

ARCHITECTURE INTERIOR DESIGN PLANNING

- Staff will not be supportive of the proposed color scheme for the signage program. Staff will be recommending a consistent signage program for the entire building.
  - **Understood.**
- Indicate length of the building on both street sides
  - **Length of building shown on sheets A2.04, A3.00, A3.01, A3.02.**
- Correct area of projecting sign. The sign area is 8.12 SF based on the dimensions provided. Page B69448C indicates 10 SF.
  - **See sheet B69448C Size has been corrected.**
- In addition, the following shall be provided to the Department no later than August 12 final submittal deadline.
  - One (1) original set of architectural plans dated, signed and sealed.
    - **Provided**
  - 14 sets including copies of plans, letter of intent, and application form.
    - **Provided**
  - A cd/dvd containing a digital version of the documents and plans submitted. The CD must be in the proper format specified by the Planning Department.
    - **Provided**
