

ORDINANCE NO. _____

AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING CHAPTER 46 OF THE CODE OF THE CITY OF MIAMI BEACH, FLORIDA, ENTITLED "ENVIRONMENT," BY AMENDING ARTICLE IV, ENTITLED "NOISE," BY AMENDING SECTION 46-158 THEREOF, ENTITLED "ENFORCEMENT BY CODE INSPECTORS; NOTICE OF VIOLATION; WARNINGS; RESPONSIBILITY TO PROVIDE CURRENT ADDRESS," BY ESTABLISHING AN ADDITIONAL EXCEPTION TO THE REQUIREMENT THAT A WRITTEN WARNING BE PROVIDED PRIOR TO THE ISSUANCE OF A NOTICE OF VIOLATION; AND BY AMENDING SECTION 46-159 THEREOF, ENTITLED "FINES AND PENALTIES FOR VIOLATION; APPEALS; ALTERNATE MEANS OF ENFORCEMENT," BY INCREASING THOSE CIVIL FINES TO BE IMPOSED FOR VIOLATIONS OF CHAPTER 46, ARTICLE IV; AND PROVIDING FOR REPEALER, SEVERABILITY, CODIFICATION, AND AN EFFECTIVE DATE.

WHEREAS, unreasonably loud and excessive noise can have an adverse effect and significant impact on the quality of life and well-being of the residents of the City of Miami Beach; and

WHEREAS, noise has been a topic of concern within the City for many years and has recently been the subject of discussion at various City Commission meetings and other public meetings; and

WHEREAS, residents continue to express to the Mayor and City Commission, as well as to the City Administration, their desire for protection from uninvited noise into their homes which disturbs family privacy and domestic tranquility; and

WHEREAS, enforcing the City's noise ordinance against excessive noise (amplified music) emanating from the sound systems of vehicles and vessels is particularly challenging due to the inherent mobility of vehicles and vessels; and

WHEREAS, the current requirement that a written warning (and fifteen minutes to comply) be provided prior to the issuance of a notice of violation renders the City's noise ordinance nearly unenforceable against vehicles and vessels, as vehicles and vessels often travel many miles away from the initial incident location prior to the requisite fifteen minutes having elapsed; and

WHEREAS, in addition, the civil fines set forth in the City's noise ordinance (which are applicable to persons, residences, and businesses) have not been amended since their initial adoption in 2006; and

WHEREAS, after discussion at the Neighborhood and Quality of Life Committee ("NQLC") meeting on July 21, 2021, the City Attorney's Office was asked to prepare a legislative solution to provide for a strengthened enforcement mechanism and fine structure, in order to address the unreasonably loud and excessive noise from vehicles; and

WHEREAS, at its September 20, 2021 meeting, the NQLC provided a further recommendation that vessels, in addition to vehicles, should also be exempted from the written warning requirement prior to the issuance of a notice of violation; and

WHEREAS, the City Administration and the Police Department have determined that the amendments herein are necessary to accomplish the objectives identified above.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AS FOLLOWS:

SECTION 1.

That the Sections of the City's Noise Ordinance, as such Ordinance is codified in Sections 46-158 and 46-159 of the City Code, be amended as follows and as hereinafter set forth below:

CHAPTER 46

ENVIRONMENT

ARTICLE IV. NOISE

* * *

Sec. 46-158. Enforcement by code inspectors; notice of violation; warnings; responsibility to provide current address.

(a) *Notice of violation.* If the code inspector observes a violation of this article, the inspector shall issue a notice of violation to each person and entity identified in section 46-153, and a courtesy copy of the violation shall be provided to an employee or other representative of the business tax receipt holder who is on the premises of the business tax receipt holder, except as otherwise provided in subsection (b). The code inspector shall inform the violators that they must immediately cease the violation. The notice shall include the following information:

- (1) Name of the violator.
- (2) Date and time of violation.
- (3) Nature of the violation.
- (4) Amount of fine or other penalty for which the violator may be liable pursuant to section 46-159 of this Code or as otherwise provided by law.
- (5) Instructions and due date for paying the fine.
- (6) Notice that the violation may be appealed by filing a written request for an administrative hearing with the clerk of the special master within ten days after service of the notice of violation, that failure to do so shall constitute an admission of the violation and waiver of the right to a hearing, and that unpaid fines will result in the imposition of liens which may be foreclosed by the city.

