MIAMI BEACH

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Alina T. Hudak, City Manager
DATE: November 16, 2022

SUBJECT: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING RESOLUTION NO. 2020-31441 FOR THE SOLE PURPOSE OF INCREASING THE ANNUAL NOT-TO-EXCEED AMOUNT WITH RESPECT TO THE CITY'S PURCHASES FROM SPECIFIED VENDORS OF FOOD AND SNACKS, RIDES, INFLATABLES, AND OTHER PROGRAM EXPENSES FOR THE BENEFIT OF PARTICIPANTS IN THE PARKS AND RECREATION DEPARTMENTS' AFTER-SCHOOL PROGRAMS, SUMMER CAMPS, SPECIAL EVENTS, AND OTHER PROGRAMMED ACTIVITIES FOR A PERIOD OF THREE (3) YEARS; AND APPROVING AN INCREASE OF THE ANNUAL NOT-TO-EXCEED AMOUNT FOR PROGRAM EXPENSES FROM \$450,000 TO \$630,000, WITH THE FINAL AMOUNTS ALLOCATED FOR EACH YEAR SUBJECT TO CITY COMMISSION APPROVAL OF THE PARKS AND RECREATION DEPARTMENT'S BUDGET, AS PART OF THE CITY'S ANNUAL BUDGET PROCESS.

RECOMMENDATION

Approve amending Resolution No. 2020-31441 for the sole purpose of increasing the annual not-to-exceed amount with respect to the City's purchases from specified vendors of food and snacks, rides, inflatables and other program expenses for the benefit of participants in the Parks and Recreation Departments' participants in their after-school programs, summer camps, special events and other programmed activities for a period of three (3) years; and approving an increase of the annual not-to-exceed amount for program expenses from \$450,000 to \$630,000, with the final amounts allocated for each year subject to City Commission approval of the Parks and Recreation Department's budget, as part of the City's annual budget process.

BACKGROUND/HISTORY

The Parks and Recreation Department holds various programs and events throughout the year that require the purchase of food, snacks, rides, inflatables and other necessary program expenses. The funds for these items are allocated annually through the department's approved budget.

Snacks and Food/Program Expenses

As part of the After-School Program, No School Days and Summer Camp curriculum, the Department provides free snacks to all participants (estimated average daily attendance of 1,000 children). These snacks are purchased on a bi-weekly to a monthly basis by the park staff at local grocery or wholesale stores. Aside from the daily programming, food and miscellaneous program expenses are regularly purchased for athletics, seniors, teens and toddler programs and activities such as Thanksgiving, Holidays, Valentine's Day, New Years and the end of season parties. Additionally, the Department also provides food to Guild for the Blind and to the special needs population programs.

The Department has procedures in place to properly safeguard the delivery and safekeeping of these items. All programmed sites have proper refrigeration as mandated by the Department of Health. The managers at each site are tasked with assuring proper inventory controls and distribution to the children during regular after-school and summer programming along with maintaining the same safeguards and procedures during the other planned events and activities.

Rides and Inflatables

The Parks and Recreation Department holds multiple events for thousands of residents throughout the year that require the rental of rides and inflatables such as:

- Toddler Events
- Parents Night Out
- Pictures with Santa
- Jingle Jog
- Movies in the Park
- Chess Tournaments
- Parks and Recreation Monthly Events
- Jose Marti Celebration
- Teen Events
- Black History
- Pride Events
- Family Night
- Kid Zones
- Senior Events
- Playground Revue
- Misc. Cultural Events

In the past, staff has found it very difficult to acquire identical quotes from inflatable and ride vendors as not all companies have the same products to offer. The Department also runs into a similar issue when purchasing food and snacks for programs and events, since these items are mostly purchased at local supermarkets and restaurants, which is impossible to competitively bid. These special events and programs are a very important staple in the City and the Department would like to continue contracting/purchasing these goods and services through the vendors outlined in Exhibit A.

At the April 17, 2013 City Commission meeting, Resolution No. 2013-28180 (Exhibit B) was passed approving the waiver, by a 5/7th vote, the formal competitive bidding requirements, finding such waiver to be in the City's best interest, and authorizing the purchase of food and snacks from Publix, Costco, Gordon Foods, and BJ's Wholesale to be consumed by: a) the

City's Parks and Recreation Department's participants in their After-School program, summer camps, special events and other programmed activities, and b) other departments and offices citywide, as approved in their respective annual budgets for a period of three (3) years.

