ADJOURNMENT

---

Applications listed herein have been filed with the Planning Department for review by the Planning Board, pursuant Section 118-51 of the City's Land Development Regulations. All persons are invited to attend this meeting or be represented by an agent, or to express their views in writing addressed to the Planning Board c/o the Planning Department, 1700 Convention Center Drive, 2nd Floor, Miami Beach, Florida 33139. Applications for items listed herein are available for public inspection at the following link: or during normal business hours at the Planning Department, 1700 Convention Center Drive, 2nd Floor, Miami Beach, Florida 33139. Inquiries may be directed to the Department at (305) 673-7550.

Any items listed in this agenda may be continued. Under such circumstances, additional legal notice would not be provided. Please contact the Planning Department at (305) 673-7550 for information on the status of continued items.

Pursuant to Section 286.0105, Fla. Stat., the City hereby advises the public that: Appeals of any decision made by this Board with respect to any matter considered at its meeting or hearing, such person will need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. This notice does not constitute consent by the City for the introduction or admission of otherwise inadmissible or irrelevant evidence, nor does it authorize challenges or appeals not otherwise allowed by law.

To request this material in alternate format, sign language interpreter (five-business day notice is required), information on access for persons with disabilities, and accommodation to review any document or participate in any city-sponsored proceedings, call 305.604.2489 and select 1 for English or 2 for Spanish, then option 6; TTY users may call via 711 (Florida Relay Service).

## OVERVIEW

Revive Clinic is launching in a beautiful, 1,000 square foot space in the heart of Miami Beach, Florida.

Revive Clinic will be a renowned, natural, smart-aging Massage Clinic and SPA that specializes in the holistic application of innovative methods of treatment and care of the face, body and soul.

Revive Clinic is a new Miami Beach-based Massage Clinic and SPA that is offering medical and spa services with the latest technology and the most inviting atmosphere for clients seeking to look better and feel better.

The facility is a 1,000 square foot, airy space with easy vehicular traffic access. The space is located on the bay walk with panoramic views of Biscayne Bay, the Downtown Miami Skyline and very scenic sunsets.

Operational Details: The interior of the built-out space has a modern and upscale decor with clean sight lines that appeal to both men and women of all ages. The color scheme is bright, tasteful and attractive with a generally neutral, premium feel. The space will have 5 treatment rooms, and it will have a very comfortable waiting area with Wi-Fi access, etc.

## TEAM MEMBERS

- **Chris Gojdz, MD, PHD**
- Dr Krzysztof Gojdz, MD, PHD is a highly esteemed physician. Celebrating many years of broad experience in the field of

aesthetic and cosmetic medicine and originally from a medical background with MD PhD qualifications.

- Several years ago he decided to turn his career into aesthetic and cosmetic medicine. He completed the American Academy of Aesthetic Medicine in Miami in 2012 with the score nr 1. He also graduated from the American Academy of Anti-Aging Medicine (Aesthetic Fellowship) as well as he attended to hundreds of other courses around the world. He gained clinical skills in the USA, Europe, Asia, Middle East and Australia.
- From 2013 on behalf of the American Academy of Aesthetic Medicine, several times a year he lectured and trained doctors in aesthetic medicine around the world (including in Europe, Asia, Australia, USA, the Caribbean), thus having an impact on the development natural aesthetic medicine and trends in the field of image shaping.
- He trained more thousands doctors and cosmetologists, among others in Singapore, Bangkok, Kuala Lumpur, Hong Kong, Indonesia, Sydney, Melbourne, London, Amsterdam, Warsaw, Miami, Las Vegas ... providing them with their theoretical and practical knowledge.
- Several years ago in Europe, Warsaw, Poland , Dr Chris Gojdz, as the founder of HOLISTIC Clinic, created the idea of holistic medspa, which was innovative in its concept and approach to the patient, in which patients were under the comprehensive care of the highest class specialists in aesthetic medicine, anti-aging, gynecology, skincare, cosmetology, nutrition and other fields. Thousands of cosmetic medicine physicians and medspa around the world started to follow his idea and beauty treatments' protocols.
- Dr Gojdz has changed the way of thinking of many doctors and patients promoting natural beauty - both body and soul.
- Now Dr Chris Gojdz opening **Revive Clinic™** - a **SPA**, new beauty concept unlike any other.

