Subject: Fwd: Agenda Item for June 07, 2017 Commission

Can you please place this item on the agenda as a discussion item?

Kristen Rosen Gonzalez
Miami Beach Commissioner

Commissioner Rosen-Gonzalez,

Miami Beach is watching with concern the public disturbances, noise, crime and violence in our entertainment districts. The recent violent incidents on Ocean Drive have focused attention on the proper interface between commercial and residential neighborhoods. This is an issue at this moment in the Flamingo Park neighborhood, where the Planning Department has granted an Entertainment Permit at 1601-Drexel Avenue, a commercial building surrounded by 7-residential buildings.

Per our conversation last week, can you please add the commercial/residential interface as an item to the June 07, 2017 Commission Agenda, with public discussion? If possible, can you please request a time certain?

Thank you for your help.

Best regards,

Adam Shedroff ams33139@yahoo.com 786-267-7720
