCH 8, 2017, at the following location:

City of Miami Beach
Procurement Department
1755 Meridian Avenue, 3rd Floor
Miami Beach, Florida 33139

Late proposals will not be accepted. Proposers are cautioned to plan sufficient time to allow for traffic or other delays for which the Proposer is solely responsible.

II. DELETE Appendix E (p. 41-45) in its entirety and REPLACE with REVISED Cost Proposal Form (Revision 1) attached hereto as Exhibit A.

Proposers are required to submit Revised Cost Proposal Form (Revision 1). Failure to submit the attached Revised Cost Proposal Form shall render proposal non-responsive, and said non-responsive proposal shall not be considered by the City

III. ANSWERS TO QUESTIONS BY PROSPECTIVE BIDDERS RECEIVED VIA EMAIL.

Q1: Are there rodent exterior bait stations currently in place that can be reused or does the bidder need to replace all of those?

A1: Successful vendor shall replace all existing bait stations.

Q2: Please clarify if rodent traps listed in cost proposal are for purchase or leasing purposes?

A2: Rodent traps are to be supplied, installed, and managed (including disposal) by the contractor.

Q3: Which buildings are currently being serviced for pigeon (bird) work and will the bidder be required to simply service existing pigeon deterrent equipment or add more? If adding, serviced which buildings specifically are involved?

A3. 7th Street Garage Building is currently being serviced for pigeon work. The City may add additional locations as deemed necessary.

Q4: Does termite treatment apply to every building outlined in the bid tabulation? If no, please specified location where termite treatment are required.

A4: No, the termite treatment shall be requested by the City on an as needed basis.

Q5: Provide total square footage of ground areas which require fire ant treatment?

A5: Unknown at this time. Fire ant treatment shall be requested by the City on an as needed basis.

Q6: Please provide the name of current pest control service provider.

A6: Hulett Environmental Services, Inc.

Q7: Is there currently a contract in force for Pest Control?

A7: The City is utilizing the award made by Palm Beach County Contract No. 12075C.

Q8: Please provide bid tabs from previous bid of same contract.

A8: See Exhibit B.

Q9: What is the total budget expense for the upcoming contract year?

A9: There is no specific budget associated with these services. Services are to be provided monthly or as needed based on the ITB requirements.

Q10: What was your total annual pest control costs for last year?

A10: For the period between 10/1/15 and 9/30/2016, the City's expenditure for these services was \$84,000

Q8: Are you currently experiencing any specific pest issues?

A8: Routine.

Q9: Is the City subject to third party audits and inspections i.e.: AIB, SQF, LEED, etc?

A9: Do not understand question. However, Contractor shall comply with all applicable laws and regulations in the delivery of the services.

Q10: Are certain products or pesticides required and/or prohibited?

A10: See bid specification including integrated pest management ,Florida Department of Agriculture and Consumer Services, Bureau of Entomology and Pest Control and EPA requirements.

Q11: Is special vendor licensing/badging required for access?

A11: During the course of the contract, contractor's technicians conducting on-site applications, treatments, and inspections shall hold current, valid identification cards, issued by the Florida Department of Agriculture and Consumer Services, Bureau of Entomology and Pest Control. Access to City facilities will be coordinated between Contractor and Property Management after award.

Q12: Is there any facility that is Leed Certified?

A12: Currently, the Property Management facility located at 183 Bay Road, Miami Beach is Leed Gold Certified. However, future LEED facilities will come online.

Q13: In case of termite treatment do you have to be certified?

A13: Yes, as required by State, County or other regulatory agencies with jurisdiction.

Q14: Will Minority Business Owners (MBE) bidding on services receive a preference?

A14: No.

Q15: Please advise how many hard copies and/or electronic copies should be presented with our bid submittal.

A15: Refer to Section 0300 of Bid.

Q16: Line item 65, rodent traps, will the stations be provided to the vendor, or should the price quoted include the cost of the actual bait station in addition to the rodenticide refill?

A16: See response to Q2.

Q17: Line item 65, rodent traps. Should the quote include the price for monthly maintenance of 100 bait stations? How do we address the issue of the initial costs associated with acquiring the stations?

A:17: See response to Q2.

Q18: For line item 66, termite tenting. Please verify if the prices for termite tenting should be quoted based on the sq. foot or cubic feet.

A18: Cubic feet. Please refer to Exhibit A Appendix E – Revised Cost Proposal Form (Revision 1).

Any questions regarding this Addendum should be submitted **in writing** to the Procurement Department to the attention of the individual named below, with a copy to the City Clerk's Office at RafaelGranado@miamibeachfl.gov.

* NOTE: CALCULATING PREFERENCES:

In cases where bids are presented as unit prices, Purchasing will multiply the lowest responsive, responsible non-certified bid by 1.10 (e.g., \$30.00 x 1.10 = \$33.00). The lowest responsive, responsible certified within 10% of \$33.00 will be the award recommendation. The original bid amount is not changed; the 1.10 increase is calculated only for the purpose of determining SBE preference.

In cases where bids are presented as percentage discount, Purchasing will multiply the responsive, responsible non-certified bid offering the greatest discount by .9 (e.g., 30% x .9 = 27%). The responsive, responsible certified bid offering the greatest discount in excess of 27% will be the award recommendation. The original bid amount is not changed; the .9 decrease is calculated only for the purpose of determining SBE preference.

SECTION 0200**INSTRUCTIONS TO BIDDERS****1. GENERAL.**

This Invitation to Bid (ITB) is issued by the City of Miami Beach, Florida (the "City"), as the means for prospective Proposers to submit their qualifications, proposed scopes of work and cost proposals (the "bid") to the City for the City's consideration as an option in achieving the required scope of services and requirements as noted herein. All documents released in connection with this solicitation, including all appendixes and addenda, whether included herein or released under separate cover, comprise the solicitation, and are complementary to one another and together establish the complete terms, conditions and obligations of the Proposers and, subsequently, the successful Bidders(s) (the "contractor[s]") if this ITB results in an award.

The City utilizes **PublicPurchase** (www.publicpurchase.com) for automatic notification of competitive solicitation opportunities and document fulfillment, including the issuance of any addendum to this ITB. Any prospective Bidder who has received this ITB by any means other than through **PublicPurchase** must register immediately with **PublicPurchase** to assure it receives any addendum issued to this ITB. **Failure to receive an addendum may result in disqualification of proposal submitted.**

2. PURPOSE.

The City is seeking bids from qualified pest control firms to: 1) provide the City with various routine interior and exterior pest control services; and/or 2) participate in a pool of prequalified pest control firms for non-routine engagements. Interested firms may: submit a bid response solely for Group 1 (routine interior and exterior pest control services); or submit a bid response solely for Group 2 (pool of prequalified firms); or submit a bid response for both Groups 1 and 2. The requirements and specifications are further detailed herein and, specifically, in Appendix C.

3. SOLICITATION TIMETABLE. The tentative schedule for this solicitation is as follows:

ITB Issued	February 6, 2017
Pre-Bid Meeting	February 14, 2017 @ 11:00 a.m.
Deadline for Receipt of Questions	February 17, 2017 by 5:00 p.m.
Responses Due	February 28, 2017 by 3:00 p.m.
Tentative Commission Approval Authorizing Award	April 2017

4. PROCUREMENT CONTACT. Any questions or clarifications concerning this solicitation shall be submitted to the Procurement Contact noted below:

Procurement Contact:

Aneta Kamyczek, Procurement Coordinator

Telephone:

305.673.7000 x 6455

Email:

anetakamyczek@miamibeachfl.gov

Additionally, the City Clerk is to be copied on all communications via e-mail at: RafaelGranado@miamibeachfl.gov; or via facsimile: 786-394-4188. The Bid title/number shall be referenced on all correspondence. All questions or requests for clarification must be received no later than ten (10) calendar days prior to the date proposals are due as scheduled in Section 0200-3. All responses to questions/clarifications will be sent to all prospective Proposers in the form of an addendum.

5. PRE-BID MEETING OR SITE VISIT(S).

A Pre-Bid conference will be held as scheduled in the Solicitation Timeline above at the following address with site visits to be conducted at the conclusion of the pre-bid conference.

**City of Miami Beach
Procurement Department
Conference Room C
1755 Meridian Avenue, 3rd Floor
Miami Beach, Florida 33139**

Attendance (in person or via telephone) is encouraged and recommended as a source of information, but is not mandatory. Proposers interested in participating in the Pre-Bid Submission Meeting via telephone must follow these steps:

- (1) Dial the TELEPHONE NUMBER: 1- 888-270-9936 (Toll-free North America)
- (2) Enter the MEETING NUMBER: 9415468

Proposers who are interested in participating via telephone should send an e-mail to the contact person listed in this ITB expressing their intent to participate via telephone.

6. PRE-BID INTERPRETATIONS. Oral information or responses to questions received by prospective Bidders are not binding on the City and will be without legal effect, including any information received at pre-bid meeting or site visit(s). Only questions answered by written addenda will be binding and may supersede terms noted in this solicitation. Addendum will be released through *PublicPurchase*.

7. CONE OF SILENCE. Pursuant to Section 2-486 of the City Code, all procurement solicitations once advertised and until an award recommendation has been forwarded to the City Commission by the City Manager are under the “**Cone of Silence.**” The Cone of Silence ordinance is available at <http://library.municode.com/index.aspx?clientID=13097&stateID=9&statename=Florida>. Any communication or inquiry in reference to this solicitation with any City employee or City official is strictly prohibited with the of exception communications with the Procurement Director, or his/her administrative staff responsible for administering the procurement process for this solicitation providing said communication is limited to matters of process or procedure regarding the solicitation. Communications regarding this solicitation are to be submitted in writing to the Procurement Contact named herein with a copy to the City Clerk at rafaelgranado@miamibeachfl.gov.

8. SPECIAL NOTICES. You are hereby advised that this solicitation is subject to the following ordinances/resolutions, which may be found on the City Of Miami Beach website: <http://web.miamibeachfl.gov/procurement/scroll.aspx?id=23510>

9. EXAMINATION OF SOLICITATION DOCUMENTS AND SITE. It is the responsibility of each Bidder, before submitting a Bid, to:

- Examine the solicitation thoroughly.
- Visit the site or structure, as applicable, to become familiar with conditions that may affect costs, progress, performance or furnishing of the Work.
- Take into account federal, state and local (City and Miami-Dade County) laws, regulations, permits, and ordinances that may affect costs, progress, performance, furnishing of the Work, or award.
- Study and carefully correlate Bidder's observations with the solicitation.
- Notify the Procurement Director of all conflicts, errors or discrepancies in the solicitation of which Bidder knows or reasonably should have known.
- The submission of a Bid shall constitute an incontrovertible representation by Bidder that Bidder has complied with the above requirements and that without exception, the Bid is premised upon performing and furnishing the Work required by the solicitation and that the solicitation documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.

10. POSTPONEMENT OF DUE DATE FOR RECEIPT OF BIDS. The City reserves the right to postpone the deadline for submittal of bids and will make a reasonable effort to give at least three (3) calendar days written notice of any such postponement to all prospective Bidders through *PublicPurchase*.

11. PROTESTS. Protests concerning the specifications, requirements, and/or terms; or protests after the bid due date in accordance with City Code Section 2-371, which establishes procedures for protested proposals and proposed awards. **Protests not submitted in a timely manner pursuant to the requirements of City Code Section 2-371 shall be barred.**

12. VETERAN BUSINESS ENTERPRISES PREFERENCE. Pursuant to City of Miami Beach Ordinance No. 2011-3748, the City shall give a preference to a responsive and responsible bidder which is a small business concern owned and controlled by a veteran(s) or which is a service-disabled veteran business enterprise, and which is within five percent (5%) of the lowest and best bidder, by providing such bidder an opportunity of providing said goods or contractual services for the lowest responsive bid amount. Whenever, as a result of the foregoing preference, the adjusted prices of two (2) or more bidders which are a small business concern owned and controlled by a veteran(s) or a service-disabled veteran business enterprise constitute the lowest bid pursuant to an ITB or oral or written request for quotation, and such bids are responsive, responsible and otherwise equal with respect to quality and service, then the award shall be made to the service-disabled veteran business enterprise.

13. CONTRACT PRICE. Bid Price is to include the furnishing of all labor, materials, equipment including tools, services, permit fees, applicable taxes, overhead and profit for the completion of the Work except as may be otherwise expressly provided in the solicitation.

14. METHOD OF AWARD. Following the review of bids and application of vendor preferences, the lowest responsive, responsible bidder(s) meeting all terms, conditions, and specifications of the ITB will be recommended for award by bid item, bid group, or for the entirety of all bid items, as deemed in the best interest of the City, to the City Manager for his consideration. After considering the staff recommendation for award, the City Manager shall exercise his due diligence and recommend to the Mayor and City Commission the bid that the City Manager deems to be in the best interest of the City. The City Commission shall consider the City Manager's recommendation(s) and, may approve or reject the City Manager's recommendation(s). The City Commission may also reject all bids received. In determining the lowest and best bidder, and in addition to price, Section 2-369 of the City Code provides that the City may consider the following:

- The ability, capacity and skill of the bidder to perform the Contract.
- Whether the bidder can perform the Contract within the time specified, without delay or interference.
- The character, integrity, reputation, judgment, experience and efficiency of the bidder.
- The quality of performance of previous contracts.
- The previous and existing compliance by the bidder with laws and ordinances relating to the Contract.

15. MULTIPLE AWARDS. The City may award up to three vendors (primary, secondary, tertiary), as available, by line item, by group or in its entirety. The City will endeavor to utilize vendors in order of award. However, the City may utilize other vendors in the event that: 1) a contract vendor is not or is unable to be in compliance with any contract or delivery requirement; 2) it is in the best interest of the City to do so regardless of reason.

16. BINDING CONTRACT. The signed bid shall be considered an offer on the part of the bidder, which offer shall be deemed accepted upon award of the bid by the City Commission. The City Commission's selection or approval of the City Manager's recommendation shall constitute a binding Contract between the City and the awarded bidder(s). The Contract shall include the solicitation, any and all addenda issued by the City and the Bid Proposal submitted by the bidder. In any discrepancy between the documents, the order of preference shall be as follows: 1) Addendum in reverse order of release; 2) Solicitation; 3) Bid Proposal. In case of default on the part of the successful bidder, the City may procure the items or services from other sources and hold the bidder responsible for any excess cost occasioned or incurred thereby.

17. VOLUME OF WORK TO BE RECEIVED BY CONTRACTOR. It is the intent of the City to purchase the goods and services specifically listed in this solicitation from the contractor. However, the City reserves the right to purchase any goods or services awarded from state or other governmental contract, or on an as-needed basis through the City's spot market purchase provisions.

18. GENERAL TERMS AND CONDITIONS. It is the responsibility of the Bidder to become thoroughly familiar with the Bid requirements, terms and conditions of this solicitation. Ignorance by the Bidder of conditions that exist or that may exist will not be accepted as a basis for varying the requirements of the City, or the compensation to be paid to the Bidder.

19. ACCEPTANCE OR REJECTION OF BIDS. The City reserves the right to reject any or all bids prior to award. Reasonable efforts will be made to either award the Contract or reject all bids within one-hundred twenty (120) calendar days after bid opening date. A Bidder may not withdraw its bid unilaterally nor change the Contract Price before the expiration of one hundred and twenty (120) calendar days from the date of bid opening. A Bidder may withdraw its bid after the expiration of one hundred twenty (120) calendar days from the date of bid opening by delivering written notice of withdrawal to the Department of Procurement Management prior to award of the Bid by the Mayor and City Commission.

20. ALTERNATE RESPONSES MAY BE CONSIDERED. The City may consider one (1) alternate response from the same Bidder for the same formal solicitation; provided, that the alternate response offers a different product that meets or exceeds the formal solicitation requirements. In order for the City to consider an alternate response, the Bidder shall complete a separate Price Sheet form and shall mark "Alternate Response". Alternate response shall be placed in the same response. This provision only applies to formal solicitations for the procurement of goods, services, items, equipment, materials, and/or supplies.

21. AMERICAN WITH DISABILITIES ACT. To request this material in accessible format, sign language interpreters, information on access for persons with disabilities, and/or any accommodation to review any document or participate in any city-sponsored proceeding, please contact 305-604-2489 (voice), 305-673-7524 (fax) or 305-673-7218 (TTY) five days in advance to initiate your request. TTY users may also call 711 (Florida Relay Service).

22. ANTI-DISCRIMINATION. The bidder certifies that he/she is in compliance with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375, relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin.

23. ASSIGNMENT. The successful bidder shall not assign, transfer, convey, sublet or otherwise dispose of the contract, including any or all of its right, title or interest therein, or his/her or its power to execute such contract, to any person, company or corporation, without the prior written consent of the City.

24. AUDIT RIGHTS AND RECORDS RETENTION. The Successful Bidder agrees to provide access at all reasonable times to the City, or to any of its duly authorized representatives, to any books, documents, papers and records of Contractor which are directly pertinent to this formal solicitation, for the purpose of audit, examination, excerpts, and transcriptions. The Successful Bidder shall maintain and retain any and all of the books, documents, papers and records pertinent to the Contract for three (3) years after the City makes final payment and all other pending matters are closed. Contractor's failure to or refusal to comply with this condition shall result in the immediate cancellation of this contract by the City.

25. BID BONDS, PERFORMANCE BONDS, CERTIFICATES OF INSURANCE. Bid Bonds, when required, shall be submitted with the bid in the amount specified in the Special Conditions. After acceptance of the bid, the City will notify the successful bidder to submit a performance bond and certificate of insurance in the amount specified in the Special Conditions.

26. BILLING INSTRUCTIONS. Invoices, unless otherwise indicated, must show purchase order numbers and shall be submitted to the ordering City department.

27. CANCELLATION. In the event any of the provisions of this Bid are violated by the bidder, the City shall give written notice to the bidder stating such deficiencies and, unless such deficiencies are corrected within ten (10) calendar days from the date of the City's notice, the City, through its City Manager, may declare the contract in default and terminate same, without further notice required to the bidder. Notwithstanding the preceding, the City, through its City Manager, also reserves the right to terminate the contract at any time and for any reason, without cause and for convenience, and without any monetary liability to the City, upon the giving of thirty (30) days prior written notice to the bidder.

28. CITY'S RIGHT TO WAIVE OR REJECT BIDS. The City Commission reserves the right to waive any informalities or irregularities in this Bid; or to reject all bids, or any part of any bid, as it deems necessary and in the best interest of the City of Miami Beach.

