ADMINISTRATION RECOMMENDATION

The Administration recommends that the Mayor and City Commission, acting in its capacity as the governing body of the Allison Island Security Guard Special Taxing District, adopt the attached Resolution which authorizes the City Manager to certify and transmit the following information, in accordance with Section 197.3632 of the Florida Statutes, to the Miami-Dade County Property Appraiser:

- 1) Non-Ad Valorem Assessment Roll of \$4,595.74, per Residential Unit, for real property located within the Allison Island Security Guard Special Taxing District commencing Fiscal Year 2022.

BACKGROUND

In 1989, the City's Mayor and City Commission and the Miami-Dade County Board of County Commissioners approved the creation of a Special Taxing District pursuant to City Resolution No. 89-19604 and County Ordinance No. 89-125 to provide 24-hour security guard service to Allison Island.

Pursuant to a Miami-Dade County Charter Amendment approved by the electorate on November 8, 2016, County Ordinance No. 16-14 was given effect which created a new Section 18-3.1 in the Miami-Dade County Code. This new County Code section provides, in part, that by joint resolutions of the Board of County Commissioners and the governing body of a municipality, the governing body of a municipality may be designated as the governing body of an existing Special Taxing District located entirely within the boundaries of such municipality, subject to a majority vote of the qualified electors residing in the Special Taxing District at an election called by and conducted as provided by the Board of County Commissioners and with

the County Tax Collector and Property Appraiser would be needed to effectuate a transfer of control.

At the October 17, 2018 City Commission meeting, the Mayor and City Commission adopted Resolution No. 2018-30575 requesting the County to transfer control of the Special Taxing District from the Board of County Commissioners to the Mayor and City Commission of the City of Miami Beach, and to designate the Mayor and City Commission as the governing body of the Special Taxing District, subject to County approval and a majority vote of the qualified electors residing in the Special Taxing District. Subsequently, on March 13, 2019, the City Commission approved the execution of an interlocal agreement to transfer control of the Special Taxing District from the County to the City in Resolution No. 2019-30750.

On June 4, 2019, the Miami-Dade County Board of County Commissioners passed and adopted Resolution No. R-590-19, which approved the interlocal agreement and the transfer of control of the Special Taxing District, subject to the City passing a Resolution ratifying and accepting the County's approval of the execution of an interlocal agreement.

In addition, on June 4, 2019, the County passed and adopted Resolution R-591-19, which called a special election for the Special Taxing District, and provided that the special election shall be held within the boundaries of the Special Taxing District, and set forth the ballot question to be presented for approval or disapproval by a mailed ballot and the noticing requirements and registration deadline, and provided that the special election shall be held on December 17, 2019 and that all marked ballots must be received by 7:00 p.m. on that day.

On December 17, 2019, the voters approved the transfer of control of the Special Taxing District to the City. As a result of this vote, and pursuant to the terms of the Transfer Agreement between the County and the City, the City became the governing body of the Special Taxing District twelve days after the favorable election pursuant to Section 102.168 of the Florida Statutes, as no contest of the election was filed.

On January 15, 2020, the City Commission passed and adopted Resolution No. 2020-31145 which ratified and accepted County Resolution No. R-590-19, approving the transfer of control of the Special Taxing District and the interlocal agreement. City Resolution No. 2020-31145 also ratified and accepted County Resolution No. R-591-19, which called for a special election in the Special Taxing District to seek approval or disapproval of a Resolution designating the City as the governing body of the Special Taxing District pursuant to Section 18-3.1 of the Code of Miami-Dade County. FY 2022 represents the second year of the City acting as the governing body of the Allison Island Security Guard Special Taxing District.

The City of Miami Beach intends to use the uniform method for collecting Non-Ad Valorem assessments for the provision of continued operation and maintenance of the Special Taxing District, including but not limited to, the making of infrastructure and security improvements as authorized by Section 197.3632, Florida Statutes, because this method will allow such special assessments to be collected annually, commencing for the fiscal year beginning October 1, 2020, in the same manner as provided for ad valorem taxes.

PROCEDURE

The Non-Ad Valorem assessment roll and operating budget for the Allison Island Security Guard Special Taxing District must be adopted in accordance with Florida Statutes.

