All remaining portions of the Concession Area (i.e., all portions of the Concession Area other than the Beachfront Area) are intended to be used in full for Concession Operations thereon to be run by Concessionaire and its approved Subconcessionaires to fulfill the purposes of this Agreement.

Amounts allocated to specific line items in the Budget may be reallocated to other line items subject to any adjustments due to increased or decreased costs in particular categories provided such reallocations do not change the design quality or scope of the improvements, landscaping and FF&E described and reflected in the renderings included in Concessionaire's RFP Proposal Tab 4, Section 4.1 - Conceptual Design. Notwithstanding the foregoing, if there is an overall savings on the Project Costs resulting from favorable market conditions, any savings will be placed into a separate, interest-bearing account and the use of such funds must be mutually agreed upon by the parties.

### **SECTION 3. USES.**

Concessionaire is hereby authorized by the City, in its proprietary capacity, to conduct the following kinds of businesses and provide the following kinds of services upon the Property, all of which shall be provided at Concessionaire's sole cost and expense. During the Term, all Beach and Pool Equipment shall be placed substantially in accordance with the City-approved Beach Equipment Site Plan. Concessionaire shall not alter the approved Beach Equipment Site Plan without the prior written consent of the City Manager or his/her designee. City and Concessionaire may meet periodically to review and, subject to mutual agreement, revise the maximum numbers for Beach and Pool Equipment in the Beachfront Area and/or Pool Area, and if so revised, an updated **Exhibit 3.1.5** will be incorporated into this Agreement. For the avoidance of doubt, all site plans for the Concession Area (including the Beach Equipment Site Plan) will be subject to review by the appropriate City departments, in the City's regulatory capacity.

3.1.6 Except as otherwise provided in this Agreement, the "Set-Up Period" for Beach and Pool Equipment in the Beachfront Area shall commence daily no earlier than one (1) hour after sunrise (or, in the event of inclement weather, as soon thereafter as such weather permits). During the Set-Up Period, Concessionaire shall be permitted to set up to the maximum number of Beach and Pool Equipment allowable for the Beachfront Area.

3.1.7 The parties acknowledge that Concessionaire's patrons may themselves relocate chairs and other Beach and Pool Equipment within the Beachfront Area and/or to an immediately adjacent Buffer Zone. Such relocation shall generally be permitted; provided, that, in the aggregate, Concessionaire shall not materially alter, and use good-faith, diligent efforts not to allow to be materially altered, the configuration of the Beachfront Area from what is set forth in the approved Beach Equipment Site Plan for the Beachfront Area. In such event, Concessionaire shall be responsible for promptly correcting any material alteration made by the patrons (when they leave) to bring the Beachfront Area back into substantial conformance with the approved Beach Equipment Site Plan for the Beachfront Area.

Moreover, if Concessionaire elects to replace a certain number of standard chairs with luxury chairs (above the number of luxury chairs approved pursuant to Section 3.1.5), but not to exceed the aggregate maximum number of chairs permitted under this Agreement, and if at any time thereafter a patron desires a standard chair which is unavailable, due to such replacement, then Concessionaire shall provide the patron with a luxury chair at the standard chair rate.

3.1.8 The City and Concessionaire agree and acknowledge that the public's use of the beach is a prime consideration and must be balanced with the services to be provided to the public, and the respective financial remunerations to City and Concessionaire pursuant to this Agreement. Accordingly, Concessionaire further agrees that, notwithstanding its right to set up its maximum numbers during the Set-Up Period, if during the period of time between the Set-Up Period and 1:00 PM Eastern Standard Time (or 2:00 PM daylight savings time, as applicable) on any day during Concessionaire's hours of operation, more than twenty-five percent (25%) of Concessionaire's maximum number of chairs for the Beachfront Area are vacant ("vacant" being defined for purposes of this subsection as not being rented), then Concessionaire shall remove, at 1:00PM EST (or 2:00PM daylight savings time, as applicable) that day, from the Beachfront Area, that number of chairs that is determined by subtracting the number of chairs equal to twenty-five percent (25%) of the maximum number of chairs permitted for the Beachfront Area from the number of vacant chairs at the relevant time. For example, assuming that 100 chairs are the maximum, if 100 chairs are set up in the Beachfront Area during the Set-Up Period, and 60 are rented and 40 are vacant then, at 1:00PM EST (or 2:00PM, daylight savings time, as applicable), Concessionaire must remove 15 chairs, which equals the difference between the actual number of vacant chairs in the Beachfront Area (i.e., 40) minus 25% of the maximum number of chairs allowable in the Beachfront Area during the Set-Up Period (i.e., 25). If chairs are removed as provided in the preceding sentence, Concessionaire may, later that same day, increase the number of chairs based upon demonstrated increased demand up to the maximum number of chairs permitted for the Beachfront Area.

3.1.9 Notwithstanding anything in this **Section 3.1**, the City's Ocean Rescue Division shall at all times have the sole and absolute discretion to require Concessionaire, and/or Concessionaire's patrons, to relocate chairs and other Beach and Pool Equipment in the event that such chairs and/or other Beach and Pool Equipment in any way impede and/or obstruct sightlines or have any other effect whatsoever which would directly or indirectly impede the performance of Ocean Rescue activities. Concessionaire will use good-faith, diligent efforts to cooperate with Ocean Rescue to promptly ensure compliance with the preceding requirement.

3.1.10 Concessionaire shall procure and maintain the insurance policies required pursuant to Section 14 (Exhibit 14) to cover exposures associated with the Beachfront Operations and the Pool Operations. For the avoidance of doubt, as indicated in **Exhibit 14.3**, Concessionaire may elect not to procure business interruption coverage for its Beachfront Operations subject to the requirements set forth in such Exhibit.

- 3.2.4 Concessionaire shall be permitted to deliver food and beverages from the Restaurants Concession Areas to the Beachfront Area and Pool Area and to “offsite” customers and, in connection therewith, to utilize an internet based application or other form of electronic software program or any other platform or means of communication (e.g., website, third-party food delivery apps, telephone orders, etc.) (collectively, the “F&B Apps”) provided, that, (i) the only food and beverage menu items offered on the F&B Apps are those permitted to be provided by Concessionaire under this Agreement within the applicable Concession Areas;

(ii) no items whatsoever, other than those provided for under this Agreement, shall be offered on the F&B Apps within the Concession Areas; and (iii) the City shall be entitled to receive its percentage of Gross Receipts in accordance with **Section 4** for any and all additional revenue received by Concessionaire (or Restaurant Operator) in conjunction with use of the F&B Apps whether such orders are filled from or at the Concession Area or elsewhere .

- 3.2.5 All food and beverages sold within the Property will be properly prepared and served in compliance with all applicable health and sanitary standards, laws and regulations and the Restaurants shall be operated in compliance with all Requirements. Concessionaire shall use products to serve food and beverage that are environmentally friendly. - 3.2.8 The City acknowledges that the Restaurant Operations will be delegated by Concessionaire to the Restaurant Subconcessionaires, provided that no such delegation will act to release Concessionaire from its obligations hereunder and Concessionaire shall remain responsible for compliance with all provisions of this Agreement.
- 3.2.9 Concessionaire shall maintain (or shall cause any MFG and/or any approved Replacement Restaurant Subconcessionaire to maintain) the following minimum insurance coverage (i) Comprehensive General Liability in limits of not less than \$1,000,000.00 per occurrence and \$5,000,000 general aggregate; (ii) Workers' Compensation in statutory limits under Florida law and Employer Liability Insurance for bodily injury or disease with limits of not less than \$1,000,000/\$1,000,000/\$1,000,000; and (iii) Automobile Liability Insurance covering any automobile, if Concessionaire (or MFG and/or other approved Replacement Restaurant Subconcessionaire) has no owned automobiles, then coverage for hired and non-owned automobiles, with limits of not less than \$1,000,000 combined per accident for bodily injury and property damage; (iv) Liquor Liability Insurance on an occurrence basis, including property damage, bodily injury and personal & advertising injury with limits no less than \$1,000,000 per occurrence; (iv) Crime/theft policy in limits of not less than \$300,000.00 per

The City Manager shall not unreasonably withhold or delay his or her approval if the Preliminary Plans and Specifications for substantially conform to the Project Concept Plan for such Phase; it being agreed however, that the City's failure to so notify Owner of its disapproval within ten (10) Business Days after a second written request bearing the legend specified in Subsection 26.13 of this Agreement shall be deemed to constitute the City's conclusive approval of such Preliminary Plans and Specifications (subject to Concessionaire's compliance with Subsection 26.13 of this Agreement). If the City Manager disapproves the Preliminary Plans and Specifications, then Owner shall within thirty (30) days after such disapproval, submit a revised modification to the Preliminary Plans and Specifications that substantially conform to the Project Concept Plan to the City Manager pursuant to the foregoing process until such Preliminary Plans and Specifications for such Phase have been approved by the City Manager.

Specifications to substantially deviate from the RFP Concept Plans shall be subject to approval by the City Manager in his or her reasonable discretion. The Preliminary Plans and Specifications for each Phase of the Project, as revised to conform to conditions to the issuance of the Project Approvals and, if applicable, any such revisions have been approved by the City Manager to the extent required herein, are referred to in this Agreement as the "Approved Preliminary Plans".

7.1.3 Upon receipt of the Project Approvals for the Work, Concessionaire shall prepare the Plans and Specifications for construction of the Work, substantially consistent with the Approved Preliminary Plans, for review by the City (acting in its proprietary capacity as owner of the Concession Area). The City Manager shall have twenty (20) Business Days to review the Plans and Specifications for substantial consistency with the Approved Preliminary Plans; it being agreed however, that the City's failure to so notify Concessionaire of its disapproval within ten (10) Business Days after a second written request bearing the legend specified in Subsection 26.13 of this Agreement shall be deemed to constitute the City's conclusive approval of such Plans and Specifications (subject to Concessionaire's compliance with Subsection 26.13 of this Agreement). If the City Manager disapproves the Plans and Specifications for either Phase of the Project, then Developer shall, within thirty (30) days after such disapproval, submit revised Plans and Specifications so that they substantially conform to the Approved Preliminary Plans and then re-submit them to the City Manager pursuant to the foregoing process until the Plans and Specifications have been approved by the City Manager. Concessionaire shall pursue approval by the City of the Plans and Specifications diligently and in good faith and shall use diligent, good faith efforts to obtain the Full Building Permit on or before December 31, 2025.

Subcontractors providing smaller levels of service than that provided by the General Contractor shall also be required to maintain the insurance coverage as depicted in **Exhibit 7.4**. The Concessionaire shall furnish to the City's Risk Manager certificates of insurance evidencing the coverage required hereunder and the required Payment and Performance Bond from the General Contractor for the City's Risk Manager to review, comment and approve at least thirty (30) days prior to commencement of construction on the Concession Area. All such policies shall provide that the City and the Concessionaire shall be given thirty (30) days prior written notice of any cancellation, lapse, or material modification of said insurance coverage and/or bonds or, if the insurer will not do so, the covenant of the General Contractor to provide such written notice.