29. CLARIFICATION AND ADDENDA TO BID SPECIFICATIONS. If a bidder is in doubt as to the true meaning of the Bid specifications, or other Bid documents, or any part thereof, the bidder must submit to the City, at least seven (7) calendar days prior to the scheduled Bid opening date, a request for clarification.

Any interpretation of the Bid, including, without limitation, responses to questions and request for clarification(s) from bidders, will be made only by Addendum duly issued by the City. In the event of conflict with the original specifications, the Addendum shall supersede such specifications, to the extent specified. Subsequent Addendum shall govern over prior Addendum only to the extent specified. The bidder shall be required to acknowledge receipt of any and all Addendum, and filling in and signing in the spaces provided in section 5.0, Acknowledgements/Affidavits. Failure to acknowledge Addendum may deem a bid non-responsive.

The City will not be responsible for explanations, interpretations, or answers to questions made verbally or in writing by any City representative, unless issued by the City via formal written Addendum to this Bid.

Any questions or clarifications concerning the Bid shall be submitted in writing to the Department of Procurement Management (DPM), 1755 Meridian Avenue, 3rd Floor, Miami Beach, FL 33139 with a copy to the City Clerk.

30. COLLUSION. Where two (2) or more related parties each submit a bid or bids for any contract, such bids or bids shall be presumed to be **collusive**. The foregoing presumption may be rebutted by presentation of evidence as to the extent of ownership, control and management of such related parties in the preparation and submittal of such bid or bids. "Related parties" means bidders or the principals thereof which have a direct or indirect ownership interest in another bidder for the same contract, or in which a parent company or the principals thereof of one (1) bidder have a direct or indirect ownership interest in another bidder for the same contract. Bid or bids found to be collusive shall be rejected.

Bidders who have been found to have engaged in collusion may also be suspended or debarred, and any contract resulting from collusive bidding may be terminated for cause.

31. CONDITION AND PACKAGING. Bidder guarantees items offered and delivered to be the current standard production model at time of bid and shall offer expiration dating of at least one year or later. Bidder also guarantees items offered and delivered to be new, unused, and free from any and all defects in material, packaging and workmanship and agrees to replace defective items promptly at no charge to the City of Miami Beach, for the manufacturer's standard warranty but in no case for a period of less than 12 months from date of acceptance. All containers shall be suitable for storage or shipment, and all prices shall include standard commercial packaging.

32. CONTRACT EXTENSION. The City reserves the right to require the Contractor to extend contract past the stated termination date for a period of up to 120 days in the event that a subsequent contract has not yet been awarded. Additional extensions past the 120 days may occur as needed by the City and as mutually agreed upon by the City and the contractor.

33. DELIVERY. Unless actual date of delivery is specified (or if specified delivery cannot be met), show number of days (in calendar days) required to make delivery after receipt of purchase order, in space provided. Delivery time may become a basis for making an award. Delivery shall be within the normal working hours of the City using Department, Monday through Friday, excluding holidays. Receiving hours are Monday through Friday, excluding holidays, from 8:30 A.M. to 4:00 P.M.

34. DELIVERY TIME. Bidders shall specify in the attached Bid Form, the guaranteed delivery time (in calendar days) for each item. It must be a firm delivery time; no ranges (For example, 12-14 days) will be accepted.

35. DEMONSTRATION OF COMPETENCY.

- A. Pre-award inspection of the bidder's facility may be made prior to the award of contract.
- B. Bids will only be considered from firms which are regularly engaged in the business of providing the goods and/or services as described in this Bid.
- C. Bidders must be able to demonstrate a good record of performance for a reasonable period of time, and have sufficient financial capacity, equipment, and organization to ensure that they can satisfactorily perform the services if awarded a contract under the terms and conditions of this Bid.
- D. The terms "equipment and organization", as used herein shall, be construed to mean a fully equipped and well established company in line with the best business practices in the industry, and as determined by the City of Miami Beach.
- E. The City may consider any evidence available regarding the financial, technical, and other qualifications and abilities of a bidder, including past performance (experience), in making an award that is in the best interest of the City.
- F. The City may require bidders to show proof that they have been designated as authorized representatives of a manufacturer or supplier, which is the actual source of supply. In these instances, the City may also require material information from the source of supply regarding the quality, packaging, and characteristics of the products to be supply to the City. Any material conflicts between information provided by the source of supply and the information contained in the bidder's bid may render the bid non-responsive.
- G. The City may, during the period that the contract between the City and the successful bidder is in force, review the successful bidder's record of performance to ensure that the bidder is continuing to provide sufficient financial support, equipment, and organization as prescribed in this bid. Irrespective of the bidder's performance on contracts awarded to it by the City, the City may place said contracts on probationary status and implement termination procedures if the City determines that the successful bidder no longer possesses the financial support, equipment, and organization which would have been necessary during the bid evaluation period in order to comply with the demonstration of competency required under this subsection.

36. DISPUTES. In case of any doubt or difference of opinion as to the items and/or services (as the case may be) to be furnished hereunder, the decision of the City shall be final and binding on all parties.

3. DISCREPANCIES, ERRORS AND OMISSIONS. In the event of a conflict between the Bid documents, the order of priority of the documents shall be as follows:

- A. Any contract or agreement resulting from the award of this Bid; then
- B. Addendum issued for this Bid, with the latest Addendum taking precedence; then
- C. The Bid; then
- D. The bidder's bid in response to the Bid.

38. DEFAULT. Failure or refusal of a bidder to execute a contract upon award, or withdrawal of a bid before such award is made, may result in forfeiture of that portion of any bid surety required as liquidated damages incurred by the City thereby; or, where surety is not required, failure to execute a contract as described above may be grounds for removing the bidder from the City's bidders list.

39. EQUIVALENTS. If a bidder offers makes of equipment or brands of supplies other than those specified in the Bid specifications, he must so indicate in his bid. Specific article(s) of equipment/supplies shall conform in quality, design and construction with all published claims of the manufacturer.

The bidder shall indicate in the Bid Form the manufacturer's name and number if bidding other than the specified brands, and shall indicate ANY deviation from the specifications as listed in the Bid. Other than specified items offered requires complete descriptive technical literature marked to indicate detailed conformance with specifications, and **MUST BE INCLUDED WITH THE BID. NO BIDS WILL BE CONSIDERED WITHOUT THIS INFORMATION. THE CITY SHALL BE THE SOLE JUDGE OF EQUALITY AND ITS DECISION SHALL BE FINAL.**

Note as to Brand Names: Catalog numbers, manufacturers' and brand names, when listed, are informational guides as to a standard of acceptable product quality level only and should not be construed as an endorsement or a product limitation of recognized and legitimate manufacturers. Bidders shall formally substantiate and verify that product(s) offered conform with or exceed quality as listed in the specifications.

40. ELIMINATION FROM CONSIDERATION. This bid shall not be awarded to any person or firm who is in arrears to the City upon any debt, taxes, or contracts which are defaulted as surety or otherwise upon any obligation to the City.

41. EMERGENCY RESPONSE PRIORITY. It is hereby made a part of this solicitation that before, during, and after a public emergency, disaster, hurricane, tornado, flood, or other acts of force majeure that the City of Miami Beach, Florida shall receive a "First Priority" for any goods and services covered under any award resulting from this solicitation, including balance of line items as applicable. It is vital and imperative that the majority of citizens are protected from any emergency situation that threatens public health and safety, as determined by the City. By virtue of submitting a response to this solicitation, vendor agrees to provide all award-related goods and services to the City on a "first priority" under the emergency conditions noted above.

42. ESTIMATED QUANTITIES. Estimated quantities or estimated dollars, if provided, are for City guidance only. No guarantee is expressed or implied as to quantities or dollars that will be used during the contract period. The City is not obligated to place any order for a given amount subsequent to the award of this Bid. Estimates are based upon the City's actual needs and/or usage during a previous contract period. The City may use said estimates for purposes of determining whether the low bidder meets specifications.

43. EXCEPTIONS TO BID. Bidders are strongly encouraged to thoroughly review the specifications and all conditions set forth in this Bid. Bidders who fail to satisfy the requirements in this Bid, may be deemed non-responsive and receive no further consideration. Should your proposed bid not be able to meet one (1) or more of the requirements set forth in this Bid and you are proposing alternatives and/or exceptions to said requirements, you must notify the Procurement Office, in writing, at least five (5) days prior to the deadline for submission of bids. The City reserves the right to revise the scope of services via Addendum prior to the deadline for receipt of bids.

44. FACILITIES. The City, through its City Manager or his/her authorized designee, reserves the right to inspect the bidder's facilities at any time, upon reasonable prior written or verbal notice.

45. FLORIDA PUBLIC RECORDS LAW. Bidders are hereby notified that all Bid including, without limitation, any and all information and documentation submitted therewith, are exempt from public records requirements under Section 119.07(1), Florida Statutes, and s. 24(a), Art. 1 of the State Constitution until such time as the City provides notice of an intended decision or until thirty (30) days after opening of the bids, whichever is earlier. Additionally, Contractor agrees to be in full compliance with Florida Statute 119.0701 including, but not limited to, agreement to (a) Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the services; (b) provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law; (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; (d) Meet all requirements for retaining public records and transfer, at no cost, to the public agency all public records in possession of the contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

46. F.O.B. DESTINATION. Unless otherwise specified in the Formal Solicitation, all prices quoted/proposed by the bidder must be F.O.B. DESTINATION, inside delivery, with all delivery costs and charges included in the bid price, unless otherwise specified in this Formal Solicitation. Failure to do so may be cause for rejection of bid.

47. GRATUITIES. Bidders shall not offer any gratuities, favors, or anything of monetary value to any official, employee, contractor, or agent of the City, for the purpose of influencing consideration of this Bid.

48. INDEMNIFICATION. The successful Bidder shall indemnify and hold harmless the City and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorney's fees and costs of defense, which the City or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of the agreement by the successful Bidder or its employees, agents, servants, partners, principals or subcontractors. The successful Bidder shall pay all claims and losses in connection therewith, and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the City, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may be incurred thereon. The successful Bidder expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the successful Bidder shall in no way limit the responsibility to indemnify, keep and save harmless and defend the City or its officers, employees, agents and instrumentalities as herein provided. The above indemnification provisions shall survive the expiration or termination of this Agreement.

49. INSPECTION, ACCEPTANCE & TITLE. Inspection and acceptance will be at destination, unless otherwise provided. Title to (or risk of loss or damage to) all items shall be the responsibility of the successful bidder until acceptance by the City, unless loss or damage results from the gross negligence or willful misconduct of the City.

If any equipment or supplies supplied to the City are found to be defective, or do not conform to the specifications, the City reserves the right to cancel the order upon written notice to the seller, and return the product, at the bidder's expense.

50. LAWS, PERMITS AND REGULATIONS. The bidder shall obtain and pay for all licenses, permits, and inspection fees required under the contract; and shall comply with all Applicable Laws.

51. LEGAL REQUIREMENTS. The bidder shall be required to comply with all federal, State of Florida, Miami-Dade County, and City of Miami Beach codes, laws, ordinances, and/or rules and regulations that in any manner affect the items covered herein (collectively, Applicable Laws). Lack of knowledge or ignorance by the bidder with/of Applicable Laws will in no way be a cause for relief from responsibility.

52. LIABILITY, INSURANCE, LICENSES AND PERMITS. Where bidders are required to enter or go on to City of Miami Beach property to deliver materials or perform work or services as a result of the Bid, the bidder will assume the full duty, obligation and expense of obtaining all necessary licenses, permits, and insurance, and assure all work complies with all Applicable Laws. The bidder shall be liable for any damages or loss to the City occasioned by negligence of the bidder, or his/her officers, employees, contractors, and/or agents, for failure to comply with Applicable Laws.

53. MANNER OF PERFORMANCE. Bidder agrees to perform its duties and obligations in a professional manner and in accordance with all applicable Local, State, County, and Federal laws, rules, regulations and codes. Bidder agrees that the services provided shall be provided by employees that are educated, trained, experienced, certified, and licensed in all areas encompassed within their designated duties. Bidder agrees to furnish to the City any and all documentation, certification, authorization, license, permit, or registration currently required by applicable laws, rules, and regulations. Bidder further certifies that it and its employees will keep all licenses, permits, registrations, authorizations, or certifications required by applicable laws or regulations in full force and effect during the term of this contract. Failure of bidder to comply with this paragraph shall constitute a material breach of this contract.

54. MISTAKES. Bidders are expected to examine the specifications, delivery schedules, bid prices, and extensions, and all instructions pertaining to supplies and services. Failure to do so will be at the bidder's risk and may result in the bid being non-responsive.

55. MODIFICATION/WITHDRAWALS OF BIDS. A bidder may submit a modified bid to replace all or any portion of a previously submitted bid up until the bid due date and time. Modifications received after the bid due date and time will NOT be considered. Bids shall be irrevocable until contract award unless withdrawn in writing prior to the bid due date or after expiration of 120 calendar days from the opening of bids without a contract award. Letters of withdrawal received after the bid due date and before said expiration date and letters of withdrawal received after contract award will NOT be considered.

56. NON-CONFORMANCE TO CONTRACT CONDITIONS. Items may be tested for compliance with specifications. Items delivered, not conforming to specifications, may be rejected and returned at the bidder's expense. These items, as well as items not delivered as per delivery date in bid and/or purchase order, may be purchased by the City, at its discretion, on the open market. Any increase in cost may be charged against the bidder. Any violation of these stipulations may also result in the bidder's name being removed from the City's vendor list.

57. OPTIONAL CONTRACT USAGE. When the successful bidder(s) is in agreement, other units of government or non-profit agencies may participate in purchases pursuant to the award of this contract at the option of the unit of government or non-profit agency.

58. OSHA. The bidder warrants to the City that any work, services, supplies, materials or equipment supplied pursuant to this Bid shall conform in all respects to the standards set forth in the Occupational Safety and Health Act of 1970, as amended, and the failure to comply with this condition will be deemed breach of contract. Any fines levied because of inadequacies to comply with this condition shall be borne solely by the bidder.

59. PATENTS & ROYALTIES. The bidder shall indemnify and save harmless the City of Miami Beach, Florida, and its officers, employees, contractors, and/or agents, from liability of any nature or kind, including cost and expenses for, or on account of, any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by the City of Miami Beach, Florida. If the bidder uses any design, device or materials covered by letters, patent, or copyright, it is mutually understood and agreed, without exception, that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work.

60. PAYMENT. Payment will be made by the City after the items have been received, inspected, and found to comply with Bid specifications, free of damage or defect, and properly invoiced.

61. PRICES QUOTED. Prices quoted shall remain firm and fixed during the duration of the contract. In completing the bid form, state both unit price and extended total, when requested. Prices must be stated in units of quantity specified in the bidding specifications. In case of discrepancy in computing the amount of the bid, the UNIT PRICE quoted will govern. All prices must be F.O.B. destination, freight prepaid (unless otherwise stated in Special Conditions). The Bidder may offer cash discounts for prompt payments; however, such discounts will not be considered in determining the lowest price during bid evaluation. Bidders are requested to provide prompt payment terms in the space provided on the Bid submittal signature page of the solicitation. Award, if made, will be in accordance with terms and conditions stated herein. Each item must be bid separately, and no attempt is to be made to tie any item or items in with any other item or items. Cash or quantity discounts offered will not be a consideration in determination of award of bid(s).

62. PRODUCT INFORMATION. Product literature, specifications, and technical information, including Manufacturer's Safety Data Sheets (MSDS) should be provided with this bid as an attachment to the "BID FORM". However, in all cases must be provided within five (5) calendar days upon request from Purchasing Agent.

63. REASONABLE ACCOMMODATION. In accordance with Title II of the Americans with Disabilities Act, any person requiring an accommodation at the Bid opening because of a disability must contact the Procurement Division.

64. SAMPLES. Bids submitted as an "equal" product must be accompanied with detailed specifications. Samples of items, when required, must be furnished free of expense and, if not destroyed, will, upon request, be returned at the bidder's expense. Bidders will be responsible for the removal of all samples furnished within (30) days after bid opening. All samples will be disposed of after thirty (30) days. Each individual sample must be labeled with the bidder's name. Failure of the bidder to either deliver required samples, or to clearly identify samples may be reason for rejection of the bid. Unless otherwise indicated, samples should be delivered to the Procurement Department, 1755 Meridian Avenue, 3rd Floor, Miami Beach, FL 33139.

65. SPECIAL CONDITIONS. Any and all Special Conditions that may vary from these General Terms and Conditions shall have precedence.

66. SPOT MARKET PURCHASES. It is the intent of the City to purchase the items specifically listed in this Bid from the successful bidder. However, the City reserves the right to purchase the items from state or other governmental contract, or on an as-needed basis through the City's spot market purchase provisions.

67. SUBSTITUTIONS. After award of contract, the City WILL NOT accept substitute shipments of any kind, without previous written approval. The bidder is expected to furnish the brand quoted in its bid. Any substitute shipments will be returned at the bidder's expense.

68. TAXES. The City of Miami Beach is exempt from all Federal Excise and State taxes.

69. TIE BIDS. In accordance with Florida Statutes Section 287.087, regarding identical tie bids, preference will be given to bidders certifying that they have implemented a drug free work place program. A certification form will be required. In the event of a continued tie between two or more bidders after consideration of the drug free workplace program, the City's Local Preference and Veteran Preference ordinances will dictate the manner by which a tie is to be resolved. In the event of a continued tie after the Local and Veteran Preference ordinances have been applied or the tie exists between bidders that are not Local or Veteran, the breaking of the tie shall be at the City Manager's discretion, which will make a recommendation for award to the City Commission.

70. TERMINATION FOR DEFAULT. If the successful bidder shall fail to fulfill in a timely manner, or otherwise violate, any of the covenants, agreements, or stipulations material to the Bid and/or the contract entered into with the City pursuant thereto, the City shall thereupon have the right to terminate the work and/or services then remaining to be performed by giving written notice to the bidder of such termination, which shall become effective upon receipt by the bidder of the written termination notice.

In that event, the City shall compensate the successful bidder in accordance with the term of the contract for all work and/or services satisfactorily performed by the bidder prior to termination, net of any costs incurred by the City as a consequence of the default.

Notwithstanding the above, the successful bidder shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the contract by the bidder, and the City may reasonably withhold payments to the successful bidder for the purposes of set off until such time as the exact amount of damages due the City from the successful bidder is determined.

