Staff Report & Recommendation

PLANNING BOARD

TO: Chairperson and Members
Planning Board

DATE: March 26, 2019

FROM: Thomas R. Mooney, AICP
Planning Director

SUBJECT: **File No. 2119. 427 Collins Ave. Parking Lot - Progress Report**

BACKGROUND

April 28, 2015

M&M Parking South Beach, LLC, requested Conditional Use approval, pursuant to Section 130-69.5 of the City Code to operate the existing surface lot after midnight. The applicant was granted a Conditional Use Permit (CUP) for the limited use of the parking lot after midnight with operational conditions.

December 27, 2018

The Planning Department sent a cure letter to the applicant, M&M Parking South Beach, LLC, and the owner of the lot, Ocean Washington Associates LTD, in response to outstanding code violations related to the conditions of the CUP. The cure letter advised the applicant that a progress report was scheduled for the January 22, 2019 meeting.

January 22, 2019

The applicant appeared before the Board and explained that the gate timer had been malfunctioning and that it was in the process of be repaired or replaced. The Board continued the progress report to the February 26, 2019 meeting, so that there could be enough time to allow for the gate repairs to be completed.

February 26, 2019

The applicant requested a continuance to the March 26, 2019 Board meeting.

UPDATE

The applicant has communicated to staff that the gates have been repaired. Also, the code officer who issued the original violation has observed that the gates have been closed after midnight.

PROGRESS REPORT

Since the January 22, 2019 board hearing, staff research of city records found that the following violations are showing in the city's records as of this writing:

1. Case No. **ZV2018-02304** 11/28/2018 Failure to operate your business in accordance with your conditional use permit. *2nd offense (recurring violation.)*
2. Case No. **ZV2018-02293** 11/17/2018 Failure to operate your business in accordance with your conditional use permit. *1st offense. (Appealed to Special Master, adjudicated as a violation without fees.)*

Both of these violations are related to the gates at the front and rear of the property being open after midnight.

STAFF ANALYSIS

The subject surface parking lot is situated between two low-rise residential buildings. The Planning Board approved the CUP for the limited use of the lot after midnight after much discussion with the neighbors. The operator agreed to not use the lot for valet storage, and to implement a program for residents and their guests to access the lot with a prepaid pass program and electronic entry and exit for those individuals after midnight.

If either of the front or back gates are not functioning and being left open between 12:00 AM and 7:00 AM, the parking lot would not be in compliance with the requirements of the CUP.

Below are the conditions of the CUP that are related to the warnings, violations and open offenses:

1. The Planning Board shall maintain jurisdiction on this Conditional Use Permit. If deemed necessary, at the request of the Planning Director or a Board member, the applicant shall present a progress report to the Board at a future date. The Board reserves the right to modify the Conditional Use approval at the time of the Progress Report in a non-substantive manner, to impose additional conditions to address possible problems, and to determine the timing and need for future progress reports. This Conditional Use Permit is also subject to modification or revocation under City Code Sec. 118-194 (c).
5. The operation of the subject parking lot shall comply with the following:
 - a. The parking lot access gates shall be closed every day from 12:00 midnight until 7:00 am.
 1. Only remote clicker access, for pre-approved users, shall be permitted from 12:00 midnight until 7:00 am, 7 days a week.
11. The establishment and operation of this Conditional Use shall comply with all the aforementioned conditions of approval; non-compliance shall constitute a violation of the Code of the City of Miami Beach, Florida, and shall be subject to enforcement procedures set forth in Section 114-8 of said Code and such enforcement procedures as are otherwise available. Any failure by the applicant to comply with the conditions of this Order shall also constitute a basis for consideration by the Planning Board for a revocation of this Conditional Use permit.

STAFF RECOMMENDATION

Staff recommends that the Planning Board suspend further progress reports until such time as any new violations are issued since it appears corrective measures have been implemented.