The notice shall also inform the violator that repeat violations of this article will result in the imposition of larger fines and may also result in revocation, suspension, or the imposition of restrictions on the business tax receipt, and/or certificate of use, or accessory use, and/or injunctive proceedings as provided by law. The notice shall be signed by the code inspector who witnessed the violation.

(b) *Warnings.*

- (1) *Oral warnings.* If a code inspector observes a violation of this article without a complaint having been made, the inspector may first issue one oral courtesy warning per day and inform the violator that the violator will be subject to penalties if the violation continues.

- (2) *Written warnings.* A code inspector shall first issue a written warning to immediately cease the violation prior to issuing a notice of violation unless one written warning has been issued in the 12 months preceding the date of violation.

The written warning shall be substantially in the same form as the notice of violation as stated in subsection 46-158(a) above. Failure to correct the violation within 15 minutes following the issuance of a written or oral warning shall result in the issuance of a notice of violation pursuant to this article.

A code inspector shall not issue a written warning, and instead shall issue a notice of violation, to any person, entity or establishment who:

- a. In any one day has already been issued a written warning as specified in section 46-158; or
 - b. In any 12-month period has exceeded the warning limits specified in subsection 46-158(b)2; or
 - c. Is also being cited for an illegal commercial or nonpermitted nonresidential use in a residential zoning district; or
 - d. Is in violation of subsection 46-152(b) and the noise is emanating from any vehicle, including bicycles, electric bicycles and motorized bicycles, or from any vessel.
- (c) *Responsibility to provide current address.* The holder of the business tax receipt for the premises where a violation or warning is issued shall have the responsibility to keep the city advised of its current address and of the current address of the owner of the premises.

* * *

Sec. 46-159. Fines and penalties for violation; appeals; alternate means of enforcement.

- (a) The following civil fines and penalties shall be imposed for violations of this article:
- (1) If the offense is the first offense, ~~\$250.00~~ \$500.00 fine.
 - (2) If the offense is the second offense within the preceding 12 months, ~~\$1,000.00~~ \$1,500.00 fine.
 - (3) If the offense is the third offense within the preceding 12 months, ~~\$2,000.00~~ \$3,000.00 fine.
 - (4) If the offense is the fourth offense within the preceding 12 months, one weekend (noon Friday through noon Monday) business tax receipt conditions and/or accessory use restrictions shall be imposed limiting the ability to produce any live or amplified sound at that portion of the premises that caused the violation, in addition to a ~~\$3,000.00~~ \$4,000.00 fine.
 - (5) If the offense is the fifth offense within the preceding 12 months, two weekend (noon Friday through noon Monday) business tax receipt conditions and/or accessory use restrictions shall be imposed limiting the ability to produce any live or amplified sound at that portion of the premises that caused the violation, in addition to a \$5,000.00 fine.
 - (6) If the offense is the sixth or greater offense within the preceding 12 months, it shall be considered an habitual offender offense with penalties and fines imposed pursuant to subsection 46-159(h).
 - (7) The first time an offense is committed while the violator was also engaged in an illegal commercial or nonpermitted, nonresidential use in a residential zoning district, \$1,000.00, notwithstanding the fine provision in subsection (1) above.

- (8) The second or any subsequent time an offense is committed while the violator was also engaged in an illegal commercial or nonpermitted, nonresidential use in a residential zoning district, \$5,000.00, notwithstanding the fine provisions in subsections (2)—(4) above.

A person may receive a separate notice of violation once every hour if a violation has occurred at any time within that period. Each violation shall constitute a separate offense for which a separate fine shall be imposed. An offense shall be deemed to have occurred on the date the violation occurred. Business tax receipt conditions or accessory use restrictions pursuant to this section shall be imposed by order of the special master after finding an offense warranting suspension or restriction has occurred. An offense occurring 12 months after the last offense shall be treated as a first offense for purposes of incurring new fines and penalties. However, any fines or penalties imposed in any prior 12-month period shall not be waived or altered.

(b) A violator who has been served with a notice of violation shall elect either to:

- (1) Pay the civil fine in the manner indicated on the notice; or
- (2) File a written request for an administrative hearing before a special master to appeal the decision of the code inspector that resulted in the issuance of the notice of violation. The written request shall be submitted to the clerical staff of the special master no later than ten days of service of the notice of violation and shall be accompanied by an appeal fee as approved by a resolution of the city commission. The fee may be returned to the violator if the special master rules in favor of the violator. All disputes regarding proper notice of the violation and timeliness of the appeal shall be heard by the special master prior to any hearing on the merits of the violation itself.

