We, the many residents of Masada II, are very much appreciated to Rabbi Aron Weinberger, for his great efforts to rebuild our beloved synagogue Dez (koil Eliyahu), nearby.

This is the shul we are praying for many, many years, it is in very bad shape, the building is falling apart. Also, the Mikvah is old.

This is the Only shul around these few blocks. We don't drive on shabbat.

Please help us to get this approved ASAP so we can enjoy the greatest city on earth, Miami beach.

Your help is greatly appreciated

Very truly yours
