

***CITY OF MIAMI BEACH  
COVID-19 RESTAURANT EXPANSION &  
OUTDOOR SOCIAL DISTANCING  
PILOT PROGRAM (Part 2)***

May 19, 2020

# Project Purpose & Plan Description

As Miami-Dade County reopens its restaurants at 50% capacity, the City of Miami Beach has developed a plan to incentivize business in the City while promoting compliance with social distancing guidelines. The following roads are being proposed in Part 2 of this initiative:

- **1<sup>st</sup> Street Eastbound from Jefferson Avenue to Washington Avenue** – *Closure of eastbound traffic to allow restaurant to expand into parking lanes and travel lanes. Traffic will be detoured through Commerce Street. Sidewalks will remain open to all pedestrians.*
- **South Pointe Drive from Washington Avenue to Beachwalk** – *Closure of some sections of the south sidewalk and parking lanes. Pedestrians not accessing the restaurants will need to detour to the sidewalk on the north side of the street.*
- **72<sup>nd</sup> Street from Abbott Avenue and Harding Avenue** – *Closure of some sections of the south sidewalk and parking. Pedestrians not accessing the restaurants will need to detour to the sidewalk on the north side of the street.*
