

**Parking Requirements in Historic and Conservation Districts**

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING THE CODE OF THE CITY OF MIAMI BEACH, SUBPART B, ENTITLED "LAND DEVELOPMENT REGULATIONS," BY AMENDING CHAPTER 130 OF THE CITY CODE, ENTITLED "OFF-STREET PARKING REQUIRMENTS," ARTICLE II, ENTITLED "DISTRICTS; REQUIREMENTS," SECTION 130-31, ENTITLED "PARKING DISTRICTS ESTABLISHED," SECTION 130-32, ENTITLED "OFF-STREET PARKING REQUIREMENTS FOR PARKING DISTRICT NO. 1" AND SECTION 130-33, ENTITLED "OFF-STREET PARKING REQUIREMENTS FOR PARKING DISTRICTS NOS. 2, 3, 4, 5, 6, 7, AND 8," TO AMEND THE PARKING REQUIREMENTS FOR RESIDENTIAL, HOTEL, AND ACCESSORY USES LOCATED WITHIN HISTORIC DISTRICTS AND CONSERVATION DISTRICTS; AND PROVIDING FOR CODIFICATION, REPEALER, SEVERABILITY, AND AN EFFECTIVE DATE.**

**WHEREAS**, Chapter 130 of the Land Development Regulations of the City Code contains various provisions related to off-street parking; and

**WHEREAS**, the City of Miami Beach (the "City") proposes to reduce requirements that mandate a minimum number of parking spaces for new residential units; and

**WHEREAS**, in locations with high-quality transit, the City seeks reduce or eliminate parking requirements in order to incentivize public transportation use; and

**WHEREAS**, the construction of excess parking spaces results in more massive buildings and severe limitations on the amount of pervious landscaped areas that can be provided on a site; and

**WHEREAS**, the regulations proposed herein would further facilitate new construction on small lots by reducing the parking requirements generally and, on the smallest of lots, eliminating parking requirements altogether; and

**WHEREAS**, these proposed regulations will promote the general health, safety, and welfare of the residents of the City.

**NOW THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA:**

**SECTION 1.** Chapter 130 of the City Code, entitled "Off-Street Parking," Article II, "Districts; Requirements," is hereby amended as follows:

**CHAPTER 130 – OFF-STREET PARKING**

\* \* \*

**ARTICLE II. - DISTRICTS; REQUIREMENTS**

\* \* \*

**Sec. 130-31. - Parking districts established.**

(a) For the purposes of establishing off-street parking requirements, the city shall be divided into the following parking districts:

\* \* \*

(b) There shall be no off-street parking requirement for main or accessory uses associated with buildings that existed prior to October 1, 1993, which are:

- (1) Located within the architectural district,
- (2) A contributing building within a local historic district, or
- (3) Individually designated historic building.

This provision shall not apply to renovations and new additions to existing buildings which create or add floor area, or to new construction which has a parking requirement.

(c) The off-street parking requirements for the new construction of residential and hotel units when located within a local historic district, historic site or conservation district, with the exception of properties located within the Collins Waterfront Historic District, the Morris Lapidus / Mid 20<sup>th</sup> Century Historic District, and the North Beach Resort Historic District, shall be as follows:

(1) One space per residential unit and .5 space per hotel unit.

(2) There shall be no parking requirement for the following:

a. Lots 100 feet or less in width.

b. Development sites of 6 units (hotel or residential) or less.

c. New buildings on development sites with existing buildings that do not contain off-street parking, where total number of new units does not exceed the number of existing units.

d. Properties located within 1500 feet of a public transit stop, or within 1,500 feet of any public or private parking garage.

(3) Additions to existing buildings: For existing buildings, which are classified as "contributing" and of which at least 75 percent of the front and street side elevations, and 25 percent of interior side elevations, are substantially retained, preserved and restored, there shall be no parking requirement for the existing structure, and any new residential or hotel units, whether attached or detached, regardless of lot width or number of units. Any proposed addition to the existing structure shall be subject to the certificate of appropriateness or design review criteria in chapter 118, as applicable, and shall include a renovation plan for the existing structure that is fully consistent with the Secretary of the Interior Guidelines and Standards for the Rehabilitation of Historic Buildings.

(4) Exemptions. In the event that the property owner can substantiate that the proposed new construction of residential or hotel units that off-street parking is not necessary to support the development, the design review board or historic preservation board, as applicable, may waive the parking requirements for residential and hotel units within a local historic district or conservation district, in accordance with the Design Review Criteria or Certificate of Appropriateness Criteria, as applicable.

(5) Minimum bicycle parking requirements. Secure off-site storage for bicycles shall be required as follows:

a. Short-term bicycle parking: Four per building or one per ten units, whichever is greater.

b. Long-term bicycle parking: One per unit.

(d) The off-street parking requirements for non-residential and non-hotel uses, including allowable accessory uses, when located within a local historic district, historic site or conservation district, with the

exception of properties located within the Collins Waterfront Historic District, the Morris Lapidus / Mid 20<sup>th</sup> Century Historic District, and the North Beach Resort Historic District, shall be as follows:

(1) The minimum parking requirements for the new construction of non-residential and non-hotel uses, including allowable accessory uses, shall be as specified in the parking district for the underlying property.

(2) There shall be no parking requirement for the following:

a. Existing buildings.

b. Lots 100 feet or less in width.

c. Development sites containing less than 5,000 square feet of new floor area.

d. New buildings on development sites with existing buildings that do not contain off-street parking, where the total square footage does not exceed the square footage of the existing building.

e. Properties located within 1500 feet of a public transit stop, or within 1,500 feet of any public or private parking garage.

(3) Additions to existing buildings: For existing buildings, which are classified as "contributing" and of which at least 75 percent of the front and street side elevations, and 25 percent of interior side elevations, are substantially retained, preserved and restored, there shall be no parking requirement for the existing structure, and new construction of non-residential and non-hotel uses, including allowable accessory uses, regardless of overall square footage. Any proposed addition to the existing structure shall be subject to the certificate of appropriateness or design review criteria in chapter 118, as applicable, and shall include a renovation plan for the existing structure that is fully consistent with the Secretary of the Interior Guidelines and Standards for the Rehabilitation of Historic Buildings.

(4) Exemptions. In the event that the property owner can substantiate that the proposed new construction of non-residential and non-hotel uses, including allowable accessory uses, regardless of overall square footage, that off-street parking is not necessary to support the development, the design review board or historic preservation board, as applicable, may waive the parking requirements for residential and hotel units within a local historic district or conservation district, in accordance with the Design Review Criteria or Certificate of Appropriateness Criteria, as applicable.

(5) Minimum bicycle parking requirements. Secure off-site storage for bicycles shall be required as follows:

a. Short-term bicycle parking: Four per building or one per ten units, whichever is greater.

b. Long-term bicycle parking: One per unit.

(e) Any building or structure erected in within a local historic district or conservation district may provide required parking on site as specified in parking district no. 1. Such required parking, if provided, shall be exempt from the definition of "floor area," in accordance with the regulations specified in chapter 114 of these land development regulations.

\* \* \*

**Sec. 130-32. - Off-street parking requirements for parking district no. 1.**

Except as otherwise provided in these land development regulations, when any building or structure is erected or altered in parking district no. 1, accessory off-street parking spaces shall be provided for the building, structure or additional floor area as follows:

\* \* \*

(6) Apartment building and apartment-hotel:

- a. Apartment buildings in RM-1 or RM-2 zoning districts on lots that are 65 feet in width or less: There shall be no parking requirement, provided secure storage for alternative transportation such as scooters, bicycles, and motorcycles, is provided.