Notwithstanding the foregoing or any other provisions of this Agreement, but subject to Section 18, if any part of the Concession Area is damaged or destroyed or requires repair, replacement, or alteration and/or if Concessionaire fails to maintain the Concession Area in accordance with the Maintenance Standards, the City shall have the right to perform same and the cost of such repairs, replacement, alterations and/or maintenance shall be paid by Concessionaire to City within ten (10) days of written demand. In addition, if, in an emergency, it shall become necessary to make promptly any repairs or replacements required to be made by Concessionaire, City may proceed forthwith to have the repairs or replacements made and pay the costs thereof. Within ten (10) days after written demand, Concessionaire shall

reimburse City for the cost of making the repairs. For the avoidance of doubt, the City shall remain responsible for maintaining and repairing water and sewer mains and stormwater infrastructure, if any, lying within the Concession Area, but the City shall have no responsibility to maintain or repair any lines connecting the City's water and sewer mains to any portion of the Concession Area or any drains and lines that allow for the drainage of stormwater from the Concession Area into the City's stormwater infrastructure.

10.2.2 All repair and maintenance performed by Concessionaire shall be performed by contractors or workmen approved by the City Manager or the City Manager's designee.

10.2.3 Concessionaire's compliance with the Maintenance Standards shall be subject to City's reasonable discretion. Concessionaire and City shall inspect the physical structure of the Concession Area not less frequently than every three (3) years, at the expense of the Concessionaire, and using a contractor mutually agreed upon by the parties, to identify deferred maintenance items and develop a schedule of renewal and replacement projects for the following three (3) years.

10.2.4 At the expiration or earlier termination of the Term, Concessionaire shall surrender the Concession Area to City in as good condition and repair as Concessionaire is required to maintain the Concession Area throughout the Term, reasonable wear and tear excepted.

10.2.5 Despite any subcontracts by Concessionaire approved by the City Manager or his/her designee and the delegation of certain responsibilities and obligations of Concessionaire as set forth in this Section 10, Concessionaire shall remain responsible for ensuring that any such subcontractors perform the services required to be provided under this Agreement are performed in accordance with the terms and conditions of this Agreement.

Title to all supplies, furnishings, inventories, and removable equipment and other personal property shall remain in Concessionaire, and Concessionaire shall have the right to remove such items from the Concession Area without damaging the Concession Area unless Concessionaire is in default under this Agreement. Concessionaire may, during the Term, in the usual course of its business, remove its trade fixtures, provided that Concessionaire is not in default under this Agreement; and Concessionaire shall, at the expiration or earlier termination of the Term, at its sole cost, remove such of the improvements and trade fixtures in the Concession Area as City shall require to be removed and restore the Concession Area to the condition existing on the Commencement Date. Concessionaire shall at its own expense repair any damage caused to the Concession Area by such removal. If Concessionaire does not remove its trade fixtures at the expiration or earlier termination of the Term, the trade fixtures shall, at the option of City, become the property of City and may be removed from the Concession Area and sold or disposed of by City in such manner as it deems advisable without any accounting to Concessionaire.

10.4 Liens.

Concessionaire shall promptly pay for all materials supplied and work done in respect of the Concession Area by, through, or under Concessionaire so as to ensure that no lien is recorded against any portion of the Concession Area or against City's or Concessionaire's respective interests therein. If a lien is so recorded, Concessionaire shall discharge it promptly by payment or bonding. If any such lien against the Concession Area is recorded and not discharged by Concessionaire as above required within thirty (30) days following written notice to Concessionaire, City shall have the right to remove such lien by bonding or payment and the cost thereof shall be paid immediately by Concessionaire to City. City and Concessionaire expressly agree and acknowledge that no interest of City in the Concession Area shall be subject to any lien for improvements made by Concessionaire in or for the Concession Area, and City shall not be liable for any lien for any improvements made by Concessionaire, such liability being expressly prohibited by the terms of this Agreement. Concessionaire hereby agrees to inform all Contractors performing work in or for or supplying materials to the Concession Area of the requirements of this Section and to include provisions in all contracts with such Contractors confirming same.

(Note that, for purposes of this **Subsection 10.5.1**, and of any other section of the Agreement which references the term "areas outside of the Concession Area," that term shall be deemed to reference and include only the specific areas described in clauses (2) through (5) above).

10.5.2 Facilities/Equipment/Furnishings.

Concessionaire must provide and maintain, at its own cost and expense, all facilities, equipment, and furnishings required to operate the Concession Operations. In the event any of the aforesaid items are lost, stolen, or damaged during the Term, they shall be repaired or, if irreparable, replaced, at the sole cost and expense of the Concessionaire, within fifteen (15) days of written notice from the City Manager or his/her designee, provided, that, if any such item reasonably requires more than such 15-day period to repair or replace, Concessionaire shall not be in default of this **Subsection 10.5.2**, provided, that, it commences to repair and replace promptly after notice thereof from the City and pursues such repair or replacement with all due diligence.

10.6 Orderly Operation.

Concessionaire shall keep a neat and orderly operation at all times and shall be solely responsible for the necessary housekeeping services to properly maintain the Concession Area and all facilities, equipment and furnishings thereto. There shall be no living quarters,

nor shall anyone be permitted to live, within the Concession Area, the Concession Area Structures and/or any other facilities thereon, provided, that, if Concessionaire becomes aware of any such living quarters or that someone is living in the Beachfront Area, its only obligation with regard thereto is to notify the Miami Beach Police Department promptly. Concessionaire shall make available all of its facilities, equipment and furnishings for inspection during hours of operation by the City Manager or his/her authorized representative.

#### 10.7 Environmental Matters.

10.7.1 Concessionaire shall not (and shall ensure any Subconcessionaires do not) knowingly incorporate into, use, or otherwise place or dispose of at the Concession Area (or allow others to incorporate into, use, or otherwise place or dispose of at the Concession Area) any Hazardous Materials, as hereinafter defined, unless (i) such Hazardous Materials are for use in the ordinary course of business (i.e., as with office or kitchen cleaning supplies or in the case of the Restaurant Operations, the use of cooking products, propane gas and similar products typical to the industry), (ii) notice of and a copy of the current material safety data sheet is provided to City for each such Hazardous Material (except for Hazardous Materials used by Concessionaire and Subconcessionaires in the ordinary course of business as set forth in (i), above), and (iii) such materials are handled and disposed of in accordance with all applicable governmental laws, rules, and regulations. If City or Concessionaire ever has actual knowledge of the presence at the Concession Area of Hazardous Materials which affect the Concession Area, such party shall notify the other thereof in writing promptly after obtaining such knowledge. For purposes of this Agreement, "Hazardous Materials" shall mean: (a) petroleum and its constituents; (b) radon gas, asbestos in any form which is or could become friable, urea formaldehyde foam insulation, transformers or other equipment which contain dielectric fluid containing levels of polychlorinated biphenyls in excess of federal, state or local safety guidelines, whichever are more stringent; (c) any substance, gas, material or chemical which is or may hereafter be defined as or included in the definition of "hazardous substances," "hazardous materials," "hazardous wastes," "pollutants or contaminants," "solid wastes," or words of similar import under any applicable governmental laws, rules, and regulations including, but not limited to, the Comprehensive Environmental Response, Compensation and Liability Act, as amended, 42 U.S.C. § 9061 et seq.; the Hazardous Materials Transportation Act, as amended, 49 U.S.C. § 1801, et seq.; the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6901, et seq.; the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251, et seq.; and Florida Statutes, Chapters 376 and 403; and (d) any other chemical, material, gas, or substance, the exposure to which is regulated by any governmental or quasi-governmental entity having jurisdiction over the Concession Area or the operations thereon.

10.7.2 If Concessionaire or its employees, agents, contractors, Subconcessionaires or assigns shall ever violate the provisions of **Subsection 10.7.1**, above, then Concessionaire shall clean-up, remove, and dispose of the Hazardous Material causing the violation, in compliance with all applicable governmental standards, laws, rules, and regulations and repair any damage to the Concession Area within such period of time as may be reasonable under the circumstances after written notice by City, provided that such work shall commence not later than thirty (30) days from such notice and be diligently and continuously carried to completion by Concessionaire or Concessionaire's designated contractors. Concessionaire shall notify City of its method, time, and procedure for any clean-up or removal of Hazardous Materials under this provision; and City shall have the

right to require reasonable changes in such method, time, or procedure or to require the same to be done after normal business hours or when the Concession Area is otherwise closed (i.e., holidays) if reasonably required for the protection of Concessionaire's patrons.

10.7.3 Concessionaire agrees to defend, indemnify and hold harmless City against any and all claims, costs, expenses, damages, liability, and the like, which City may hereafter be liable for, suffer, incur, or pay arising under any applicable environmental laws, rules, and regulations and resulting from or arising out of any breach of the covenants contained in this **Section 10.7**, or out of any act, activity, or violation of any applicable environmental laws, rules, and regulations on the part of Concessionaire, its employees, agents, contractors, Subconcessionaires or assigns. Concessionaire's liability under this **Section 10.7.3** shall survive the expiration or any termination of this Agreement.

10.7.4 Concessionaire shall have no responsibility to pay for, assist with, contribute to, or remediate any environmental issues affecting the Concession Area (including, for the avoidance of doubt, the Public Parking Area) that existed prior to the Occupancy Date.

#### 10.8 Security.

Concessionaire shall be solely responsible for providing such security measures as Concessionaire, in its professional experience and judgment, may deem necessary to protect any of its facilities, equipment, and furnishings within the Concession Area and patrons of the Concession Operations. Under no circumstances shall the City be responsible (i) for any stolen or damaged facilities, equipment, or furnishings; nor shall the City be responsible for (ii) any stolen or damaged personal property of Concessionaire's patrons, guests, invitees, employees, contractors, and/or any other third parties; provided that, as to clause (ii), the foregoing is not intended to impose any affirmative duty on Concessionaire for any such theft or damage.

#### 10.9 Vehicles on the Beach.

All vehicles used by Concessionaire, or its employees, agents or contractors, in the Beachfront Area shall comply with the rules and regulations of the City of Miami Beach as same may be amended from time to time, including, but not limited to, as to type of vehicle, use of vehicle and hours of use of vehicle. For purposes hereof, vehicles shall include (i) any "on-road" vehicles and/or trailers licensed in accordance with applicable County, State and Federal law, to operate on public streets and roadways; and (ii) any "off-road" vehicles such as golf carts and all-terrain vehicles ("ATV's"); and (iii) any other vehicles, trailers or carts permitted for use in the Beachfront Area. The current rules and regulations governing vehicles in the Beachfront Area are attached hereto as **Exhibit 10.9**.

#### 10.10 Inspection.

The Concessionaire agrees that the Concession Area, and all facilities, equipment, furnishings, and operations thereon, may be inspected at any time during hours of operation by the City Manager or his/her authorized designee(s), or by any other municipal, County, State agency or official having responsibilities for inspections of such operations. The Concessionaire hereby waives all claims against the City for compensation for loss or damage sustained by reason of any interference (which interference, if by the City, must be reasonable) with the concession operation by the City,

or any public agency or official, in enforcing their duties or any laws or ordinances. Any such interference shall not relieve the Concessionaire from any obligation to perform hereunder.