- Revive Clinic™ is THE MOST MAGICAL SPOT IN SOUTH BEACH, Miami Beach. A HOLISTIC OASIS. To **revive** means to **give new strength or energy to life**, to **give new life**. This is what I'd like to give to my patients. I want my patients to: **Revive. Feel Better. Look Better. Perform Better.**

## HOURS OF OPERATIONS

Monday - Friday: 10am – 8 pm

Saturday 10 am – 6 pm

SPA access will be provided through the entrance on Bay Walk at 1470 16<sup>th</sup> street, Miami Beach

## STAFFING LEVELS FOR THE SPA

According to the hours of operation applied for under this Conditional Use Permit, the Applicant expects to have 4 employees staffed at any point in time.

## ACCESS & SECURITY

Clients of the Spa will be able to gain entry through the entrance along Bay Walk at 1470 16<sup>th</sup> street. Once through the entrance, the clients are inside the SPA where a receptionist will greet them and assign a treatment to which they will be taken too.

There is a security and valet parking in front of the building. Also additional security cameras are attached to the Spa area outside and inside as well as a security system.

## VALET PARKING

There are multiple closed parking facilities along the West Avenue and Alton Road. Additionally, the Applicant has own 4 valet parking spaces at the building which belong to the SPA. The valet service will services at all times that the Spa is operational.

## DELIVERIES & COLLECTIONS

The following procedures will be implemented to ensure minimal impact on local residents.

Small deliveries (like products for SPA treatments) will occur daily between 8:00 AM and 5:00 PM along 16<sup>th</sup> street. The Capri Reception will take care of and deliveries to the SPA and letting know via email to the SPA Reception.

**"LETTER OF INTENT"**

Dear Members of the Planning Board,

This application is to obtain a Conditional Use Approval for the above referenced space as a "personal service" spa as allowed by Ordinance No. 2019-4313 under section 143-213(c).

We are an innovative spa unlike anything yet seen in the US. REVIVE Clinic™ is a natural smart-aging SPA that is a precursor in the application of innovative methods of treatment and care of the face, body and soul. Our beauty and natural smart-aging holistic approach provides a customized treatment plan for each individual client including all aspects of a client's lifestyle. The most important goal is to give a natural look with natural noninvasive face and body treatment procedures for our patients.

The approval of this conditional use is in compliance with the guidelines from Section 118-192(a) listed below:

- (1) The use is consistent with the comprehensive plan or neighborhood plan if one exists for the area in which the property is located. – Use has been approved for the neighborhood
- (2) The intended use or construction will not result in an impact that will exceed the thresholds for the levels of service as set forth in the comprehensive plan. – Correct. Existing commercial space is currently being used for a business and will continue with a business use that has a conditional approval for the area and space.
- (3) Structures and uses associated with the request are consistent with these land development regulations. - Existing commercial space being used for approved use
- (4) The public health, safety, morals, and general welfare will not be adversely affected. – Correct, there is no adverse effect from the proposed use
- (5) Adequate off-street parking facilities will be provided. – Correct, building provides valet parking and drop off area

(6) Necessary safeguards will be provided for the protection of surrounding property, persons, and neighborhood values. – Safeguards exist at current property from surrounding properties

(7) The concentration of similar types of uses will not create a negative impact on the surrounding neighborhood. Geographic concentration of similar types of conditional uses should be discouraged. – This would be the only use in the area, however concentration of use will not create negative impact either

All necessary and requested plans and documents are being provided.

If there are any questions or concerns, please feel free to contact me directly.

With Regards,

Krzysztof Gojdz  
Revive Clinic

## BOARD APPLICATION CHECK LIST

A Pre-Application meeting must be scheduled via CSS to obtain a plan case number and for board staff review of all submittals, and review by the Development Review Committee, as needed.

Pre-Application meetings for applications that do not require a traffic study are scheduled on a first come-first served basis and must occur no later than five(5) business days prior to CSS First submittal.

Applications requiring a traffic study must meet with Planning, Transportation, and peer reviewer sixty (60) days\* prior to First submittal deadline to determine the methodology for the traffic impact study. This meeting is considered the "Pre-Application meeting" and must be scheduled via CSS to obtain a plan case number for review and payment of fees. Thirty (30) days before First submittal, applicant must provide the traffic study via CSS (see Transportation Department's requirements check list). The Transportation Department/Peer Reviewer will submit first round of comments 15 days prior to First submittal. Applicant must address comments and submit revised traffic study/plans for CSS First submittal deadline.

