**Subject:** Faena - Street Closings

Kristen,

I am disappointed in the mayor and entire city commission, for overriding the recommendations of the city employees and residences on the Faena Parade and Opening, Thanksgiving Weekend in Miami Beach.

The traffic in Miami Beach is challenging on a normal day to say the least with all the construction, bus and tourists.....

But Sunday's are a high time for people to come to the beach....then add Thanksgiving weekend....then add Art Basel Setup weekend.....but then also add closing 2 lanes of Collins Ave and 1 lane of Indian Creek and 4 cross streets.....and you end up with GRID LOCK!!!!

Again, I feel as if the commission and mayor have let the tax paying and voting residence of Miami Beach down..... allowing a developer to run the city the way he wants.

I am not able to attend the special commission meeting at 2:45pm on Friday, Nov 18 - due to a charity cycle event. I have cc the entire board of King David Tower and have attached the only documentation on the lanes closures we have received as of this week.

Is the city sending notices on lane closures?

Extra Police onsite during closures?

Special lanes for residences access?

How is the city going to ensure the residence of the area can access there homes?

Empower Yourself to Live Legendary