## **SECTION 11. DAMAGE AND DESTRUCTION.**

### **11.1 Damage to Concession Area.**

If the Concession Area Structures or other improvements on the Concession Area (collectively, "Improvements") are partially or totally destroyed due to fire or other casualty, the Concessionaire, except as hereafter provided in this **Subsection 11.1**, shall, at its sole cost and expense within the earlier of: (i) thirty (30) days after receiving insurance proceeds with respect to any such casualty or (ii) one hundred eighty (180) days from the date of such casualty, commence the work of repair, reconstruction, restoration, or replacement and shall prosecute the work with all reasonable dispatch, so as to fully complete such work as expeditiously as reasonably possible consistent with the nature and extent of the casualty, with such Improvements to be repaired, reconstructed, or restored as nearly as practicable to the same condition as prior to such casualty. MG and PG shall abate proportionately to the portion of the Concession Area, if any, rendered unusable from the date of destruction or damage until the repairs have been substantially completed. Upon being notified that the repairs have been substantially completed, Concessionaire shall diligently perform all other work required to fully restore the Concession Area for use in Concessionaire's business, in every case at Concessionaire's cost and without any contribution to such cost by City. Concessionaire agrees that during any period of reconstruction or repair of the Concession Area, it will continue the operation of its business within the Concession Area to the extent practicable. If the damage or destruction is a result of the negligence or willful misconduct of Concessionaire or Concessionaire's employees, contractors or agents, the charges payable under this Agreement shall not abate.

**11.2 Termination for Damage.** Notwithstanding Section 11.1, if damage or destruction which has occurred to the Concession Area is of a material nature and such that, in the reasonable opinion of City or Concessionaire, such reconstruction or repair cannot be completed within three hundred and sixty five (365) days of the happening of the damage or destruction, City or Concessionaire may, at its sole option, terminate this Agreement on notice given within sixty (60) days after such damage or destruction.

## **SECTION 12. PARKING.**

**12.1** Concessionaire shall stage construction of the Work in a manner that minimizes the extent and duration of displacement of the existing public parking spaces in the Concession Area during construction. In furtherance of and without limiting the foregoing, as an Occupancy Condition, Concessionaire shall submit a parking mitigation plan in form and substance acceptable to the City in its sole discretion that either (a) phases construction of the parking areas within the Concession Area so that there will be seventy-two (72) municipal parking spaces within the Concession Area at all times or (b) addresses both loss of parking by providing for alternate parking within proximity of the existing public parking spaces (not greater than one-half mile) and loss of revenue to the City. The City shall consider in good faith leasing the seventy-two (72) municipal parking spaces in the Concession Area to Concessionaire for the period commencing on the Occupancy Date through completion of construction in the Public Parking Area at a monthly rate to be determined by reference to the average revenue to the City from the existing parking lot in the Concession Area during the applicable month during the three (3) years prior to the Occupancy Date. Concessionaire shall use commercially reasonable efforts to complete

construction of the Public Parking Area by or before December 31, 2026.

12.2 The City shall manage and operate the Public Parking Area, provided, Concessionaire shall be responsible for maintaining the Public Parking Area at its sole cost and expense. Upon Substantial Completion of the Work, the Concession Area may be subdivided by Declaration or otherwise in a manner reasonably satisfactory to the City to specifically exclude the Public Parking Area. For the avoidance of doubt, the City shall be entitled to receive and retain all gross revenues from the operation of the Public Parking Area.

### **SECTION 13. SIGNAGE AND NAMING RIGHTS.**

13.1 Concessionaire, at Concessionaire's expense, and the Subconcessionaires, at their respective expense, shall have the right to erect and maintain signage upon the Concession Area, including, in Concessionaires discretion, signage which identifies the overall facility and individual Concession Areas. The design and specification of such signage shall be subject to City's sign criteria as adopted from time to time and such design and specification (including camera-ready artwork) shall be submitted for City's prior approval. City's current signage criteria is attached hereto and made a part hereof as **Exhibit 13.1**. All such signage shall be in accordance with all applicable Requirements. Any new or altered signage posted by Concessionaire (or any Subconcessionaire) on its facilities and equipment shall be subject to the prior approval of the City Manager or his or her designee as to size, shape and placement of same.

13.2 The name for the new beach establishment shall require the approval of the City Manager, which approval shall not be unreasonably withheld, conditioned or delayed, or if City Commission approval is required, then in City Commission's sole discretion. The foregoing is not intended to limit signage rights for Subconcessionaires, whose signage may be on the exterior of their spaces within the Concession Area, subject to compliance with applicable Requirements.

### **SECTION 14. INSURANCE.**

14.1 Concessionaire shall maintain during the Term, at its sole cost and expense, insurance coverage meeting the criteria established by the City as set forth on **Exhibit 14** attached hereto and made a part hereof.

14.2 Should Concessionaire fail to obtain, maintain or renew the policies of insurance referred to above, in the required amounts, the City may, at its sole discretion, obtain such insurance, and any sums expended by City in obtaining said insurance, shall be repaid by Concessionaire to City, plus ten percent (10%) of the amount of premiums paid to compensate City for its administrative costs. If Concessionaire fails to repay City's expenditures within fifteen (15) days of demand, the total sum owed shall accrue interest at the rate of twelve percent (12%) per annum until paid, and such failure shall be deemed an Event of Default hereunder.

14.3 The terms of insurance policies referred to in this Section 14 shall preclude subrogation claims against Concessionaire, the City, and their respective officers, employees, contractors and agents.

## **SECTION 15 WAIVER OF SUBROGATION.**

15.1 Without limiting Concessionaire's indemnity obligations, City and Concessionaire each hereby waives on behalf of itself and its insurers (none of which shall ever be assigned any such claim or be entitled thereto due to subrogation or otherwise) any and all rights of recovery, claim, action, or cause of action, against the other, its agents, officers, or employees, for any loss or damage that may occur to the Concession Area, the Concession Area Structures or any other Improvements, or any further improvements or renovation during the Term to any of the foregoing, or any personal property of such party therein, by reason of fire, the elements, or any other causes which are, or could or should be insured against under the terms of the standard fire and extended coverage insurance policies referred to in this Agreement, regardless of whether such insurance is actually maintained and regardless of the cause or origin of the damage involved, including negligence of the other party hereto, its agents, officers, or employees. Concessionaire shall obtain from its insurers, under all policies of fire, theft, public liability, worker's compensation, and other insurance maintained by it at any time during the Term hereof insuring or covering the Concession Area or any portion thereof or operations therein, a waiver of all rights of subrogation which the insurer of Concessionaire have against the City, and Concessionaire shall indemnify, defend, and hold harmless City against any loss or expense, including reasonable attorney's fees and costs at all tribunal levels.

## **SECTION 16. LOSS OR DAMAGE.**

16.1 Except to the extent otherwise expressly set forth herein, Concessionaire acknowledges that the City will not be performing any maintenance and repairs to the Concession Area or the Public Parking Area. City shall not be liable for any death or injury arising from or out of any occurrence in, upon, at, or relating to the Concession Area or the Public Parking Area, or damage to property of Concessionaire or of others located in the Concession Area or the Public Parking Area, nor shall it be responsible for any loss of or damage to any property of Concessionaire or others from any cause, unless such death, injury, loss, or damage results from the gross negligence or willful misconduct of City. Without limiting the generality of the foregoing, City shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, falling ceiling tile, falling fixtures, steam, gas, electricity, water, rain, flood, or leaks from any part of the Concession Area or the Public Parking Area or from the pipes, sprinklers, appliances, plumbing works, roof, windows, or subsurface of any floor or ceiling of any improvements on the Concession Area or the Public Parking Area, or from the street or any other place or by dampness, or by any other cause whatsoever, unless resulting from the gross negligence or willful misconduct of City. Concessionaire agrees to indemnify City and hold it harmless from and against any and all loss, claims, actions, damages, liability, and expense of any kind whatsoever (including attorneys' fees and costs at all tribunal levels), unless caused by the gross negligence or willful misconduct of City, arising from any occurrence in, upon, or at the Concession Area or the Public Parking Area, or the occupancy, use, or improvement by Concessionaire or its agents or invitees of the Concession Area or the Public Parking Area, or occasioned wholly or in part by any act or omission of Concessionaire its agents, employees, and invitees or by anyone permitted to be in the Concession Area by Concessionaire.

## **SECTION 17. INDEMNITY.**

17.1 In consideration of a separate and specific consideration of \$10.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Concessionaire shall indemnify, hold harmless and defend the City, its officers, officials, employees, contractors, and agents, from and against any claim, demand or cause of

action of whatsoever kind or nature arising out of (a) the negligent act or willful misconduct of Concessionaire, its officers, directors, members, managers, employees, contractors (including, without limitation, any Subconcessionaires), or agents, in the performance of services under this Agreement, excluding, however, any such liability that arises as a result of the willful misconduct or gross negligence of the City, its officers, officials, employees, contractors, or agents (b) Concessionaire's breach of the terms of this Agreement or its representations and warranties in Section 30; and/or (c) any lawsuit, action or proceeding challenging the validity, execution or effectiveness of the Concession Agreement, any tort or other claim related to any of the foregoing, or any such challenge relating to any approval required under the County Charter, City Code and/or the City Charter ("Lawsuit") but excluding the lawsuit styled Penrod Brothers Inc v. City of Miami Beach (Case Number 1:23-cv-23362-JEM) or any subsequent lawsuit or proceeding instituted by Penrod Brothers, Inc.. Concessionaire shall pay all such claims and losses and shall pay all such costs and judgments which may issue from any lawsuit arising from such claims and losses, and shall pay all costs and attorneys' fees expended by the City in the defense of such claims and losses, including appeals (the "Liabilities").

- 17.2 In addition, and in consideration of a separate and specific consideration of Ten (\$10.00) Dollars and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, Concessionaire shall indemnify, hold harmless and defend the City, its officers, employees, contractors, agents or servants from and against any claim, demand or cause of action of whatever kind or nature arising out of any misconduct of Concessionaire, its officers, employees, contractors, Subconcessionaire(s), agents or servants not included in Subsection 17.1 herein and for which the City, its officers, employees, contractors, subconcessionaire(s), agents or servants are alleged to be liable excluding, however, any such liability that arises as a result of the willful misconduct or gross negligence of the City, its officers, officials, employees, contractors, or agents. Concessionaire shall pay all such claims and losses and shall pay all such costs and judgments which may issue from any lawsuit arising from such claims and losses, and shall pay all costs and attorneys' fees expended by the City in the defense of such claims and losses, including appeals (the "Misconduct Liabilities").
- 17.3 In the event any Person not a party to this Agreement shall make any demand or claim or file or threaten to file or continue any lawsuit, which demand, claim or lawsuit may result in Liabilities and/or Misconduct Liabilities to the City, the City shall give written notice to such effect to the Concessionaire promptly upon becoming aware thereof, including with such notice all correspondence and documents in the possession of the City relating thereto (collectively, the "Notice"). In such event, within ten (10) days after Notice of such demand, claim or lawsuit (provided, however, that the failure to give such Notice shall not relieve the Concessionaire of its obligations hereunder unless, and only to the extent that, such failure caused the damages for which the Concessionaire is liable to be greater than they would otherwise have been had the City given prompt notice hereunder), or if no such notice is given, within ten (10) days of becoming aware thereof, Concessionaire shall have the right, at its sole cost and expense, to retain counsel (which counsel shall be reasonably satisfactory to the City), to defend any such demand, claim or lawsuit. Thereafter, the City shall be permitted, but not required, to participate in such defense at its own expense. Notwithstanding the foregoing, if (a) the Concessionaire fails to retain counsel reasonably satisfactory to the City within such ten (10) day period or (b) if the named parties to any such proceeding (including any impleaded parties) include both the Concessionaire and the City or if the Concessionaire proposes that the same counsel represent both the Concessionaire and the City and representation of both parties by the

same counsel would be inappropriate due to actual or potential differing interests between them, then the City shall have the right to retain its own counsel at the cost and expense of the Concessionaire.

