Re: Certificate of Appropriateness for 626-650 Ocean Drive, Miami Beach: the Heathcote Apartments, the Park Central Hotel, and the Imperial Hotel

Dear Tom:

This law firm represents Park Central Partners, LLC (the "Applicant") with regard to the above-referenced property (the "Property"). Please let the following serve as the required letter of intent in connection with a Certificate of Appropriateness for the Property.

Description of Property. The Property is 26,000 square feet in size, located on the west side of Ocean Drive between 6<sup>th</sup> Street and 7<sup>th</sup> Street. To the west is Ocean Court, and to the east of the Property lie Lummus Park and the beach. The Property is located within the MXE, Mixed Use Entertainment Zoning District, and is also located within the Ocean Drive/ Collins Avenue Local Historic District and the national Miami Beach Architectural District. The Property contains three separate historic hotels: the Heathcote, the Park Central, and the Imperial. Each of these hotels has been independently designated as contributing in the Historic Properties database.

Description of Development Program. The Applicant is renovating and restoring all three hotels on the Property, as well as creating a beautiful internal courtyard between the Heathcote and the Park Central. The Historic Preservation Board ("HPB") approved a Certificate of Appropriateness for these items in February 2014 through HPB Order No. 7408 ("2014 Approval"). The Applicant intends to proceed with the renovations as depicted in the 2014 Approval. At this time, the Applicant seeks to supplement 2014 Approval with two additional items: new retractable awnings for the front façade of the Property and an outdoor bar counter to be located within the renovated courtyard. There are no modifications proposed for the interiors of the historic hotels as part of this application.

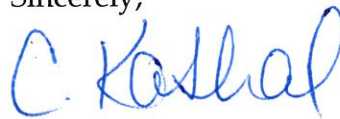

*Retractable Awnings.* The Applicant is seeking a Certificate of Appropriateness ("COA") for new awnings for the front façades of the Park Central and the Imperial. The proposed new design will be an upgrade to the existing awnings in terms of aesthetics and function, and will not require demolition for installation. The new awnings' modern design require no frontal support, and provide for uninterrupted panoramic views for both the public and patrons of the Property. The awnings will have a mechanically operated, retractable canopy that will be usable in all weather conditions. Most importantly, the proposed awnings are in line with the overall vision of the Ocean Drive Task Force, which was put together by the Mayor to rehabilitate the aesthetics of Ocean Drive.

*Outdoor Bar Counter.* The Applicant is also seeking a COA for the design of the outdoor bar counter. The MXE district permits accessory outdoor bar counters by right. However, since the outdoor bar counter will be in the courtyard adjacent to the historic Park Central Hotel, the design of the bar counter is subject to HPB approval. The courtyard design shown in the 2014 Approval contained seating and tables in the area where the outdoor bar counter is currently proposed. The proposed outdoor bar counter will better activate this space and is of a design that complements the Park Central and enhances the courtyard's aesthetic. The Applicant intends to create a classy and chic outdoor experience that will contribute positively to the Ocean Drive atmosphere.

Conclusion. The Applicant seeks approval of a Certificate of Appropriateness for design and installation of new front awnings and an outdoor bar counter. The proposed design of the awning will enhance the appearance of the Property and is consistent with the Task Force's objectives of having low profile canopies, that provide a cleaner, more consistent, and brighter appearance while mitigating Ocean Drive sidewalk conditions. The outdoor bar counter will allow the Applicant to better serve patrons seeking an upscale experience along Ocean Drive. We respectfully request your recommendation of approval of the Applicant's requests. If you have any questions or comments with regard to the application, please give me a call at (305) 377-6223.

Sincerely,

Carli Koshal

**ORDER**

The applicant, Park Central Partners, LLC, filed an application with the City of Miami Beach Planning Department for a Certificate of Appropriateness.

