

New Business and Commission Requests - R9 H

MIAMI BEACH

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Commissioner Ricky Arriola
DATE: May 8, 2019

SUBJECT: DISCUSSION REGARDING ILLEGAL DUMPING ON PRIVATE PROPERTY AND RELATED CITY FINES.

ANALYSIS

Several property owners and condo associations have raised concerns about unknown individuals illegally dumping waste onto their properties. Owners and property managers then face a predicament; either pay a waste hauler to pick up someone else's garbage or risk being issued a code violation with an associated fine. I would like us to discuss how we can address this public policy dilemma.