- 17.4 Notwithstanding anything to the contrary contained in **Subsection 17.1** or **17.2**, it is acknowledged and agreed that Concessionaire's employees and agents that will be responsible for the Beachfront Operations are not lifeguards nor water safety instructors and shall have no responsibility or liability whatsoever with regard to conditions or events in the Beachfront Area which are out of Concessionaire's control including, without limitation, (a) the surf, sand, weather, water or wind conditions or other naturally occurring conditions or elements such as sand bars, flora and fauna; (b) the safety or health of any persons in the Beachfront Area or elsewhere, where the threat to their safety or health was not directly caused by Concessionaire's negligent act or omission during business hours; or (c) the competency, fitness, physical limitations, or abilities of any persons using the concession services offered in the Beachfront Area. Moreover, it is further acknowledged and agreed that Concessionaire and its employees and agents shall have no responsibility or liability for incidents occurring in the Beachfront Area outside of normal business hours, where the incident was not directly caused by Concessionaire's negligent act or omission. It is further acknowledged and agreed that Concessionaire provides beach services and does not control the swimming area in the Atlantic Ocean adjacent to the Beachfront Area. For the avoidance of doubt, the foregoing provisions are intended to apply expressly to the Beachfront Area and Concessionaire shall be solely responsible for taking such steps as Concessionaire deems reasonably necessary to ensure the safety and wellbeing of patrons in the Pool Area, provided, it is acknowledged and agreed that nothing in this Section 17.5 or elsewhere in this Agreement is intended to impose any obligation on Concessionaire to employ lifeguards for any part of the Concession Area. Similarly, it is acknowledged and agreed that although the City has a lifeguard presence within or near the Beachfront Area, the City has no obligation to employ lifeguards at the Pool Area, as the Pool Area will be under the exclusive control of the Concessionaire.
- 17.5 Concessionaire shall be permitted to set forth signage throughout the Beachfront Area and the Pool Area in the form of **Exhibit 17.5**.
- 17.6 The provisions of this Section 17 shall survive the expiration or termination of this Agreement.

## **SECTION 18. FORCE MAJEURE.**

### **18.1. Force Majeure Generally.**

The performance of any act by the City or Concessionaire hereunder may be delayed or suspended at any time while, but only so long as, such party is hindered in or prevented from performance of its obligations under this Agreement by a Force Majeure Event, provided, however, if such condition persists for more than one hundred eighty (180) consecutive days, the City and Concessionaire may in their sole discretion renegotiate the terms of this Agreement. If the performance of the contractual obligations is prevented or delayed by an event believed by a party to be a Force Majeure Event, such party shall immediately upon learning of the occurrence of the event or of the commencement of any such delay, but in no case later than thirty (30) days from the occurrence of the event, provide notice of (i) of the occurrence of the event believed to be a Force Majeure Event, (ii) of the nature of the event and the cause thereof, (iii) of the

anticipated impact on the Agreement, (iv) of the anticipated period of the delay, and (v) of what course of action such party plans to take in order to mitigate the detrimental effects of the event. The timely delivery of the notice of the occurrence of a Force Majeure Event is a condition precedent to allowance of any relief pursuant to this section; however, receipt of such notice shall not constitute acceptance that the event claimed to be a Force Majeure Event is in fact a Force Majeure Event, and the burden of proof of the occurrence of a Force Majeure Event shall be on the requesting party.

#### 18.2 Labor Dispute.

In the event of a labor dispute which results in a strike, picket, or boycott affecting the Concession Areas described in this Agreement (a "Labor Dispute"), Concessionaire shall not thereby be deemed to be in default or to have breached any part of this Agreement, unless such dispute shall have been caused by illegal labor practices or violations by Concessionaire of applicable collective bargaining agreements and there has been a final determination of such fact which is not cured by Concessionaire within thirty (30) days following such determination or, if compliance with such final determination is not reasonably susceptible to being cured within such period, then Concessionaire shall not be considered in default if it shall, within such period, commence with due diligence and dispatch to cure such default and thereafter completes such cure.

#### 18.3 Waiver of Loss from Hazards.

The Concessionaire hereby expressly waives all claims against the City or its officers, officials, employees, contractors or agents, for loss or damage sustained by the Concessionaire resulting from any Force Majeure Event or Labor Dispute, and the Concessionaire hereby expressly waives all rights, claims, and demands against the City or its officers, officials, employees, contractors, or agents, and forever releases and discharges the City and its officers, officials, employees, contractors, or agents, from all demands, claims, actions and causes of action arising from any of the aforesaid causes.

### **SECTION 19. DEFAULT, TERMINATION AND PENALTIES**

**Each of the events or occurrences described in Subsections 19.1 through 19.3 shall constitute an Event of Default under this Agreement. An Event of Default by Concessionaire shall entitle City to exercise any and all remedies available at law or in equity as well as those expressly provided for in this Section 19. An Event of Default by City shall entitle Concessionaire to exercise any and all remedies available at law or in equity as well as those expressly provided for in this Section 19.**

#### 19.1 Bankruptcy.

If either the City or Concessionaire shall be (a) adjudged bankrupt or insolvent, or (b) if any receiver or trustee of all or any part of the business property of either party shall be appointed, or if any receiver of all or any part of the business property shall be appointed and in any such case shall not be discharged within ninety (90) days after appointment, or (c) if either party shall make an assignment of its property for the benefit of creditors, or (d) shall file a voluntary petition in bankruptcy or insolvency, or shall apply for reorganization or arrangement with its creditors under the bankruptcy or insolvency laws now in force or hereinafter enacted, Federal, State, or otherwise, or (e) if such petitions shall be filed against either party and shall not be dismissed within ninety (90) days after such filing, then the other party may immediately, or at any time thereafter, and without

further demand or notice, terminate this Agreement without being prejudiced as to any remedies which may be available to it for breach of contract.

19.2 Default in Payment.

In the event Concessionaire fails to submit any payment within five (5) days of its due date, there shall be a late charge of \$50.00 per day for such late payment, in addition to interest at the highest rate allowable by law (currently 18% per annum). If any payment and accumulated penalties are not received within fifteen (15) days after the payment due date, and such failure continues three (3) days after written notice thereof, then the City may, without further demand or notice, terminate this Agreement without being prejudiced as to any additional remedies which may be available to it for breach of contract.

19.3 Non-Monetary Default.

In the event that Concessionaire or the City fails to perform or observe any of the covenants, terms or provisions under this Agreement (other than default in payment under **Section 19.2** above), and such failure continues thirty (30) days after written notice thereof from the other party hereto, such non-defaulting party may immediately or at any time thereafter, and without further demand or notice, terminate this Agreement without being prejudiced as to any additional remedies which may be available to it for breach of contract. Notwithstanding the foregoing, in the event that a default is not reasonably susceptible to being cured within such period, the defaulting party shall not be considered in default if it shall, within such period, commence with due diligence and dispatch to cure such default and thereafter completes with dispatch and due diligence the curing of such default, but in no event shall such extended cure period exceed ninety (90) days from the date of written notice thereof except to the extent of a delay beyond such ninety (90) day period caused by a Force Majeure Event. In the event Concessionaire cures any default pursuant to this subsection, it shall promptly provide City with written notice of same.

19.4 City's Remedies for Concessionaire's Default.

If an Event of Default by Concessionaire as set forth in this Section shall occur, the City may, after notice (if required) and the expiration of applicable cure periods, as provided above, at its sole option and discretion, institute such proceedings as in its opinion are necessary to cure such defaults and to compensate City for damages resulting from such defaults, including, but not limited to, the right to give to Concessionaire a notice of termination of this Agreement. If such notice is given, the Term of this Agreement shall terminate upon the date specified in such notice from City to Concessionaire, but in no event shall the City specify a surrender date that is less than ten (10) days from the date the notice is delivered to Concessionaire. On the date so specified, Concessionaire shall then quit and surrender the Concession Area to City pursuant to the provisions of **Subsection 19.7**. Upon the termination of this Agreement, all rights and interest of Concessionaire in and to the Concession Area and to this Agreement, and every part thereof, shall cease and terminate (other than those provisions which by their terms survive such termination) and City may, in addition to any other rights and remedies it may have, retain all sums paid to it by Concessionaire under this Agreement. In addition to the rights set forth above, City shall have the rights to pursue any and all of the following:

- a. the right to injunction or other similar relief available to it under Florida law against

- Concessionaire; and
- b. the right to maintain any and all actions at law or suits in equity or other proper proceedings to obtain damages for breach of contract resulting from Concessionaire's default.

19.5 Concessionaire's Remedies for City's Default.

If an Event of Default, as set forth in this Section, by the City shall occur, the Concessionaire may, after notice (if required) and the expiration of the applicable cure periods, as provided above, at its sole option and discretion, terminate this Agreement upon written notice to the City and/or sue for damages. Said termination shall become effective upon receipt of a written notice of termination by the City, but in no event shall Concessionaire specify a termination date that is less than sixty (60) days from the date of the written termination notice. On the date specified in the notice, Concessionaire shall quit and surrender the Concession Area to City pursuant to the provisions of **Subsection 19.6**.

19.6 Surrender of Concession Areas.

At the expiration of this Agreement, or earlier termination in accordance with the terms of this Agreement, Concessionaire shall surrender the Concession Areas in as good condition and repair as Concessionaire is required to maintain the Concession Area throughout the Term, , reasonable wear and tear excepted (including any beach erosion not directly caused by Concessionaire and/or its operation). Concessionaire shall remove all its facilities, equipment, fixtures, personal property, etc. upon seventy-two (72) hours of receipt of written notice from the City Manager or his designee unless a longer time period is agreed to by the City. Concessionaire's obligation to observe or perform this covenant shall survive the expiration or other termination of this Agreement. Continued occupancy of the Concession Area(s) after termination of this Agreement and expiration of such 48-hour period shall constitute trespass by the Concessionaire and may be prosecuted as such. In addition, the Concessionaire shall pay to the City two times the daily rate calculated by dividing the MG in effect at the time into three hundred sixty-five (365) as liquidated damages for such trespass and holding over.

**SECTION 20. ASSIGNMENT.**

Except as otherwise provided in **Section 3** and in this **Section 20**, Concessionaire shall not assign, grant any concession or license, or otherwise transfer all or any portion of this Agreement and/or of the Concession Area(s) (all of the foregoing are herein after referred to collectively as "transfers"), without the prior written consent of the City Manager or his/her designee.