At the May 11, 2016 City Commission meeting, Resolution No. 2016-29388 (Exhibit C) was adopted approving the waiver, by a 5/7th vote, of the formal competitive bidding requirements, finding such waiver to be in the City's best interest, and authorizing the purchase of food and snacks, rides, inflatables and program expenses from certain specified vendors, to be used and consumed by participants of the City's Parks and Recreation Department's after-school programs, summer camps, special events and other programmed activities; and providing for said waiver for a period of three (3) years, on a year-to-year basis, in an annual amount not-to-exceed \$270,000, contingent upon City Commission's approval of the Department's related budget allocation(s) during the adoption of the City's annual budget.

During the September 13, 2017 City Commission meeting, Resolution No. 2017-29976 (Exhibit D) was passed amending Resolution 2016-29388 increasing the annual not-to-exceed amount for program expenses from \$270,000 to \$435,000 and with this resolution expiring, the Parks and Recreation Department is seeking another bid waiver.

At the October 14, 2020 City Commission meeting, Resolution No. 2020-31441 (Exhibit E) was passed accepting the written recommendation of the City Manager (as set forth in the City Commission Memorandum accompanying this Resolution) and waive, by a 5/7th vote, the formal competitive bidding requirement, finding such waiver to be in the City's best interest; and approve and authorize the City's Parks and Recreation Department to use the vendors listed in Exhibit D, attached to this Resolution, for the purchase of food and snacks, rides and inflatables and other program expenses for the participants in the Department's programs; said waiver shall be authorized for a period of three (3) years, on a year-to-year basis, contingent upon City Commission approval of the Department's related budget allocation(s) during the adoption of the City's annual budget, in an annual amount not to exceed \$450,000.

ANALYSIS

Through the FY 2022/2023 budget process, a revised annual budget for program expenses of \$630,000 has been identified, which covers all expenses related to the purchase of food and snacks, rides and inflatables and program expenses (Exhibit F). The main reason for the increase is due to the FY 2023 approved enhancements for additional activations in Lummus Park and citywide Health and Wellness initiatives.

In review of the foregoing increase in the annual budget for program expenses, the Administration recommends amending Resolution No. 2020-31441, for the sole purpose of increasing the annual not-to-exceed amount for program expenses from \$435,000 to \$630,000, with the final amounts allocated for each year subject to City Commission approval of the Parks and Recreation Department's budget, as part of the City's budget process. This resolution is set to expire in October 2023.

The Department will work with the respective departments to stay in compliance with the City's established budgetary, procurement and administrative procedures.

CITY MANAGER'S RECOMMENDATION

The City Manager recommends that the Mayor and City Commission waive the formal competitive bidding requirement, by a 5/7ths vote, as permitted under Section 52-367(e) of the City Code, as being in the best interest of the City.

MIAMI BEACH

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Jimmy L. Morales, City Manager
DATE: September 13, 2017

SUBJECT: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING RESOLUTION NO. 2016-29388 FOR THE SOLE PURPOSE OF INCREASING THE ANNUAL NOT-TO-EXCEED AMOUNT WITH RESPECT TO THE CITY'S PURCHASES FROM SPECIFIED VENDORS OF FOOD AND SNACKS, RIDES, INFLATABLES AND OTHER PROGRAM EXPENSES FOR THE BENEFIT OF PARTICIPANTS IN THE PARKS AND RECREATION DEPARTMENT'S AFTER-SCHOOL PROGRAMS, SUMMER CAMPS, SPECIAL EVENTS AND OTHER PROGRAMMED ACTIVITIES FOR A PERIOD OF THREE (3) YEARS; AND APPROVING AN INCREASE OF THE ANNUAL NOT-TO-EXCEED AMOUNT FOR PROGRAM EXPENSES FROM \$270,000 TO \$435,000, WITH THE FINAL AMOUNTS ALLOCATED FOR EACH YEAR SUBJECT TO CITY COMMISSION APPROVAL OF THE PARKS DEPARTMENT'S BUDGET, AS PART OF THE CITY'S ANNUAL BUDGET PROCESS.