The City may, at its discretion, provide reasonable "cure period" for any contractual violation prior to termination of the contract; should the successful bidder fail to take the corrective action specified in the City's notice of default within the allotted cure period, then the City may proceed to terminate the contract for cause in accordance with this subsection 1.57.

71. TERMINATION FOR CONVENIENCE OF CITY. The City may, for its convenience, terminate the work and/or services then remaining to be performed, at any time, by giving written notice to the successful bidder of such termination, which shall become effective thirty (30) days following receipt by bidder of such notice. In that event, all finished or unfinished documents and other materials shall be properly delivered to the City. If the contract is terminated by the City as provided in this subsection, the City shall compensate the successful bidder in accordance with the terms of the contract for all and without cause and/or any resulting liability to the City, work and/or services actually performed by the successful bidder, and shall also compensate the bidder for its reasonable direct costs in assembling and delivering to City all documents. No compensation shall be due to the successful bidder for any profits that the successful bidder expected to earn on the balanced of the contract. Such payments shall be the total extent of the City's liability to the successful bidder upon a termination as provided for in this subsection.

72. UNDERWRITERS' LABORATORIES. Unless otherwise stipulated in the Bid, all manufactured items and fabricated assemblies shall be U.L. listed or re-examination listing where such has been established by U.L. for the item(s) offered and furnished.

73. ADDITIONAL SERVICES. Although this solicitation and resultant contract identifies specific goods, services or facilities ("items"), it is hereby agreed and understood that the City, through the approval of the Department and Procurement Directors (for additional items up to \$50,000) or the City Manager (for additional items greater than \$50,000), may require additional items to be added to the Contract which are required to complete the work. When additional items are required to be added to the Contract, awarded vendor(s), as applicable to the item being requested, under this contract may be invited to submit price quote(s) for these additional requirements. If these quote(s) are determined to be fair and reasonable, then the additional work will be awarded to the current contract vendor(s) that offers the lowest acceptable pricing. The additional items shall be added to this contract by through a Purchase Order (or Change Order if Purchase Order already exists). In some cases, the City may deem it necessary to add additional items through a formal amendment to the Contract, to be approved by the City Manager.

The City may determine to obtain price quotes for the additional items from other vendors in the event that fair and reasonable pricing is not obtained from the current contract vendors, or for other reasons at the City's discretion

SUBMITTAL REQUIREMENT: Proposers must disclose the name(s) of any officer, director, agent, or immediate family member (spouse, parent, sibling, and child) who is also an employee of the City of Miami Beach. Proposers must also disclose the name of any City employee who owns, either directly or indirectly, an interest of ten (10%) percent or more in the Proposer entity or any of its affiliates.

4. **References & Past Performance.** Proposer shall submit at least three (3) references for whom the Proposer has completed work similar in size and nature as the work referenced in solicitation.

SUBMITTAL REQUIREMENT: For each reference submitted, the following information is required: 1) Firm Name, 2) Contact Individual Name & Title, 3) Address, 4) Telephone, 5) Contact's Email and 6) Narrative on Scope of Services Provided.

5. **Suspension, Debarment or Contract Cancellation.** Has Proposer ever been debarred, suspended or other legal violation, or had a contract cancelled due to non-performance by any public sector agency?

☐

YES

☐

NO

SUBMITTAL REQUIREMENT: If answer to above is "YES," Proposer shall submit a statement detailing the reasons that led to action(s).

6. **Vendor Campaign Contributions.** Proposers are expected to be or become familiar with, the City's Campaign Finance Reform laws, as codified in Sections 2-487 through 2-490 of the City Code. Proposers shall be solely responsible for ensuring that all applicable provisions of the City's Campaign Finance Reform laws are complied with, and shall be subject to any and all sanctions, as prescribed therein, including disqualification of their Proposals, in the

event of such non-compliance.

SUBMITTAL REQUIREMENT: Submit the names of all individuals or entities (including your sub-consultants) with a controlling financial interest as defined in solicitation. For each individual or entity with a controlling financial interest indicate whether or not each individual or entity has contributed to the campaign either directly or indirectly, of a candidate who has been elected to the office of Mayor or City Commissioner for the City of Miami Beach.

7. **Code of Business Ethics.** Pursuant to City Resolution No.2000-23879, each person or entity that seeks to do business with the City shall adopt a Code of Business Ethics ("Code") and submit that Code to the Procurement Division with its proposal/response or within five (5) days upon receipt of request. The Code shall, at a minimum, require the Proposer, to comply with all applicable governmental rules and regulations including, among others, the conflict of interest, lobbying and ethics provision of the City of Miami Beach and Miami Dade County.

SUBMITTAL REQUIREMENT: Proposer shall submit firm's Code of Business Ethics. In lieu of submitting Code of Business Ethics, Proposer may submit a statement indicating that it will adopt, as required in the ordinance, the City of Miami Beach Code of Ethics, available at www.miamibeachfl.gov/procurement/.

8. **Living Wage.** Pursuant to Section 2-408 of the Miami Beach City Code, as same may be amended from time to time, Proposers shall be required to pay all employees who provide services pursuant to this Agreement, the hourly living wage rates listed below:

- i. ~~Commencing with City fiscal year 2015 (January 1, 2015), the hourly living rate will be \$11.62/hr. with health benefits, and \$13.31/hr. without benefits.~~

~~The living wage rate and health care benefits rate may, by Resolution of the City Commission be indexed annually for inflation using the Consumer Price Index for all Urban Consumers (CPI-U) Miami/Ft. Lauderdale, issued by the U.S. Department of Labor's Bureau of Labor Statistics. Notwithstanding the preceding, no annual index shall exceed three percent (3%). The City may also, by resolution, elect not to index the living wage rate in any particular year, if it determines it would not be fiscally sound to implement same (in a particular year).~~

~~Proposers' failure to comply with this provision shall be deemed a material breach under this proposal, under which the City may, at its sole option, immediately deem said Proposer as non-responsive, and may further subject Proposer to additional penalties and fines, as provided in the City's Living Wage Ordinance, as amended. Further information on the Living Wage requirement is available at www.miamibeachfl.gov/procurement/.~~

SUBMITTAL REQUIREMENT: ~~No additional submittal is required. By virtue of executing this affidavit document, Proposer agrees to the living wage requirement.~~

9. **Equal Benefits for Employees with Spouses and Employees with Domestic Partners.** When awarding competitively solicited contracts valued at over \$100,000 whose contractors maintain 51 or more full time employees on their payrolls during 20 or more calendar work weeks, the Equal Benefits for Domestic Partners Ordinance 2005-3494 requires certain contractors doing business with the City of Miami Beach, who are awarded a contract pursuant to competitive proposals, to provide "Equal Benefits" to their employees with domestic partners, as they provide to employees with spouses. The Ordinance applies to all employees of a Contractor who work within the City limits of the City of Miami Beach, Florida; and the Contractor's employees located in the United States, but outside of the City of Miami Beach limits, who are directly performing work on the contract within the City of Miami Beach.

- A. Does your company provide or offer access to any benefits to employees with spouses or to spouses of employees?

☐ YES ☐ NO

- B. Does your company provide or offer access to any benefits to employees with (same or opposite sex) domestic partners* or to domestic partners of employees?

☐ YES ☐ NO

- C. Please check all benefits that apply to your answers above and list in the "other" section any additional benefits not already specified. Note: some benefits are provided to employees because they have a spouse or domestic partner, such as bereavement leave; other benefits are provided directly to the spouse or domestic partner, such as medical insurance.

BENEFIT	Firm Provides for Employees with Spouses	Firm Provides for Employees with Domestic Partners	Firm does not Provide Benefit
Health			
Sick Leave			
Family Medical Leave			
Bereavement Leave			

If Proposer cannot offer a benefit to domestic partners because of reasons outside your control, (e.g., there are no insurance providers in your area willing to offer domestic partner coverage) you may be eligible for Reasonable Measures compliance. To comply on this basis, you must agree to pay a cash equivalent and submit a completed Reasonable Measures Application (attached) with all necessary documentation. Your Reasonable Measures Application will be reviewed for consideration by the City Manager, or his designee. Approval is not guaranteed and the City Manager's decision is final. Further information on the Equal Benefits requirement is available at www.miamibeachfl.gov/procurement/.

10. **Public Entity Crimes.** Section 287.133(2)(a), Florida Statutes, as currently enacted or as amended from time to time, states that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a proposal, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit proposals, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

SUBMITTAL REQUIREMENT: No additional submittal is required. By virtue of executing this affidavit document, Proposer agrees with the requirements of Section 287.133, Florida Statutes, and certifies it has not been placed on convicted vendor list.

11. **Non-Discrimination.** Pursuant to City Ordinance No. 2016-3990, the City shall not enter into a contract with a business unless the business represents that it does not and will not engage in a boycott as defined in Section 2-375(a) of the City Code, including the blacklisting, divesting from, or otherwise refusing to deal with a person or entity when such action is based on race, color, national origin, religion, sex, intersexuality, gender identity, sexual orientation, marital or familial status, age or disability.

SUBMITTAL REQUIREMENT: No additional submittal is required. By virtue of executing this affidavit document, Proposer agrees it is and shall remain in full compliance with Section 2-375 of the City of Miami Beach City Code.

12. **Moratorium on Travel to and the Purchase of Goods or Services from North Carolina and Mississippi.** Pursuant to Resolution 2016-29375, the City of Miami Beach, Florida, prohibits official City travel to the states of North Carolina and Mississippi, as well as the purchase of goods or services sourced in North Carolina and Mississippi. Proposer shall agree that no travel shall occur on behalf of the City to North Carolina or Mississippi, nor shall any product or services it provides to the City be sourced from these states.

SUBMITTAL REQUIREMENT: No additional submittal is required. By virtue of executing this affidavit document Proposer agrees it is and shall remain in full compliance with Resolution 2016-29375.

13. **Fair Chance Requirement.** Pursuant to Section 2-376 of the City Code, the City shall not enter into any contract resulting from a competitive solicitation, unless the proposer certifies in writing that the business has adopted and employs written policies, practices, and standards that are consistent with the City's Fair Chance Ordinance, set forth in Article V of Chapter 62 of the City Code ("Fair Chance Ordinance"), and which, among other things, (i) prohibits City contractors, as an employer, from inquiring about an applicant's criminal history until the applicant is given a conditional offer of employment; (ii) prohibits advertising of employment positions with a statement that an individual with a criminal record may not apply for the position, and (iii) prohibits placing a statement on an employment application that a person with a criminal record may not apply for the position.

SUBMITTAL REQUIREMENT: No additional submittal is required at this time. By virtue of executing this affidavit, Proposer certifies that it has adopted policies, practices and standards consistent with the City's Fair Chance Ordinance. Proposer agrees to provide the City with supporting documentation evidencing its compliance upon request. Proposer further agrees that any breach of the representations made herein shall constitute a material breach of contract, and shall entitle the City to the immediate termination for cause of the agreement, in addition to any damages that may be available at law and in equity.

14. **Acknowledgement of Addendum.** After issuance of solicitation, the City may release one or more addendum to the solicitation which may provide additional information to Proposers or alter solicitation requirements. The City will strive to reach every Proposer having received solicitation through the City's e-procurement system, PublicPurchase.com. However, Proposers are solely responsible for assuring they have received any and all addendum issued pursuant to solicitation. This Acknowledgement of Addendum section certifies that the Proposer has received all addendum released by the City pursuant to this solicitation. Failure to obtain and acknowledge receipt of all addendum may result in proposal disqualification.

DISCLOSURE AND DISCLAIMER SECTION

The solicitation referenced herein is being furnished to the recipient by the City of Miami Beach (the "City") for the recipient's convenience. Any action taken by the City in response to Proposals made pursuant to this solicitation, or in making any award, or in failing or refusing to make any award pursuant to such Proposals, or in cancelling awards, or in withdrawing or cancelling this solicitation, either before or after issuance of an award, shall be without any liability or obligation on the part of the City.

In its sole discretion, the City may withdraw the solicitation either before or after receiving proposals, may accept or reject proposals, and may accept proposals which deviate from the solicitation, as it deems appropriate and in its best interest. In its sole discretion, the City may determine the qualifications and acceptability of any party or parties submitting Proposals in response to this solicitation.

Following submission of a Bid or Proposal, the applicant agrees to deliver such further details, information and assurances, including financial and disclosure data, relating to the Proposal and the applicant including, without limitation, the applicant's affiliates, officers, directors, shareholders, partners and employees, as requested by the City in its discretion.

The information contained herein is provided solely for the convenience of prospective Proposers. It is the responsibility of the recipient to assure itself that information contained herein is accurate and complete. The City does not provide any assurances as to the accuracy of any information in this solicitation.

Any reliance on these contents, or on any permitted communications with City officials, shall be at the recipient's own risk. Proposers should rely exclusively on their own investigations, interpretations, and analyses. The solicitation is being provided by the City without any warranty or representation, express or implied, as to its content, its accuracy, or its completeness. No warranty or representation is made by the City or its agents that any Proposal conforming to these requirements will be selected for consideration, negotiation, or approval.

The City shall have no obligation or liability with respect to this solicitation, the selection and the award process, or whether any award will be made. Any recipient of this solicitation who responds hereto fully acknowledges all the provisions of this Disclosure and Disclaimer, is totally relying on this Disclosure and Disclaimer, and agrees to be bound by the terms hereof. Any Proposals submitted to the City pursuant to this solicitation are submitted at the sole risk and responsibility of the party submitting such Proposal.

This solicitation is made subject to correction of errors, omissions, or withdrawal from the market without notice. Information is for guidance only, and does not constitute all or any part of an agreement.

The City and all Proposers will be bound only as, if and when a Proposal (or Proposals), as same may be modified, and the applicable definitive agreements pertaining thereto, are approved and executed by the parties, and then only pursuant to the terms of the definitive agreements executed among the parties. Any response to this solicitation may be accepted or rejected by the City for any reason, or for no reason, without any resultant liability to the City.

The City is governed by the Government-in-the-Sunshine Law, and all Proposals and supporting documents shall be subject to disclosure as required by such law. All Proposals shall be submitted in sealed proposal form and shall remain confidential to the extent permitted by Florida Statutes, until the date and time selected for opening the responses. At that time, all documents received by the City shall become public records.

Proposers are expected to make all disclosures and declarations as requested in this solicitation. By submission of a Proposal, the Proposer acknowledges and agrees that the City has the right to make any inquiry or investigation it deems appropriate to substantiate or supplement information contained in the Proposal, and authorizes the release to the City of any and all information sought in such inquiry or investigation. Each Proposer certifies that the information contained in the Proposal is true, accurate and complete, to the best of its knowledge, information, and belief.

Notwithstanding the foregoing or anything contained in the solicitation, all Proposers agree that in the event of a final unappealable judgment by a court of competent jurisdiction which imposes on the City any liability arising out of this solicitation, or any response thereto, or any action or inaction by the City with respect thereto, such liability shall be limited to \$10,000.00 as agreed-upon and liquidated damages. The previous sentence, however, shall not be construed to circumvent any of the other provisions of this Disclosure and Disclaimer which imposes no liability on the City.

In the event of any differences in language between this Disclosure and Disclaimer and the balance of the solicitation, it is understood that the provisions of this Disclosure and Disclaimer shall always govern. The solicitation and any disputes arising from the solicitation shall be governed by and construed in accordance with the laws of the State of Florida.

Minimum Requirements & Specifications

PEST CONTROL SERVICES
2017-095-AK

PROCUREMENT DEPARTMENT
1755 Meridian Avenue, 3rd Floor
Miami Beach, Florida 33139

1. MINIMUM ELIGIBILITY REQUIREMENTS

The Minimum Eligibility Requirements for this solicitation are listed below. Proposer shall submit, with its bid or upon request by the City, the required submittal(s) documenting compliance with each minimum requirement. Proposers that fail to include the required submittals with its bid or fail to comply with minimum requirements shall be deemed non-responsive and shall not have its bid considered. The stated minimum requirements shall be applicable during the duration of the contract.

- A. Bidder (business) shall be a licensed Pest Control Company (JB License), issued by the Florida Department of Agriculture and Consumer Services.

2. GENERAL STATEMENT OF WORK.

The City is seeking to establish a list of preapproved vendors, to furnish all labor, supervision, equipment and materials necessary to perform pest and rodent control extermination and removal service at City's various facilities. Bidder shall provide labor, all materials, services, skills, supervision, maintenance logs and reports and necessary tools and equipment to insure that City's facilities will be free of pests. Bidder shall have the capability to perform and complete the services in all respects in accordance with the solicitation documents. All service personnel shall have a working knowledge of pest control procedures and shall be in a company uniform and have a displayed photo I.D. on their person while performing services under this proposed contract. Bidder hereby warrants that all services shall be performed in a timely and first-class workmanlike manner.

During the course of the contract, contractor's technicians conducting on-site applications, treatments, and inspections shall hold current, valid identification cards, issued by the Florida Department of Agriculture and Consumer Services, Bureau of Entomology and Pest Control.

1. **Group 1 (routine service)** shall include the suppression or eradication of the following pests from the interiors or perimeter of buildings on a routine bases. At a minimum, services are to be provided on a monthly basis, unless a callback is necessary. Work is to be performed at times mutually agreed upon between the using department and the contractor. Vendor shall perform treatments during normal business hours, Monday through Friday 8:30am – 5:00pm, and weekend on as needed basis. The services shall suppress or eradicate the following:
 1. any indoor-infesting pest species that are within the property boundaries of the specified buildings; and
 2. rodents, insects, arachnids, and other arthropods; and
 3. nests of stinging insects within the property boundaries of the specified buildings; and
 4. individuals of all excluded pest populations that are incidental invaders inside the specified buildings, including winged termite swarmers emerging indoors.
2. **Group 2 (prequalified group)** shall include special engagements to suppress or eradicate any of the pests stated in Section 2.1, as well as the suppression or elimination of the following:
 1. birds, bats, snakes, and all other vertebrates other than commensal rodents;
 2. termites and other wood-destroying organisms;
 3. any other related service.

3. During the term of the contract, contractor shall visit each property to inspect, maintain, and/or service the interior and exterior of the associated facility for Pest Control Service to include but not be limited to the following:
- Ten foot perimeter around facility
 - Loading Docks
 - Common Areas, entrance ways, hallways and stairways
 - Lunchrooms, Kitchens, Kitchenettes
 - Restrooms
 - Maintenance Areas
 - Trash Collection Areas
 - Mechanical Rooms & Utility Areas
 - Elevator Rooms and associated elevator pits
 - Accessible structural voids
 - Provide the City with no less than 72 hours advanced notice for all routine scheduled services.
 - Water and Sewer Pump Stations
 - *Garage & Parking Areas
 - * Areas to be serviced on the parking garages are the parking booths, restrooms, administrative offices, elevators and stairwells.