If there is a change in control of Concessionaire, then any such change in control shall constitute a "transfer" for purposes of this Agreement and shall be approved by the Manager or his or her designee prior to consummation of such change in control. "Change in control", for purposes hereof, shall mean a change of the ownership, directly or indirectly, of greater than thirty-three and four tenths percent (33.4%) of the voting or ownership interest or right to profits in such Concessionaire to any non-Affiliate, by means of one or more transfers, sales, mergers, consolidations, dissolutions or otherwise; provided, that, the foregoing shall not be deemed to include (i) a pledge or collateral assignment of the profits of Concessionaire in connection with

any financing, provided such pledge or collateral assignment is subordinate to the rights of the City to the fees payable to the City pursuant to **Section 4** hereof; (ii) any transfer to other owners of Concessionaire or to trusts the beneficiaries of which are any owner(s) of Concessionaire or member(s) of their immediate family; (iii) a change in the ownership of Concessionaire through a registered public offering of shares in Concessionaire; or (iv) the merger or consolidation by Concessionaire or the sale of all or substantial all of the assets of Concessionaire with another party provided that the managers of Concessionaire remain in control of any such successor entity (clauses (i), (ii), (iii) and (iv) above collectively are referred to herein as the "Permitted Transfers"). Notwithstanding the City Manager's delegated authority to approve any matter as specified herein, the City Manager may elect to have the City Commission determine any matter or approval contemplated under this Agreement (within the timeframe therefor as if the approval was being determined by the City Manager).

Concessionaire shall notify the City of any proposed transfer that is not a Permitted Transfer prior to consummation of same for the approval of the City or the City Manager or his/her designee, as applicable, and the City or the City Manager or his/her designee, as applicable, shall respond within thirty (30) days. In the event that any such transfer is approved, the transferee shall agree to be bound by all the covenants of this Agreement required of the transferor hereunder. Any transfer made without complying with this Section shall be null, void, and of no effect and shall constitute an Event of Default under this Agreement. Notwithstanding any such consent, or any permitted transfer under any provision of this Section, each approved transferee shall automatically become liable for all obligations of the transferor hereunder with respect to that portion of the Agreement so transferred, and the City shall be permitted to enforce the provisions of this Agreement directly against any transferee of the Concessionaire without proceeding in any way against any other person. In addition, if Concessionaire makes a series of transfers which cumulatively equals thirty-three and four tenths percent (33.4%), then it shall be required to follow the procedures outlined in this paragraph as to the transfer which results in a cumulative transfer of thirty-three and four tenths percent (33.4%).

## **SECTION 21. SPECIAL EVENTS / SPONSORSHIPS.**

- 21.1 With the exception of the Team Building Events as permitted by **Section 3.1.9**, Concessionaire's proposed uses of the Beach Area, as set forth in **Section 3** herein, do not contemplate the production, promotion or sponsorship by the Concessionaire of special events in any of the Concession Areas. In the event Concessionaire does produce, promote, or sponsor a special event upon the Beach Area (other than Team Building Events), it shall comply with by the City's Special Events Permit Requirements and Guidelines, as same may be amended from time to time, including the payment of all required fees. City acknowledges that the Restaurant Operations shall be entitled to run specialty events from time to time without approval of the City Manager or his/her designee including cooking demonstrations, visits by celebrity chefs, special dining experiences and the like.
- 21.2 The City Manager or his/her designee shall evaluate requests for special events permits on a case by case basis in accordance with the City's Special Events Permit and Film and Print Permit Requirements and Guidelines, as may be amended from time to time (the "Guidelines"). In the event that a special event and/or film permit is requested by an entity other than the Concessionaire, and the proposed special event and/or film production is scheduled to occur within the Beachfront Area, as such Concession Area is delineated in the Site Plan, and would cause the operations within the Beachfront Area to cease wholly or partly, and provided that the Concessionaire is not in default under the Agreement at

the time of the request, the Concessionaire agrees to cooperate with the City and the special event or film permittee to allow use of such Concession Area during the period of the special event or film production, including set-up and break-down time. City agrees to provide no less a special event and/or film permit than thirty (30) days prior written notice to Concessionaire of any such proposed special event and/or film permit.

21.2.1 Should the Concessionaire be displaced from all or any portion of the Beachfront Area due to a special event or film production, then the Concessionaire shall be entitled to a "Displacement Fee" (as hereinafter defined). For purposes of this subsection only, "displacement" shall mean that the Concessionaire cannot provide the food and beverage services, conduct sales of Beach-Related Sundries, or rent Beach and Pool Equipment in the Beachfront Area as a result of a special event or film production under a permit requested by a person other than the Concessionaire.

The Displacement Fee for the Beachfront Area, when applicable, will be calculated by the City Manager or his/her designee and Concessionaire at the start of each Agreement year. The Displacement Fee shall be based upon the average of daily revenues generated by the Concessionaire in the Beachfront Area, and shall be based upon the highest revenues generated during the Agreement years over the last three (3) full years of revenues for that section of the Concession Area (provided, that if a Force Majeure Event affected the generated revenue during such three (3) year period, then the generated revenue shall be equitably increased for any diminution in revenue on account of the Force Majeure Event), multiplied by the number of days that Concessionaire is displaced, provided, that, for any displacement prior to the third anniversary of the Commencement Date, the Displacement Fee will be mutually agreed upon by Concessionaire and the City Manager or his or her designee. The City shall cause the Displacement Fee to be paid directly to the Concessionaire by the special event permittee or film production (as the case may be), and Concessionaire shall pay to the City the City Displacement Fee with respect thereto. The Concessionaire may waive in writing all or a portion of the Displacement Fee, at its sole option, in exchange for other consideration(s) of equal value from the special event permittee or film production, as may be negotiated directly between the Concessionaire and the special event permittee or film production ("Alternative Consideration"), but shall nonetheless pay the City the City Displacement Fee based upon the full amount of the Displacement Fee.

21.2.2 Notwithstanding anything to the contrary, if a special event or film production occurs in the Beachfront Area, Concessionaire shall not be liable for any damage to the Beachfront Area or areas on the public beach outside of the Beachfront Area as defined in **Subsection 10.1** caused by such event or production, any acts or omissions of the special event permittee or film production crews, charges, fees or other expenses, governmental or otherwise, in connection with such special event or film production, nor for waste clean-up, removal, or other obligations under this Agreement with respect to the waste generated by the special event permittee or film production during the permitted time, it being understood that any rights under this Agreement against the Concessionaire on account thereof are hereby expressly waived.

21.3 City Special Events.

Notwithstanding **Subsections 21.1 and 21.2** above, and in the event that the City, at its sole discretion, deems that it would be in the best interest of the City, the City reserves the right to displace the Concessionaire for City-produced special events and/or City-produced productions. In such cases, the City may require that Concessionaire cease and desist operations during the term of, and in the area of, the City-produced special event and/or production. No Displacement Fee shall be paid by the City to the Concessionaire for a City-produced special event/production occurring in the Beachfront Area. If the Concessionaire is not required to close or chooses to remain open without interference to the City-produced special event and/or production, Concessionaire agrees to cooperate with the City. If the Concessionaire is allowed to remain open during City-produced special events and/or productions, the Concessionaire may be allowed to have in operation its normal daily complement of equipment and staff. "Normal" shall be defined as equipment and staff, approved by the City, that the Concessionaire has available for the public on a normal day, 365 days per year. Such equipment or staff shall not be increased or altered during City-produced special events and/or productions without the prior written consent of the City Manager or his/her designee.

21.5 Sponsorships; Co-Branding.

21.5.1 The City reserves unto itself all present and future rights to negotiate all forms of endorsement and/or sponsorship agreements based on the marketing value of any City trademark, property, brand, logo and/or reputation (hereinafter referred to in this subsection as a "City Mark" or the "City Marks"). Any and all benefits derived from an endorsement and/or sponsorship agreement based on the marketing value of a City Mark, including any monetary contributions, shall belong solely and exclusively to the City. The foregoing is not intended to limit the right of Concessionaire or any Subconcessionaire to enter into endorsement and/or sponsorship agreements provided same do not interfere with the rights of the City hereunder.

21.5.2 Concessionaire shall be specifically prohibited from entering into, or otherwise creating, endorsements or sponsorship agreements with third parties which are based solely or in any part on the marketing value of a City Mark. This shall include, for example purposes only, any agreement between the Concessionaire and a food and beverage and/or skin care product company for the designation of a product(s) as the official product(s) of Miami Beach, South Beach, etc.

21.5.3 The prohibition on Concessionaire entering into endorsements or sponsorship agreements, pursuant to this **Subsection 21.5**, shall not be deemed to include nor prohibit the Concessionaire's right (a) to sell advertising for display in locations not plainly visible to the general public (but, for example, visible to beachgoers), such as the underside of umbrellas, menu display boards contained within a kiosk or hut) and, subject to the approval of the City Manager or his or her designee and the City Commission, such other advertising; or (b) to offer the exclusive sale, rental or use of any particular brand or product that would otherwise be permitted for use or sale pursuant to this Agreement, subject to the Concessionaire's disclosure of same, as required pursuant to this paragraph, and subject to the City's rights in the following paragraphs. Moreover, the City will not limit Concessionaire's ability to negotiate a reduced rate for purchase from any vendor whose product(s) Concessionaire uses or offers for sale or rent pursuant to this Agreement, provided that the value of such reduced rates shall be treated as "Gross

Receipts” as calculated under this Agreement. Prior to entering into any such agreements or arrangements, Concessionaire shall provide the City for the prior written approval by the City Manager or his or her designee with an itemized list describing such agreements or arrangements which may be imminently entered into or made, which list shall be updated by Concessionaire within thirty (30) days of a particular brand or product being added or deleted, as the case may be. Any gross receipts derived by Concessionaire under this paragraph are intended to be included as part of Gross Receipts as calculated under this Agreement. Notwithstanding the preceding, any agreements or arrangements which have been entered into or made, or which may be imminently entered to or made, pursuant to a written contractual agreement or verbal agreement, that Concessionaire has made, or intends to imminently make, regarding the exclusive sale, rental, or use of any brand or product are subject to the approval of the City Manager’s or his or her designee, at the City Manager’s or designee’s discretion.