**Incomplete, or submittals found to be insufficient will not be placed on a Board agenda.**

ITEM #	FIRST SUBMITTAL (VIA CSS) **, To be uploaded online (CSS) by the applicant before 5:00 pm by First submittal deadline. ALL PLANS MUST BE DIMENSIONED AND LEGIBLE. INCLUDE A GRAPHIC SCALE.	Required
1	Application Fee and Peer review fees shall be paid after Pre-Application meeting and before the First submittal. It is the applicant's responsibility to make this payment, if an invoice is not generated by the CSS system, the applicant should contact staff prior to first submittal to be invoiced and make payment.	X
2	Is the property the primary residence & homestead of the applicant/property owner? (If yes, provide office of the Property Appraiser Summary Report).	
3	Copy of signed and dated check list issued at Pre-Application meeting or Design Review Committee meeting.	X
4	Completed Board Application, Affidavits & Disclosures of Interest (original signatures).	X
5	Signed and dated Letter of Intent. <b>Letter must outline application details and identify hardships if Variances are requested.</b> (see also Items # 44, 45 & 46).	X
6	Mailing Labels: Upload property owner's list and copy of original certified letter from provider. See #52 for submittal of Hard copy / originals of these items. <i>(375' radius from property, including all units in Cgri)</i>	X
7	Copies of all current or previously active Business Tax Receipts if applicable.	X
8	Copies of previous recorded final Orders if applicable.	
9	School Concurrency Application for projects with a net increase in residential units (no SFH). Provide Planning Department - Miami Dade - School Concurrency Application for Transmittal	
10	Survey: Electronic version of original signed & sealed, dated no more than six months from date of application. Survey must provide: lot area, grade per Section 114-1 of the City Code. (If no sidewalk exists, provide the elevation of the crown of the road) and spot elevations.	X
11	<b>Architectural Plans and Exhibits (must be 11"x 17")</b>	X
a	Cover Sheet with bullet point scope of work, clearly labeled "First Submittal" and dated with First Submittal deadline date.	X
b	Copy of the original survey included in plan package. See No. 10 above for survey requirements	X
c	All Applicable Zoning Information (Use Planning Department zoning data sheet format).	X
d	Context Location Plan, Min 8.5"X11" Color Aerial 1/2 mile radius, identifying project and showing name of streets. (no Google images)	X
e	Full legal description of the property if not included in survey (for lengthy legal descriptions, attach as a separate document - label clearly).	X
f	<del>Existing FAR Shaded Diagrams (Single Family Districts: Unit Size and Lot Coverage Shaded Diagrams), if applicable</del>	<del>X</del>
g	<del>Proposed FAR Shaded Diagrams (Single Family Districts: Unit Size and Lot Coverage Shaded Diagrams), if applicable.</del>	<del>X</del>

\* 30 day lead time from first submittal for projects requiring traffic studies is necessary to ensure completion of review and required corrections by Final submittal deadline. Applications cannot be scheduled without evaluated and corrected traffic studies.