RECOMMENDATION

The Administration recommends that the Mayor and City Commission hereby amending Resolution No. 2016-29388, for the sole purpose of increasing the annual not-to-exceed amount with respect to the City's purchases from specified vendors of food and snacks, rides, inflatables and other program expenses for the benefit of participants in the Parks and Recreation Department's after-school programs, summer camps, special events and other programmed activities for a period of three (3) years; and approve an increase of the annual not-to-exceed amount for program expenses from \$270,000 to \$435,000, with the final amounts allocated for each year subject to City Commission approval of the Parks Department's budget, as part of the City's annual budget process.

ANALYSIS

At the May 11, 2016 City Commission Meeting, Resolution No. 2016-29388 (Exhibit B) was passed approving the waiving, by a 5/7th vote, the formal competitive bidding requirements, finding such waiver to be in the City's best interest, and authorizing the purchase of food and snacks, rides and inflatables and program expenses to include the vendors listed in Exhibit A to be used and consumed by the City's Parks and Recreation Departments' participants in their after-school programs, summer camps, special events and other programmed activities; said waiver shall be authorized for a period of three (3) years, on a year-to-year basis, contingent upon City Commission approval of the department's related budget allocation(s) during the adoption of the City's annual budget, in an annual amount not to exceed \$270,000.

Through the FY 2017/2018 budget process, a revised annual budget of \$435,000 has been identified, which covers all expenses related to the purchase of food and snacks, rides and inflatables and program expenses (Exhibit C).

The Department holds various programs and events throughout the year that require the purchase of food, snacks, rides, inflatables and other necessary program expenses. The funds for these items are allocated annually through the department's approved budget.

Snacks and Food/Program Expenses

As part of the After-School Program, No School Days and Summer Camp curriculum, the Department provides free snacks to all participants (estimated average daily attendance of 1,000 children). These snacks are purchased on a bi-weekly to a monthly basis by the park staff at local grocery or wholesale stores. Aside from the daily programming, food and miscellaneous program expenses are regularly purchased for athletics, seniors, teens and toddler programs and activities such as Thanksgiving, Holiday, Valentine's Day, New Years and the end of season parties. Additionally, the Department also provides food to Guild for the Blind and to the special needs population programs.

The Department has procedures in place to properly safeguard the delivery and safekeeping of these items. All programmed sites have proper refrigeration as mandated by the Department of Health. The managers at each site are tasked with assuring proper inventory controls and distribution to the children during regular After-School and summer programming along with maintaining the same safeguards and procedures during the other planned events and activities.

Rides and Inflatables

The Parks and Recreation Department holds multiple events for thousands of residents throughout the year that require the rental of rides and inflatables such as:

- Hispanic Heritage Festival
- Safe Night of Fright
- Halloween Happenings
- Winter Wonderland
- Cupid's Carnival
- Leprechaun's Carnival
- Spring Eggstravaganza
- Fall Fest
- July Parks and Recreation Month Events

In the past, staff has found it very difficult to acquire identical quotes from inflatable and ride vendors as not all companies have the same products to offer. These special events are a very important staple in the City and the department would like to offer a variety of inflatable and rides from different local vendors throughout the year.

The department will work with the respective departments to stay in compliance with the City's established budgetary, procurement and administrative procedures.

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Jimmy L. Morales, City Manager
DATE: October 14, 2020

SUBJECT: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, ACCEPTING THE WRITTEN RECOMMENDATION OF THE CITY MANAGER (AS SET FORTH IN THE CITY COMMISSION MEMORANDUM ACCOMPANYING THIS RESOLUTION) AND WAIVING, BY A 5/7TH VOTE, THE FORMAL COMPETITIVE BIDDING REQUIREMENT, FINDING SUCH WAIVER TO BE IN THE CITY'S BEST INTEREST; AND APPROVING AND AUTHORIZING THE CITY'S PARKS AND RECREATION DEPARTMENT (DEPARTMENT) TO USE THE VENDORS LISTED IN EXHIBIT D, ATTACHED TO THIS RESOLUTION, FOR THE PURCHASE OF FOOD AND SNACKS, RIDES AND INFLATABLES AND OTHER PROGRAM EXPENSES FOR THE PARTICIPANTS IN THE DEPARTMENT'S PROGRAMS; SAID WAIVER SHALL BE AUTHORIZED FOR A PERIOD OF THREE (3) YEARS, ON A YEAR-TO-YEAR BASIS, CONTINGENT UPON CITY COMMISSION APPROVAL OF THE DEPARTMENT'S RELATED BUDGET ALLOCATION(S) DURING THE ADOPTION OF THE CITY'S ANNUAL BUDGET, IN AN ANNUAL AMOUNT NOT TO EXCEED \$450,000.