21.5.4 Notwithstanding the above (including the rights given to Concessionaire in the preceding paragraph) but subject to the next succeeding paragraph, should the City enter into any exclusive endorsement and/or sponsorship agreement for products sold, rented, distributed, or otherwise used by the Concessionaire, then Concessionaire shall be required to sell, rent, distribute, or use ONLY the products under the City’s exclusive endorsement and/or sponsorship agreement, and may not sell, rent, distribute, or otherwise use products produced by the City’s exclusive sponsor’s competitors in that product category. Concessionaire acknowledges that as of the date of this Agreement, the City has entered into an exclusive sponsorship agreements with PepsiCo Beverage Sales, LLC with respect to non-alcoholic beverage products and with Red Bull with respect to energy drinks (collectively, “Existing City Sponsorship Agreements”) which grant exclusive pouring rights at City facilities, including the Concession Area, in the following beverage categories: Pepsi Cola (soda, water, juice, isotonic, protein, kombucha, iced tea, iced coffee, etc., but excluding hot coffee (dispensed), hot tea and hot cocoa) and (Red Bull) energy drinks. Accordingly, (i) Concessionaire shall observe (and shall cause any subconcessionaires and/or subcontractors to observe) such exclusive pouring rights, (ii) Concessionaire shall not secure sponsorships in the soda, water, juice, isotonic, protein, kombucha, iced tea, iced coffee, etc., but excluding hot coffee (dispensed), hot tea and hot cocoa) or energy drink categories and (iii) Concessionaire shall not purchase any Beach and Pool Equipment or other equipment, products, goods or collateral materials or enter into any exclusive endorsement and/or sponsorship agreements that conflict with any Existing City Sponsorship Agreement. Further, Concessionaire may not secure endorsements/sponsorships involving the following categories: tobacco, vaping, firearms, intimate apparel, religious or political, gambling, prescription medication, intimate personal products (including male enhancement or feminine hygiene products) and any other category that is now or hereafter prohibited by federal law, state law, the Miami-Dade County Code or the City Code.

21.5.5 Notice of any new exclusive endorsement/sponsorship agreement entered into by the City for any products sold, rented, distributed, or otherwise used by the Concessionaire within the Concession Area shall be provided by the City to the Concessionaire (“New City Sponsorship Agreements”, and together with the Existing City Sponsorship Agreements, the “City Sponsorship Agreements”) at least sixty (60) days prior to the commencement of any such exclusive endorsement/sponsorship agreement by the City (the “City Notice”).

21.5.6 The City also acknowledges that, prior to receipt of the City Notice by Concessionaire of any New City Sponsorship Agreements, as provided in this **Subsection**

**21.5.** Concessionaire may have purchased, for example, certain Beach and Pool Equipment (including, without limitation, as defined herein, beach chairs, lounge chairs, pads, umbrellas, and sun canopies) or other equipment, products, goods or collateral materials for use in the Concession Areas and to provide the services contemplated under this Agreement that reflect logos or other branding that may be deemed to be a competitive (or otherwise prohibited) product under one of the aforesaid proposed exclusive endorsement and/or sponsorship agreements that the City may seek to enter into during the Term (for purposes of this **Subsection 21.5** only, such branded Beach and Pool Equipment and other equipment, products, goods or collateral materials required to be provided by Concessionaire hereunder that has been purchased by Concessionaire for the Concession Area, and to provide the services contemplated under this Agreement to be provided in the Concession Area, shall be referred to collectively as “Concessionaire Branded Equipment and Goods”). The City also recognizes that, prior to receipt of the City Notice by Concessionaire of any exclusive endorsement and/or sponsorship agreement, Concessionaire may have entered into exclusive endorsement and/or sponsorship agreements for certain goods and services offered in the Concession Area (collectively, “Concessionaire Sponsorship Agreements”). Concessionaire Branded Equipment and Goods and Concessionaire Sponsorship Agreements shall only be exempt from the requirements of **Subsection 21.5** provided that PRIOR TO the receipt by Concessionaire of the City Notice of its intent to enter into the particular exclusive endorsement and/or sponsorship agreement: (i) the particular Concessionaire Branded Equipment and Goods were already approved by the City Manager or his/her designee, and are referenced in a corresponding exhibit to this Agreement, as the same may be amended in accordance with this Agreement; (ii) as to any new Concessionaire Branded Equipment and Goods which has not been acquired by Concessionaire as of the date of receipt of such City Notice, the Concessionaire shall have entered into a binding contract with a term not exceeding three (3) years for the purchase of such Concessionaire Branded Equipment PRIOR TO the date of receipt by Concessionaire of the City Notice relating to the category in question, (iii) as to any Concessionaire Sponsorship Agreements, Concessionaire shall have entered into a binding contract with a term not exceeding three (3) years PRIOR TO the date of receipt by Concessionaire of the City Notice relating to the category in question and (iv) following the expiration of the agreements referenced in subclauses (ii) and (iii), Concessionaire shall not renew any such agreements that conflict with City Sponsorship Agreements, and upon the expiration of such agreements, Concessionaire shall comply with all obligations pursuant to all City Sponsorship Agreements. As to clauses (ii) and (iii), the City Manager or his/her designee may request such documentation as they deem reasonably necessary including, without limitation, the endorsement and/or sponsorship agreements in question, sales slips, invoices, receipts, sales contracts, purchase orders, etc., evidencing proof of Concessionaire’s purchase of the particular Concessionaire’s Equipment.

21.5.7 It is further understood that, should the City enter into any exclusive endorsement/sponsorship agreement that includes the public beachfront concessions that are the subject of this Agreement, the City shall have the right to place, or allow the placement of, any signage, equipment, logos or graphics, as same may be approved by the City’s Planning Department, or the City Manager or his/her designee, on any or all of the following Concessionaire’s equipment and facilities: food and beverage dispensing facilities, carts, kiosks, storage containers, Beach and Pool Equipment, and Vehicles; provided, however, that the (i) cost and expense to place any such approved signage, equipment, logos or graphics, and to remove such approved signage, equipment, logos or graphics, shall not be the responsibility of the Concessionaire; and (ii) the City shall

use, or cause to be used, reasonable care in the placement and removal of such signage, equipment, logos or graphics and, in the event that any of the aforesaid Concessionaire's Equipment is/are damaged as a result of the placement or removal of such approved signage, equipment, logos, or graphics, then the City shall be responsible for repairing any such damage, to the extent of restoring the equipment or facility(ies) to the condition it/they existed prior to the placement or removal (as the case may be) of the approved signage, equipment, logos, or graphics, reasonable wear and tear excepted. Concessionaire shall endeavor to ensure that any such signage, equipment, logos or graphics are not unduly obscured or damaged. Notwithstanding the foregoing, it is acknowledged and agreed that Concessionaire's signage, equipment, logos and/or graphics shall not be required to be removed and shall not be obscured by the City's signage, equipment, logos or graphics. For purposes of clarification, this Subsection 21.5.7 is only intended to apply to the Beachfront Area.

21.5.8 The City may desire to promote Miami Beach through, among other things, co-branding with Concessionaire. Concessionaire agrees to reasonably cooperate with the City in the co-branding effort and to incorporate the City's name and/or logo on certain Beach and Pool Equipment, if requested, and in the manner to be determined, by the City in consultation with Concessionaire, with respect to any new Beach and Pool Equipment acquired by Concessionaire after the date of the approval of the Beach and Pool Equipment pursuant to Subsection 3.1.1 by the City Manager or his or her designee. In conjunction with the co-branding rights granted under this Agreement, the City grants to Concessionaire a limited, nonassignable, nonexclusive, royalty-free, revocable license during the Term to use the City's name, trade name, trademarks and/or logo to be provided by the City (the "City Marks") solely for the purpose of co-branding as set forth herein, provided, however, that the license granted herein shall not include the right to use the City Marks with respect to the sale of any merchandise, novelties, or other products without the prior written consent of the City Manager or his or her designee. The Concessionaire acknowledges and agrees that the license granted hereunder transfers no right, title or interest in and to the City Marks except the limited license hereunder and that any use of the City Marks by Concessionaire and the goodwill associated with such use will inure to the City's benefit. Prior to use of the City Marks, the Concessionaire shall submit all such material to the City Manager or his or her designee for its prior approval. The Concessionaire agrees to use the City Marks in identical form to the specimens of the City Marks to be provided by the City without any alteration therefrom. The City represents and warrants to the Concessionaire that the City Marks do not and will not infringe any copyrights, trademarks, rights of privacy or any other rights of others and hereby indemnifies and holds harmless Concessionaire with respect thereto. No license is granted hereunder for the use of the Marks for any purpose other than strictly in accordance with this Agreement. Upon any termination or expiration of this Agreement, the Concessionaire shall immediately cease all use of the City Marks, provided, that, the Concessionaire shall have the right to continue to use photographs and other images containing the City Marks for archival and promotional purposes on its website and social media platforms.

21.5.9 City acknowledges that Concessionaire and its related entities are the sole and exclusive owners of the trademarks, service marks, trade names and logos used at or in connection with the Concessionaire's Services (together, the "Concessionaire's Marks"). City agrees that it will not make any use of the Concessionaire's Marks except with Concessionaire's prior written consent, which consent will not be unreasonably withheld, conditioned or delayed and that any use of the Concessionaire's Marks by City and the

goodwill associated with such use will inure to Concessionaire's benefit. City acknowledges and agrees that it will not acquire any interest in the Concessionaire's Marks or the goodwill associated with the Concessionaire's Marks by virtue of this Agreement or City use of the Concessionaire's Marks. The Concessionaire represents and warrants to the City that the Concessionaire's Marks do not and will not infringe any copyrights, trademarks, rights of privacy or any other rights of others and hereby indemnifies and holds harmless the City with respect thereto. Upon any termination or expiration of this Agreement, the City shall immediately cease all use of the Concessionaire's Marks, provided, that, the City shall have the right to continue to use photographs and other images containing the Concessionaire's Marks for archival and promotional purposes on its website and social media platforms.

## **SECTION 22. NO IMPROPER USE.**

The Concessionaire will not use the Concession Area, or any facilities, furnishings or equipment thereon, for any improper, immoral or offensive purpose, or for any purpose in violation of any Federal, State, County, or municipal ordinance, rule, order or regulation, or of any governmental rule or regulation now in effect or hereafter enacted or adopted (in any such case, "Improper Acts"). In addition, in the event that the Concessionaire has actual knowledge of any person engaged in Improper Acts, it shall notify the Miami Beach Police Department. Without limiting the Concessionaire's indemnity obligations pursuant to Section 17 and other provisions of this Agreement, the Concessionaire will protect, indemnify, and forever save and keep harmless the City, its officers, officials, employees, contractors, and agents, from and against damage, penalty, fine, judgment, expense or charge suffered, imposed, assessed or incurred for any violation, or breach of any law, ordinance, rule, order or regulation occasioned by any negligent act or omission of the Concessionaire, or any officers, directors, employee, contractors (including any Subconcessionaire) or agents regarding the Concession Area in violation of the first sentence of this **Section 22**. In the event of any violation by the Concessionaire or if the City Manager or his/her authorized representatives shall deem any conduct on the part of the Concessionaire to be objectionable or improper, the City Manager shall have the right to suspend the Concession Operations should the Concessionaire fail to correct any such violation, conduct, or practice, to the reasonable satisfaction of the City Manager, within twenty-four (24) hours after receiving written notice of the nature and extent of such violation, conduct, or practice, provided, that, if such violation is not susceptible to be cured within such twenty-four (24) hour period, then Concessionaire shall not be subject to suspension provided that it commences to cure such violation within such 24-hour period and completes such cure with all due diligence promptly, but in no event shall such extended cure period exceed seventy-two (72) hours from the time of written notice thereof. Subject to the cure period, any such suspension will continue until the violation is cured. The Concessionaire further agrees not to commence operations during the suspension until the violation has been corrected to the reasonable satisfaction of the City Manager or his or her designee. Notwithstanding the foregoing, Concessionaire is not liable for any acts or omissions of the public except to the extent caused by the negligence or willful misconduct of Concessionaire.

