Historical Resources Report

A search of CMB and Miami-Dade Property Appraiser archives yielded limited historical information for this property.

Attached is the permit card, two historical photos, tax assessments, and some permit records. Unfortunately, Google Maps timelapse photos are too blurry to discern any pertinent information.

The architect Harry C. Schwebke designed this 4-unit cottage style building for Mr.& Mrs. Beldner in 1952, the same year it received the Certificate of Occupancy.

Since that time, there have been miscellaneous repairs and improvements of the infrastructure of the building. The SE corner of the brick wall was demolished at some point after 1955 and replaced with a CMU and stucco 4-ft wall. A decorative wrought iron gate, painted white, visible in the 1955 photo, is no longer present. The brick work on the South (4th Street) façade currently exists, in good condition. Furthermore, there is no record of the Laundry Room addition at the rear of the building, although from visual inspection it is evident that it was not part of the original construction.

Sincerely,

CIC

Jose R. Carlo FL License AR-16566

RENEE and ANDREW DELAPLAINE 417/27 JEFFERSON AVENUE LOTS 9 & 10; BLOCK 75 OCEAN BEACH PB 2/81

"THE PLACING OF THESE REQUESTS ON THE AGENDA IS CONTINGENT UPON THE APPLICANT OBTAINING FINAL APPROVAL FROM THE DESIGN REVIEW BOARD FOR THIS PROJECT."

CONTINUED ON NEXT PAGE ...

DEC 4 1987

APPLICANT REQUESTS THE FOLLOWING VARIANCES IN ORDER TO CONVERT AN EXISTING COMMERCIAL BUILDING PREVIOUSLY USED AS AN AUTOMOBILE REPAIR SHOP INTO A RESTAURANT AND CONSTRUCT A PARKING AREA:

- 1. Applicant wishes to waive all of the minimum required 10 ft. front yard setback in order to retain and convert this building into a restaurant.
- 2. Applicant wishes to waive all of the required 10 ft. rear yard setback for the retention and conversion of said building into a restaurant.
- Applicant wishes to waive all of the minimum required 10 ft. north side yard setback (facing a street) in order to retain this building.
- Applicant wishes to waive Section 12-5G.3. that prohibits the location of accessory structures and parking within a required yard, and instead, be permitted to locate nine (9) parking spaces within the required 10 ft. south side yard setback area.
- Applicant wishes to waive 24 of the required 33 off-street parking spaces for the operation of this proposed restaurant with a total capacity of 132 seats.

## Approved with the following conditions:

- The Department shall approve a landscape plan prior to the issuance of a building permit and the installed material prior to the issuance of a certificate of occupancy or occupational license;
- The Department shall approve the final paint selection;
- The north wall shall have large windows for purposes of illuminating the sidewalk along Fifth Street and other improvements that are designed to provide visual interest to the building. The Department recommends that the applicant consider awnings over the windows;
- The parking lot shall be lit, a perimeter wall along the south lot line, and a decorative open picket type fence along the west lot line; and,
- The applicant and successors shall contribute an amount of money equivalent to the purchase of 12 parking decals (cash in lieu of parking decal program) on an annual basis. The first payment shall be received prior to the issuance of a building permit; however, the effective date of the first payment shall commence upon the issuance of a certificate of occupancy or occupational license whichever is earlier and be valid for one year. Second and subsequent payments shall be received annually on the anniversary of the date the certificate of occupancy or occupational license (whichever is earlier) was received. Funds generated from the receipt of the cash in lieu of decal program shall be placed in a City account entitled "South Pointe Improvement Account", which is dedicated towards the construction of improvements in the vicinity of the site which are consistent with the South Pointe re-development plan.
- The applicant shall conform with the Design Review conditions.
- Installation of proper grease interceptors, if necessary.
- Installation of proper garbage facilities.
- Applicant shall provide proper drainage, lighting and sprinkler system for the parking area.
- 10. That sections of curb, gutter and sidewalk be removed and replaced, where necessary.

## 417/27 JEFFERSON AVENUE

- 11. That chain link gates shall not swing over sidewalk or alleyway.
- 12. Provide an air-conditioned garbage room to be approved by the Building.

  Department. Daily service by a private hauler shall be provided.

If the applicant purchases the property within the five (5) year term of his/her lease the City will waive the impact fee for one (1) year.