RECOMMENDATION

CITY MANAGER'S RECOMMENDATION

The City Manager recommends that the Mayor and City Commission waive the formal competitive bidding requirement, by a 5/7th's vote, as permitted under Section 52-367(e) of the City Code, as being in the best interest of the City.

BACKGROUND/HISTORY

At the April 17, 2013 City Commission meeting, Resolution No. 2013-28180 (Exhibit A) was passed approving the waiving, by a 5/7th vote, the formal competitive bidding requirements, finding such waiver to be in the City's best interest, and authorizing the purchase of food and snacks from Publix, Costco, Gordon Foods, and BJ's Wholesale to be consumed by: a) the City's Parks and Recreation Department's participants in their After-School program, summer camps, special events and other programmed activities, and b) other departments and offices citywide, as approved in their respective annual budgets for a period of three (3) years.

At the May 11, 2016 City Commission meeting, Resolution No. 2016-29388 (Exhibit B) was adopted approving the waiver, by a 5/7th vote, of the formal competitive bidding requirements, finding such waiver to be in the City's best interest, and authorizing the purchase of food and snacks, rides, inflatables and program expenses from certain specified vendors, to be used and consumed by participants of the City's Parks and Recreation Department's after-school programs, summer camps, special events and other programmed activities; and providing for said waiver for a period of three (3) years, on a year-to-year basis, in an annual amount not-to-exceed \$270,000, contingent upon City Commission approval of the department's related budget allocation(s) during the adoption of the City's annual budget.

However, at the September 13, 2017 City Commission meeting, Resolution No. 2017-29976 (Exhibit C) was passed amending Resolution 2016-29388 increasing the annual not-to-exceed amount for program expenses from \$270,000 to \$435,000 and with this resolution expiring, the Parks and Recreation Department is seeking another bid waiver.

To date, the Department continues to hold various programs and events throughout the year that require the purchase of food, snacks, rides, inflatables and other necessary program expenses. The funds for these items are allocated annually through the department's approved budget.

Snacks and Food/Program Expenses

As part of the After-School Program, No School Days and Summer Camp curriculum, the Department provides free snacks to all participants (estimated average daily attendance of 1,000 children). These snacks are purchased on a bi-weekly to a monthly basis by the park staff at local grocery or wholesale stores. Aside from the daily programming, food and miscellaneous program expenses are regularly purchased for athletics, seniors, teens and toddler programs and activities such as Thanksgiving, Holiday, Valentine's Day, New Years and the end of season parties. Additionally, the Department also provides food to Guild for the Blind and to the special needs population programs.

The Department has procedures in place to properly safeguard the delivery and safekeeping of these items. All programmed sites have proper refrigeration as mandated by the Department of Health. The managers at each site are tasked with assuring proper inventory controls and distribution to the children during regular After-School and summer programming along with maintaining the same safeguards and procedures during the other planned events and activities.

Rides and Inflatables

The Parks and Recreation Department holds multiple events for thousands of residents throughout the year that require the rental of rides and inflatables such as:

- Back to School Bash
- Hispanic Heritage Festival
- Safe Night of Fright
- Halloween Happenings
- Winter Wonderland
- Cupid's Carnival
- Leprechaun's Carnival
- Spring Eggstravaganza

- Fall Fest
- Spring Fling
- Black History
- Art Gallery Night
- Pride Events
- Family Night
- Kid Zones
- Senior Events
- Playground Revue
- Misc. Cultural Events

In the past, staff has found it very difficult to acquire identical quotes from inflatable and ride vendors as not all companies have the same products to offer. These special events are a very important staple in the City and the department would like to offer a variety of inflatable and rides from different local vendors throughout the year (Exhibit D).

The department will work with the respective departments to stay in compliance with the City's established budgetary, procurement and administrative procedures.

