2361

Variations Requested:

1. Variance from Section 142-106(a)(2)e.3, to exceed the maximum 20' linear extension located at a non-conforming setback by 21'-7" in order to continue the existing non-conforming side setback.
2. Variance from Section 142-106(a)(2)c.2, to reduce the required setback of 7'-6" by 2'-11" in order to construct the new addition at a 4'-7" setback from the south side property line.
3. Variance from Section 142-105(b)(1), to exceed the maximum allowable lot coverage of 30% for a two-story home by 6.4% for a total lot coverage of 36.4%.
