SECTION 5. TERMS, REDEMPTION AND FORM OF BONDS.

A. The Bonds shall be issued as fully registered bonds in the denomination of \$5,000 each or any integral multiple thereof and shall be numbered consecutively from 1 upward preceded by the letter "R". The principal of and redemption premium, if any, on the Bonds shall be payable upon presentation and surrender at the designated corporate trust office of the Paying Agent; provided, however that if ownership of Bonds is maintained in a book-entry only system by a securities depository, such payment may be made in accordance with the procedures of such securities depository. Interest on the Bonds shall be paid by check or draft drawn upon the Paying Agent and mailed to the registered owners of the Bonds at the addresses as they appear on the registration books maintained by the Bond Registrar at the close of business on the 15th day (whether or not a business day) of the month next preceding the interest payment date (the "Record Date"), irrespective of any transfer or exchange of such Bonds subsequent to such Record Date and prior to such interest payment date, unless the City shall be in default in the payment of interest due on such interest payment date; provided, however, that (i) if ownership of Bonds is maintained in a book-entry only system by a securities depository, such payment may be made in accordance with the procedures of such securities depository or (ii) if such Bonds are not maintained in a book-entry only system by a securities depository, upon written request of the holder of \$1,000,000 or more in principal amount of Bonds, such payments may be made by wire transfer to the bank and bank account specified in writing by such holder on or prior to the Record Date (such bank being a bank within the continental United States), if such holder has advanced to the Paying Agent the amount necessary to pay the cost of such wire transfer or authorized the Paying Agent to deduct the cost of such wire transfer from the payment due such holder. In the event of any default in the payment of interest, such defaulted interest shall be payable to the persons in whose names such Bonds are registered at the close of business on a special record date for the payment of such defaulted interest as established by notice

deposited in the U.S. mails, postage prepaid, by the Paying Agent to the registered owners of the Bonds not less than fifteen (15) days preceding such special record date. Such notice shall be mailed to the persons in whose names the Bonds are registered at the close of business on the fifth (5th) day (whether or not a business day) preceding the date of mailing. Interest on the Bonds shall be calculated on the basis of a 360-day year of twelve 30-day months.

B. Prior to the issuance of the Bonds, the Mayor shall execute the Mayor's Certificate. The Mayor's Certificate shall set forth certain terms of the Bonds approved by the City Manager, after consultation with the Chief Financial Officer and the Financial Advisor, including, but not limited to the dated date of the Bonds, the number of Series of Bonds and their designations, whether the Bonds shall be issued as Tax-Exempt Bonds and/or Taxable Bonds, principal amounts of the Bonds, interest payment dates, interest rates, maturities, but not later than thirty (30) years from the date of issuance of the Bonds, sinking fund installments, if any, and any redemption provisions.

C. The Bonds shall be executed in the name of the City by the Mayor and the seal of the City shall be imprinted, reproduced or lithographed on the Bonds and attested to by the City Clerk. The signatures of the Mayor and the City Clerk on the Bonds may be by facsimile. If any officer whose signature appears on the Bonds ceases to hold office before the delivery of the Bonds, his or her signature shall nevertheless be valid and sufficient for all purposes. In addition, any Bond may bear the signature of, or may be signed by, such persons as at the actual time of execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond or the date of delivery thereof such persons may not have been such officers.

Only such of the Bonds as shall have endorsed thereon a certificate of authentication substantially in the form hereinafter set forth in Section 5.K. hereof, duly manually executed by the Bond Registrar, shall be entitled to any right or benefit under this Resolution. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed by the Bond Registrar, and such certificate of the Bond Registrar upon any such Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Resolution. The Bond Registrar's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time.