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Jimmy L. Morales, City Manager
DATE: September 13, 2017

SUBJECT: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING RESOLUTION NO. 2016-29388 FOR THE SOLE PURPOSE OF INCREASING THE ANNUAL NOT-TO-EXCEED AMOUNT WITH RESPECT TO THE CITY'S PURCHASES FROM SPECIFIED VENDORS OF FOOD AND SNACKS, RIDES, INFLATABLES AND OTHER PROGRAM EXPENSES FOR THE BENEFIT OF PARTICIPANTS IN THE PARKS AND RECREATION DEPARTMENT'S AFTER-SCHOOL PROGRAMS, SUMMER CAMPS, SPECIAL EVENTS AND OTHER PROGRAMMED ACTIVITIES FOR A PERIOD OF THREE (3) YEARS; AND APPROVING AN INCREASE OF THE ANNUAL NOT-TO-EXCEED AMOUNT FOR PROGRAM EXPENSES FROM \$270,000 TO \$435,000, WITH THE FINAL AMOUNTS ALLOCATED FOR EACH YEAR SUBJECT TO CITY COMMISSION APPROVAL OF THE PARKS DEPARTMENT'S BUDGET, AS PART OF THE CITY'S ANNUAL BUDGET PROCESS.

RECOMMENDATION

The Administration recommends that the Mayor and City Commission hereby amending Resolution No. 2016-29388, for the sole purpose of increasing the annual not-to-exceed amount with respect to the City's purchases from specified vendors of food and snacks, rides, inflatables and other program expenses for the benefit of participants in the Parks and Recreation Department's after-school programs, summer camps, special events and other programmed activities for a period of three (3) years; and approve an increase of the annual not-to-exceed amount for program expenses from \$270,000 to \$435,000, with the final amounts allocated for each year subject to City Commission approval of the Parks Department's budget, as part of the City's annual budget process.

ANALYSIS

At the May 11, 2016 City Commission Meeting, Resolution No. 2016-29388 (Exhibit B) was passed approving the waiving, by a 5/7th vote, the formal competitive bidding requirements, finding such waiver to be in the City's best interest, and authorizing the purchase of food and snacks, rides and inflatables and program expenses to include the vendors listed in Exhibit A to be used and consumed by the City's Parks and Recreation Departments' participants in their after-school programs, summer camps, special events and other programmed activities; said waiver shall be authorized for a period of three (3) years, on a year-to-year basis, contingent upon City Commission approval of the department's related budget allocation(s) during the adoption of the City's annual budget, in an annual amount not to exceed \$270,000.

Through the FY 2017/2018 budget process, a revised annual budget of \$435,000 has been identified, which covers all expenses related to the purchase of food and snacks, rides and inflatables and program expenses (Exhibit C).

The Department holds various programs and events throughout the year that require the purchase of food, snacks, rides, inflatables and other necessary program expenses. The funds for these items are allocated annually through the department's approved budget.

Snacks and Food/Program Expenses

As part of the After-School Program, No School Days and Summer Camp curriculum, the Department provides free snacks to all participants (estimated average daily attendance of 1,000 children). These snacks are purchased on a bi-weekly to a monthly basis by the park staff at local grocery or wholesale stores. Aside from the daily programming, food and miscellaneous program expenses are regularly purchased for athletics, seniors, teens and toddler programs and activities such as Thanksgiving, Holiday, Valentine's Day, New Years and the end of season parties. Additionally, the Department also provides food to Guild for the Blind and to the special needs population programs.

The Department has procedures in place to properly safeguard the delivery and safekeeping of these items. All programmed sites have proper refrigeration as mandated by the Department of Health. The managers at each site are tasked with assuring proper inventory controls and distribution to the children during regular After-School and summer programming along with maintaining the same safeguards and procedures during the other planned events and activities.

Rides and Inflatables

The Parks and Recreation Department holds multiple events for thousands of residents throughout the year that require the rental of rides and inflatables such as:

- Hispanic Heritage Festival
- Safe Night of Fright
- Halloween Happenings
- Winter Wonderland
- Cupid's Carnival
- Leprechaun's Carnival
- Spring Eggstravaganza
- Fall Fest
- July Parks and Recreation Month Events

In the past, staff has found it very difficult to acquire identical quotes from inflatable and ride vendors as not all companies have the same products to offer. These special events are a very important staple in the City and the department would like to offer a variety of inflatable and rides from different local vendors throughout the year.

The department will work with the respective departments to stay in compliance with the City's established budgetary, procurement and administrative procedures.