The pest control vendor shall be responsible for adhering to the procedures outlined in IPM plan and reporting the results of site inspections to the Property Manager. If at any time integrated and alternative pest control methods fail and chemical pesticides are necessary, the pest control vendor must notify the Property Manager prior to using the chemical pesticides, and wait for approval from the Property Manager prior to applying the pesticides.

4. Pest Control Plan. The Contractor shall submit to the CM a Pest Control Plan at least five (5) working days prior to the starting date of the contract. Upon receipt of the Pest Control Plan, the CM will render a decision regarding its acceptability within two (2) working days. If aspects of the Pest Control Plan are incomplete or disapproved, the Contractor shall have two (2) working days to submit revisions. The Contractor shall be on-site to perform the initial service visit for each building within the first five (5) working days of the contract. The Contractor shall be responsible for carrying out work according to the approved Pest Control Plan. The Contractor shall receive the concurrence of the CM prior to implementing any subsequent changes to the approved Pest Control Plan, including additional or replacement pesticides and on-site service personnel. The Pest Control Plan shall consist of five parts as follows:
1. Proposed Materials and Equipment for Service: The Contractor shall provide current labels and Material Safety Data Sheets for all pesticides to be used, and brand names of pesticide application equipment, rodent bait boxes, insect and rodent trapping devices, pest monitoring devices, pest detection equipment, and any other pest control devices or equipment that may be used to provide service.
 2. Proposed Methods for Monitoring and Detection: The Contractor shall describe methods and procedures to be used for identifying sites of pest harborage and access, and for making objective assessments of pest population levels throughout the term of the contract.
 3. Service Schedule for Each Building or Site: The Contractor shall provide complete service schedules that include weekly or monthly frequency of Contractor visits, specific day(s) of the week of Contractor visits, and approximate duration of each visit.
 4. Description of any Structural or Operational Changes That Would Facilitate the Pest Control Effort: The Contractor shall describe site-specific solutions for observed sources of pest food, water, harborage, and access.
 5. Commercial Pesticide Applicator Certificates or Licenses: The Contractor shall provide

photocopies of State-issued Commercial Pesticide Applicator Certificates or Licenses for every Contractor employee who will be performing on-site service under this contract.

3. GENERAL SPECIFICATIONS. An Integrated Pest Management (IPM) approach shall be used when administering pest and rodent control services. An IPM approach seeks to use the least intensive option for pest control and requires proper application to reduce impacts to the environment and human health, including reducing the use of Restricted Use Pesticides. IPM promotes sustainable pest management methods that minimize health, environmental and economic risks.

1. The Contractor shall complete a thorough, initial inspection of each building or site at least ten (10) working days prior to the starting date of the contract. The purpose of the initial inspections is for the Contractor to evaluate the pest control needs of all locations and to identify problem areas and any equipment, structural features, or management practices that are contributing to pest infestations. Access to building space shall be coordinated with the project/contract manager (CM). The CM will inform the Contractor of any restrictions or areas requiring special scheduling. Certain locations in the City (e.g., Police Department) may require escorting of the awarded Bidder's work staff. The City's authorized representative shall be timely provided with the names of personnel who will be working in any restricted areas, prior to any work being performed. If changes in personnel are required, prior written notification of the changes must be communicated to the City.
2. Vendor shall make prompt and effective follow up treatment based on complaints of infestations at any of the location listed herein at no additional cost to the City. If the level of pest control service required is not achieved, and premises become infested with insects and rodents during the contract period, the City may require (1) reimbursement from the vendor of monies spent during the contract period or (2) the vendor will be removed from the said contract and taken off the bidders' list. The decision will be made at the sole discretion of the City. Emergency call backs shall be covered under the terms of the agreement at no extra cost to the City. Vendor will respond within 24 hours for calls regarding fleas, bees, and pigeon mites.
3. In order to protect both life and property, the vendor shall adhere to the following:
 - a) The vendor shall follow the City's Restricted Use Pesticides reduction goal met through a three-fold process following basic IPM strategies:
 - (1) chemical pest control shall be applied when other IPM strategies have been found ineffective, not economically feasible, and pests are at undesirable populations;
 - (2) employees and contractors shall use the least hazardous chemical when application is required; and
 - (3) proper design techniques shall be used that promote healthy plants and thereby reducing need for remedial actions. The aim of the IPM Program is to suppress pests and undesirable vegetation with minimum impact on human health, the environment, and non-target organisms. The success of the Program depends on not a single chemical approach or strategy; but a decision-making process that involves a combination of practices to control problems including cultural, biological, mechanical, and chemical tactics. Economic feasibility of a potential control method can factor into the decision-making protocol.
 - b) The vendor shall perform pest control in City's facilities using the least toxic methods and materials possible to achieve a pest free environment. Least toxic shall mean the application of pesticides and non-pesticides treatments to actual and potential pest harborage sites where pests are present, such as voids, cracks and crevices instead of surfaces of floors, baseboards, shelves and table tops. The routine use of liquid spray aerosols and powders is not permitted, in regularly occupied areas (such as but not limited to offices, kitchens, dining rooms, store rooms, etc.),

- unless written approval is obtained from the City.
- c) No pesticides or any other pest control materials shall be given by the vendor or their representatives to the City personnel for any reason. All pest control materials and devices used shall be applied, deployed, monitored and serviced by the vendor in such a manner that they effectively eliminate the pest populations while not interfering with the health and safety of the facility occupants and routine operations of the facility. If it becomes necessary to use numerous capture devices in an area to harvest many pests, such as rodents, in a short period of time, the vendor shall deploy these devices after operating hours and collect the devices early the next operating day before the area is occupied.
 - d) All pesticide containers used in the treatment of the City's facilities shall be properly labeled with the name and strength of the pesticide product, as prescribed by law.
 - e) No materials or chemicals are to be stored by the vendor at the City's facilities.
 - f) No empty pesticide containers and excess pesticides are to be discarded by the vendor at the City's facilities.
 - g) The vendor shall have the Material Safety Data Sheets (MSDS) available for each pesticide that is used. The Material Safety Data Sheet (MSDS) shall be provided to the City representative prior to the application of a pesticide.
 - h) Appropriate protective clothing and equipment consistent with the chemical manufacturer's label and Material Safety Data Sheet (MSDS) shall be utilized by the vendor during pesticide applications.
 - i) The Federal "Right to Know" Regulation implemented by the Occupational Safety and Health Administration (OSHA) requires employers to inform their employees of any toxic substances to which they may be exposed in the workplace, and to provide training in safe handling practices and emergency procedures. It also requires notification to local fire departments of the location and characteristics of all toxic substances regularly present in the workplace.
 - j) The vendor shall not apply water based pesticides into the electrical component of any equipment.
 - k) The vendor shall not apply aerosols, mists, or other sprays into areas containing open flames.
 - l) The City shall not be responsible for the loss or damage to any equipment, pest control materials or devices belonging to the vendor.
 - m) Any City contractor improperly handling pesticides or handling pesticides without the proper licensing witnessed by City staff shall be reported to the Procurement Department for potential contract suspension or revocation and such improper handling shall also be reported to the appropriate State agencies assigned to monitor pesticide usage. This requirement protects the environment and people from improper pesticide usage.
 - n) The building interior and exterior will be periodically inspected for the presence of pests and preventive measures will be taken to avoid pests. If any pests are detected, integrated (nonchemical) methods will be implemented as the first control step, including sanitation measures, exclusion measures, and the use of traps.
 - o) Sanitation: Potential food and water sources available to pests will be evaluated and minimized or eliminated. This can be done by thoroughly cleaning and maintaining food service areas and break rooms, fixing leaking pipes and faucets, and altering landscape features to eliminate standing water.
 - p) Exclusion: Cracks, crevices, and holes in the building envelope will be sealed. A plant-free zone will be maintained immediately adjacent to the building.
 - q) Traps: For insects and rodents, non-chemical baits (such as peanut butter) will be used to trap pests. No chemical baits for rodents will ever be used indoors. If chemical rodent baits are necessary outdoors, they will only be used as solid blocks placed in locked outdoor dispensers. No second-generation (single-feed) rodent baits will be used.
 - r) The vendor shall follow the IPM protocol guidelines as follows:

(1) IDENTIFICATION and SCOUTING - Identify the type of pest or undesirable vegetation

- problem by scouting and inspection.
- (2) **MONITORING** - Determine the extent of injury or problem levels (set thresholds); Use visual inspection or monitoring devices.
 - (3) **ANALYSIS** - Based on findings in a. or b., determine best response from the following options: 1) take no action, 2) continue monitoring or collect more data, or 3) act to address pest.
 - (4) **REVIEW CONTROL OPTIONS** - Review available cultural, mechanical, biological, as well as chemical control options. It is understood that biological control methods are very limited to City employees and contractors and are generally established by state and federal agencies due to potential undesirable consequences in neighboring areas. Biological control methods may include maintaining beneficial insect populations.
 - (5) **SELECT CONTROL TACTICS** - Select the most environmentally sound and economically viable treatment strategies to suppress the pest problem. Least toxic methods must be used before more toxic ones. Any Restricted Use Pesticides with the signal word "Warning" or "Danger" requires approval from City staff with proven knowledge of pest control through the State of Florida licensing. All components of the IPM protocol must be presented to the appropriate City official at the time of the request to use a pesticide with a "Warning" or "Danger" signal word on the pesticide label.
 - (6) **EVALUATE RESULTS** - After implementation of control measures, evaluate to determine if action taken has been effective in pest reduction and is cost effective.
 - (7) **RECORD KEEPING** - Record all pesticides used, rates used, application dates, amounts applied, sites of application, and results. Labels and Material Safety Data Sheets (MSDS) sheets must be available and maintained at all times with the applicator and in all facilities where materials are stored.

4. Specifications for Specific Services/Areas

1. Rodent Services. The vendor shall make a thorough initial inspection of all the areas included in the request to determine the kinds of rodents present in each area, the extent of the infestation(s), the location of the nesting site(s), and the conditions which are contributing to the rodent infestation, such as the presence of improperly stored food, the presence of pets and improperly stored pet food, improper cleaning and removal of food wastes, cluttered storage, and rodent entry points. This inspection will enable the vendor to determine the method(s) that will be used to control the rodent population as quickly as possible.

All rodenticide, regardless of packaging, shall be placed either in locations not accessible to children or be placed in Environmental Protection Agency ("EPA") approved tamper resistant bait boxes. Frequency of bait box servicing shall be monthly. All bait boxes shall be maintained in accordance with EPA regulations, with an emphasis on the safety of non-target organisms. The successful contractor shall adhere to the following points:

- a) All bait boxes shall be placed out of general view, in locations where they will not be disturbed by routine operations.
- b) The lids of all bait boxes shall be securely locked or fastened shut.
- c) All bait boxes installed outside shall be securely attached to a masonry paver to prevent it from blowing away under severe weather. Boxes that are not exposed to the elements do not require the paver.
- d) Bait shall always be placed in the baffle-protected feeding chamber of the box and never in the runway of the box. All boxes must have a warning label.
- e) All bait boxes shall be labeled with the contractor's business name, date of installation, and servicing date.
- f) In circumstances where rodenticide are deemed essential for adequate rodent control inside occupied buildings, the successful contractor shall obtain the approval of the Property Management Contract Administrator or Property Manager prior to making any rodenticide

- treatment.
- g) The exact location of each container shall be recorded and copies of the records shall be provided to the Property Management Contract Administrator or Property Manager. The information on the service reports shall include date and time of service, technician's printed name, bait consumption, type of fecal droppings found in the container, replacement of bait etc. for each station.
 - h) Rodent trapping services shall be provided on an "as needed" basis, per the following specifications:
 - 1. Traps shall be placed from floor level to fifteen (15) feet above the floor, on overhead ledges, pipes and roofs of storage areas, in attic areas and above the drop ceilings
 - 2. Traps shall be placed out of the general view of safety and aesthetic purpose and located so as not to be affected by routine cleaning procedures.
 - 3. Many styles of deadfall (snap) traps, glue traps, multi-catch traps, and live trap are available, as well as many attractant varieties. The vendor shall use sufficient quantities of devices and frequent follow-up visits.
 - 4. Service visits and procedures shall be arranged and coordinated with the Property Management Contract Administrator or Property Manager to minimize exposure of the staff and visitors to the trapping devices and obtain access to all spaces necessary to inspect and treat. Inspections may be performed during instructional hours, with the permission of the Property Management Contract Administrator or Property Manager in order to gain access to all cabinets and closets which may be locked.

During the initial phase of this project and until it has been determined that the current rat or mouse population has been eliminated; the vendor shall make follow-up visits at least every other day. Daily visits may be required when traps are set in locations which are visible and accessible to building occupants.

- 2. **Flea Control.** The vendor will address request for treatment of fleas with the proper treatment and any necessary follow up. Service will follow pest control industry current best practices.
- 3. **Fire Ants.** The proposal is to include proposal is to include a cost to deal with fire ants. Service will follow pest control industry current best practices.
- 4. **Termite Treatment Service.** The awarded Bidder shall perform a termite treatment service at each specific site covered under this Contract. The treatment shall comply with all professional standards and applicable laws. Upon the completion of a termite treatment service, the awarded Bidder shall issue a "termite warranty" for that site or location. The warranty shall permit, for one year from date of issuance, re-treatments (as necessary) at no additional cost to the Cit
- 5. **Pigeons Trapping.** The vendor shall provide pigeon traps, bird feed and visit the site three (3) times per week for the duration of the treatment program. Removal and the relocation or destruction of birds shall be included in the cost.
 - a) **Pigeons Exclusion Spikes.** The vendor shall install pigeon spikes on identified areas. The pigeon spikes shall be installed in areas not accessible to staff. Only stainless steel spikes will be accepted. The spikes shall be installed according to manufacturer's specifications. Cleaning of the identified areas shall be included in the cost. The vendor shall submit a schematic drawing of the proposed installation. The schematic drawing must be approved by City before installation.
 - b) **Smaller Birds such as starlings or sparrows.** The vendor shall install bird netting on identified areas. The vendor shall use 3/4" mesh and utilize the installation cations as manufacturer's specifications described.

- c) **Sparrow or sterling trapping.** The vendor shall trap birds from identified areas. Deploy 4 sparrow/sterling traps, bird feed and visit the site 3 times per week for the duration of the treatment. Removal and the relocation or destruction of birds shall be included in the cost.

6. Removal of dead animals. The vendor shall remove dead animals from under portables, dumpsters and other City's locations. The vendor must respond within four (4) hours of being contacted by Property Management Representative.

7. City Locations. Each bidding contractor is encouraged, prior to submitting a bid, to inspect the site locations, examine the existing conditions, and acquaint himself with the needs and requirements of the service for each location. Additionally, the bidder is also required to carefully examine the specifications and to acquaint himself with any and all conditions that may, in any manner, affect the service to be provided under this contract. No additional allowances will be made because of lack of knowledge of conditions encountered after award of the contract. The areas to be serviced at each and all locations listed herein shall include, but not limited to the following:

MIAMI BEACH

Special Conditions

PEST CONTROL SERVICES
2017-095-AK

PROCUREMENT DEPARTMENT
1755 Meridian Avenue, 3rd Floor
Miami Beach, Florida 33139

1. TERM OF CONTRACT. The contract shall remain in effect for three (3) years from date of contract execution by the Mayor and the City Clerk. The City of Miami Beach will have the option to renew the contract at the sole discretion of the City Manager for an additional two (2), one (1) year periods, on a year-to-year basis. Renewal of the contract is a City of Miami Beach prerogative, not a right of the Contractor. Such option will be exercised, if at all, only when it is in the best interest of the City of Miami Beach.

In the event that the contract is held over beyond the term herein provided it shall only be from a month-to-month basis only and shall not constitute an implied renewal of the contract. Said month-to-month extension shall be upon the same terms of the contract and at the compensation and payment provided herein, and shall not exceed six (6) months.

2. PRICES SHALL BE FIXED AND FIRM FOR TERM OF CONTRACT: if the bidder is awarded a contract under this bid solicitation, the prices quoted by the bidder on the Bid Form shall remain fixed and firm during the **three (3) year term of this contract**; provided however, that the bidder may offer incentive discounts from this fixed price to the City at any time during the contractual term.

2.1 OPTION TO RENEW WITH PRICE ADJUSTMENT: The contract could be extended for an additional two (2), one (1) year terms, on a year to year basis, at the sole discretion of the City Manager. Prior to completion of each exercised contract term, the City may consider and adjustment to price based on Consumer Price Index increase. Change shall not be more than the percentage increase or decrease in the Consumer price Index CPI-U (all urban areas) computed 60 days prior to the anniversary date of the contract.

It is the vendor's responsibility to request any pricing adjustment under this provision. For any adjustment to commence on the first day of any exercised period, the vendor's request for adjustment should be submitted 60 days prior to expiration of the then current contract term.

The vendor adjustment request must clearly substantiate the requested increase. If no adjustment request is received from the vendor, the City will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period may not be considered.

3. ROADMAP FOR PROJECTS AWARDED PURSUANT TO POOL OF PREQUALIFIED CONTRACTORS. The project/contract manager may request quotes from contractors authorized to participate in the Pre-Qualified Bidder Pool for larger projects or other planned projects. Responsive, responsible bidders (awarded or not for Group I) are eligible to participate in the Pre-Qualified Bidder Pool, at the discretion of the bidder and as indicated on the Cost Proposal Form at the time of submission. At its own expense, the Pre-Qualified contractor shall visit the site and prepare a quote for accomplishing the work. Each quote prepared by the contractor shall include an acceptable description of the nature, extent and character of the work required, as well as performance and delivery schedules. In this case, projects may be awarded on a Lump Sum or Time and Material basis as determined by the project/contract manager.

3.1 For projects with an estimated cost up to \$50,000, the project/contract manager may solicit written or telephone quotes prior to requesting a Purchase Order be issued for the work.

3.2 For projects with an estimated cost exceeding \$50,000, the project/contract manager may solicit written quotes. Prior to issuing a Purchase Order for projects in this category, the City Manager's approval is required.