D. Any Bond may be transferred upon the registration books maintained by the Bond Registrar upon delivery thereof to the designated corporate trust office of the Bond Registrar accompanied by a written instrument or instruments of transfer in form and with guaranty of signature satisfactory to the Bond Registrar, duly executed by the Bondholder or his attorney-in-fact or legal representative, containing written instructions as to the details of the transfer of such Bond, along with the social security number or federal employer identification number of such transferee. In all cases of a transfer of a Bond, the Bond Registrar shall at the earliest practical time in accordance with the terms hereof enter the transfer of ownership in the registration books and shall deliver in the name of the new transferee or transferees a new fully registered Bond or Bonds of the same Series and maturity and of authorized denomination or denominations, for the same aggregate principal amount and payable from the same source of funds. Bonds may be exchanged at the office of the Bond Registrar for a like aggregate principal amount of Bonds, of

other authorized denominations of the same Series and maturity. The City and the Bond Registrar may charge the Bondholder for the registration of every transfer or exchange of a Bond an amount sufficient to reimburse them for any tax, fee or any other governmental charge required (other than by the City) to be paid with respect to the registration of such transfer or exchange, and may require that such amounts be paid before any such new Bond shall be delivered.

The City, the Paying Agent and the Bond Registrar may deem and treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of receiving payment of the principal thereof and the interest and redemption premium, if any, thereon.

E. If any Bond is mutilated, destroyed, stolen or lost, the City or its agent may, in its discretion (i) deliver a duplicate replacement Bond of the same Series and maturity, or (ii) pay a Bond that has matured or is about to mature. A mutilated Bond shall be surrendered to and cancelled by the Bond Registrar. The Bondholder must furnish the City and the Bond Registrar proof of ownership of any destroyed, stolen or lost Bond; post satisfactory indemnity; comply with any reasonable conditions the City and the Bond Registrar may prescribe; and pay the City's and the Bond Registrar's reasonable expenses.

Any such duplicate Bond shall constitute an original contractual obligation on the part of the City whether or not the destroyed, stolen or lost Bond be at any time found by anyone, and such duplicate Bond shall be entitled to equal and proportionate benefits and rights as to lien on, and source of payment of and security for payment from, the funds pledged to the payment of the Bond so mutilated, destroyed, or stolen or lost.

F. The Bonds shall be subject to redemption prior to their maturity at such times and in such manner as may be set forth in the Mayor's Certificate. Notice of redemption shall be given by the Bond Registrar by deposit in the U.S. mails of a copy of a redemption notice, postage prepaid, at least thirty (30) and not more than sixty (60) days before the redemption date to all registered owners of the Bonds or portions of the Bonds to be redeemed at their addresses as they appear on the registration books to be maintained in accordance with the provisions hereof. Failure to mail any such notice to a registered owner of a Bond, or any defect therein, shall not affect the validity of the proceedings for redemption of any Bond or portion thereof with respect to which no failure or defect occurred.

Such notice shall set forth the date fixed for redemption, the rate of interest borne by each Bond being redeemed, the name and address of the Paying Agent and the Bond Registrar, the redemption price to be paid and, if less than all of the Bonds then Outstanding shall be called for redemption, the distinctive Series, numbers and letters, including CUSIP numbers, if any, of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Bond is to be redeemed in part only, the notice of redemption which relates to such Bond shall also state that on or after the redemption date, upon surrender of such Bond, a new Bond or Bonds of the same Series in a principal amount equal to the unredeemed portion of such Bond will be issued. If the optional redemption of any of the Bonds is conditioned upon the receipt of sufficient moneys, the notice of redemption which relates to such Bonds shall also state that the redemption is so conditioned.

Any notice mailed as provided in this section shall be conclusively presumed to have been duly given, whether or not the owner of such Bond receives such notice.

The Bond Registrar shall not be required to transfer or exchange any Bond after the mailing of a notice of redemption nor during the period of fifteen (15) days next preceding mailing of a notice of redemption.