The City of Miami Beach Historic Preservation Board makes the following FINDINGS OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

- A. The structures located on Parcels 1, 2 and 3 are classified as 'Contributing' in the Miami Beach Historic Properties Database and are located within the Ocean Drive/Collins Avenue Local Historic District.
- B. Based on the plans and documents submitted with the application, testimony and

*the*

information provided by the applicant, and the reasons set forth in the Planning Department Staff Report, the project as submitted is consistent with the Certificate of Appropriateness Criteria in Section 118-564(a)(1) of the Miami Beach Code, is consistent with Certificate of Appropriateness Criteria in Section 118-564(a)(2) of the Miami Beach Code, is not consistent with Certificate of Appropriateness Criteria 'b', 'c', 'g', 'h' & 'i' in Section 118-564(a)(3) of the Miami Beach Code, and is consistent with Certificate of Appropriateness Criteria for Demolition in Section 118-564(f)(4) of the Miami Beach Code.

C. The project would be consistent with the criteria and requirements of section 118-564 if the following conditions are met:

1. Revised elevation, site plan and floor plan drawings shall be submitted to and approved by staff; at a minimum, such drawings shall incorporate the following:
  - a. The original Park Central Hotel flagpole located at the parapet of the east façade shall be recreated to the greatest extent possible, according to available historical documentation, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
  - b. The finished floor within the proposed Park Central Hotel lobby bar shall consist of a neutral colored terrazzo, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
  - c. Final details of all hardscape materials including material samples of the proposed terrazzo pavers and wood pool decking shall be submitted, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
  - d. The final location and details of all exterior ramp and railings systems, including materials, dimensions and finishes, shall be provided in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
  - e. The finish of the planter wall facing Ocean Drive shall consist of a high quality natural material, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
  - f. Final details of all exterior surface finishes and materials shall be required, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
  - g. Manufacturers drawings and Dade County product approval numbers for all new windows, doors and glass shall be required and all new proposed windows shall substantially match the original window configurations, in a manner to be reviewed and approved by staff, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.

- h. The final design and details of all exterior lighting shall be provided, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board. Interior lighting shall be designed in a manner to not have an adverse overwhelming impact upon the historic hotel or the surrounding historic district.
  - i. All roof-top fixtures, air-conditioning units and mechanical devices shall be clearly noted on a revised roof plan and elevation drawings and shall be screened from view, and all kitchen exhaust ducting shall be contained within the building from the first floor through to the roof, in a manner to be reviewed and approved by staff, consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board. Any rooftop mechanical equipment, structures or screening not shown on the plans approved by the Board may require later Board approval.
  - j. A museum quality historic analysis and display of the existing structures, inclusive of a photographic and written description of the history and evolution of the original building and its changes of use over time, shall be submitted to and approved by staff, prior to the issuance of a Certificate of Occupancy or a Temporary Certificate of Occupancy; such historic analysis shall be displayed prominently within the public area of the historic structure, in a location to be determined by staff.
  - k. The applicant shall verify, prior to the issuance of a Building Permit, the exact location of all applicable FPL transformers or vault rooms; such transformers and vault rooms, and all other related devices and fixtures, shall not be permitted within any required yard or any area fronting a street or sidewalk. The location of any exterior transformers, and how they are screened with landscape material from the right-of-way, shall be clearly indicated on the site and landscape plans, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
  - l. Prior to the issuance of a Certificate of Occupancy, the Architect for the project architect shall verify, in writing, that the project is consistent with the elevations, floor plans, site plan and landscape plans approved by the Planning Department for Building Permit.
2. A revised landscape plan, prepared by a Professional Landscape Architect, registered in the State of Florida, and corresponding site plan, shall be submitted to and approved by staff. The species type, quantity, dimensions, spacing, location and overall height of all plant material shall be clearly delineated and subject to the review and approval of staff. At a minimum, such plan shall incorporate the following:
- a. Street trees shall be required along Ocean Drive, placed with a minimum 36" clear space between the tree trunk and the back of curb, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.