3.3 In determining the lowest and best contractor for the project, in addition to price, there shall be considered the following:

- (1) The ability, capacity and skill of the bidder to perform the contract.
- (2) Whether the bidder can perform the contract within the time specified, without delay or interference.
- (3) The character, integrity, reputation, judgment, experience and efficiency of the bidder.
- (4) The quality of performance of previous contracts.
- (5) The previous and existing compliance by the bidder with laws and ordinances relating to the contract.

The City Manager's approval is required when the contractor offering the lowest cost is not selected.

4. METHOD OF PAYMENT. Invoices for payment shall be submitted, no later than three (3) business days after works has been performed, by the technician in the field to the Contracts Manager or a City representative who will verify time and material spent to complete a specific job. No down payments or partial payments will be made.

5. RECORD KEEPING REQUIREMENTS: The successful bidder(s) must provide and maintain logs of all pest control services and shall provide a detailed monthly summary report that reflect service and infestation patterns broken down by sites. This log and report shall be provided to the City of Miami Beach, Property Management designated Contract Administrator. Copies of reports shall be submitted via electronic copies in PDF format.

6. SHIPPING TERMS. Prices shall include freight to City's premises, and shall be F.O.B. Destination. The successful bidder shall hold title to the goods until such time as they are delivered, installed and accepted by an authorized City representative.

7. PURCHASE ORDERS: A purchase order is required for all work. All invoices shall reflect the accurate Purchase Order number. Failure to do so will result in rejection of invoice.

8. DELIVERY REQUIREMENTS. The successful bidders shall enclose a complete packing slip or delivery ticket with any items to be delivered in conjunction with this bid solicitation. The packing slip shall be attached to the shipping carton(s) which contain the items and shall be made available to the City's authorized representative during delivery. The packing slip or delivery ticket shall include, at a minimum, the following information: purchase order number; date of order; work order number and a complete listing of items being delivered.

9. BACKGROUND CHECKS/CONTRACTOR'S PERSONNEL. The Contractor shall conduct a full criminal background check at its own expense on each of its employees engaged in providing services under this ITB or any resulting Agreement prior to the commencement of said services. No contractor employee shall be eligible to perform services, pursuant to this ITB or resulting Agreement if he or she: (1) has been convicted of or was placed in a pre-trial diversion program for any crime involving dishonesty or breach of trust; embezzlement; drug trafficking; forgery; burglary; robbery; theft; perjury; possession of stolen property; identity theft; fraud; money laundering; shoplifting; larceny; falsification of documents and/or (2) has been convicted of any sex, weapons, or violent crime including but not limited to homicide; attempted homicide; rape; child molestation; extortion; terrorism or terrorist threats; kidnapping; assault; battery; and illegal weapon possession, sale or use. The contractor shall defend, indemnify and hold the City, its officers, employees, and agents harmless from and against any and all liability, loss, expense (including reasonable attorney's fees) or claims for injury or damages arising out of its failure to comply with this requirement.

Contractor shall employ personnel competent to perform the work specified herein. The City reserves the right to request the removal of the Contractor's employee's from performing maintenance on the City's grounds where the employee's performance or actions are obviously detrimental to the program. Contractor's personnel must wear photo identification at all times. All personnel furnished to the City of Miami Beach must be uniformed. Each employee supplied by the Successful Contractor will wear a uniform bearing the Contractor's name. Uniforms must be provided at the contractor's expense, and may not be charged to the employee or deducted from the employees' paycheck, therefore reducing the hourly pay rate to less than the living wage rate required by this solicitation.

10. PARKING. The Contractor is responsible for any all Parking Fees, Parking Tickets, and Towing Expenses. The City will not reimburse any fees for towing, parking tickets, or fees.

11. ADDITIONAL FACILITIES MAY BE ADDED

Although this solicitation and resultant contract identifies specific facilities to be serviced, it is hereby agreed and understood that any City department or agency facility may be added to this contract at the option of the City. When required by the pricing structure of the contract, vendor(s) under this contract shall be invited to submit price quotes for these additional facilities. If these quotes are determined to be fair and reasonable, then the additional work will be awarded to the current contract vendor(s) that offers the lowest acceptable pricing. If this contract has a single incumbent vendor, the additional site(s) shall be added to this contract by formal modification of the award sheet. If there are multiple incumbent vendors under this contract, and the additional effort is to be assigned to only one of these vendors, a separate release order will be issued.

The City may determine to obtain price quotes for the additional facilities from other vendors in the event that fair and reasonable pricing is not obtained from the current contract vendors, or for other reasons at the City's discretion.

12. DELETION OF FACILITIES

Although this solicitation identifies specific facilities to be serviced, it is hereby agreed and understood that any City department or agency may delete service for any facility (ies) when such service is no longer required during the contract period; upon fourteen (14) calendar days written notice to the vendor.

MIAMI BEACH

Insurance Requirements

PEST CONTROL SERVICES
2017-095-AK

PROCUREMENT DEPARTMENT
1755 Meridian Avenue, 3rd Floor
Miami Beach, Florida 33139

TYPE 2 - INSURANCE REQUIREMENTS

- A. Worker's Compensation Insurance as required by Florida, with Statutory limits and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.
- B. Commercial General Liability Insurance on an occurrence basis, including products and completed operations, contractual liability, property damage, bodily injury and personal & advertising injury with limits no less than \$1,000,000 per occurrence, and \$2,000,000 general aggregate
- C. Automobile Liability Insurance covering all owned, non-owned and hired vehicles used in connection with the work, in an amount not less than \$1,000,000 combined single limit per occurrence, for bodily injury and property damage.
- D. Umbrella Liability with limits no less than \$5,000,000. The umbrella coverage must be as broad as the primary General Liability coverage.

Additional Insured Status

The City of Miami Beach must be covered as an additional insured with respect to liability arising out of work or operations performed by or on behalf of the Contractor.

Waiver of Subrogation

Contractor hereby grants to City of Miami Beach a waiver of any right to subrogation which any insurer of the Contractor may acquire against the City of Miami Beach by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City of Miami Beach has received a waiver of subrogation endorsement from the insurer.

Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the City of Miami Beach Risk Management Office.

Verification of Coverage

Contractor shall provide the required insurance certificates, endorsements or applicable policy language effecting coverage required by this Section. All certificates of insurance and endorsements are to be received prior to any work commencing. However, failure to obtain the required coverage prior to the work beginning shall not waive the Contractor's obligation to provide them. The City of Miami Beach reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Special Risks or Circumstances

The City of Miami Beach reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Certificate Holder

CITY OF MIAMI BEACH
c/o PROCUREMENT DEPARTMENT
1755 Meridian Avenue, 3rd Floor
MIAMI BEACH, FL 33139

Compliance with the foregoing requirements shall not relieve the vendor of his liability and obligation under this section or under any other section of this agreement.

The City of Miami Beach is self-insured. Any and all claim payments made from self-insurance are subject to the limits and provisions of Florida Statute 768.28, the Florida Constitution, and any other applicable Statutes.

REVISED APPENDIX E PROPOSAL TENDER FORM (Revision 1)

Failure to submit Section 5, Bid Price Form, in its entirety and fully executed by the deadline established for the receipt of proposals will result in proposal being deemed non-responsive and being rejected.

Bidder affirms that the prices stated on the proposal price form below represents the entire cost of the items in full accordance with the requirements of this ITB, inclusive of its terms, conditions, specifications and other requirements stated herein, and that no claim will be made on account of any increase in wage scales, material prices, delivery delays, taxes, insurance, cost indexes or any other unless a cost escalation provision is allowed herein and has been exercised by the City Manager in advance. The Proposal Tender Form (Appendix E) shall be completed mechanically or, if manually, in ink. Proposal Tender Forms (Appendix E) completed in pencil shall be deemed non-responsive. All corrections on the Proposal Tender Form (Appendix E) shall be initialed.

The City reserves the right to seek additional information from Proposer or other source(s), including but not limited to: any firm or principal information, applicable licensure, resumes of relevant individuals, client information, financial information, or any information the City deems necessary to evaluate the capacity of the Proposer to perform in accordance with contract requirements.

1. **Veteran Owned Business.** Is Proposer claiming a veteran owned business status?

☐

YES

☒

NO

SUBMITTAL REQUIREMENT: Proposers claiming veteran owned business status shall submit a documentation proving that firm is certified as a veteran-owned business or a service-disabled veteran owned business by the State of Florida or United States federal government, as required pursuant to ordinance 2011-3748.

2. **Financial Capacity.** Each Proposer shall arrange for Dun & Bradstreet to submit a Supplier Qualification Report (SQR) directly to the Procurement Contact named herein. No proposal will be considered without receipt, by the City, of the SQR directly from Dun & Bradstreet. The cost of the preparation of the SQR shall be the responsibility of the Proposer. The Proposer shall request the SQR report from D&B at:

<https://supplierportal.dnb.com/webapp/wcs/stores/servlet/SupplierPortal?storeId=11696>

Proposers are responsible for the accuracy of the information contained in its SQR. It is highly recommended that each Proposer review the information contained in its SQR for accuracy prior to submittal to the City and as early as possible in the solicitation process. For assistance with any portion of the SQR submittal process, contact Dun & Bradstreet at 800-424-2495.

SUBMITTAL REQUIREMENT: Proposer shall request that Dun & Bradstreet submit its Supplier Qualifier Report directly to the City, with bid or within 2 days of request.

3. **Conflict Of Interest.** All Proposers must disclose, in their Proposal, the name(s) of any officer, director, agent, or immediate family member (spouse, parent, sibling, and child) who is also an employee of the City of Miami Beach. Further, all Proposers must disclose the name of any City employee who owns, either directly or indirectly, an interest of ten (10%) percent or more in the Proposer entity or any of its affiliates.

SUBMITTAL REQUIREMENT: Proposers must disclose the name(s) of any officer, director, agent, or immediate family member (spouse, parent, sibling, and child) who is also an employee of the City of Miami Beach. Proposers must also disclose the name of any City employee who owns, either directly or indirectly, an interest of ten (10%) percent or more in the Proposer entity or any of its affiliates.

4. **References & Past Performance.** Proposer shall submit at least three (3) references for whom the Proposer has completed work similar in size and nature as the work referenced in solicitation.

SUBMITTAL REQUIREMENT: If answer to above is "YES," Proposer shall submit a statement detailing the reasons that led to action(s).

6. **Vendor Campaign Contributions.** Proposers are expected to be or become familiar with, the City's Campaign Finance Reform laws, as codified in Sections 2-487 through 2-490 of the City Code. Proposers shall be solely responsible for ensuring that all applicable provisions of the City's Campaign Finance Reform laws are complied with, and shall be subject to any and all sanctions, as prescribed therein, including disqualification of their Proposals, in the

event of such non-compliance.

SUBMITTAL REQUIREMENT: Submit the names of all individuals or entities (including your sub-consultants) with a controlling financial interest as defined in solicitation. For each individual or entity with a controlling financial interest indicate whether or not each individual or entity has contributed to the campaign either directly or indirectly, of a candidate who has been elected to the office of Mayor or City Commissioner for the City of Miami Beach.

7. **Code of Business Ethics.** Pursuant to City Resolution No.2000-23879, each person or entity that seeks to do business with the City shall adopt a Code of Business Ethics ("Code") and submit that Code to the Procurement Division with its proposal/response or within five (5) days upon receipt of request. The Code shall, at a minimum, require the Proposer, to comply with all applicable governmental rules and regulations including, among others, the conflict of interest, lobbying and ethics provision of the City of Miami Beach and Miami Dade County.

SUBMITTAL REQUIREMENT: Proposer shall submit firm's Code of Business Ethics. In lieu of submitting Code of Business Ethics, Proposer may submit a statement indicating that it will adopt, as required in the ordinance, the City of Miami Beach Code of Ethics, available at www.miamibeachfl.gov/procurement/.

8. **Living Wage.** Pursuant to ~~Section 2-408 of the Miami Beach City Code, as same may be amended from time to time, Proposers shall be required to pay all employees who provide services pursuant to this Agreement, the hourly living wage rates listed below:~~

~~i. Commencing with City fiscal year 2015 (January 1, 2015), the hourly living rate will be \$11.62/hr. with health benefits, and \$13.31/hr. without benefits.~~

~~The living wage rate and health care benefits rate may, by Resolution of the City Commission be indexed annually for inflation using the Consumer Price Index for all Urban Consumers (CPI-U) Miami/Ft. Lauderdale, issued by the U.S. Department of Labor's Bureau of Labor Statistics. Notwithstanding the preceding, no annual index shall exceed three percent (3%). The City may also, by resolution, elect not to index the living wage rate in any particular year, if it determines it would not be fiscally sound to implement same (in a particular year).~~

~~Proposers' failure to comply with this provision shall be deemed a material breach under this proposal, under which the City may, at its sole option, immediately deem said Proposer as non-responsive, and may further subject Proposer to additional penalties and fines, as provided in the City's Living Wage Ordinance, as amended. Further information on the Living Wage requirement is available at www.miamibeachfl.gov/procurement/.~~

SUBMITTAL REQUIREMENT: ~~No additional submittal is required. By virtue of executing this affidavit document, Proposer agrees to the living wage requirement.~~

9. **Equal Benefits for Employees with Spouses and Employees with Domestic Partners.** When awarding competitively solicited contracts valued at over \$100,000 whose contractors maintain 51 or more full time employees on their payrolls during 20 or more calendar work weeks, the Equal Benefits for Domestic Partners Ordinance 2005-3494 requires certain contractors doing business with the City of Miami Beach, who are awarded a contract pursuant to competitive proposals, to provide "Equal Benefits" to their employees with domestic partners, as they provide to employees with spouses. The Ordinance applies to all employees of a Contractor who work within the City limits of the City of Miami Beach, Florida; and the Contractor's employees located in the United States, but outside of the City of Miami Beach limits, who are directly performing work on the contract within the City of Miami Beach.

- A. Does your company provide or offer access to any benefits to employees with spouses or to spouses of employees?

YES

☐ NO

- B. Does your company provide or offer access to any benefits to employees with (same or opposite sex) domestic partners* or to domestic partners of employees?

YES

☐ NO

- C. Please check all benefits that apply to your answers above and list in the "other" section any additional benefits not already specified. Note: some benefits are provided to employees because they have a spouse or domestic partner, such as bereavement leave; other benefits are provided directly to the spouse or domestic partner, such as medical insurance.

BENEFIT	Firm Provides for Employees with Spouses	Firm Provides for Employees with Domestic Partners	Firm does not Provide Benefit
Health	✓	✓	
Sick Leave	✓	✓	
Family Medical Leave	✓	✓	
Bereavement Leave	✓	✓	

If Proposer cannot offer a benefit to domestic partners because of reasons outside your control, (e.g., there are no insurance providers in your area willing to offer domestic partner coverage) you may be eligible for Reasonable Measures compliance. To comply on this basis, you must agree to pay a cash equivalent and submit a completed Reasonable Measures Application (attached) with all necessary documentation. Your Reasonable Measures Application will be reviewed for consideration by the City Manager, or his designee. Approval is not guaranteed and the City Manager's decision is final. Further information on the Equal Benefits requirement is available at www.miamibeachfl.gov/procurement/.

10. **Public Entity Crimes.** Section 287.133(2)(a), Florida Statutes, as currently enacted or as amended from time to time, states that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a proposal, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit proposals, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

SUBMITTAL REQUIREMENT: No additional submittal is required. By virtue of executing this affidavit document, Proposer agrees with the requirements of Section 287.133, Florida Statutes, and certifies it has not been placed on convicted vendor list.

11. **Non-Discrimination.** Pursuant to City Ordinance No. 2016-3990, the City shall not enter into a contract with a business unless the business represents that it does not and will not engage in a boycott as defined in Section 2-375(a) of the City Code, including the blacklisting, divesting from, or otherwise refusing to deal with a person or entity when such action is based on race, color, national origin, religion, sex, intersexuality, gender identity, sexual orientation, marital or familial status, age or disability.

SUBMITTAL REQUIREMENT: No additional submittal is required. By virtue of executing this affidavit document, Proposer agrees it is and shall remain in full compliance with Section 2-375 of the City of Miami Beach City Code.

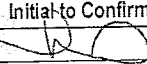

12. **Moratorium on Travel to and the Purchase of Goods or Services from North Carolina and Mississippi.** Pursuant to Resolution 2016-29375, the City of Miami Beach, Florida, prohibits official City travel to the states of North Carolina and Mississippi, as well as the purchase of goods or services sourced in North Carolina and Mississippi. Proposer shall agree that no travel shall occur on behalf of the City to North Carolina or Mississippi, nor shall any product or services it provides to the City be sourced from these states.

SUBMITTAL REQUIREMENT: No additional submittal is required. By virtue of executing this affidavit document Proposer agrees it is and shall remain in full compliance with Resolution 2016-29375.

13. **Fair Chance Requirement.** Pursuant to Section 2-376 of the City Code, the City shall not enter into any contract resulting from a competitive solicitation, unless the proposer certifies in writing that the business has adopted and employs written policies, practices, and standards that are consistent with the City's Fair Chance Ordinance, set forth in Article V of Chapter 62 of the City Code ("Fair Chance Ordinance"), and which, among other things, (i) prohibits City contractors, as an employer, from inquiring about an applicant's criminal history until the applicant is given a conditional offer of employment; (ii) prohibits advertising of employment positions with a statement that an individual with a criminal record may not apply for the position, and (iii) prohibits placing a statement on an employment application that a person with a criminal record may not apply for the position.

SUBMITTAL REQUIREMENT: No additional submittal is required at this time. By virtue of executing this affidavit, Proposer certifies that it has adopted policies, practices and standards consistent with the City's Fair Chance Ordinance. Proposer agrees to provide the City with supporting documentation evidencing its compliance upon request. Proposer further agrees that any breach of the representations made herein shall constitute a material breach of contract, and shall entitle the City to the immediate termination for cause of the agreement, in addition to any damages that may be available at law and in equity.

14. **Acknowledgement of Addendum.** After issuance of solicitation, the City may release one or more addendum to the solicitation which may provide additional information to Proposers or alter solicitation requirements. The City will strive to reach every Proposer having received solicitation through the City's e-procurement system, PublicPurchase.com. However, Proposers are solely responsible for assuring they have received any and all addendum issued pursuant to solicitation. This Acknowledgement of Addendum section certifies that the Proposer has received all addendum released by the City pursuant to this solicitation. Failure to obtain and acknowledge receipt of all addendum may result in proposal disqualification.

