In consideration of the Services to be provided pursuant to this Agreement, the City agrees to pay Contractor a fee, not to exceed the amount of \$50,000.00 (the "Fee"), which shall be paid as described in Exhibit "B" hereto.

The Contractor shall issue invoices to the City pursuant to the mutual agreement of the parties and pursuant to the Fee Schedule set forth in Exhibit "B" hereto upon receipt of an acceptable and approved invoice. The City shall remit payment to the Contractor within 45 days of receiving an invoice from the Contractor for that portion (or those portions) of the Services satisfactorily rendered (and referred to in the particular invoice).

3. Termination.

This Agreement may be terminated by either party, with or without cause, by giving written notice to the other party of such termination, which shall become effective upon fourteen (14) days following receipt by the other party of the written termination notice. Notwithstanding the foregoing, in the event of a public health, welfare or safety concern, as determined by the City Manager, in the City Manager's sole discretion, the City Manager, pursuant to a verbal or written notification to Contractor, may immediately suspend the Services under this Agreement for a time certain, or in the alternative, terminate this Agreement on a given date. In the event of termination pursuant to this section, the Contractor shall be paid a sum equal to all payments due to him/her up to the date of termination; provided Contractor is continuing to satisfactorily perform all Services up to the date of termination. Thereafter, the City shall be fully discharged from any further liabilities, duties, and terms arising out of, or by virtue of, this Agreement.

4. Indemnification/Hold Harmless.

Contractor agrees to indemnify, defend, and hold harmless the City of Miami Beach and its officers, employees and agents, from and against any and all actions, claims, liabilities, losses and expenses including, but not limited to, attorney's fees, for personal economic or bodily injury, wrongful death, loss of or damage to property, at law or in equity, which may arise or be alleged to have arisen from the negligent acts or omissions or other wrongful conduct of Contractor, and/or any and all subcontractors, employees, agents, or any other person or entity acting under Contractor's control, in connection with the Contractor's performance of the services pursuant to this Agreement. The parties agree that one percent (1%) of the total compensation to Contractor for performance of the Services under this Agreement is the specific consideration from the City to Contractor for the Contractor's agreement to indemnify and hold the City harmless, as provided herein. Contractor and the City hereby agree and acknowledge that this indemnity provision is intended to and shall survive the termination (or earlier expiration) of this Agreement.

5. Limitation of Liability.

The City desires to enter into this Agreement only if in so doing the City can place a limit on City's liability for any cause of action for money damages due to an alleged breach by the City of this Agreement, so that its liability for any such breach never exceeds the sum of the compensation/fee to be paid to Contractor pursuant to this Agreement, less any amounts actually paid by the City as of the date of the alleged breach. Contractor hereby expresses his/her willingness to enter into this Agreement with Contractor's recovery from the City for any damage action for breach of contract to be limited to a maximum amount equal to the compensation/fee to be paid to Contractor pursuant to this Agreement, less any amounts actually paid by the City as of the date of the alleged breach.

Accordingly, and notwithstanding any other term or condition of this Agreement, Contractor hereby agrees that the City shall not be liable to Contractor for damages in the amount in excess of the compensation/fee to be paid to Contractor pursuant to this Agreement, less any amounts actually paid by the City as of the date of the alleged breach, for any action or claim for breach of contract arising out of the performance or non-performance of any obligations imposed upon the City by this Agreement.

Nothing contained in this section or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon City's liability as set forth in Section 768.28, Florida Statutes.
