### **ADMINISTRATION RECOMMENDATION**

Adopt the Resolution.

### **STRATEGIC PLAN SUPPORTED**

Organizational Innovation – Ensure strong fiscal stewardship

### **BACKGROUND**

In accordance with Section 189.016, Florida Statutes, the governing body of the North Beach Community Redevelopment Agency, operating as a special district, is required to adopt a budget by resolution each fiscal year and may amend the budget at any time but not later than within 60 days following the end of the fiscal year. The operating budget for the North Beach Community Redevelopment Area for Fiscal Year (FY) 2024 was adopted by the Mayor and City Commission on September 27, 2023, through Resolution No. 2023-32789 and the Chairperson and Board of Directors of the North Beach Community Redevelopment Agency on September 27, 2023, through Resolution No. 012-2023.

### **NORTH BEACH CRA ANALYSIS**

#### **North Beach CRA Revenues**

Revenues for the North Beach Community Redevelopment Area are comprised of City and County Tax Increment funds.

#### **North Beach CRA Expenditures**

Expenditures for the North Beach Community Redevelopment Area include project-related expenditures that are allocated for community policing initiatives, enhanced levels of Code Compliance staffing and services, and additional cleanliness and beautification.

Also included are expenditures for a Commercial Façade Improvement Program in the Normandy Fountain/Rue Vendome Plaza area to improve area aesthetics and promote business attraction and retention, a Residential Property Improvement Program to promote the maintenance of naturally occurring affordable housing stock and resiliency, Arts and Culture related tourism and branding, and small business development.

To conclude, other expenditures include administrative expenditures, County and City administrative fees, a set-aside for workforce and affordable housing, and a set-aside for future projects.

### **NORTH BEACH CRA OPERATING BUDGET AMENDMENT**

Pursuant to Section 163.387, Florida Statutes, on the last day of the fiscal year of the community redevelopment agency, any money which remains in the trust fund after the payment of expenses may be appropriated to a specific redevelopment project pursuant to an approved community redevelopment plan. Pursuant to the Interlocal Agreement dated October 4, 2021, between the City of Miami Beach, Miami-Dade County, and the North Beach Community Redevelopment Agency, the City Commission must approve any amendment to the annual budget.

Based on the preliminary FY 2023 year-end projections for the North Beach Community Redevelopment Area, it is recommended that unspent appropriations of approximately \$863,000 in the FY 2023 North Beach Community Redevelopment Area operating budget be carried forward into FY 2024 for projects within the North Beach Community Redevelopment Agency Redevelopment Plan that were originally budgeted in FY 2023 that have not been completed and are still ongoing.

### **CONCLUSION**

The Administration recommends that the Mayor and City Commission adopt the First Amendment to the North Beach Community Redevelopment Area operating budget for FY 2024 as described herein and further detailed in the attached Exhibit "A."