Property address: 1470 16<sup>th</sup> street

<del>h</del>	<del>Site Plan (fully dimensioned with setbacks, existing and proposed, including adjacent right-of-way widths).</del>	<del>X</del>
i	Current color photographs, dated, Min 4"x 6" of project site and existing structures (no Google images)	X
j	Current, color photographs, dated, Min 4"x6" of interior space (no Google images)	X
k	Current color photographs, dated, Min 4"x 6" of context, corner to corner, across the street and surrounding properties with a key directional plan (no Google images)	X
l	Existing Conditions Drawings (Floor Plans & Elevations with dimensions). Number of seats, furniture layout if applicable	X
m	Demolition Plans (Floor Plans & Elevations with dimensions)	X
n	Proposed Floor Plans and Roof Plan, including mechanical equipment plan and section marks. Plans shall indicate location of all property lines and setbacks.	X
<del>o</del>	<del>Proposed Elevations, materials &amp; finishes noted (showing grade, base flood elevation, heights in NGVD values and free board if applicable)</del>	<del>X</del>
<del>p</del>	<del>Proposed Section Drawings</del>	<del>X</del>
q	Color Renderings (elevations and three dimensional perspective drawings).	
<b>12</b>	<b>Landscape Plans and Exhibits (must be 11"x 17")</b>	
a	Tree Survey	
b	Tree Disposition Plan	
c	Landscape Plan- private property and right-of-way areas. Proposed landscaping with landscape legend form, hardscape areas, ground floor equipment, overhead and underground utilities information.	
d	Hardscape Plan, i.e. paving materials, pattern, etc.	
e	Landscape lighting	
13	Copy of original Building Permit Card, & Microfilm, if available.	
14	Copy of previously approved building permits. (provide building permit number).	
15	Existing and Proposed detailed topographic survey depicting existing spot grades (NAVD) as well as all underground/overhead utilities and easements/agreements with recording data.	
16	Vacant/Unoccupied structures or sites shall provide recent photographic evidence that the site and structure are secured and maintained. The applicant shall obtain and post a No Trespassing Sign from the City's Police Dept.	
17	Historic Resources Report (This report shall include, but not be limited to, copy of the original Building Permit Card and subsequent modifications, Microfilm records, existing condition analysis, photographic and written description of the history and evolution of the original building on the site, all available historic data including original plans, historic photographs and permit history of the structure and any other related information on the property).	
18	Contextual Elevation Line Drawings, corner to corner, across the street and surrounding properties (dated).	
19	Line of Sight studies.	
20	Structural Analysis of existing building including methodology for shoring and bracing.	
21	Proposed exterior and interior lighting plan, including photometric calculations.	
22	Exploded Axonometric Diagram (showing second floor in relationship to first floor).	
23	Neighborhood Context Study. (Planning will provide guidance if necessary for application.)	
24	Required yards open space calculations and shaded diagrams.	
25	Required yards section drawings.	
26	Variance and/or Waiver Diagram.	
27	Schematic signage program	
28	Detailed sign(s) with dimensions and elevation drawings showing exact location.	
29	Elevation drawings showing area of building façade for sign calculation (Building ID signs).	
30	Daytime and nighttime renderings for illuminated signs.	
31	Floor Plan Indicating area where alcoholic beverages will be displayed.	
32	Survey showing width of the canal (Dimension shall be certified by a surveyor)	
33	Site Plan showing total projection of structures from seawall, location and dimension of all structures inclusive of dock, mooring piles, boat lift, etc.	

Indicate N/A If Not Applicable

Initials: \_\_\_\_\_

Property address: 1470 16<sup>th</sup> street

34	Technical specifications of the boat lift and/ or boat, ship of vessel to be docked or moored.	
35	DERM recommendation/preliminary approval. Docks or any structures shall have approval stamp from DERM or other regulatory agency before submitting for a variance. A letter from DERM or other agency, explaining specific requirements for the project is recommended.	
36	Survey with spot elevations in rear yard and elevation points on the dune adjacent to the property. Provide highest elevation point on the dune within the property. Erosion control line and Bulkhead line shall be indicated if present.	
37	Scaled, signed, sealed and dated specific purpose survey (Alcohol License/Distance Separation) distance shown on survey with a straight line.	
38	<u>Proposed Operational Plan: Include deliveries and trash pickup times, hours of operations, number of employees, security and restaurant menu (if applicable).</u>	X
39	Maneuvering plan for loading within the existing/proposed conditions, delivery and garbage trucks size (length and width).	
40	Traffic Study, Site plan(s) : Revised version addressing first round of comments from Transportation Department and peer review. (See Transportation Department check list for requirements.)	
41	Sound Study report (Hard copy) with 1 CD.

## ADDITIONAL INFORMATION AND ACKNOWLEDGEMENTS

- A. \*\* Other information/documentation required for First submittal will be identified during Pre-Application meeting and Development Review Committee Meeting but may be modified based on further analysis.
- B. It is the responsibility of the applicant to confirm that documents submitted via CSS, Paper Submittal sets (14 copies), and electronic version on CD are consistent with each other and legible.
- C. All PDF files must be named with the submittal deadline date and the type of document in the following format 'MM-DD-YYYY Document Name'.
- D. Plan revisions and supplemental documentation will not be accepted after the Final Submittal deadline
- E. All documents required for Board applications must be submitted in an electronic format (PDF) via CD in the manner prescribed herein. The CD is considered the "Formal Submission", and must include the electronic version of all hard copy documents associated with the application. A new Updated CD will be required if any modifications are made before or after hearing. Failure to comply with the aforementioned may result in a rehearing before the applicable board at the applicant's expense.
- F. Please note that the applicant will be required to submit revised plans pursuant to applicable Board Conditions no later than 60 days after Board Approval. (If applicable)

**Please note the following information:**

- A separate disclosure of interest form must be submitted with this application if the applicant or owner is a corporation, partnership, limited partnership or trustee.
- All applicable affidavits must be completed and the property owner must complete and sign the "Power of Attorney" portion of the affidavit if they will not be present at the hearing, or if other persons are speaking on their behalf.
- To request this material in alternate format, sign language interpreter (five-day notice is required), information on access for persons with disabilities, and accommodation to review any document or participate in any City sponsored proceedings, call 305.604.2489 and select (1) for English or (2) for Spanish, then option 6; TTY users may call via 711 (Florida Relay Service).