- b. Silva Cells in tree pits, with the City Standard black and white bound aggregate system and fertilization trench, irrigation, and two (2) up-lights per City standards, shall be required for all street and shade trees, in a manner to be reviewed and approved the Board.
  - c. The utilization of root barriers and/or Silva Cells, as applicable, shall be clearly delineated on the final revised landscape plan.
  - d. A fully automatic irrigation system with 100% coverage and an automatic rain sensor in order to render the system inoperative in the event of rain. Right-of-way areas shall also be incorporated as part of the irrigation system.
  - e. The applicant shall verify, prior to the issuance of a Building Permit, the exact location of all backflow prevention devices. Backflow prevention devices shall not be permitted within any required yard or any area fronting a street or sidewalk, unless otherwise permitted by the Land Development Regulations. The location of all backflow prevention devices, and how they are screened from the right-of-way, shall be clearly indicated on the site and landscape plans and shall be subject to the review and approval of staff. The fire department shall require a post-indicator valve (PIV) visible and accessible from the street.
  - f. The applicant shall verify, prior to the issuance of a Building Permit, the exact location of all post-indicator valves (PIV), fire department connections (FDC) and all other related devices and fixtures, which shall be clearly indicated on the site and landscape plans, in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
  - g. The applicant shall verify, prior to the issuance of a Building Permit, the exact location of all applicable FPL transformers or vault rooms; such transformers and vault rooms, and all other related devices and fixtures, shall not be permitted within any required yard or any area fronting a street or sidewalk. The location of any exterior transformers, and how they are screened with landscape material from the right-of-way, shall be clearly indicated on the site and landscape plans in a manner to be reviewed and approved by staff consistent with the Certificate of Appropriateness Criteria and/or the directions from the Board.
  - h. Prior to the issuance of a Certificate of Occupancy, the Landscape Architect for the project architect shall verify, in writing, that the project is consistent with the site and landscape plans approved by the Planning Department for Building Permit.
3. All building signage, with the exception of historic signage, shall be composed of flush mounted, non-plastic, individual letters and shall require a separate permit.
4. The final exterior surface color scheme, including color samples, shall be subject to the review and approval of staff and shall require a separate permit.

5. A traffic mitigation plan, which addresses all roadway Level of Service (LOS) deficiencies relative to the concurrency requirements of the City Code, if required, shall be submitted prior to the issuance of a Building Permit and the final building plans shall meet all other requirements of the Land Development Regulations of the City Code.
6. All new and altered elements, spaces and areas shall meet the requirements of the Florida Accessibility Code (FAC).
7. The project shall comply with any landscaping or other sidewalk/street improvement standards as may be prescribed by a relevant Urban Design Master Plan approved prior to the completion of the project and the issuance of a Certificate of Occupancy.
8. The applicant may be required to submit a separate analysis for water and sewer requirements, at the discretion of the Public Works Director, or designee. Based on a preliminary review of the proposed project, the following may be required by the Public Works Department:
  - a. A traffic and neighborhood impact study shall be conducted as a means to measure a proposed development's impact on transportation and neighborhoods. The study shall address all roadway Level of Service (LOS) deficiencies relative to the concurrency requirements of the City Code, and if required, shall be submitted prior to the issuance of a Building Permit. The final building plans shall meet all other requirements of the Land Development Regulations of the City Code. The developer shall refer to the most recent City of Miami Beach's Traffic and Neighborhood Impact Methodology as issued by the Public Works Department.
  - b. Remove/replace sidewalks, curbs and gutters on all street frontages, if applicable. Unless otherwise specified, the standard color for city sidewalks is red, and the standard curb and gutter color is gray.
  - c. Mill/resurface asphalt in rear alley along property, if applicable.
  - d. Provide underground utility service connections and on-site transformer location, if necessary.
  - e. Provide back-flow prevention devices on all water services.
  - f. Provide on-site, self-contained storm water drainage for the proposed development.
  - g. Meet water/sewer concurrency requirements including a hydraulic water model analysis and gravity sewer system capacity analysis as determined by the Department and the required upgrades to water and sewer mains servicing this project.
  - h. Payment of City utility impact fees for water meters/services.

