SECTION 0400 **PROPOSAL EVALUATION**

1. Audit Committee. Per Section 218.391, Florida Statute the Auditor selection procedures are to be followed as detailed below:

(1) Each local governmental entity, district school board, charter school, or charter technical career center, prior to entering into a written contract pursuant to subsection (7), except as provided in subsection (8), shall use auditor selection procedures when selecting an auditor to conduct the annual financial audit required in s. 218.39.

(2) The governing body of a charter county, municipality, special district, district school board, charter school, or charter technical career center shall establish an audit committee. Each non charter county shall establish an audit committee that, at a minimum, shall consist of each of the county officers elected pursuant to s. 1(d), Art. VIII of the State Constitution, or a designee, and one member of the board of county commissioners or its designee. The primary purpose of the audit committee is to assist the governing body in selecting an auditor to conduct the annual financial audit required in s. 218.39; however, the audit committee may serve other audit oversight purposes as determined by the entity's governing body. The public shall not be excluded from the proceedings under this section.

(3) The audit committee shall:

(a) Establish factors to use for the evaluation of audit services to be provided by a certified public accounting firm duly licensed under chapter 473 and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy. Such factors shall include, but are not limited to, ability of personnel, experience, ability to furnish the required services, and such other factors as may be determined by the committee to be applicable to its particular requirements.

(b) Publicly announce requests for proposals. Public announcements must include, at a minimum, a brief description of the audit and indicate how interested firms can apply for consideration.

(c) Provide interested firms with a request for proposal. The request for proposal shall include information on how proposals are to be evaluated and such other information the committee determines is necessary for the firm to prepare a proposal.

(d) Evaluate proposals provided by qualified firms. If compensation is one of the factors established pursuant to paragraph (a), it shall not be the sole or predominant factor used to evaluate proposals.

(e) Rank and recommend in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the factors established pursuant to paragraph (a). If fewer than three firms respond to the request for proposal, the committee shall recommend such firms as it deems to be the most highly qualified.

(4) The governing body shall inquire of qualified firms as to the basis of compensation, select one of the firms

recommended by the audit committee, and negotiate a contract, using one of the following methods:

(a) If compensation is not one of the factors established pursuant to paragraph (3)(a) and

not used to evaluate firms pursuant to paragraph (3)(e), the governing body shall negotiate a contract with the firm ranked first. If the governing body is unable to negotiate a satisfactory contract with that firm, negotiations with that firm shall be formally terminated, and the governing body shall then undertake negotiations with the second-ranked firm. Failing accord with the second-ranked firm, negotiations shall then be terminated with that firm and undertaken with the third-ranked firm. Negotiations with the other ranked firms shall be undertaken in the same manner. The governing body, in negotiating with firms, may reopen formal negotiations with any one of the three top ranked firms, but it may not negotiate with more than one firm at a time.

(b) If compensation is one of the factors established pursuant to paragraph (3)(a) and used in the evaluation of proposals pursuant to paragraph (3)(d), the governing body shall select the highest ranked qualified firm or must document in its public records the reason for not selecting the highest-ranked qualified firm.

(c) The governing body may select a firm recommended by the audit committee and negotiate a contract with one of the recommended firms using an appropriate alternative negotiation method for which compensation is not the sole or predominant factor used to select the firm.

(d) In negotiations with firms under this section, the governing body may allow a designee to conduct negotiations on its behalf.

(5) The method used by the governing body to select a firm recommended by the audit committee and negotiate a contract with such firm must ensure that the agreed-upon compensation is reasonable to satisfy the requirements of s. 218.39 and the needs of the governing body.

(6) If the governing body is unable to negotiate a satisfactory contract with any of the recommended firms, the committee shall recommend additional firms, and negotiations shall continue in accordance with this section until an agreement is reached.

(7) Every procurement of audit services shall be evidenced by a written contract embodying all provisions and conditions of the procurement of such services.
