DESIGN TOOL BOX: TRAFFIC CALMING ALONG NORTH BAY ROAD

- Along North Bay Road, between 63rd Street and Sunset Drive / Alton Road on the south, locate ‘chicanes’ at midblock locations.
- Locate new street trees and bio-swale retention areas at every east / west street entry (cross streets) between Alton Road and North Bay Road, as appropriate.
- Along North Bay Road, locate traffic circles at intersection with W 63rd, W 56th, W 29th and W 23rd Street.

NOTE: Add sharrow bicycle symbol marking on North Bay Road, both directions and on east / west cross streets.

- **JULIA TUTTLE SHARED USE PATH:** Opportunity for extending Scenic Bike Path as part of Mt. Sinai ‘Baywalk’ project. Further study required.
