Dear Ms. Tackett:

A Florida National Register Nomination Proposal for the above referenced property has been prepared by the State Historic Preservation Office. We solicit your review and recommendation concerning eligibility in accordance with the procedures established by the National Historic Preservation Act, as amended (54 U.S.C. 302504), which created the basis for the participation of Certified Local Governments in the Florida National Register of Historic Places nomination process.

According to the Act, before properties within the jurisdiction of the certified local government may be considered by the State to be nominated for inclusion on the National Register, the State Historic Preservation Officer shall notify the owners, the applicable chief local elected official, and the local historic preservation commission. We have tentatively scheduled the nomination for the above property for consideration by the Florida National Register Review Board at their May 19, 2022, meeting.

If both the commission and the chief local elected official recommend that a property not be nominated to the National Register, the State Historic Preservation Officer shall take no further action, unless within thirty days of the receipt of such recommendation by the State Historic Preservation Officer an appeal is filed with the State. Any party may file an appeal with the State Historic Preservation Officer. If the