- i. Provide flood barrier ramps to underground parking or minimum slab elevation to be at highest adjacent crown road elevation plus 8".
  - j. Right-of-way permit must be obtained from Public Works.
  - k. All right-of-way encroachments must be removed.
  - l. All planting/landscaping in the public right-of-way must be approved by the Public Works and Parks Departments.
9. Satisfaction of all conditions is required for the Planning Department to give its approval on a Certificate of Occupancy; a Temporary Certificate of Occupancy or Partial Certificate of Occupancy may also be conditionally granted Planning Departmental approval.
10. The Final Order shall be recorded in the Public Records of Miami-Dade County, prior to the issuance of a Building Permit.
11. The Final Order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
12. The conditions of approval herein are binding on the applicant, the property's owners, operators, and all successors in interest and assigns.
13. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code.

IT IS HEREBY ORDERED, based upon the foregoing findings of fact, the evidence, information, testimony and materials presented at the public hearing, which are part of the record for this matter, and the staff report and analysis, which are adopted herein, including the staff recommendations, which were amended by the Board, that the Certificate of Appropriateness is GRANTED for the above-referenced project subject to those certain conditions specified in paragraph C of the Findings of Fact (Condition Nos. 1-13 inclusive) hereof, to which the applicant has agreed.

PROVIDED, the applicant shall build substantially in accordance with the plans approved by the Historic Preservation Board, as determined by staff, "The Park Central Hotel", as prepared by Space4Architecture, dated January 21, 2014.

When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Final Order. No building permit may be issued unless and until all conditions of approval that must be satisfied prior to permit issuance, as set forth in this Final Order, have been met.

The issuance of this Certificate of Appropriateness does not relieve the applicant from obtaining all other required Municipal, County and/or State reviews and permits, including final zoning approval. If adequate handicapped access is not provided on the Board-approved plans, this approval does not mean that such handicapped access is not required. When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Order.

If the Full Building Permit for the project is not issued within eighteen (18) months of the meeting date at which the original Certificate of Appropriateness was granted, this Certificate of Appropriateness will expire and become null and void. If the Full Building Permit for the project should expire for any reason (including but not limited to construction not commencing and continuing, with required inspections, in accordance with the applicable Building Code), this Certificate of Appropriateness will expire and become null and void.

In accordance with Section 118-561 of the City Code, the violation of any conditions and safeguards that are a part of this Order shall be deemed a violation of the land development regulations of the City Code. Failure to comply with this **Order** shall subject this Certificate of Appropriateness to Section 118-564, City Code, for revocation or modification of the Certificate of Appropriateness.

Dated this 24<sup>th</sup> day of February, 2014.

LEGAL: Parcel 1, Heathcote Apartments: South half of Lot 4 and all of Lot 5, block 11, of the Ocean Beach Addition no. 1, according to the plat thereof recorded in plat book 3, at page 11 of the public records of Dade County, Florida.  
Parcel 2, Park Central Hotel: Lot 3 and north half of Lot 4, block 11, of the Ocean Beach Addition no. 1, according to the plat thereof recorded in plat book 3, at page 11 of the public records of Dade County, Florida.  
Parcel 3, Imperial Hotel: Lot 2, block 11, of the Ocean Beach Addition no. 1, according to the plat thereof recorded in plat book 3, at page 11 of the public records of Dade County, Florida.

IN RE: The Application for modifications to a previously issued Certificate of Appropriateness for the partial demolition, renovation and restoration of the existing 3-story Heathcote Apartments, the existing 7-story Park Central Hotel and the existing 3-story Imperial Hotel, including the reconfiguration of the site, as part of a new hotel development. Specifically, the applicant is requesting a waiver in accordance with Section 118-564(f)(6) of the City Code, the requirement that a full building permit for the new construction be issued prior to the issuance of a demolition permit for a non-contributing structure on the site.

**SUPPLEMENTAL ORDER**

The applicant, Park Central Partners, LLC, filed an application with the City of Miami Beach Planning Department for a Certificate of Appropriateness.

