

Narrative Response to Comments

1. DEFICIENCIES IN PRESENTATION

- A. All pages of a document must be uploaded in one PDF file. Do not upload individual pages of a document.

Response: File has been merged into one pdf

- B. Remove the mechanical roof plan, not required.

Response: Mechanical Roof Plan (9 N.2) removed as per request

- C. Provide a demolition elevation drawing. This should be the same drawing as the existing elevation drawing but show the demolition of the wall area and window. Indicate demolition in red.

Response: Red outline added to demolition plan showing area of work, see Page 9 M
