

1920 Meridian Ave, Miami Beach, FL33139

May 11, 2020

Dear Mayor and Commissioners,

We are writing this letter of support for the proposed rooftop movie theater at 1212 Lincoln Road and the outdoor theater ordinance. We understand that this will be discussed at your Commission meeting on May 13th and we want to express the strong support of the Miami Beach Chamber of Commerce. Please understand that this unique project is proposed to have limited operating hours and that due to the unique sound system that will be utilized by the patrons, absolutely no noise will be heard by anyone not on the rooftop wearing one of the headsets.

At the time and place that we are all in today, dealing with Covid-19 and soon to be dealing with the recovery efforts of businesses from it, we should embrace any new business that will provide our residents and visitors the opportunity to take advantage of the beautiful outdoor spaces that we have while enjoying entertainment with appropriate social distancing.

Although some apartments from the buildings may be able to view the screen from West Avenue, they will not be able to hear the sound and it therefore should not present any reasonable objection. The Miami Beach Chamber of Commerce hopes that you will support this innovative new business and join us in welcoming them to our city.

Sincerely,

Jerry Libbin