The City of Miami Beach Historic Preservation Board makes the following FINDINGS OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

*gm*

- A. The subject structures are classified as 'Contributing' in the Miami Beach Historic Properties Database and are located within the Ocean Drive/Collins Avenue Local Historic District.
- B. The subject Certificate of Appropriateness was originally approved by the Historic Preservation Board on February 11, 2007.
- C. Based on the plans and documents submitted with the application, testimony and information provided by the applicant, and the reasons set forth in the Planning Department Staff Report, the project as submitted is consistent with the Certificate of Appropriateness Criteria in Section 118-564(a)(1) of the Miami Beach Code, is consistent with Certificate of Appropriateness Criteria in Section 118-564(a)(2) of the Miami Beach Code, is consistent with Certificate of Appropriateness Criteria in Section 118-564(a)(3) of the Miami Beach Code, and is consistent with Certificate of Appropriateness Criteria for Demolition in Section 118-564(f)(4) of the Miami Beach Code.
- D. The project would remain consistent with the criteria and requirements of section 118-564 if the following conditions are met:
  - 1. In accordance with Section 118-564(f)(6) of the City Code, the requirement that a full building permit for the new construction be issued prior to the issuance of a demolition permit for the existing noncontributing structures, is hereby waived.
  - 2. The Supplemental Final Order shall be recorded in the Public Records of Miami-Dade County, prior to the issuance of a Building Permit.
  - 3. Satisfaction of all conditions is required for the Planning Department to give its approval on a Certificate of Occupancy; a Temporary Certificate of Occupancy or Partial Certificate of Occupancy may also be conditionally granted Planning Departmental approval.
  - 4. The Supplemental Final Order shall be recorded in the Public Records of Miami-Dade County, prior to the issuance of a Building Permit.
  - 5. The Supplemental Final Order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
  - 6. The previous Final Order dated February 11, 2014 shall remain in full force and effect, except to the extent modified herein.
  - 7. The conditions of approval herein are binding on the applicant, the property's owners, operators, and all successors in interest and assigns.

8. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code.

IT IS HEREBY ORDERED, based upon the foregoing findings of fact, the evidence, information, testimony and materials presented at the public hearing, which are part of the record for this matter, and the staff report and analysis, which are adopted herein, including the staff recommendations, which were amended by the Board, that the Certificate of Appropriateness is GRANTED for the above-referenced project subject to those certain conditions specified in paragraph D of the Findings of Fact (Condition Nos. 1-8 inclusive) hereof, to which the applicant has agreed.

PROVIDED, the applicant shall build substantially in accordance with the plans approved by the Historic Preservation Board, as determined by staff, entitled "The Park Central Hotel", as prepared by Space 4 Architecture, dated July 8, 2014.

When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Final Order. No building permit may be issued unless and until all conditions of approval that must be satisfied prior to permit issuance, as set forth in this Final Order, have been met.

The issuance of this Certificate of Appropriateness does not relieve the applicant from obtaining all other required Municipal, County and/or State reviews and permits, including final zoning approval. If adequate handicapped access is not provided on the Board-approved plans, this approval does not mean that such handicapped access is not required. When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Order.

If the Full Building Permit for the project is not issued within eighteen (18) months of the meeting date at which the original Certificate of Appropriateness was granted, this Certificate of Appropriateness will expire and become null and void. If the Full Building Permit for the project should expire for any reason (including but not limited to construction not commencing and continuing, with required inspections, in accordance with the applicable Building Code), this Certificate of Appropriateness will expire and become null and void.

In accordance with Section 118-561 of the City Code, the violation of any conditions and safeguards that are a part of this Order shall be deemed a violation of the land development regulations of the City Code. Failure to comply with this **Order** shall subject this Certificate of Appropriateness to Section 118-564, City Code, for revocation or modification of the Certificate of Appropriateness.

Dated this 14<sup>th</sup> day of JULY, 2014.