DISCLOSURE AND DISCLAIMER SECTION

The solicitation referenced herein is being furnished to the recipient by the City of Miami Beach (the "City") for the recipient's convenience. Any action taken by the City in response to Proposals made pursuant to this solicitation, or in making any award, or in failing or refusing to make any award pursuant to such Proposals, or in cancelling awards, or in withdrawing or cancelling this solicitation, either before or after issuance of an award, shall be without any liability or obligation on the part of the City.

In its sole discretion, the City may withdraw the solicitation either before or after receiving proposals, may accept or reject proposals, and may accept proposals which deviate from the solicitation, as it deems appropriate and in its best interest. In its sole discretion, the City may determine the qualifications and acceptability of any party or parties submitting Proposals in response to this solicitation.

Following submission of a Bid or Proposal, the applicant agrees to deliver such further details, information and assurances, including financial and disclosure data, relating to the Proposal and the applicant including, without limitation, the applicant's affiliates, officers, directors, shareholders, partners and employees, as requested by the City in its discretion.

The information contained herein is provided solely for the convenience of prospective Proposers. It is the responsibility of the recipient to assure itself that information contained herein is accurate and complete. The City does not provide any assurances as to the accuracy of any information in this solicitation.

Any reliance on these contents, or on any permitted communications with City officials, shall be at the recipient's own risk. Proposers should rely exclusively on their own investigations, interpretations, and analyses. The solicitation is being provided by the City without any warranty or representation, express or implied, as to its content, its accuracy, or its completeness. No warranty or representation is made by the City or its agents that any Proposal conforming to these requirements will be selected for consideration, negotiation, or approval.

The City shall have no obligation or liability with respect to this solicitation, the selection and the award process, or whether any award will be made. Any recipient of this solicitation who responds hereto fully acknowledges all the provisions of this Disclosure and Disclaimer, is totally relying on this Disclosure and Disclaimer, and agrees to be bound by the terms hereof. Any Proposals submitted to the City pursuant to this solicitation are submitted at the sole risk and responsibility of the party submitting such Proposal.

This solicitation is made subject to correction of errors, omissions, or withdrawal from the market without notice. Information is for guidance only, and does not constitute all or any part of an agreement.

The City and all Proposers will be bound only as, if and when a Proposal (or Proposals), as same may be modified, and the applicable definitive agreements pertaining thereto, are approved and executed by the parties, and then only pursuant to the terms of the definitive agreements executed among the parties. Any response to this solicitation may be accepted or rejected by the City for any reason, or for no reason, without any resultant liability to the City.

The City is governed by the Government-in-the-Sunshine Law, and all Proposals and supporting documents shall be subject to disclosure as required by such law. All Proposals shall be submitted in sealed proposal form and shall remain confidential to the extent permitted by Florida Statutes, until the date and time selected for opening the responses. At that time, all documents received by the City shall become public records.

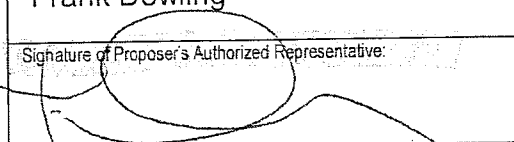

Proposers are expected to make all disclosures and declarations as requested in this solicitation. By submission of a Proposal, the Proposer acknowledges and agrees that the City has the right to make any inquiry or investigation it deems appropriate to substantiate or supplement information contained in the Proposal, and authorizes the release to the City of any and all information sought in such inquiry or investigation. Each Proposer certifies that the information contained in the Proposal is true, accurate and complete, to the best of its knowledge, information, and belief.

Notwithstanding the foregoing or anything contained in the solicitation, all Proposers agree that in the event of a final unappealable judgment by a court of competent jurisdiction which imposes on the City any liability arising out of this solicitation, or any response thereto, or any action or inaction by the City with respect thereto, such liability shall be limited to \$10,000.00 as agreed-upon and liquidated damages. The previous sentence, however, shall not be construed to circumvent any of the other provisions of this Disclosure and Disclaimer which imposes no liability on the City.

In the event of any differences in language between this Disclosure and Disclaimer and the balance of the solicitation, it is understood that the provisions of this Disclosure and Disclaimer shall always govern. The solicitation and any disputes arising from the solicitation shall be governed by and construed in accordance with the laws of the State of Florida.

PROPOSER CERTIFICATION

I hereby certify that: I, as an authorized agent of the Proposer, am submitting the following information as my firm's proposal; Proposer agrees to complete and unconditional acceptance of the terms and conditions of this document, inclusive of this solicitation, all attachments, exhibits and appendices and the contents of any Addenda released hereto, and the Disclosure and Disclaimer Statement; Proposer agrees to be bound to any and all specifications, terms and conditions contained in the solicitation, and any released Addenda and understand that the following are requirements of this solicitation and failure to comply will result in disqualification of proposal submitted; Proposer has not divulged, discussed, or compared the proposal with other Proposers and has not colluded with any other Proposer or party to any other proposal; Proposer acknowledges that all information contained herein is part of the public domain as defined by the State of Florida Sunshine and Public Records Laws; all responses, data and information contained in this proposal, inclusive of the Proposal Certification, Questionnaire and Requirements Affidavit are true and accurate.

SUMMARY ANALYSIS

[About Summary Analysis](#)

D&B Rating: 1R2

Number of employees: 1R indicates 10 or more employees.

Composite credit appraisal: 2 is good.

The 1R and 2R ratings categories reflect company size based on the total number of employees for the business. They are assigned to business files that do not contain a current financial statement. In 1R and 2R Ratings, the 2, 3, or 4 credit worthiness indicator is based on analysis by D&B of public filings, trade payments, business age and other important factors. 2 is the highest Composite Credit Appraisal a company not supplying D&B with current financial information can receive. For more information, see the **D&B Rating Key**.

Below is an overview of the company's rating history since 01/01/91:

D&B Rating	Date Applied
------------	--------------

1R2	12/08/09
1R3	04/25/05

4. FIRST AID MEASURES

Have the product container, label or Material Safety Data Sheet with you when calling Syngenta (800-888-8372), a poison control center or doctor, or going for treatment.

Ingestion: If swallowed: Call Syngenta (800-888-8372), a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so

after calling 800-888-8372 or by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

- Eye Contact: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing eye. Call Syngenta (800-888-8372), a poison control center or doctor for treatment advice.
- Skin Contact: If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call Syngenta (800-888-8372), a poison control center or doctor for treatment advice.
- Inhalation: If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call Syngenta (800-888-8372), a poison control center or doctor for further treatment advice.

Notes to Physician

There is no specific antidote if this product is ingested.

Treat symptomatically.

Unusual Fire, Explosion and Reactivity Hazards

During a fire, irritating and possibly toxic gases may be generated by thermal decomposition or combustion.

In Case of Fire

Use dry chemical, foam or CO2 extinguishing media. Wear full protective clothing and self-contained breathing apparatus. Evacuate nonessential personnel from the area to prevent human exposure to fire, smoke, fumes or products of combustion. Prevent use of contaminated buildings, area, and equipment until decontaminated. Water runoff can cause environmental damage. If water is used to fight fire, dike and collect runoff.

6. ACCIDENTAL RELEASE MEASURES

In Case of Spill or Leak

Control the spill at its source. Contain the spill to prevent from spreading or contaminating soil or from entering sewage and drainage systems or any body of water. Clean up spills immediately, observing precautions outlined in Section 8. Cover entire spill with absorbing material and place into compatible disposal container. Scrub area with hard water detergent (e.g. commercial products such as Tide, Joy, Spic and Span). Pick up wash liquid with additional absorbent and place into compatible disposal container. Once all material is cleaned up and placed in a disposal container, seal container and arrange for disposition.

7. HANDLING AND STORAGE

Store the material in a well-ventilated, secure area out of reach of children and domestic animals. Do not store food, beverages or tobacco products in the storage area. Prevent eating, drinking, tobacco use, and cosmetic application in areas where there is a potential for exposure to the material. Wash thoroughly with soap and water after handling.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

THE FOLLOWING RECOMMENDATIONS FOR EXPOSURE CONTROLS/PERSONAL PROTECTION ARE INTENDED FOR THE MANUFACTURE, FORMULATION AND PACKAGING OF THIS PRODUCT.

FOR COMMERCIAL APPLICATIONS AND/OR ON-FARM APPLICATIONS CONSULT THE PRODUCT LABEL.

- Ingestion: Prevent eating, drinking, tobacco usage and cosmetic application in areas where there is a potential for exposure to the material. Wash thoroughly with soap and water after handling.

Eye Contact: Where eye contact is likely use dust-proof chemical goggles.

Skin Contact: Where contact is likely, wear chemical-resistant gloves (such as barrier laminate, butyl rubber, nitrile rubber, neoprene rubber, natural rubber, polyvinyl chloride [PVC] or Viton), coveralls, socks and chemical-resistant footwear.

Inhalation: A respirator is not normally required when handling this substance.

In case of emergency spills, use a NIOSH approved respirator with any N, R, P or HE filter.

Reproductive/Developmental Effects

Indoxacarb: Animal testing showed effects on reproduction at levels equal to or above those causing parental toxicity.

Animal testing showed effects on embryo-fetal development at levels equal to or above those causing maternal toxicity.

Chronic/Subchronic Toxicity Studies

Indoxacarb: The following effects occurred at levels of exposure that significantly exceed those expected under labeled usage conditions.

Inhalation; rat; Incoordination, mortality, red blood cell destruction causing abnormal decrease in number of red blood cells (anemia)

Carcinogenicity

Indoxacarb: Animal testing did not show any carcinogenic effects.
Tests on bacterial or mammalian cell cultures did not show mutagenic effects.
Did not cause genetic damage in animals.

Potential health effects

Primary routes of exposure:

Routes of entry for solids and liquids include eye and skin contact, ingestion and inhalation. Routes of entry for gases include inhalation and eye contact. Skin contact may be a route of entry for liquified gases.

Acute toxicity:

Relatively nontoxic after single ingestion. Relatively nontoxic after short-term inhalation. Relatively nontoxic after short-term skin contact.

Irritation / corrosion:

May cause slight irritation to the skin. May cause moderate but temporary irritation to the eyes.

Sensitization:

Skin sensitizing effects were not observed in animal studies.

Medical conditions aggravated by overexposure:

Individuals with pre-existing diseases of the respiratory system, skin or eyes may have increased susceptibility to excessive exposures.

Potential environmental effects

Aquatic toxicity:

There is a high probability that the product is not acutely harmful to fish. There is a high probability that the product is not acutely harmful to aquatic invertebrates. There is a high probability that the product is not acutely harmful to aquatic plants.

4. First-Aid Measures

General advice:

First aid providers should wear personal protective equipment to prevent exposure. Remove contaminated clothing. Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or physician for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

If inhaled:

Remove the affected individual into fresh air and keep the person calm.

If on skin:

Rinse skin immediately with plenty of water for 15 - 20 minutes.

If in eyes:

Hold eyes open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing.

If swallowed:

Never induce vomiting or give anything by mouth if the victim is unconscious or having convulsions. Do not induce vomiting. Have person sip a glass of water if able to swallow.

Note to physician

Antidote:	No known specific antidote.
Treatment:	Treat symptomatically.

5. Fire-Fighting Measures

Autoignition: not applicable

Suitable extinguishing media:

Version: 1.1

Page: 3/8

(552911/SDS_CPA_US/EN)

Hazards during fire-fighting:

carbon monoxide, carbon dioxide, nitrogen oxides, acid halides

The substances/groups of substances mentioned can be released in case of fire.

Protective equipment for fire-fighting:

Wear self-contained breathing apparatus and chemical-protective clothing.

Further information:

Evacuate area of all unnecessary personnel. Contain contaminated water/firefighting water. Do not allow to enter drains or waterways.

6. Accidental release measures

Personal precautions:

Use personal protective clothing. Avoid contact with the skin, eyes and clothing. Remove contaminated clothes, undergarments and shoes immediately. Information regarding personal protective measures see, section 8.

Environmental precautions:

Do not discharge into the subsoil/soil. Do not discharge into drains/surface waters/groundwater.

Cleanup:

Cleaning operations should be carried out only while wearing breathing apparatus. Dispose of absorbed material in accordance with regulations. Collect waste in suitable containers, which can be labeled and sealed. Clean contaminated floors and objects thoroughly with water and detergents, observing environmental regulations.

For small amounts: Pick up with suitable appliance and dispose of. Pick up with suitable absorbent material (e.g. sand, sawdust, general-purpose binder, kieselguhr). Contain with dust binding material and dispose of.

7. Handling and Storage

Handling

General advice:

RECOMMENDATIONS ARE FOR MANUFACTURING, COMMERCIAL BLENDING, AND PACKAGING WORKERS. PESTICIDE APPLICATORS & WORKERS must refer to the Product Label and Directions for Use attached to the product for Agricultural Use Requirements in accordance with the EPA Worker Protection Standard 40 CFR part 170. Ensure adequate ventilation. Provide good ventilation of working area (local exhaust ventilation if necessary). Keep away from sources of ignition - No smoking. Keep container tightly sealed. Protect contents from the effects of light. Protect against heat. Protect from air. Handle and open container with care. Do not open until ready to use. Once container is opened, content should be used as soon as possible. Avoid dust formation. Do not return residues to the storage containers. Follow label warnings even after container is emptied. The substance/ product may be handled only by appropriately trained personnel. Avoid all direct contact with the substance/product. Avoid contact with the skin, eyes and clothing. Avoid inhalation of dusts/mists/vapours. Wear suitable personal protective clothing and equipment.

Protection against fire and explosion:

The relevant fire protection measures should be noted. Fire extinguishers should be kept handy. Avoid all sources of ignition: heat, sparks, open flame. Sources of ignition should be kept well clear. Avoid extreme heat. Keep away from oxidizable substances. Electrical equipment should conform to national electric code. Ground all transfer equipment properly to prevent electrostatic discharge. Electrostatic discharge may cause ignition.

Storage

General advice:

Keep only in the original container in a cool, dry, well-ventilated place away from ignition sources, heat or flame. Protect containers from physical damage. Protect against contamination. The authority permits and storage regulations must be observed.

Storage incompatibility:

General advice: Segregate from foods and animal feeds.

Temperature tolerance

Protect from temperatures above: 40 °C

Changes in the properties of the product may occur if substance/product is stored above indicated temperature for extended periods of time.

8. Exposure Controls and Personal Protection

Users of a pesticidal product should refer to the product label for personal protective equipment requirements.

Advice on system design:

Whenever possible, engineering controls should be used to minimize the need for personal protective equipment.

Personal protective equipment

RECOMMENDATIONS FOR MANUFACTURING, COMMERCIAL BLENDING, AND PACKAGING WORKERS:

Respiratory protection:

Wear respiratory protection if ventilation is inadequate. Wear a NIOSH-certified (or equivalent) organic vapour/particulate respirator. For situations where the airborne concentrations may exceed the level for which an air purifying respirator is effective, or where the levels are unknown or Immediately Dangerous to Life or Health (IDLH), use NIOSH-certified full facepiece pressure demand self-contained breathing apparatus (SCBA) or a full facepiece pressure demand supplied-air respirator (SAR) with escape provisions.

Hand protection:

Chemical resistant protective gloves, Protective glove selection must be based on the user's assessment of the workplace hazards.

Eye protection:

Safety glasses with side-shields. Tightly fitting safety goggles (chemical goggles).

Body protection:

Body protection must be chosen depending on activity and possible exposure, e.g. head protection, apron, protective boots, chemical-protection suit.

General safety and hygiene measures:

Wear long sleeved work shirt and long work pants in addition to other stated personal protective equipment. Work place should be equipped with a shower and an eye wash. Handle in accordance with good industrial hygiene and safety practice. Personal protective equipment should be decontaminated prior to reuse. Gloves must be inspected regularly and prior to each use. Replace if necessary (e.g. pinhole leaks). Take off immediately all contaminated clothing. Store work clothing separately. Hands and/or face should be washed before breaks and at the end of the shift. No eating, drinking, smoking or tobacco use at the place of work. Keep away from food, drink and animal feeding stuffs.

10. Stability and Reactivity

Dust explosivity characteristics:

Kst: 74 m.bar/s

Minimum ignition energy:

> 100 mJ, 7.1 bar

Conditions to avoid:

Avoid all sources of ignition: heat, sparks, open flame. Avoid extreme temperatures. Avoid prolonged exposure to extreme heat. Avoid contamination. Avoid electro-static discharge. Avoid prolonged storage. This product may form an explosive mixture if: 1. the dust is suspended in the atmosphere as a dust cloud AND 2. the concentration of the dust is above the lower explosion limit (LEL) AND 3. the limiting oxygen concentration (LOC) is exceeded.

Substances to avoid:

strong oxidizing agents

Hazardous reactions:

The product is chemically stable.

Hazardous polymerization will not occur. No hazardous reactions if stored and handled as prescribed/indicated.

Decomposition products:

No hazardous decomposition products if stored and handled as prescribed/indicated., Prolonged thermal loading can result in products of degradation being given off.

Thermal decomposition:

Possible thermal decomposition products:

carbon monoxide, carbon dioxide

Stable at ambient temperature. If product is heated above decomposition temperature toxic vapours may be released. To avoid thermal decomposition, do not overheat.

Corrosion to metals:

Corrosive effects to metal are not anticipated.

Oxidizing properties:

not fire-propagating

13. Disposal considerations

Waste disposal of substance:

Pesticide wastes are regulated. Improper disposal of excess pesticide, spray mix or rinsate is a violation of federal law. If pesticide wastes cannot be disposed of according to label instructions, contact the State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container disposal:

Rinse thoroughly at least three times (triple rinse) in accordance with EPA recommendations. Consult state or local disposal authorities for approved alternative procedures such as container recycling. Recommend crushing, puncturing or other means to prevent unauthorized use of used containers.

RCRA:

The waste codes are manufacturer's recommendations based on the designated use of the product. Other use and special waste disposal treatment on customer's location may require different waste-code assignments. This product is not regulated by RCRA.

2. Hazards Identification

Emergency overview

CAUTION:
KEEP OUT OF REACH OF CHILDREN.
KEEP OUT OF REACH OF DOMESTIC ANIMALS.
HARMFUL IF ABSORBED THROUGH SKIN.
Avoid contact with the skin, eyes and clothing.
Wash thoroughly after handling.

See Product Label for additional precautionary statements.

