RE: Letter of Interest Miami Beach – Vacant Commission Seat

Dear Miami Beach Mayor Gelber and Commission,

I am writing a letter of interest in regards to the Miami Beach Commission Seat position at City of Miami Beach. I was made aware of this position through several emails from Rafael E. Granado, Esq., City Clerk. To be honest, I believe it's time to have a scientist and physician join the Miami Beach city governing body to provide a different viewpoint to help guide the citizens of the city of Miami Beach. With my diverse experience as a physician and my extensive educational background, especially in health care management, and strong leadership skills, I will deliver confidence, passion and knowledge to empower the City of Miami Beach and its citizens improved accountability, transparency and governance.

Currently, I own and operate a medical clinic that has been part of Miami Beach now for over 12 years. I live and work almost immediately next door to Miami Beach City Hall. I've been involved in a number of political issues including most recently the 2016 Zika emergency crisis in which I was very outspoken regarding the use of the organophosphate, Nalad in our community. In fact, I'm very passionate about healthcare and how it affects our community as a whole, as well as each individual citizen. While working in New Zealand I believe there are many things that we can do to improve our lifestyle and healthcare along with overall community standards by adopting a variety of public health offerings to educate the citizens of Miami Beach.

Previously, I was appointed to one of the committees by Jonah Wolfson, JD regarding healthcare facilities in Miami Beach. From this experience, I also became increasingly aware of my individual strengths such as being able to motivate government leaders to see the value of communicating with the community regarding healthcare matters.

Please consider my resume and completed application as a sincere intent of interest. I would greatly appreciate the opportunity to meet with you and further discuss the available position. Thank you for your consideration, and I look forward to speaking with you in the near future.

Sincerely,

Michael J Hall, MD, MSC, DABFM
