WHEREAS, the City of Miami Beach ("City") has permitted the establishment and operation of sidewalk cafés, on the City's governmental property, in order to provide a unique environment for its residents and visitors, which allows these individuals to relax and enjoy the consumption of food and/or beverage(s) amongst the City's tropical and vibrant scenery; and

WHEREAS, in order to ensure that sidewalk cafés in the City are operated and maintained at the highest levels of quality and service, befitting an internationally renowned, world class resort destination like the City of Miami Beach, the permitting, operation, and maintenance of sidewalk cafes on public property are governed by the City's Sidewalk Café Ordinance, which is codified in Sections 82-366 through 82-389 of the City Code; and

WHEREAS, a sidewalk café permit is a privilege and not a right, and the approval, issuance and continued operation of a permitted sidewalk café is conditional at all times; and

WHEREAS, those business establishments granted the privilege to operate a sidewalk café on the City's property are subject to certain identifiable standards, criteria, requirements, and conditions; and

WHEREAS, the City Commission has found that the highest possible standards, criteria, and conditions pertaining to the operation of sidewalk cafés are critical, not only toward maintaining excellent levels of quality and service, but (among other things) to: (i) preserve the aesthetic character of the City's rights-of-way by helping to diminish the proliferation of unsightly food displays, street furniture, signage and other visual and physical clutter; (ii) reduce potential nuisances including, without limitation, excessively loud music, hawking from sidewalk café operators and their employees to passing pedestrians, and overcrowding of the right-of-way; and (iii) aid in the prevention of deceptive, misleading, or bait and switch tactics by sidewalk café operators; and

WHEREAS, as part of its periodic, continuous review of the Sidewalk Café Ordinance, the City Administration has determined that certain modifications to those penalty provisions, as delineated in Sections 82-371 and 82-382 of the City Code, are necessary due to the continued complaints pertaining to the business practices and conduct of sidewalk café operators, in conjunction with the number of violations issued to such operators by the City for behavior

inconsistent with the City Code; and

WHEREAS, it is deemed to be in the best interest of the City that violations of Division 5, entitled "Sidewalk Cafés," of the City Code be enforced in accordance with those augmented penalty provisions set forth herein, in order to maintain consistently high operational standards among sidewalk cafés in the City; and

WHEREAS, the City Administration recommends that these amendments, as set forth below, are necessary to accomplish the objectives identified above; and

WHEREAS, the Mayor and City Commission desire to adopt the amendments herein to the City's Sidewalk Café Ordinance, to further protect the public health, safety and welfare, and continue to enhance the experience of sidewalk café patrons throughout the City.