24.2.1 Concessionaire hereby agrees and acknowledges that, pursuant to Section 82-7 of the City Code, as may be amended from time to time, Concessionaire shall not sell, use, provide food in, or offer the use of expanded polystyrene food service articles (as defined in City Code Section 82-7) in the Concession Areas. A violation of this section shall be deemed a default under the terms of this Agreement, subject to expiration of any applicable notice and cure period. Notwithstanding the above, this section shall not apply to expanded polystyrene food service articles used for prepackaged food that have been filled and sealed prior to receipt by Concessionaire.

24.2.2 Additionally, Concessionaire agrees and acknowledges that, pursuant to Section 82-8 of the City Code, as may be amended from time to time, Concessionaire shall not sell, use, provide food in, or offer the use of single-use plastic beverage straws or single-use plastic stirrers (as defined in City Code Section 82-8) in the Concession Areas. A violation of this section shall be deemed a default under the terms of this Agreement, subject to expiration of any applicable notice and cure period. Notwithstanding the above, the requirements of Section 82-8 shall not restrict Concessionaire from providing a beverage with, or offering the use of, a single-use plastic beverage straw or single-use plastic stirrer to an individual with a disability or medical condition that impairs the consumption of beverages without a single-use plastic beverage straw or single-use plastic stirrer.

24.3 Equal Employment Opportunity.

Neither Concessionaire nor any Affiliate of Concessionaire performing services hereunder, or pursuant hereto, will discriminate against any employee or applicant for employment because of race, creed, sex, color, national origin, religion, sex, gender identity, sexual orientation, disability, marital or familial status or age. Concessionaire will make good faith efforts to utilize minorities and females in the work force and in correlative business enterprises.

Concessionaire and any Affiliate of Concessionaire shall abide by the requirements of 41 C.F.R. §§ 60-1.4(a), 60-300.S(a) and 60-741.S(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability.

24.4 No Discrimination.

Concessionaire shall comply with City of Miami Beach Human Rights Ordinance, codified in Chapter 62 of the City Code, as may be amended from time to time, prohibiting discrimination in employment, housing, public accommodations, and public services, or with respect to any use, service, maintenance, or operation within the Concession Area, on account of actual or perceived race, color, national origin, religion, sex, intersexuality, gender identity, sexual orientation, disability, marital and familial status, or age, ancestry, height, weight, domestic partner status, labor organization membership, or political affiliation. All services offered in the Concession Areas shall be made available to the public, subject to the right of the Concessionaire and the City to establish and enforce rules and regulations to provide for the safety, orderly operation and security of the facilities.

**SECTION 25. EARLY TERMINATION RIGHT IN EVENT OF FINANCIAL EMERGENCY.**

25.1 For purposes of this Section 25, the term “Financial Emergency” shall mean the occurrence of any of the following conditions:

- (a) The City shall become unable to pay its debts as they become due (including operating expenses, short-term loans, bond debt service or other long-term debt payments);
- (b) The City shall fail to pay uncontested claims from creditors within 90 days after the claim is presented;
- (c) The City shall fail to transfer at the appropriate time, due to lack of funds:
  - i. Taxes withheld on the income of employee; or
  - ii. Employer and employee contributions for federal social security or any pension, retirement or benefit plan of any employee; or
- (d) Failure for one pay period to pay, due to lack of funds,
  - i. Wages and salaries owed to employees; or
  - ii. Retirement benefits owed to former employees

For purposes of this Section 25, the term “Qualified Appraiser” means an individual with verifiable education and experience in appraising the future income stream of businesses that are the same as, or substantially similar to, the businesses comprising the Concession Operations, and who has a designation awarded by a generally recognized professional appraiser organization on the basis of demonstrated competency.

25.2 If a Financial Emergency occurs and/or is continuing and the City Commission tentatively approves (i.e., subject to any other required approvals, including a voter referendum) a sale of the City property that encompasses the Concession Area (the “Concession Area Property”), then the City shall have the right to terminate this Agreement upon not less than one hundred eight (180) days’ prior written notice to Concessionaire (“Early Termination Notice”), provided the (a) date specified in such Early Termination Notice shall not be earlier than the first day of the sixth (6<sup>th</sup>) Agreement Year and (b) City shall pay Concessionaire the Early Termination Payment, determined in accordance with the following provisions of this Section 25.

25.3 The Early Termination Payment is intended to compensate Concessionaire for the loss of anticipated profits that it would derive from the Concession Operations for the time remaining in the Term from and after the early termination date specified in the Early Termination Notice, less the fair market value of any FF&E the Concessionaire elects to remove from the Concession Area (“FF&E Value”) plus the reasonable costs incurred by Concessionaire in connection with the early

termination of the Term that would not be payable by Concessionaire at the expiration of the Term, such as reasonable attorneys' fees and costs and the fees payable to any appraiser engaged by Concessionaire, that are supported by documentation to be provided to the City ("Early Termination Expenses"). Following the Concessionaire's receipt of the Early Termination Notice, the City and Concessionaire shall endeavor to reach a mutual agreement as to the Early Termination Payment. If the parties cannot reach agreement within ten (10) Business Days from the Concessionaire's receipt of the Early Termination Notice, the Early Termination Payment shall be determined as follows. The City and Concessionaire each shall appoint one (1) Qualified Appraiser (as defined below) within ten (10) Business Days after a written request for appointment of appraisers has been given by either the City or Concessionaire to the other. If either the City or Concessionaire fails to appoint its appraiser within such ten (10) Business Day period, such appraiser shall be appointed by the Circuit Court of the Eleventh Judicial Circuit in and for Miami-Dade County, Florida upon application of the other. Each such Qualified Appraiser shall appraise the anticipated lost profits that Concessionaire would derive from the Concession Operations for the time remaining in the Term from and after the early termination date specified in the Early Termination Notice, less the FF&E Value plus Early Termination Expenses, and submit his or her written report setting forth the appraised Early Termination Payment within thirty (30) days after the appointment of both such Qualified Appraisers. If the higher appraised value of such two (2) appraisals is not more than one hundred ten percent (110%) of the lower appraised value, the fair market rental value of the premises shall be the average of the two (2) appraised values, but not more than Ten Million Dollars (\$10,000,000), adjusted annually during the Term commencing on the first anniversary of the Commencement Date by an amount equal to the percentage change in the Consumer Price Index, All Urban Consumers (CPI – U.S. City Average All Items; base year 1982-84 = 100) as published by the United States Department of Labor, Bureau of Labor Statistics, per Agreement Year then remaining in the term (pro-rated for any partial Agreement Year) less the FF&E Value plus the Early Termination Expenses (the "Early Termination Payment Cap"). If the higher appraised value is more than one hundred ten percent (110%) of the lower appraised value, the City and Concessionaire Tenant shall agree upon and appoint a neutral third Qualified Appraiser within ten (10) Business Days after both of the first two (2) appraisals have been submitted to the City and Concessionaire. If the City and Concessionaire do not agree and fail to appoint such neutral third Qualified Appraiser within such ten (10) Business Day period, such neutral third Qualified Appraiser shall be appointed by the Circuit Court of the Eleventh Judicial Circuit in and for Miami-Dade County, Florida upon application of either the City or Concessionaire. The neutral third Qualified Appraiser shall appraise the anticipated lost profits that Concessionaire would derive from the Concession Operations for the time remaining in the Term from and after the early termination date specified in the Early Termination Notice and submit his or her written report setting forth the appraised Early Termination Payment to the City and Concessionaire within thirty (30) days after his or her appointment (or as soon thereafter as practicable). The Early Termination Payment shall be the average of the two (2) appraised values in such three (3) appraisals that are closest to each other (unless the differences are equal, in which case the three (3) appraised values shall be averaged), but in any case, not more than the Early Termination Cap. The Early Termination Payment determined in accordance with this paragraph, shall be conclusive and binding upon the City and Concessionaire.

25.4 Notwithstanding the date specified as the termination date in the City's Early Termination Notice, Concessionaire shall not be required to quit and surrender the Concession Area until such time as the Early Termination Payment amount has been agreed upon or determined through the appraisal process set forth in the foregoing provisions. Concessionaire shall surrender the Concession Area in as good condition and repair as the Concession Area was in as of the date of the Early Termination Notice. For the avoidance of doubt, Concessionaire shall remain liable for its responsibilities associated with Hazardous Materials pursuant to Section 17.

25.5 The Early Termination Payment shall be made by the City at the closing of the Concession Area Property sale transaction.

**SECTION 26. MISCELLANEOUS.**

26.1 No Partnership.

Nothing contained in this Agreement shall constitute or be construed to be or create a partnership, joint venture or agency relationship between the City and Concessionaire, it being acknowledged that each of the parties is acting as an independent contractor hereunder.

26.2 Modifications.

With the sole exception of incorporation of, or amendments to, the exhibits to this Agreement in accordance with the terms of this Agreement, this Agreement cannot be changed or modified except by agreement in writing executed by all parties hereto. Concessionaire acknowledges that no modification to this Agreement may be agreed to by the City unless approved by the Mayor and City Commission, except where such authority has been expressly provided herein to the City Manager or his or her designee.

26.3 Complete Agreement.

This Agreement, together with all exhibits incorporated hereto, constitutes all the understandings and agreements of whatsoever nature or kind existing between the parties with respect to the subject matter hereof and Concessionaire's operations, as contemplated herein.

26.4 Headings.

The section, subsection and paragraph headings contained herein are for convenience of reference only and are not intended to define, limit, or describe the scope or intent of any provision of this Agreement.

26.5 Binding Effect.

This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

26.6 Clauses.

The illegality or invalidity of any term or any clause of this Agreement shall not affect the validity of the remainder of the Agreement, and the Agreement shall remain in full force and effect as if such illegal or invalid term or clause were not contained herein unless the elimination of such provision detrimentally reduces the consideration that either party is to receive under this Agreement or materially affects the continuing operation of this Agreement.

26.7 Severability.

If any provision of this Agreement or any portion of such provision or the application thereof to any Person or circumstance is, to any extent, finally determined by a court of competent jurisdiction to be invalid or unenforceable, or shall become a violation of any local, State, or Federal laws, then the same as so applied shall no longer be a part of this Agreement but the remainder of the Agreement, such provisions and the application thereof to other persons or circumstances, shall not be affected thereby and this Agreement as so modified shall be valid and enforceable to the fullest extent permitted by law.

26.8 Right of Entry.

The City, at the direction of the City Manager, shall at all times during hours of operation, subject to reasonable prior notice, have the right to enter into and upon any and all parts of the Concession Areas for the purposes of examining the same for any reason relating to the obligations of the parties to this Agreement.

26.9 Not a Lease.

It is expressly understood and agreed that no part, parcel, building, facility, equipment or space is leased to the Concessionaire, that Concessionaire is a concessionaire and not a lessee; and that the Concessionaire's right to operate the Concession Operations shall continue only so long as this Agreement remains in effect.