**Please read the following and acknowledge below:**

- Applications for any board hearing(s) will not be accepted without payment of the required fees. All checks are to be made payable to the "City of Miami Beach".
- All disclosures must be submitted in CMB Application format and be consistent with CMB Code Sub-part A Section 2-482(c):
  - (c) If the lobbyist represents a corporation, partnership or trust, the chief officer, partner or beneficiary shall also be identified. Without limiting the foregoing, the lobbyist shall also identify all persons holding, directly or indirectly, a five percent or more ownership interest in such corporation, partnership, or trust.
- Public records notice – All documentation submitted for this application is considered a public record subject to Chapter 119 of the Florida Statutes and shall be disclosed upon request.
- In accordance with the requirements of Section 2-482 of the code of the City of Miami Beach, any individual or group that will be compensated to speak or refrain from speaking in favor or against an application being presented before any of the City's land use boards, shall fully disclose, prior to the public hearing, that they have been, or will be compensated. Such parties include: architects, engineers, landscape architects, contractors, or other persons responsible for project design, as well as authorized representatives attorneys or agents and contact persons who are representing or appearing on behalf of a third party; such individuals must register with the City Clerk prior to the hearing.
- In accordance with Section 118-31. – Disclosure Requirement. Each person or entity requesting approval, relief or other action from the Planning Board, Design Review Board, Historic Preservation Board or the Board of Adjustment shall disclose, at the commencement (or continuance) of the public hearing(s), any consideration provided or committed, directly or on its behalf, for an agreement to support or withhold objection to the requested approval, relief or action, excluding from this requirement consideration for legal or design professional service rendered or to be rendered. The disclosure shall: (I) be in writing, (II) indicate to whom the consideration has been provided or committed, (III) generally describe the nature of the consideration, and (IV) be read into the record by the requesting person or entity prior to submission to the secretary/clerk of the respective board. Upon determination by the applicable board that the foregoing disclosure requirement was not timely satisfied by the person or entity requesting approval, relief or other action as provided above, then (I) the application or order, as applicable, shall immediately be deemed null and void without further force or effect, and (II) no application form said person or entity for the subject property shall be reviewed or considered by the applicable board(s) until expiration of a period of one year after the nullification of the application or order. It shall be unlawful to employ any device, scheme or artifice to circumvent the disclosure requirements of this section and such circumvention shall be deemed a violation of the disclosure requirements of this section.
- When the applicable board reaches a decision a final order will be issued stating the board's decision and any conditions imposed therein. The final order will be recorded with the Miami-Dade Clerk of Courts. The original board order shall remain on file with the City of Miami Beach Planning Department. Under no circumstances will a building permit be issued by the City of Miami Beach without a copy of the recorded final order being included and made a part of the plans submitted for a building permit.

- When the applicable board reaches a decision a final order will be issued stating the board's decision and any conditions imposed therein. The final order will be recorded with the Miami-Dade Clerk of Courts. The original board order shall remain on file with the City of Miami Beach Planning Department. Under no circumstances will a building permit be issued by the City of Miami Beach without a copy of the recorded final order being included and made a part of the plans submitted for a building permit.

Re: SUPPLEMENTAL Request for Conditional Use Permit Approval for the  
Properties located at 1234-1260 Washington Avenue

Dear Mr. Belush:

This law firm represents Urbin Miami Beach Partners, LLC ("Applicant") the contract purchaser of the properties located at 1234 and 1260 Washington Avenue (collectively the "Property") within the City of Miami Beach ("City"). Please consider this letter the Applicant's supplemental letter of intent in support of new construction in excess of 50,000 square feet.

Property Description. The Property is approximately 33,488 square feet (0.77 acres) in size, located between Drexel Avenue on the west and Washington Avenue on the east at 13<sup>th</sup> Street. The Miami-Dade County Property Appraiser's Office identifies the Property's two parcels with Folio Nos. 02-4203-009-0050 and 02-4203-009-0040. There are currently two (2) structures on the Property. On the portion of the Property associated with the address 1234 Washington Avenue, there is an office building constructed in 1961 (the "1234 Parcel"). On the portion of the Property associated with the address 1260 Washington Avenue, there is a one-story retail building constructed in 1948 and significantly modified overtime (the "1260 Parcel").