The procedure by which Non-Ad Valorem assessments, as districts, will be placed on the annual Notice of Proposed Property Taxes and Combined Property Tax Bill mailed to all property owners for FY 2022 is as follows:

1. By June 1st, the County Property Appraiser provides the governing body of the Special Taxing District(s) with the applicable parcels/units comprising the Special Taxing District
2. By July 12th, the governing body of the Special Taxing District(s) is required to provide the County Property Appraiser with the proposed parcels/units being assessed and the applicable rates
3. By August 24th, the annual Notice of Proposed Property Taxes (TRIM Notice) to inform applicable property owners of the proposed Non-Ad Valorem assessment, is mailed by the County Property Appraiser
4. By September 15th, the governing body of the Special Taxing District(s) is required to provide the County Property Appraiser with the final parcels/units being assessed and the applicable rates adopted by Resolution by the governing body of the District

Upon adoption of the Non-Ad Valorem assessment roll and operating budget, the Non-Ad Valorem assessment will be placed on the annual Combined Property Tax Bill to be collected by the County Property Tax Collector and subsequently remitted to the governing body of the Special Taxing District(s) for operation of the District.

BUDGET

The FY 2022 budget reflects fiscal increases and/or decreases necessary to provide security services for the upcoming fiscal year. The FY 2022 budget for the Allison Island Security Guard Special Taxing District is \$226,000, which represents a 2.3%, or \$5,000, increase from the FY 2021 budget of \$221,000 adopted by the City and is comprised of the following line-item expenditures:

Items Included in FY 2022 Expenditures	\$
Contracted Security Guard Services for District	184,000
Utilities (Water, Sewer, Storm Water, Electricity, Telephone)	4,400
Janitorial Services	1,200
Guardhouse Repairs and Maintenance	2,400
Guardhouse Security Cameras Project (funded by fund balance)	10,000
Contingencies (based on budgeted collection allowance)	2,800
OIG Internal Service Charges	1,000
Property Management Internal Service Charges	20,200
Total	\$ 226,000

In order to continue to provide the current level of security required by this Special Taxing District, the Administration recommends the proposed FY 2022 Non-Ad Valorem assessment of \$4,595.74, per Residential Unit, for real property located within the boundaries of the Allison Island Security Guard Special Taxing District commencing FY 2022, which will fund the FY 2022 budget for this Special Taxing District. This Non-Ad Valorem assessment is \$208.60, or 4.3%, less than the Non-Ad Valorem assessment adopted by the City for FY 2021 of \$4,804.35, per Residential Unit, and would generate proceeds of approximately \$216,000. The remainder of

the budget (\$10,000 for the camera project requested by the District) will be funded using the District's available fund balance.

Statutory Requirement

Section 197.3632 of the Florida Statutes, entitled "Uniform method for the levy, collection, and enforcement of Non-Ad Valorem assessments" establishes specific guidelines that must be used by all government entities, including local municipalities like the City of Miami Beach, in setting Non-Ad Valorem assessment rates.

Annually by June 1st, the County Property Appraiser is required to provide each local government, using the uniform method, with the following information by list or compatible electronic medium: the legal description of the property within the boundaries described in the Resolution, and the names and addresses of the owners of such property. Such information shall reference the property identification number and otherwise conform in format to that contained on the ad valorem roll provided. It is important to note that the Property Appraiser is not required to submit information which is not on the ad valorem roll or compatible electronic medium provided.

The Non-Ad Valorem assessment roll is required to be adopted at a duly noticed public hearing between January 1st and September 15th if one of the following criteria is met: (1) the Non-Ad Valorem assessment is levied for the first time; (2) the Non-Ad Valorem assessment is increased beyond the maximum rate authorized by law of judicial decree at the time of imposition; (3) the local government's boundaries have changed, unless all newly affected property owners have provided written consent for such assessment to the local governing board; or (4) there is a change in the purpose for such assessment or in the use of the revenue generated by such assessment.

By September 15th of each year, the Chair of the local governing board, or his or her designee, is required to certify a Non-Ad Valorem assessment roll on compatible medium to the tax collector containing the Non-Ad Valorem assessment for each parcel/unit on the roll.

CONCLUSION

The Mayor and City Commission, acting in its capacity as the governing body of the Allison Island Security Guard Special Taxing District, should adopt the attached Resolution which establishes the Non-Ad Valorem assessment roll of \$4,595.74, per Residential Unit, for annual assessments against real property located within the Allison Island Security Guard Special Taxing District reflected in Attachment A commencing FY 2022, and authorizes and designates the City Manager to certify the Non-Ad Valorem assessment roll on compatible electronic medium to the County Tax Collector.
