Organized by  **Kiwanis**  
CLUB OF LITTLE HAVANA

## KIWANIS CLUB OF LITTLE HAVANA

The **Kiwanis Club of Little Havana** started in 1975 with the mission of giving back to the community and making a difference in the lives of thousands of children in the South Florida area. As **Kiwanis International's** motto and ours, Children are our #1 Priority.

Over the past 48 years, the organization's mission has grown to include the **Kiwanis Foundation**, created in 1989 to promote education and offer young Hispanic adults the opportunity to attend college free of charge. Hundreds have since graduated from Florida public universities and colleges.

## A CELEBRATION OF ALL THINGS MIAMI

Once upon a fun 70s summer, a group of Miami kids decided to start an affiliate of Kiwanis International. They wanted to be heard. They wanted to be different. They wanted to change the world.

Armed with a vision and hard work, they started **Calle Ocho Music Festival**, which soon became the largest Hispanic festival in the country. Soon after, all-time partner The Miami Herald suggested to expand the party to a larger audience and **Carnaval Miami** was born as the platform for all shapes of art, music, fashion, cuisine, and sports.

Today, **the economic impact of Carnaval Miami extends to \$40M, every year. Its community impact is priceless!** Carnaval Miami funds projects that change children's lives, from sports leagues to summer camps, the distribution of school supplies, college scholarships and help in unforeseeable family situations.

**Carnaval Miami is powered by the Kiwanis Club of Little Havana and its proceeds benefit the Kiwanis of Little Havana Foundation, a non-profit organization dedicated to enriching the lives of children.** [Kiwanis Foundation Website](#)