G. Notice having been given in the manner and under the conditions provided in the first three paragraphs of Section 5.F. above, the Bonds or portions of Bonds so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Bonds or portions of Bonds on such date; provided, however, that Bonds or portions of Bonds called for optional redemption and which redemption is conditioned upon the receipt of sufficient moneys, shall not become due and payable on the redemption date if sufficient moneys to pay the redemption price of such Bonds or portions of such Bonds have not been received by the Paying Agent on or prior to the redemption date. On the date so designated for redemption, moneys for payment of the redemption price being held in separate accounts by the Paying Agent or other Authorized Depository in trust for the registered owners of the Bonds or portions thereof to be redeemed, all as provided in this Resolution, interest on the Bonds or portions of Bonds so called for redemption shall cease to accrue, such Bonds and portions of Bonds shall cease to be entitled to any lien, benefit or security under this Resolution and shall be deemed paid hereunder, and the registered owners of such Bonds or portions of Bonds shall have no right in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in the next subsection, to receive Bonds for any unredeemed portions of the Bonds.

H. In case part but not all of an Outstanding fully registered Bond shall be selected for redemption, the registered owners thereof shall present and surrender such Bond to the Paying Agent for payment of the principal amount thereof so called for redemption, and the City shall execute and deliver to or upon the order of such registered owner, without charge therefor, for the unredeemed balance of the principal amount of the Bonds so surrendered, a Bond or Bonds fully registered as to principal and interest.

I. Bonds or portions of Bonds that have been duly called for redemption under the provisions hereof, or as to which irrevocable instructions to call for redemption have been given by the City, and with respect to which amounts (including Government Obligations) sufficient to pay the principal of, redemption premium, if any, and interest to the date fixed for redemption shall be delivered to and held in separate trust accounts by an escrow agent, any Authorized Depository or the Paying Agent in trust for the registered owners thereof, as provided in this Resolution, shall not be deemed to be Outstanding under the provisions of this Resolution and shall cease to be entitled to any lien, benefit or security under this Resolution, except to receive the payment of the redemption price on or after the designated date of redemption from moneys deposited with or held by the escrow agent, Authorized Depository or Paying Agent, as the case may be, for such redemption of the Bonds and, to the extent provided in the preceding subsection, to receive Bonds for any unredeemed portion of the Bonds.

J. If the date for payment of the principal of, redemption premium, if any, or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in

the city where the corporate trust office of the Paying Agent is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

K. The text of the Bonds, the authentication certificate to be endorsed thereon and the form of assignment for such Bonds shall be substantially in the following form, with such omissions, insertions and variations as may be necessary or desirable and authorized by this Resolution or as may be approved and made by the officers of the City executing the same, such execution to be conclusive evidence of such approval, including, without limitation, such changes as may be required for the issuance of uncertificated public obligations:

The designations for such accounts with respect to each Series of Bonds shall correspond to the designations of the Series of Bonds to which such accounts relate.

Costs of Issuance of the Bonds, including Underwriters' compensation, will be paid by the City from other available moneys.

SECTION 7. INVESTMENT OF BOND PROCEEDS. Proceeds of the Bonds held by the City pursuant to the provisions of Section 6 above may be invested by the City in such investments as are permitted by applicable law.

SECTION 8. LEVY OF AD VALOREM TAX; PAYMENT AND PLEDGE. In each Fiscal Year while any of the Bonds are Outstanding there shall be assessed, levied and collected a tax, without limitation as to rate or amount, in addition to all other taxes, on all taxable property within the corporate limits of the City (excluding exemptions as provided by applicable law), sufficient in amount to pay the principal of and interest on the Bonds as the same shall become due.

The tax assessed, levied and collected for the security and payment of the Bonds shall be assessed, levied and collected in the same manner and at the same time as other taxes are assessed, levied and collected and the proceeds of said tax shall be applied solely to the payment of the principal of and interest on the Bonds. On or before each interest or principal payment date for the Bonds, the City shall transfer to the Paying Agent for deposit in the applicable Principal and Interest Account an amount sufficient to pay the principal of, redemption premium, if any, and interest on the Bonds then due and payable and the Paying Agent is hereby authorized and directed to apply such funds to said payment.

