

**HISTORIC PRESERVATION BOARD
City of Miami Beach, Florida**

MEETING DATE: July 12, 2016

FILE NO: 7498

PROPERTY: 925 Lenox Avenue

APPLICANT: 925 Lenox LLC

LEGAL: Lot 1, Block 94, Ocean Addition Number Three, According to the Plat Thereof, as Recorded in Plat Book 2, Page 81, of the Public Records of Miami-Dade County, Florida.

IN RE: The applicant is requesting a one (1) year extension of Time for a previously approved Certificate of Appropriateness for the total demolition of an accessory structure, the restoration of an existing 2-story building, and the construction of a new, detached 3-story ground level addition, including variances to waive the required width, curb cut width and setback for a two way driveway, to waive the required pedestal rear and side setback, and to waive the required pedestal sum of the side yards.

ORDER

The City of Miami Beach's Historic Preservation Board makes the following FINDING OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

The applicant stated, among other things, that there were delays encountered in the permitting process. The foregoing constitutes good cause for granting a one (1) year extension of time to the requirement that a Full Building Permit be obtained within eighteen (18) months of the original Certificate of Appropriateness.

IT IS HEREBY ORDERED, based upon the foregoing finding of fact and the staff report and analysis, which is adopted herein, including the recommendation, that a one (1) year extension of time to obtain a full building permit (which one year period shall run from the expiration date of the original approval, which is November 12, 2016) is GRANTED for the above-referenced project conditioned upon the following, to which the applicant has agreed:

1. A full building permit, not a foundation, shell permit or phased building permit, for the project shall be obtained by November 12, 2017.
2. Construction shall commence and continue in accordance with the applicable Building Code.
3. This extension of time shall run concurrent with any other extensions of time that may be provided to the property owner as a result of actions of non-City authorities with

jurisdiction over such matters.

4. The subject site and existing site shall be maintained in good, clean, and secure conditions at all times.
5. The Final Order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
6. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code.
7. Where one or more parcels are unified for a single development, the property owner shall execute and record an unity of title or a covenant in lieu of unity of title, as may be applicable, in a form acceptable to the City Attorney.

No building permit may be issued unless and until all conditions of approval that must be satisfied prior to permit issuance as set forth in this Order and the Order for the May 12, 2015, approval have been met. The issuance of a Certificate of Appropriateness does not relieve the applicant from obtaining all other required Municipal, County and/or State reviews and permits, including final zoning approval. If adequate handicapped access is not provided on the Board-approved plans, this approval does not mean that such handicapped access is not required.

When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Order and the Final Order for the May 12, 2015 meeting. If the Full Building Permit is not issued by November 12, 2017, the Certificate of Appropriateness will expire and become null and void. If the Full Building Permit should expire for any reason (including but not limited to construction not commencing and continuing, with required inspections, in accordance with the applicable Building Code), the Certificate of Appropriateness will expire and become null and void.