State of matter: liquid
Colour: beige to yellow
Odour: characteristic

Potential health effects

Primary routes of exposure:
Routes of entry for solids and liquids include eye and skin contact, ingestion and inhalation. Routes of entry for gases include inhalation and eye contact. Skin contact may be a route of entry for liquified gases.

Acute toxicity:
Relatively nontoxic after single ingestion. Relatively nontoxic after short-term skin contact.

Irritation / corrosion:
May cause slight but temporary irritation to the eyes. May cause moderate irritation to the skin.

Sensitization:
Skin sensitizing effects were not observed in animal studies.

Safety Data Sheet

Version: 1.1

Page: 2/7
(30472209/SDS CPA US/EN)

Potential environmental effects

Aquatic toxicity:

Acutely toxic for aquatic organisms. The product has not been tested. The statement has been derived from the properties of the individual components.

3. Composition / Information on Ingredients

<u>CAS Number</u>	<u>Content (W/W)</u>	<u>Chemical name</u>
68359-37-5	6.0 %	Cyfluthrin
	94.0 %	Proprietary ingredients

4. First-Aid Measures

General advice:

First aid providers should wear personal protective equipment to prevent exposure. Remove contaminated clothing. Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or physician for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

If inhaled:

Remove the affected individual into fresh air and keep the person calm.

If on skin:

Rinse skin immediately with plenty of water for 15 - 20 minutes.

If in eyes:

Hold eyes open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing.

If swallowed:

Never induce vomiting or give anything by mouth if the victim is unconscious or having convulsions. Do not induce vomiting. Have person sip a glass of water if able to swallow.

5. Fire-Fighting Measures

Flash point

A flash point determination is unnecessary due to the high water content.

Suitable extinguishing media:

foam, dry powder, carbon dioxide, water spray

Hazards during fire-fighting:

carbon monoxide, carbon dioxide, nitrogen dioxide, nitrogen oxide, Hydrogen chloride, hydrogen fluoride, halogenated hydrocarbons, hydrocarbons

If product is heated above decomposition temperature, toxic vapours will be released. The substances/groups of substances mentioned can be released in case of fire.

Protective equipment for fire-fighting:

Firefighters should be equipped with self-contained breathing apparatus and turn-out gear.

Further information:

Evacuate area of all unnecessary personnel. Contain contaminated water/firefighting water. Do not allow to enter drains or waterways.

6. Accidental release measures

Personal precautions:

Take appropriate protective measures. Clear area. Shut off source of leak only under safe conditions. Extinguish sources of ignition nearby and downwind. Ensure adequate ventilation. Wear suitable personal protective clothing and equipment.

Environmental precautions:

Do not discharge into the subsoil/soil. Do not discharge into drains/surface waters/groundwater. Contain contaminated water/firefighting water. A spill of or in excess of the reportable quantity requires notification to state, local and national emergency authorities. This product is not regulated by CERCLA ('Superfund').

Cleanup:

Dike spillage. Pick up with suitable absorbent material. Spilled substance/product should be recovered and applied according to label rates whenever possible. If application of spilled substance/product is not possible, then spills should be contained, solidified, and placed in suitable containers for disposal. After decontamination, spill area can be washed with water. Collect wash water for approved disposal.

7. Handling and Storage

Handling

General advice:

RECOMMENDATIONS ARE FOR MANUFACTURING, COMMERCIAL BLENDING, AND PACKAGING WORKERS. PESTICIDE APPLICATORS & WORKERS must refer to the Product Label and Directions for Use attached to the product. Provide good ventilation of working area (local exhaust ventilation if necessary). Keep away from sources of ignition - No smoking. Keep container tightly sealed. Protect against heat. Handle and open container with care. Do not open until ready to use. Once container is opened, content should be used as soon as possible. Provide means for controlling leaks and spills. Follow label warnings even after container is emptied. The substance/ product may be handled only by appropriately trained personnel. Avoid all direct contact with the substance/product. Avoid contact with the skin, eyes and clothing. Avoid Inhalation of dusts/mists/vapours. Wear suitable personal protective clothing and equipment.

Protection against fire and explosion:

The relevant fire protection measures should be noted. Fire extinguishers should be kept handy. Avoid all sources of ignition: heat, sparks, open flame. Avoid extreme heat. Ground all transfer equipment properly to prevent electrostatic discharge. Electrostatic discharge may cause ignition.

Storage

General advice:

Keep only in the original container in a cool, dry, well-ventilated place away from ignition sources, heat or flame. Protect containers from physical damage. Protect against contamination. The authority permits and storage regulations must be observed.

Storage incompatibility:

General advice: Segregate from incompatible substances. Segregate from foods and animal feeds. Segregate from textiles and similar materials.

Storage stability:

May be kept indefinitely if stored properly. If an expiry date is mentioned on the packaging/label this takes priority over the statements on storage duration in this safety data sheet.

8. Exposure Controls and Personal Protection

Users of a pesticidal product should refer to the product label for personal protective equipment requirements.

Safety Data Sheet

CY-KICK CS

Revision date : 2011/07/19
Version: 1.1

Page: 4/7
(30472209/SDS CPA US/EN)

Advice on system design:

Whenever possible, engineering controls should be used to minimize the need for personal protective equipment.

Personal protective equipment

RECOMMENDATIONS FOR MANUFACTURING, COMMERCIAL BLENDING, AND PACKAGING WORKERS:

Respiratory protection:

Wear respiratory protection if ventilation is inadequate. Wear a NIOSH-certified (or equivalent) organic vapour/particulate respirator. For situations where the airborne concentrations may exceed the level for which an air purifying respirator is effective, or where the levels are unknown or Immediately Dangerous to Life or Health (IDLH), use NIOSH-certified full facepiece pressure demand self-contained breathing apparatus (SCBA) or a full facepiece pressure demand supplied-air respirator (SAR) with escape provisions.

Hand protection:

Chemical resistant protective gloves. Protective glove selection must be based on the user's assessment of the workplace hazards.

Eye protection:

Safety glasses with side-shields. Tightly fitting safety goggles (chemical goggles). Wear face shield if splashing hazard exists.

Body protection:

Body protection must be chosen depending on activity and possible exposure, e.g. head protection, apron, protective boots, chemical-protection suit.

General safety and hygiene measures:

RECOMMENDATIONS FOR MANUFACTURING, COMMERCIAL BLENDING, AND PACKAGING WORKERS
Wear long sleeved work shirt and long work pants in addition to other stated personal protective equipment. Work place should be equipped with a shower and an eye wash. Handle in accordance with good industrial hygiene and safety practices. Personal protective equipment should be decontaminated prior to reuse. Gloves must be inspected regularly and prior to each use. Replace if necessary (e.g. pinhole leaks). Take off immediately all contaminated clothing. Store work clothing separately. Hands and/or face should be washed before breaks and at the end of the shift. No eating, drinking, smoking or tobacco use at the place of work. Keep away from food, drink and animal feeding stuffs.

9. Physical and Chemical Properties

Hazardous reactions:
The product is chemically stable.

Decomposition products:
No hazardous decomposition products if stored and handled as prescribed/indicated. Prolonged thermal loading can result in products of degradation being given off.

Thermal decomposition:
Possible thermal decomposition products:
carbon monoxide, carbon dioxide, nitrogen dioxide, nitrogen oxide, Hydrogen chloride, hydrogen fluoride
Stable at ambient temperature. If product is heated above decomposition temperature toxic vapours may be released. To avoid thermal decomposition, do not overheat.

Corrosion to metals:
Corrosive effects to metal are not anticipated.

Inert ingredients (non hazardous and/or trade secret):		9.4%	Not established

3. HAZARD INFORMATION

PRECAUTIONARY STATEMENT

Caution: Keep out of the reach of children. Avoid contact with eyes. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

SIGNS AND SYMPTOMS OF OVEREXPOSURE

PRIMARY ROUTE OF ENTRY Dermal/Eye: Yes. Oral: No. Inhalation: No.

Due to the unique nature of the product form, acute toxicity hazards are not anticipated.

ACUTE TOXICITY Oral: Not Available.
 Dermal: Not Available.
 Inhalation: Not Available.

OTHER TOXICOLOGICAL INFORMATION

Skin Irritation: Mild irritant (rabbit).
Eye Irritation: Mild to moderate irritant (rabbit).
Sensitizer: Positive skin sensitization in guinea pigs.

4. FIRST AID MEASURES

- Eye:** Hold eye open and flush slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
- Skin:** Wash affected area with soap and water. Get medical attention if irritation persists.
- Ingestion:** Due to the product form, ingestion is unlikely, but if ingestion should occur, give 1-2 glasses of water to drink and induce vomiting by sticking finger down the throat. Repeat until vomitus is clear. Do not induce vomiting in an unconscious individual.
- Inhalation:** Remove victim to fresh air.
- Note to Physician:** Treat symptomatically.

5. FIRE FIGHTING MEASURES

- NFPA Rating:** Health: 0 Fire: 2 Reactivity: 0
- Flammability Class:** Combustible liquid (active ingredient).
- Flash Point:** 182F/84C.
- Explosive Limits (% of Volume):** Not known.
- Extinguishing Media:** Water, foam, CO2, dry chemical.
- Special Protective Equipment:** Firefighters should wear full protective equipment including self contained breathing apparatus.
- Fire Fighting Procedures:** Normal procedures. Do not allow firefighting water to escape into waterways or sewers.
- Combustion Products:** None known.
- Unusual Fire/Explosion Hazards:** None known.

6. ACCIDENTAL RELEASE MEASURES

- Steps to be taken:** Due to the product form, the possibilities of a spill are remote, but should one occur, sweep up spill and place in trash collection for disposal.
- Absorbents:** Due to product form, absorbents should not be necessary. If mixed with a liquid, absorb with clay granules, sawdust, dirt or equivalent.
- Incompatibles:** None known.

7. HANDLING AND STORAGE

- Handling:** Do not activate device until ready to use. This product may be used in areas where food is handled or prepared. Placements include areas for receiving, storage, packing, edible waste storage, machinery and enclosed processing systems. Serving areas would be considered as a food area. Do not place the device within three feet of any food handling or food preparation area.
- Storage:** Do not contaminate water, food, or feed by storage. Store in cool area away from children.

8. EXPOSURE CONTROL / PERSONAL MEASURES

Exposure Limits: Not established.
Ventilation: Use with adequate ventilation.
Personal Protective Equipment: None required. If prolonged exposure is anticipated it is recommended for a handler to wear impervious gloves.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance and Odor: Clear round plastic station with a faint fruity odor.
Boiling Point: Not known.
Melting Point: Not applicable.
Vapor Pressure (mm Hg): Less than 1 at 25C.
Vapor Density (Air = 1): Not known.
Specific Gravity: 0.89 (H₂O=1).
Bulk Density: 7.4 lbs/gal.
Solubility: .54 ppm.
Evaporation Rate: Less than butyl acetate.
pH: Not applicable.

10. STABILITY AND REACTIVITY

Stability: Stable.
Reactivity: Not reactive.
Incompatibility w/ Other Materials: None known.
Decomposition Products: None known.
Hazardous Polymerization: Will not occur.

11. TOXICOLOGICAL INFORMATION

SUBCHRONIC TOXICITY [Specific to Active Ingredient(s)]

In a 90-day subchronic feeding study in rats, the NOEL was 50 mg/kg/day. Changes in body weight and organ weights were observed at higher dose levels. Maximum tolerated dose (MTD) was suggested to be between 250 and 1,000 mg/kg/day. No immunotoxic effects were observed in a study in mice when (S)-Hydroprene was fed (diet) at dose levels up to and including 1,200 mg/kg/day, continuously for 30 days.

DEVELOPMENTAL/REPRODUCTIVE TOXICITY [Specific to Active Ingredient(s)]

Parental reproductive performance in rats remained unaffected up to a dose level of 7,500 ppm, when evaluated in a 2-generation reproduction/toxicity study. Histologically, all females of 7,500 ppm dose group had cytoplasmic vacuolation in the ovaries and regression of corpora lutea, but without affecting reproductive performance. The NOEL for pup development was 1,500 ppm. No teratogenic or fetotoxic effects were observed in rats when pregnant animals were exposed (gavage) to (S)-Hydroprene at levels up to 1,000 mg/kg/day (highest dose tested) during days 6 to 15 of gestation. NOEL for maternal toxicity was 1,000 mg/kg/day. Minor skeletal anomalies observed at lower dose levels were absent in the high dose animals, indicating an observation unrelated to the dose treatment.

MUTAGENICITY [Specific to Active Ingredient(s)]

(S)-Hydroprene is not a mutagen.

12. ECOLOGICAL INFORMATION

ENVIRONMENTAL FATE [Active Ingredients Only]

Hydrolysis: Not available.
Photolysis: Not available.
Soil half life: Not available.
Water solubility: <2 ppm, emulsifies in water.

ECOTOXICITY [Active Ingredients Only]

Acute Toxicity: fish:Not available; aquatic invertebrates:Not available.

13. DISPOSAL CONSIDERATIONS

Wastes resulting from use of this product should be disposed of in accordance with all federal, state and local requirements. For additional regulatory information, see section 15 of this document.

14. TRANSPORT INFORMATION

DOT49CFR Description: Not regulated under D.O.T.
Freight Classification: Insecticides, N.O.I. o/t poison; NMFC I-102120.

15. REGULATORY INFORMATION

Medical Conditions Aggravated by Exposure	No specific medical conditions are known which may be aggravated by exposure to this product.
Potential Environmental Effect	Toxic to fish.

SECTION 4. FIRST AID MEASURES

General	When possible, have the product container or label with you when calling a poison control center or doctor or going for treatment.
Eye	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a physician or poison control center immediately.
Skin	Wash off immediately with plenty of water for at least 15 minutes. Take off contaminated clothing and shoes immediately. Call a physician or poison control center immediately.
Ingestion	Call a physician or poison control center immediately. Rinse out mouth and give water in small sips to drink. DO NOT induce vomiting unless directed to do so by a physician or poison control center. Never give anything by mouth to an unconscious person.
Inhalation	Move to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a physician or poison control center immediately.
Notes to Physician Treatment	There is no specific antidote. Appropriate supportive and symptomatic treatment as indicated by the patient's condition is recommended.

SECTION 5. FIRE FIGHTING MEASURES

Fire and Explosion Hazards	Dangerous gases are evolved in the event of a fire.
Suitable Extinguishing Media	Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.
Unsuitable extinguishing media	High volume water jet

Fire Fighting Instructions

Keep out of smoke. Fight fire from upwind position. Cool closed containers/
tanks exposed to fire with water spray. Do not allow run-off from fire fighting to
enter drains or water courses.

Firefighters should wear NIOSH approved self-contained breathing apparatus
and full protective clothing.

SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal Precautions

Keep unauthorized people away. Isolate hazard area. Avoid contact with spilled
product or contaminated surfaces.

Methods for Cleaning Up

Sweep up or vacuum up spillage and collect in suitable container for disposal.
Clean contaminated floors and objects thoroughly, observing environmental
regulations.

Additional Advice

Use personal protective equipment. Do not allow to enter soil, waterways or
waste water canal.

SECTION 7. HANDLING AND STORAGE

Handling Procedures

No specific precautions required when handling unopened packs/containers;
follow relevant manual handling advice. Avoid dust formation. Use only in area
provided with appropriate exhaust ventilation.

Dust may form explosive mixtures with air.

Storing Procedures

Store in a place accessible by authorized persons only. Keep away from direct
sunlight. Keep containers tightly closed in a dry, cool and well-ventilated place.

Keep away from food, drink and animal feedingstuffs.

Work/Hygienic Procedures

When using, do not eat, drink or smoke. Remove soiled clothing immediately
and clean thoroughly before using again. Wash hands immediately after work, if
necessary take a shower.

SECTION 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

General Protection

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such
instructions for washables, use detergent and warm/tepid water. Keep and wash
PPE separately from other laundry.

Follow all label instructions. Train employees in safe use of the product.

Appearance	brown
Physical State	solid granular
Density	0.5 - 0.7 g/cm ³

SECTION 10. STABILITY AND REACTIVITY

Conditions to Avoid	Extremes of temperature and direct sunlight.
Hazardous Reactions	No hazardous reactions when stored and handled according to prescribed instructions. Stable under normal conditions.

SECTION 11. TOXICOLOGICAL INFORMATION

Acute toxicity data have been bridged from another formulation containing a higher percentage of the active ingredient, hydramethylnon. The non-acute information pertains to the technical-grade active ingredient.

Acute Oral Toxicity	rat: LD50: > 5,000 mg/kg
Acute Dermal Toxicity	rabbit: LD50: > 2,000 mg/kg
Skin Irritation	rabbit: Slight irritation.
Eye Irritation	rabbit: No eye irritation.
Sensitization	guinea pig: Non-sensitizing.
Chronic Toxicity	Hydramethylnon caused testicular and/or lung effects in chronic studies in mice, rats and dogs.

Material Safety Data Sheet

None.

NTP

None.

IARC

None.

OSHA

None.

Reproductive & Developmental Toxicity

REPRODUCTION: Hydramethylnon is a reproductive toxicant at doses producing systemic toxicity.

DEVELOPMENTAL TOXICITY: Hydramethylnon was not a primary developmental toxicant in rats and rabbits. Developmental effects were observed but were considered secondary to maternal toxicity.

Neurotoxicity

Hydramethylnon neurotoxicity studies are not required at this time.

Mutagenicity

Hydramethylnon was not mutagenic or genotoxic in a battery of in vitro and in vivo tests.

SECTION 12. ECOLOGICAL INFORMATION

Environmental Precautions

Do not allow to get into surface water, drains and ground water. Do not contaminate surface or ground water by cleaning equipment or disposal of wastes, including equipment wash water. Apply this product as specified on the label.

Emergency overview

CAUTION:
KEEP OUT OF REACH OF CHILDREN.
KEEP OUT OF REACH OF DOMESTIC ANIMALS.
Moderately irritating to the eyes.
Avoid contact with the skin, eyes and clothing.
Avoid inhalation of dusts.
Wash thoroughly after handling.

See Product Label for additional precautionary statements.

State of matter: solid
Colour: white
Odour: earthy

Potential health effects

Primary routes of exposure:
Routes of entry for solids and liquids include eye and skin contact, ingestion and inhalation. Routes of entry for gases include inhalation and eye contact. Skin contact may be a route of entry for liquified gases.

Acute toxicity:
Relatively nontoxic after single ingestion. Slightly toxic after short-term skin contact. Relatively nontoxic after short-term inhalation.