SECTION 9. COMPLIANCE WITH TAX REQUIREMENTS. The City hereby covenants and agrees, for the benefit of the holders from time to time of the Tax-Exempt Bonds, to comply with the requirements applicable to it contained in the Code to the extent necessary to preserve the exclusion of interest on the Tax-Exempt Bonds from gross income for federal income tax purposes. Specifically, without intending to limit in any way the generality of the foregoing, the City covenants and agrees:

A. To pay to the United States of America, if required, from any legally available funds, at the times required pursuant to Section 148(f) of the Code, any rebate amount ("Rebate Amount") determined pursuant to Section 148(f) of the Code;

B. To maintain and retain all records pertaining to and to be responsible for making or causing to be made all determinations and calculations of the Rebate Amount and required payments of the Rebate Amount as shall be necessary to comply with the Code;

C. To refrain from using proceeds from the Tax-Exempt Bonds in a manner that would cause the Tax-Exempt Bonds or any of them, to be classified as private activity bonds under Section 141(a) of the Code; and

D. To refrain from taking any action that would cause the Tax-Exempt Bonds, or any of them, to become arbitrage bonds under Section 148 of the Code.

The City understands that the foregoing covenants impose continuing obligations on the City to comply with the requirements of the Code so long as such requirements are applicable.

SECTION 10. QUALIFICATION FOR THE DEPOSITORY TRUST COMPANY. Notwithstanding any other provision hereof, the City, the Paying Agent and the Bond Registrar are hereby authorized to take such actions as may be necessary to qualify the Bonds for deposit with DTC, including but not limited to those actions as may be set forth in a letter agreement entered into by and between the City and DTC, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provisions of notices with respect to Bonds registered by DTC (or any of its designees identified to the City, the Paying Agent or the Bond Registrar) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. The Mayor, the City Manager and the Chief Financial Officer are each hereby authorized to execute and deliver any necessary agreement or other documents with DTC on behalf of the City.

B. The recitals of facts contained herein and in the Bonds shall be taken as the statements of the City and neither the Paying Agent nor the Bond Registrar assumes any responsibility for the correctness of the same. Neither the Paying Agent nor the Bond Registrar makes any representation as to the validity or sufficiency of this Resolution or of any Bonds issued thereunder or as to the security afforded by this Resolution, and neither shall incur any liability in respect thereof. The Bond Registrar shall, however, be responsible for its representation contained in its certificate of authentication of the Bonds. The Paying Agent shall be entitled to rely upon the directions of the Chief Financial Officer in the investment of proceeds of the Bonds and other moneys under this Resolution and neither the Paying Agent nor the Bond Registrar shall be responsible with respect to the application of money paid by it in accordance with the provisions of this Resolution. Neither the Paying Agent nor the Bond Registrar shall be under any obligation or duty to take any action constituting enforcement of the covenants of the City under this Resolution, which would involve it in expense or liability, or to institute or defend any suit in respect thereof, or to advance any of its own moneys, unless properly indemnified. Neither the Paying Agent nor the Bond Registrar shall be liable in connection with the performance of its duties hereunder except for its own negligence, misconduct or default.

C. The City shall agree to pay the Paying Agent and the Bond Registrar reasonable compensation for all services rendered by each of them under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution.

SECTION 12. PRELIMINARY OFFICIAL STATEMENT; OFFICIAL STATEMENT. The use of the Preliminary Official Statement in connection with the marketing of the Bonds is hereby authorized. The Preliminary Official Statement in substantially the form presented at the meeting at which this Resolution was considered is hereby approved, with such changes, modifications, insertions and omissions and such filling-in of blanks therein as may be approved by the City Manager, after consultation with the Chief Financial Officer and the City Attorney. In order to describe and specify the terms of the City's continuing disclosure undertaking, including provisions for enforcement, amendment and termination, the Chief Financial Officer is hereby

authorized and directed to execute and deliver, in the name and on behalf of the City, the Continuing Disclosure Agreement, in substantially the form presented at the meeting at which this Resolution was considered, with such changes, modifications, insertions and omissions and such filling-in of blanks therein as may be approved by the Chief Financial Officer, after consultation with the City Attorney. Digital Assurance Certification LLC, is hereby appointed as the Disclosure Dissemination Agent under the Continuing Disclosure Agreement. The execution of the Continuing Disclosure Agreement by the Chief Financial Officer, for and on behalf of the City, shall be conclusive evidence of the City's approval of the Continuing Disclosure Agreement. Notwithstanding any other provisions of this Resolution, any failure by the City to comply with any provisions of the Continuing Disclosure Agreement or this Section 13 shall not constitute a default under this Resolution and the remedies therefor shall be solely as provided in the Continuing Disclosure Agreement.

