WHEREAS, throughout the City there are various alcoholic beverage establishments that are legally permitted to sell or serve alcoholic beverages until 5:00 a.m., and have directly promoted live musical events, entertainment or performances; and

WHEREAS, prior to the commencement of these promoted events, the City's police department works to validate the event and obtain specific information about the live musical event, entertainment or performance in order to take all necessary measures needed to mitigate potential issues or impacts such as traffic, crowd control, street closures during these intensive periods; and

WHEREAS, these types of promoted events are organized traditionally by third-party dance and entertainment promoter(s) throughout the City's alcoholic beverage establishments, which may create volatile and potentially dangerous behavior and situations that directly lead to criminal activity, disorderly conduct, undesirable noise, and/or various quality of life offenses; and

WHEREAS, consequently, these alcoholic establishments attract large crowds to the City, challenging the public safety and quality of life in the City's residential neighborhoods; placing an enormous strain upon the City's resources; and causing numerous law enforcement issues and

logistical challenges for the City; and

WHEREAS, these dance and entertainment events take place throughout a multitude of venues in the entertainment district and other areas of the City every night during these periods of time; and, again, the majority are the direct result of promoted events that attract a large number of individuals; and

WHEREAS, the City's Police Department must be able to contend with the influx of these additional persons for these promoted entertainment events, and is dedicated to the protection of the City and all its residents, visitors and businesses; and

WHEREAS, the Police Department has determined that the minimum 96 hour notification of any promoted entertainment event or concert at those alcoholic beverage establishments will ameliorate a portion of that behavior and conduct, exhibited by intoxicated individuals, which implicates and threatens the safety, security and welfare of the City's residents, visitors and businesses; and

WHEREAS, the Police Department believes that the continuation of the reckless, illegal, dangerous and criminal late-night behavior and conduct that is occurring in and around alcoholic beverage establishments that have promoted entertainment events or concerts requires the notification in order to address and minimize the impacts associated with the tremendous influx of people to these alcoholic beverage establishments; and

WHEREAS, the Mayor and City Commission desire to adopt the following amendments,