Irritation / corrosion:
May cause slight but temporary irritation to the eyes. May cause slight irritation to the skin.

Sensitization:
No sensitizing effect.

Chronic toxicity:

Carcinogenicity: In long-term animal studies in which the substance was given in high doses by feed, a carcinogenic effect was not observed. The product has not been tested. The statement has been derived from products of a similar structure or composition.

Reproductive toxicity: The results of animal studies gave no indication of a fertility impairing effect. The product has not been tested. The statement has been derived from products of a similar structure or composition.

Genotoxicity: No mutagenic effect was found in various tests with bacteria and mammals.

Potential environmental effects

Aquatic toxicity:
No toxic effects occur within the range of solubility.

4. First-Aid Measures

General advice:

First aid providers should wear personal protective equipment to prevent exposure. Remove contaminated clothing. Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or physician for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

If inhaled:

Remove the affected individual into fresh air and keep the person calm.

If on skin:

Rinse skin immediately with plenty of water for 15 - 20 minutes.

If in eyes:

Hold eyes open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing.

If swallowed:

Never induce vomiting or give anything by mouth if the victim is unconscious or having convulsions. Do not induce vomiting. Have person sip a glass of water if able to swallow.

5. Fire-Fighting Measures

Self-ignition temperature:

not self-igniting

Suitable extinguishing media:

foam, dry powder, carbon dioxide, water spray

Hazards during fire-fighting:

carbon monoxide, carbon dioxide,

If product is heated above decomposition temperature, toxic vapours will be released. The substances/groups of substances mentioned can be released in case of fire.

Protective equipment for fire-fighting:

Firefighters should be equipped with self-contained breathing apparatus and turn-out gear.

Further information:

Evacuate area of all unnecessary personnel. Contain contaminated water/firefighting water. Do not allow to enter drains or waterways.

6. Accidental release measures

Personal precautions:

Take appropriate protective measures. Clear area. Shut off source of leak only under safe conditions. Extinguish sources of ignition nearby and downwind. Ensure adequate ventilation. Wear suitable personal protective clothing and equipment.

Environmental precautions:

Do not discharge into the subsoil/soil. Do not discharge into drains/surface waters/groundwater. Contain contaminated water/firefighting water. A spill of or in excess of the reportable quantity requires notification to state, local and national emergency authorities. This product is not regulated by CERCLA ("Superfund").

Cleanup:

Dike spillage. Sweep/shovel up. Avoid raising dust. Use wet cleaning methods when applicable. Place into suitable containers for reuse or disposal in a licensed facility. Spilled substance/product should be recovered and applied according to label rates whenever possible. If application of spilled substance/product is not possible, then spills should be contained, solidified, and placed in suitable containers for disposal. After decontamination, spill area can be washed with water. Collect wash water for approved disposal.

7. Handling and Storage

Handling

General advice:

RECOMMENDATIONS ARE FOR MANUFACTURING, COMMERCIAL BLENDING, AND PACKAGING WORKERS. PESTICIDE APPLICATORS & WORKERS must refer to the Product Label and Directions for Use attached to the product. Provide good ventilation of working area (local exhaust ventilation if necessary). Keep away from sources of ignition - No smoking. Keep container tightly sealed. Protect against heat. Handle and open container with care. Do not open until ready to use. Once container is opened, content should be used as soon as possible. Provide means for controlling leaks and spills. Follow label warnings even after container is emptied. The substance/ product may be handled only by appropriately trained personnel. Avoid all direct contact with the substance/product. Avoid contact with the skin, eyes and clothing. Avoid inhalation of dusts/mists/vapours. Wear suitable personal protective clothing and equipment.

Protection against fire and explosion:

The relevant fire protection measures should be noted. Fire extinguishers should be kept handy. Avoid all sources of ignition: heat, sparks, open flame. Avoid extreme heat. Ground all transfer equipment properly to prevent electrostatic discharge. Electrostatic discharge may cause ignition.

Storage

General advice:

Keep only in the original container in a cool, dry, well-ventilated place away from ignition sources, heat or flame. Protect containers from physical damage. Protect against contamination. The authority permits and storage regulations must be observed.

Storage incompatibility:

General advice: Segregate from incompatible substances. Segregate from foods and animal feeds. Segregate from textiles and similar materials.

Safety Data Sheet

MOTHEREARTH D

Revision date : 2012/03/20

Storage stability:

May be kept indefinitely if stored properly. If an expiry date is mentioned on the packaging/label this takes priority over the statements on storage duration in this safety data sheet.

8. Exposure Controls and Personal Protection

Users of a pesticidal product should refer to the product label for personal protective equipment requirements.

Components with workplace control parameters

Diatomaceous Earth	OSHA	TWA value 20 millions of particles per cubic foot of air ; TWA value 0.8 mg/m ³ ; The value is calculated from a specified equation using a value of 100%. Lower values of % will give higher exposure limits. See regulation for specific equation.
--------------------	------	---

Advice on system design:

Whenever possible, engineering controls should be used to minimize the need for personal protective equipment.

Personal protective equipment

RECOMMENDATIONS FOR MANUFACTURING, COMMERCIAL BLENDING, AND PACKAGING WORKERS:

Respiratory protection:

Wear respiratory protection if ventilation is inadequate. Wear a NIOSH-certified (or equivalent) organic vapour/particulate respirator. For situations where the airborne concentrations may exceed the level for which an air purifying respirator is effective, or where the levels are unknown or Immediately Dangerous to Life or Health (IDLH), use NIOSH-certified full facepiece pressure demand self-contained breathing apparatus (SCBA) or a full facepiece pressure demand supplied-air respirator (SAR) with escape provisions.

Hand protection:

Chemical resistant protective gloves, Protective glove selection must be based on the user's assessment of the workplace hazards.

Eye protection:

Safety glasses with side-shields. Tightly fitting safety goggles (chemical goggles). Wear face shield if splashing hazard exists.

Body protection:

Body protection must be chosen depending on activity and possible exposure, e.g. head protection, apron, protective boots, chemical-protection suit.

General safety and hygiene measures:

RECOMMENDATIONS FOR MANUFACTURING, COMMERCIAL BLENDING, AND PACKAGING WORKERS
Wear long sleeved work shirt and long work pants in addition to other stated personal protective equipment. Work place should be equipped with a shower and an eye wash. Handle in accordance with good industrial hygiene and safety practice. Personal protective equipment should be decontaminated prior to reuse. Gloves must be inspected regularly and prior to each use. Replace if necessary (e.g. pinhole leaks). Take off immediately all contaminated clothing. Store work clothing separately. Hands and/or face should be washed before breaks and at the end of the shift. No eating, drinking, smoking or tobacco use at the place of work. Keep away from food, drink and animal feeding stuffs.

10. Stability and Reactivity

Conditions to avoid:

Avoid all sources of ignition: heat, sparks, open flame. Avoid extreme temperatures. Avoid prolonged exposure to extreme heat. Avoid contamination. Avoid electro-static discharge. This product may form an explosive mixture if: 1. the dust is suspended in the atmosphere as a dust cloud AND 2. the concentration of the dust is above the lower explosion limit (LEL) AND 3. the limiting oxygen concentration (LOC) is exceeded.

Substances to avoid:

strong acids

Hazardous reactions:

The product is chemically stable.

Decomposition products:

No hazardous decomposition products if stored and handled as prescribed/indicated.. Prolonged thermal loading can result in products of degradation being given off.

Thermal decomposition:

Possible thermal decomposition products:

carbon monoxide, carbon dioxide

Stable at ambient temperature. If product is heated above decomposition temperature toxic vapours may be released. To avoid thermal decomposition, do not overheat.

Corrosion to metals:

Corrosive effects to metal are not anticipated.

Oxidizing properties:

not fire-propagating

13. Disposal considerations

Waste disposal of substance:

Pesticide wastes are regulated. If pesticide wastes cannot be disposed of according to label instructions, contact the State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container disposal:

Rinse thoroughly at least three times (triple rinse) in accordance with EPA recommendations. Consult state or local disposal authorities for approved alternative procedures such as container recycling. Recommend crushing, puncturing or other means to prevent unauthorized use of used containers.

MATERIAL SAFETY DATA SHEET

NIBAN® GRANULAR BAIT

Health Emergencies: CHEMTREC® (800) 424-9300

SECTION 1 - PRODUCT AND COMPANY IDENTIFICATION

Manufacturer: Nisus Corporation
100 Nisus Drive
Rockford, TN 37853
(800) 264-0870 FAX: (865) 577-5825

Product Trade Name: NIBAN® GRANULAR BAIT
Product Class: Pesticide Bait
EPA Reg. No.: 64405-2
Active Ingredient: Boric Acid (5%)
CAS No.: 10043-35-3
Health Emergencies: CHEMTREC® 800-424-9300

SECTION 2 - INGREDIENTS INFORMATION

This product contains 5% boric acid (other components are cellulose and food attractants) and is not classified as dangerous under the EC Directive 67-548/EEC and subsequent amendments.

SECTION 3 - HEALTH HAZARD INFORMATION

EYE CONTACT: Avoid dust contact with eyes. May cause physical eye irritation.
SKIN CONTACT: Not an irritant.
INGESTION: This material may be harmful if large quantities are swallowed.
INHALATION: Breathing dust may cause irritation of nose and throat.

SECTION 4 - EMERGENCY AND FIRST AID PROCEDURES

EYE CONTACT: Flush eyes for at least 15 minutes with clean water. Seek medical attention if irritation persists.
SKIN CONTACT: Wash with soap and water.
INGESTION: A small amount of Niban (up to ½ pound) will not cause harm. If large amounts are ingested, induce vomiting and seek medical attention.
INHALATION: Remove victim to fresh air. Contact a physician if warranted.

SECTION 5 - FIRE & EXPLOSION DATA

FLASH POINT: >451°F
EXTINGUISHING MEDIA: CO₂ dry powder, universal type foam or water.
FIRE AND EXPLOSION HAZARDS: None (Organic dusts mixed with air can be explosive)
FIRE FIGHTING PROCEDURES: Burning product produces smoke, carbon dioxide and carbon monoxide. Self-contained breathing apparatus should be used as with wood or other cellulose.

SECTION 6 - ACCIDENTAL RELEASE MEASURES

IN CASE OF SPILL OR LEAK: Dispose of large quantities in approved landfill. Small quantities can be placed in trash.

SECTION 7 - HANDLING AND STORAGE

Store in dry place.
RESPIRATORY PROTECTION: (Not normally needed) Dust mask, if dusting or moving large quantities and producing dust.
VENTILATION: Exhaust to ventilate. If used in confined areas, use dust mask.
PROTECTIVE CLOTHING: None.
EYE PROTECTION: Use dust goggles.
OTHER PROTECTIVE EQUIPMENT: None.

SECTION 8 - EXPOSURE CONTROLS AND PERSONAL PROTECTION

Hazard Rating: NFPA
Health: 0
Fire: 0
Reactivity: 0

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Brown, Granular Particles
Specific Gravity: 0.62
Solubility in water: N/A
Volatile by weight: Some slight loss of water is possible once opened.
Odor: None
pH: N/A

SECTION 10 - STABILITY AND REACTIVITY

STABILITY: Stable
CONDITIONS TO AVOID: Do not dust in air or oxygen with an ignition source. Do not mix with oxidizing agent.
HAZARDOUS POLYMERIZATION: None
HAZARDOUS DECOMPOSITION PRODUCTS: On burning - carbon dioxide and carbon monoxide.

SECTION 11 - TOXICOLOGY

Acute Oral LD₅₀ - Greater than 5000 mg/kg (estimated 60,000 mg/kg)
Acute Dermal LD₅₀ - Greater than 2000 mg/kg (estimated >40,000 mg/kg)
Dermal Irritation - Not a primary irritant
Dermal Sensitivity - Not a sensitizer.
Borates have been shown to have some chronic toxicity in animals fed high doses, similar to that of alcohol, but this has not been found in humans.

SECTION 12 - ECOLOGICAL INFORMATION

Breaks down naturally in the environment to provide organic matter and boron micro nutrients.

ECOTOXICITY DATA

General: Boron occurs naturally in sea water at an average concentration of 5 mg B/l and fresh water at 1 mg B/l or less. In dilute aqueous solutions the predominant boron species present is undissociated boric acid.

Algal toxicity:

Green algae, *Scenedesmus subspicatus*
96-hr EC₁₀ = 24 mg B/l

Invertebrate toxicity:

Daphnids, *Daphnia magna* Straus
48-hr LC₅₀ = 530 mg B/l
21-day NORC_LOEC = 6-13 mg B/l

Fish Toxicity:

Sea water:
Dab, *Limanda limanda*
96-hr LC₅₀ = 74 mg B/l

Fresh water:

Rainbow trout, *Salmo gairdneri* (embryo-larval stage)
24-day LC₅₀ = 88 mg B/l
32-day LC₅₀ = 54 mg B/l

Goldfish, *Carassius auratus* (embryo-larval stage)
7-day LC₅₀ = 65 mg B/l
3-day LC₅₀ = 71 mg B/l

ENVIRONMENTAL FATE DATA

Persistence/Degradation: Boron is naturally occurring and ubiquitous in the environment. Niban decomposes in the environment to natural borate.

SECTION 13 – DISPOSAL CONSIDERATION

DISPOSAL METHOD: Dispose large quantities in landfill in accordance with federal, state and local regulations. Small quantities can be used as bait around homes or placed in household trash.

SECTION 14 – TRANSPORT INFORMATION

INTERNATIONAL TRANSPORTATION: *Niban Granular Bait* has no UN Number, and is not regulated under international rail, road, water or air transport regulations.

SECTION 15 – REGULATORY INFORMATION

Chemical Inventory Listing: Boric acid appears on several chemical inventory list under the U.S. EPA TSCA Inventory CAS No. 10043-35-03.

General: Ensure all national/local regulations for the safe handling of pesticides are observed.

During a fire, irritating and possibly toxic gases may be generated by thermal decomposition or combustion.

In Case of Fire

Use dry chemical, foam or CO₂ extinguishing media. Wear full protective clothing and self-contained breathing apparatus. Evacuate nonessential personnel from the area to prevent human exposure to fire, smoke, fumes or products of combustion. Prevent use of contaminated buildings, area, and equipment until decontaminated. Water runoff can cause environmental damage. If water is used to fight fire, dike and collect runoff.

6. ACCIDENTAL RELEASE MEASURES

In Case of Spill or Leak

Control the spill at its source. Contain the spill to prevent from spreading or contaminating soil or from entering sewage and drainage systems or any body of water. Clean up spills immediately, observing precautions outlined in Section 8. Sweep up material and place in a compatible disposal container. Scrub area with hard water detergent (e.g. commercial products such as Tide, Joy, Spic and Span). Pick up wash liquid with additional absorbent and place into compatible disposal container. Once all material is cleaned up and placed in a disposal container, seal container and arrange for disposition.

7. HANDLING AND STORAGE

Store the material in a well-ventilated, secure area out of reach of children and domestic animals. Do not store food, beverages or tobacco products in the storage area. Prevent eating, drinking, tobacco use, and cosmetic application in areas where there is a potential for exposure to the material. Wash thoroughly with soap and water after handling.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

THE FOLLOWING RECOMMENDATIONS FOR EXPOSURE CONTROLS/PERSONAL PROTECTION ARE INTENDED FOR THE MANUFACTURE, FORMULATION AND PACKAGING OF THIS PRODUCT.

FOR COMMERCIAL APPLICATIONS AND/OR ON-FARM APPLICATIONS CONSULT THE PRODUCT LABEL.

- Ingestion: Prevent eating, drinking, tobacco usage and cosmetic application in areas where there is a potential for exposure to the material. Wash thoroughly with soap and water after handling.
- Eye Contact: Where eye contact is likely, use dust-proof chemical goggles.
- Skin Contact: Where contact is likely, wear chemical-resistant gloves (such as barrier laminate, butyl rubber, nitrile rubber,

neoprene rubber, natural rubber, polyvinyl chloride [PVC] or Viton), coveralls, socks and chemical-resistant footwear.

Inhalation: A respirator is not normally required when handling this substance.

In case of emergency spills, use a NIOSH approved respirator with any N, R, P or HE filter.

INSURANCE REQUIREMENTS

APPENDIX "F"

MIAMIBEACH

Insurance Requirements

PEST CONTROL SERVICES
2017-095-AK

PROCUREMENT DEPARTMENT
1755 Meridian Avenue, 3rd Floor
Miami Beach, Florida 33139

TYPE 2 - INSURANCE REQUIREMENTS

- A. Worker's Compensation Insurance as required by Florida, with Statutory limits and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.
- B. Commercial General Liability Insurance on an occurrence basis, including products and completed operations, contractual liability, property damage, bodily injury and personal & advertising injury with limits no less than \$1,000,000 per occurrence, and \$2,000,000 general aggregate
- C. Automobile Liability Insurance covering all owned, non-owned and hired vehicles used in connection with the work, in an amount not less than \$1,000,000 combined single limit per occurrence, for bodily injury and property damage.
- D. Umbrella Liability with limits no less than \$5,000,000. The umbrella coverage must be as broad as the primary General Liability coverage.

Additional Insured Status

The City of Miami Beach must be covered as an additional insured with respect to liability arising out of work or operations performed by or on behalf of the Contractor.

Waiver of Subrogation

Contractor hereby grants to City of Miami Beach a waiver of any right to subrogation which any insurer of the Contractor may acquire against the City of Miami Beach by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City of Miami Beach has received a waiver of subrogation endorsement from the insurer.

Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the City of Miami Beach Risk Management Office.

Verification of Coverage

Contractor shall provide the required insurance certificates, endorsements or applicable policy language effecting coverage required by this Section. All certificates of insurance and endorsements are to be received prior to any work commencing. However, failure to obtain the required coverage prior to the work beginning shall not waive the Contractor's obligation to provide them. The City of Miami Beach reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Special Risks or Circumstances

The City of Miami Beach reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Certificate Holder

CITY OF MIAMI BEACH
c/o PROCUREMENT DEPARTMENT
1755 Meridian Avenue, 3rd Floor
MIAMI BEACH, FL 33139

Compliance with the foregoing requirements shall not relieve the vendor of his liability and obligation under this section or under any other section of this agreement.

The City of Miami Beach is self-insured. Any and all claim payments made from self-insurance are subject to the limits and provisions of Florida Statute 768.28, the Florida Constitution, and any other applicable Statutes.