26.10 Use of Beach.

**The beach is for the use and enjoyment of the public, for recreation and other public purposes and the public's right to such use shall not be infringed upon by any activity of the Concessionaire. Upon execution of this Agreement, Concessionaire acknowledges that all of the beaches are public and, as such, concession operations must not restrict, or appear to restrict, access to the general public, or in any way limit the public nature or ambiance of the beachfront. The Concessionaire will conduct its Beachfront Operations so as to maintain a reasonably quiet and tranquil environment for the adjacent area and shall make no public disturbances.**

26.11 Conflict of Interest.

Concessionaire shall perform its services under this Agreement and conduct the Concession Operations contemplated herein in a manner so as to show no preference for other concession operations/facilities (e.g., particularly concession operations behind private property along the City's beachfront) owned, operated, managed, or otherwise controlled by Concessionaire with regard to its responsibilities pursuant to this Concession Agreement.

26.12 Remedies Cumulative. Each right and remedy of either party provided for in this Agreement shall be cumulative and shall be in addition to every other right or remedy provided for in this Agreement, or now or hereafter existing at law or in equity or by statute or otherwise (except as otherwise expressly limited by the terms of this Agreement), and the exercise or beginning of the exercise by a party of any one or more of the rights or remedies provided for in this Agreement, or now or hereafter existing at law or in equity or by statute or otherwise (except as otherwise expressly limited by the terms of this Agreement), shall not preclude the simultaneous or later exercise by such party of any or

all other rights or remedies provided for in this Agreement or now or hereafter existing at law or in equity or by statute or otherwise (except as otherwise expressly limited by the terms of this Agreement).

26.13 Procedure for Approvals and/or Consents.

In each instance in which the approval or consent of the City Manager or his/her designee is allowed or required in this Agreement, it is acknowledged that such authority has been expressly provided herein to the City Manager or his/her designee by the Mayor and City Commission of the City. In each instance in which the approval or consent of the City Manager or his/her designee is allowed or required in this Agreement, Concessionaire shall send to the City Manager a written request for approval or consent (the "Approval Request"). The City Manager or his/her designee shall use good faith efforts to respond to the Approval Request within sixty (60) days from the date of such Request (i.e. to provide written notice to Concessionaire approving of, consenting to or disapproving of the Request) unless a different time period is provided in this Agreement as to the specific request. However, except as otherwise provided in this Agreement, the City Manager or his/her designee's failure to consider such Request within this time provided shall not be deemed a waiver, nor shall Concessionaire assume that the Request is automatically approved and consented to. The Subsection shall not apply to approvals required herein by the Mayor and City Commission. Notwithstanding the foregoing, with respect to the approvals by the City Manager (or his or her designee) required for the Preliminary Plans and Specifications pursuant to Subsection 7.1.1 and the Plans and Specifications pursuant to Subsection 7.1.3, if the City Manager fails to grant or deny its consent within the twenty (20) Business Day period specified, the Concessionaire may transmit a second request for approval bearing the following legend at the top of the first page thereof, set forth in capital letters and in a type size not less than 14 point:

**FAILURE TO RESPOND TO THIS SECOND REQUEST FOR APPROVAL WITHIN TEN (10) BUSINESS DAYS FROM THE DATE OF THIS NOTICE (WHICH CONSTITUTES THE TIME PERIOD PROVIDED IN THE CONCESSION AGREEMENT BETWEEN CITY OF MIAMI BEACH, FLORIDA AND BOUCHER BROTHERS PIER PARK, LLC) SHALL CONSTITUTE AUTOMATIC APPROVAL OF THE MATTERS DESCRIBED HEREIN WITH RESPECT TO SECTION [ ] [FILL IN APPLICABLE SECTION] OF SUCH CONCESSION AGREEMENT.**

26.14 No Waiver.

No waiver of any covenant or condition of this Agreement by either party shall be deemed to imply or constitute a waiver in the future of the same covenant or condition or of any other covenant or condition of this Agreement. Further, nothing in this Agreement or in the parties' acts or omissions in connection herewith shall be deemed in any manner to waive, impair, limit or otherwise affect the authority of the City in the discharge of its police, regulatory or governmental power.

26.15 No Third Party Beneficiary.

Except as otherwise expressly provided herein, nothing in this Agreement shall confer

upon any person or entity, including, but not limited to Subconcessionaires, other than the parties hereto and their respective successors and permitted assigns, any rights or remedies by reason of this Agreement.

- (3) A Concessionaire who fails to provide the public records to the City within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes.

**Property Insurance.** From and after the Occupancy Date, Concessionaire, at its sole cost and expense, shall carry or cause to be carried "**All Risk**" (or its equivalent) property damage insurance protecting Concessionaire and the City as their interests may appear against loss to the Concession Area and Concession Area Structures and meeting all of the standards, limits, minimums and requirements described in **Exhibit 14.2**.

**Other Insurance.** From and after the Occupancy Date, Concessionaire shall procure and carry insurance meeting all of the standards, limits, minimums, and requirements described in **Exhibit 14.3**.

**Construction Insurance.** Prior to the commencement of any Work, and only if the Property and Liability coverage above does not otherwise apply, Concessionaire shall procure or cause to be procured, and after such dates shall carry or cause to be carried the insurance required by **Exhibit 7.4**, until final completion of the Work, in addition to and not in lieu of the above-described coverages.

**Additional Coverage.** Concessionaire shall maintain such other insurance, in such amounts as from time to time reasonably may be required by the City, against such other insurable hazards as at the time are commonly insured against in the case of facilities in South Florida of a size, nature and character similar to the size, nature and character of the Concession Area and the Concession Operations.

**City Cooperation.** To the extent necessary, the City will cooperate with Concessionaire to provide any information or consents needed by insurance carriers to issue the policies required under the Concession Agreement and this Exhibit to cover the Concessionaire and the City, as applicable.

### **General Provisions Applicable to All Policies**

**Insurance Companies.** All of the insurance policies required by this Article shall be procured from companies licensed or authorized to do business in the State of Florida that have a rating in the latest edition of "**Best's Key Rating Guide** of "**A:VII**" or better or another comparable rating reasonably acceptable to the City, considering market conditions.

**Required Forms.** All references to forms and coverages in this **Exhibit 14** shall be those used by the Insurance Services Organization (ISO) or equivalent forms reasonably satisfactory to The City in all material respects.

**Required Certificates.** Certificates of insurance evidencing the issuance of all insurance required by this **Exhibit 14** to the extent then required, describing the coverage and providing for thirty (30) days prior notice to the City by the insurance company of cancellation or non-renewal (except as otherwise set forth in the section titled "Required Insurance Policy Clauses," below), shall have been delivered to the City by the Occupancy Date, and a renewal policy replacing any

policies expiring during the Term, or a certificate thereof, together with evidence that the full premiums have been paid, shall be delivered to the City prior to the date of expiration of any insurance policy. The certificates of insurance shall be issued by or on behalf of the insurance company and shall bear the original signature of an officer or duly authorized agent having the authority to issue the certificate. The insurance company issuing the insurance, or its duly authorized agent, shall also deliver to the City proof reasonably satisfactory to the City that the premiums for at least the first year of the term of each policy (or installment payments to the insurance carrier then required to have been paid on account of such premiums) have been paid. During the performance of any construction work, Concessionaire shall deliver to the City an entire duplicate original or a copy (certified by Concessionaire to be true, complete and correct) of each policy. At all other times, Concessionaire shall deliver to the City an entire duplicate original or a copy (certified by Concessionaire to be true, complete and correct) of each policy (which may be redacted with respect to premium amounts or, if the policy covers other properties owned by Concessionaire's Affiliates, redacted with respect to information relating to such other properties) within a reasonable period of time after the City's request therefor. Concessionaire shall notify the City of any material changes in the coverage provided under any policy promptly after requesting an insurance company to make such change or receiving any notice from an insurance company advising Concessionaire of any such change; provided, however, that no such change may reduce or otherwise modify the insurance coverage required under this Concession Agreement.

**Compliance with Policy Requirements.** Concessionaire shall not violate or permit to be violated any of the conditions, provisions or requirements of any insurance policy required by this Agreement, and Concessionaire shall perform, satisfy and comply with, or cause to be performed, satisfied and complied with, all conditions, provisions and requirements of all insurance policies.

**Required Insurance Policy Clauses.** Each policy of insurance required to be carried pursuant to the provisions of this Article and each certificate issued by or on behalf of the insurer shall contain (i) a provision stating substantially that no act or omission of Concessionaire (or any other Person) or any use or occupation of the Concession Area for purposes more hazardous than are permitted by the policy shall invalidate the policy as to the City or affect or limit the obligation of the insurance company to pay to the City the amount of any loss sustained and that no act or omission of the City shall invalidate the policy as to Concessionaire or affect or limit the obligation of the insurance company to pay to Concessionaire the amount of any loss; (ii) a written waiver of the right of subrogation against all of the named insureds and additional insureds, including the City in its capacity as the owner of the Concession Area, with respect to losses payable under such policy; (iii) a clause designating the City, as its interests may appear, as loss payee or additional insured for losses in excess of Five Hundred Thousand Dollars (\$500,000) per occurrence, adjusted for inflation; and (iv) an agreement by the insurer that such policy shall not be canceled, materially modified (except with respect to premium amounts), or denied renewal without at least thirty (30) days prior written notice to the City and the City's Risk Management

Division, specifically covering, without limitation, cancellation or non-renewal, except that ten (10) days' notice or statutory notice, whichever is greater, shall be given with respect to cancellation or non-renewal for any non-payment of premium.

**Separate Insurance.** Concessionaire shall not carry separate liability or property insurance concurrent in form or contributing in the event of loss with that required by this Concession Agreement to be furnished by Concessionaire, unless the City is included therein as an additional insured with respect to liability or loss payee with respect to property, as their interests may appear, with loss payable as in this Concession Agreement provided. Concessionaire shall immediately notify The City of the carrying of any such separate insurance and shall cause the same to be delivered as in this Concession Agreement hereinbefore required.

**Duration of Policies.** Concessionaire shall procure policies for all insurance required by any provision of this Concession Agreement for periods of not less than one (1) year or the remainder of the policy term if insured under an existing blanket policy and shall procure renewals thereof from time to time to ensure continuous coverage, except that Builders' Risk Insurance shall only be renewed for the term of any construction period.

**Blanket or Umbrella Policies.** The insurance required to be carried by Concessionaire pursuant to the provisions of this Concession Agreement may, at Concessionaire's election, be effected by blanket, wrap-up and/or umbrella policies issued to Concessionaire covering the Concession Area, Concession Area Structures and other properties owned or leased by Concessionaire or its Affiliates, provided such policies otherwise comply with the provisions of this Concession Agreement and allocate to the Concession Area and Concession Area Structures the specified coverage, including, without limitation, the specified coverage for all insureds required to be named as insureds or additional insureds hereunder, without possibility of reduction or coinsurance by reason of, or because of damage to, any other properties named therein. If the insurance required by this Concession Agreement shall be effected by any such blanket or umbrella policies, Concessionaire shall furnish to the City, upon the City's request, certificates of insurance and copies (certified by Concessionaire to be true, complete and correct, which may also be redacted with respect to premium amounts or, if the policy covers other properties owned by Concessionaire's Affiliates, redacted with respect to information relating to such other properties) of such policies as provided in the paragraph titled "Separate Insurance," above, together with schedules annexed thereto setting forth the amount of insurance applicable to the Concession Area and Concession Area Structures.
