[THIS MESSAGE COMES FROM AN EXTERNAL EMAIL - USE CAUTION WHEN REPLYING AND OPENING LINKS OR ATTACHMENTS]

Dear Ms. Hackett:

Please forward this email to members of the **Historic Preservation Board (HPB)** for timely consideration before their Jan. 11th meeting.

To the HPB:

Residents and businesses west of Washington Avenue oppose the expansion of Goodtime Hotel's music into our streets, homes, and businesses.

The Hotel seeks to change their Conditional Use Permit so that they can increase the audio volume from their pool rooftop to reach past Washington Avenue.

Planning Staff is rightly holding firm on not allowing that increase.

Therefore, I ask that the HPB **support this recommendation by Staff:**

" As such, staff would recommend that the application be continued to a future date, so that the applicant's sound consultant can continue to work with the City's peer reviewer, to come up with an internal sound system that will not be audible from the west side of

Washington Avenue."
Please!

Thank you,
Martie LaBare