The Chief Financial Officer is further authorized to establish procedures in order to ensure compliance by the City with the Continuing Disclosure Agreement, including the timely provision of information and notices. Prior to making any filing in accordance with such agreement, the Chief Financial Officer may consult with the City Attorney. Such officers and those so designated are hereby charged with the responsibility for the issuance of the Bonds.

After the issuance of the Bonds, no modification or amendment of this Resolution or of any resolution amendatory hereof or supplemental hereto materially adverse to the Bondholders may be made without the consent in writing of the registered owners of not less than a majority in aggregate principal amount of the Outstanding Bonds, but no modification or amendment shall permit a change (a) in the maturity of the Bonds or a reduction in the rate of interest thereon, (b) in the amount of the principal obligation of any Bond, (c) that would affect the unconditional promise of the City to levy and collect taxes as herein provided, or (d) that would reduce such percentage of registered owners of the Bonds required above for such modifications or amendments, without the consent of all of the Bondholders. For the purpose of Bondholders' voting rights or consents, the Bonds owned by or held for the account of the City, directly or indirectly, shall not be counted.

SECTION 16. DEFEASANCE AND RELEASE. If, at any time after the date of issuance of the Bonds (a) all Bonds secured hereby or any maturity thereof shall have become due and payable in accordance with their terms or otherwise as provided in this Resolution, or shall have been duly called for redemption, or the City shall have given irrevocable instructions

directing the payment of the principal of, redemption premium, if any, and interest on such Bonds at maturity or at any earlier redemption date scheduled by the City, or any combination thereof, (b) the full amount of the principal, redemption premium, if any, and the interest so due and payable upon all of such Bonds then Outstanding or any portion of such Bonds, at maturity or upon redemption, shall be paid, or sufficient moneys or Government Obligations maturing not later than the maturity or redemption dates of such principal, redemption premium, if any, and interest, which, together with the income realized on such investments, shall be sufficient to pay all such principal, redemption premium, if any, and interest on said Bonds at the maturity thereof or the date upon which such Bonds are to be called for redemption prior to maturity, shall be held by an escrow agent who shall be an Authorized Depository or the Paying Agent in irrevocable trust for the benefit of such Bondholders (whether or not in any accounts created hereby), and (c) provision shall also be made for paying all other sums payable hereunder by the City, including compensation due the Paying Agent and the Bond Registrar, then and in that case the right, title and interest of such Bondholders hereunder shall thereupon cease, determine and become void; otherwise, this Resolution shall be, continue and remain in full force and effect. Notwithstanding anything in this Section 16 to the contrary, however, the obligations of the City under Section 9 hereof shall remain in full force and effect until such time as such obligations are fully satisfied.

SECTION 17. SEVERABILITY. If any one or more of the covenants, agreements or provisions of this Resolution shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separate from the remaining covenants, agreements or provisions of this Resolution or of the Bonds.

SECTION 18. NO THIRD PARTY BENEFICIARIES. Except as herein otherwise expressly provided, nothing in this Resolution expressed or implied is intended or shall be construed to confer upon any person, firm or corporation other than the City, the registered owners of the Bonds, the Paying Agent and the Bond Registrar, any right, remedy or claim, legal or equitable, under or by reason of this Resolution or any provision hereof, this Resolution and all its provisions being intended to be and being for the sole and exclusive benefit of the City, the registered owners from time to time of the Bonds, the Paying Agent and the Bond Registrar.