(c) The procedures for appeal of the notice of violation shall be as set forth in sections 102-384 and 102-385. A courtesy mail notice shall be promptly provided to the complainant of any hearing regarding the notice of violation, and the complainant may testify at such hearings; provided, however, that nontransmission of the courtesy notice to the complainant shall not in any way invalidate, affect, or impair any of the further proceedings, actions, or determinations in the case. Failure to give such notice shall not be a cause for continuance or cancellation of any scheduled hearing of the matter. Only two continuances, for no longer than 20 days each, shall be granted by the special master for any administrative hearing unless the alleged offender, at a hearing on a motion for continuance, establishes by testimony, and/or other evidence, that good cause exists for a further continuance. If the special master finds that a violation has occurred, the applicable penalty set forth in subsection 46-159(a) shall be imposed.

(d) Failure of the named violator to appeal the decision of the code inspector within the prescribed time period shall constitute a waiver of the violator's right to administrative hearing before the special master. A waiver of the right to an administrative hearing shall be treated as an admission of the violation and penalties shall be assessed accordingly. In the event of a fourth or fifth offense, and following notification by the code inspector of the violator's failure to timely request an administrative hearing, the special master shall enter an order setting the time during which conditions shall be imposed on the violator's business tax receipt or, as applicable, the accessory uses shall be restricted. Such conditions or restrictions shall begin no later than 30 days after entry of the order by the special master.

(e) Any party aggrieved by the decision of a special master may appeal that decision to a court of competent jurisdiction as provided in F.S. § 162.11 and section 30-77 of this Code.

(f) The city may institute proceedings in a court of competent jurisdiction to compel payment of civil fines. A certified copy of an order imposing a civil fine or city bill for penalties due under this section may be recorded in the public records and thereafter shall constitute a lien upon any other real or personal property owned by the violator and it may be enforced in the same manner

as a court judgment by the sheriffs of this state, including levy against the personal property, but shall not be deemed to be a court judgment except for enforcement purposes. After two months from the filing of any such lien that remains unpaid, the city may foreclose or otherwise execute on the lien. All costs and attorney's fees incurred by the city for collecting any fine shall be paid by the violator.

- (g) As an alternative or additional means of enforcement, the city may institute proceedings to revoke or suspend a business tax receipt and/or certificate of use or seek injunctive relief.
- (h) In cases of habitual offender violations or offenses, the city manager may issue an administrative complaint for suspension or revocation of a business tax receipt and certificate of use as provided in section 102-383. Upon a finding of habitual offender violations or offenses by the city manager, a business tax receipt suspension, revocation and/or fine shall be imposed. Suspensions shall be imposed with restrictions limiting the ability to provide any live or amplified sound as either a condition of the business tax receipt or as an accessory use restriction. In the event the violator is a hotel, motel, condominium, apartment or other residential property, accessory use restrictions shall be imposed in lieu of a business tax receipt revocation which results in the eviction of residents. Additionally, in the event of a revocation, as a condition of being permitted to resume operation under the business tax receipt, the city manager shall utilize the criteria set forth in section 142-1362 of this Code to impose such conditions or restrictions as deemed appropriate to assure compliance with all city codes.

In determining the length of the suspension or accessory use restriction to be imposed under this subsection, the city manager shall consider the following factors: the gravity of the violations or offenses; any actions taken by the violator to correct the violations or offenses; and, any previous violations or offenses committed by the violator. No suspension or accessory use restriction imposed under this subsection shall be for a period of time of less than 30 consecutive days.

In the event a habitual offender does not hold a business tax receipt or certificate of use, the special master shall impose a fine up to \$5,000.00 per violation.

- (i) Any fine imposed under this article shall become a lien pursuant to the procedures of sections 30-74 and 30-75 of this Code.
- (j) In addition, in the event a violator refuses to comply with a notice of violation issued under section 46-158, a violator may be punished by imprisonment not to exceed 60 days or by imposition of a fine not to exceed \$500.00 per offense or both.
- (k) Nothing herein shall restrict the powers and authority granted to the various boards and committees of the city, including the imposition of conditions and sanctions not specifically enumerated in this article.
- (l) Nothing herein shall be deemed to modify existing applicable state, county or city building and fire codes, ordinances, laws or regulations.
- (m) A nolle prosequi, or any other decision made by the city not to prosecute a notice of violation, must be based upon good cause and issued in writing in a public record.
