Dear Ms. Tackett:

Please forward this email to the members of the Historic Preservation Board for consideration tomorrow.

To The HPB:

As the Board of Directors of the Riviera Arms Condominium Association at 732 Euclid Avenue and as residents of that building, we urge the HPB to accept the Staff recommendation that the application of the Goodtime Hotel be continued to a future date, so that the applicant's sound consultant can continue to work with the City's peer reviewer, to come up with an internal sound system that will not be audible from the west side of Washington Avenue.

Thank you for your consideration.