The Property is located in the Flamingo Park Local Historic District and the Miami Beach National Register Architectural District. The Property is zoned CD-2, Commercial, and Medium Intensity ("CD-2"). The CD-2 zoning district provides recently amended development incentives for the Washington Avenue corridor in

which the Property is located. To the north of the Property is the historic U.S. Post Office, and to the east and south are a variety of commercial uses.

Development Program. The Applicant proposes to retain the existing 1234 Parcel, and request through a concurrent Historic Preservation Board ("HPB") application that it be reclassified as a contributing building. The 1260 Parcel will be redeveloped with a new mixed-use building comprised of retail, restaurants, hotel, and co-living residential units (the "Project"). The Project will be six-stories, and have frontages on three-sides: Washington Avenue, 13<sup>th</sup> Street, and Drexel Avenue.

The programming for the new structure fronting Washington Avenue on the ground floor will consist of two (2) micro-retail units, two (2) restaurants with indoor entertainment and outdoor seating, one (1) bar counter accessible from the internal plaza, and the lobbies for the 1234 Parcel and the 1260 Parcel. Vehicular access will be from 13<sup>th</sup> Street and egress will be onto Drexel Avenue. Parking and one (1) loading space will be internal to the building on the ground floor, as well as eight (8) bicycle racks. Three (3) additional loading spaces will be located on 13<sup>th</sup> Street for the non-exclusive use of the Project.

The second, third, and fourth floors of the new structure will contain the forty-nine (49) co-living units and suites. Two (2) units will be two-bedrooms, six (6) units will be three-bedrooms, and two (2) units will be four-bedrooms. Thirty-nine (39) units will be considered Junior Studios, 275 square feet in size. The fifth and sixth floors of the new structure will contain fifty-six (56) hotel rooms. Two (2) of the hotel rooms will be suites 332-388 square feet in size, and the remaining hotels rooms will be standard size between 208 and 275 square feet in size.

Active uses of the roof top of the new structure are purposefully pushed towards Washington Avenue. A pool and deck areas are parallel to Washington Avenue, and the roof top bar is located at the northeastern most corner of the Property.

Conditional Use Requests. As the total size of new construction exceeds 50,000 square feet, the Property requires conditional use approval from the Planning Board pursuant to Section 142-303(a)(10) of the City of Miami Beach Code of Ordinances ("City Code"). The calculation of new construction includes the ground floor driveways and parking, the covered front porch, balconies and outdoor habitable areas.

General Guidelines for Conditional Uses. Pursuant to City Code Section 118-192(a), review and approval of conditional uses includes evaluation of the proposed use in relation to the following guidelines:

- (1) The use is consistent with the comprehensive plan or neighborhood plan if one exists for the area in which the property is located.**

A mixed-use Project with on-site parking is consistent with the Comprehensive Plan and permitted by the underlying CD-2 regulations. The purpose of the Medium Intensity Commercial Category is to provide development opportunities that enhance the desirability and quality the commercial areas, which serve the entire City. The Project will activate the intersection of 13<sup>th</sup> Street and Washington Avenue, at the heart of the Washington Avenue Overlay with various types of commercial uses that are permitted, such as professional offices, retail sales and service establishments, and restaurants. The Project utilizes several zoning incentives that were amended into the CD-2 zoning regulations this year.

- (2) The intended use or construction will not result in an impact that will exceed the thresholds for the levels of service as set forth in the comprehensive plan.**

Construction of the Project is not expected to have any negative impact in excess of the thresholds of level of service provided for in the City comprehensive Plan. The Project will satisfy its own required parking supply, utilizing valet and off-site parking garages, and will also provide desired micro-retail and hotel uses along a mass transit corridor. A traffic study, included with the application materials, concludes that the Project will not adversely impact the traffic in the area. The Applicant is proposing mitigation for any noise impacts, and as many resiliency measures as feasible.

- (3) Structures and uses associated with the request are consistent with these land development regulations.**

The Applicant has filed a companion application to the HPB for Certificates of Appropriateness for the design of the structures and historic reclassification of the 1234 Parcel. The Applicant is proposing forward-thinking co-living units that were recently adopted into the CD-2 Land Development Regulations. This allows additional public spaces and flexibility for offices tenants and retailers to remain in Miami Beach. The three (3) entertainment uses are accessory to the Project, will provide additional amenity space for residents and guests, as well as tenants of the office spaces.

- (4) The public health, safety, morals, and general welfare will not be adversely affected.**

The Project will not adversely impact the public health, safety, morals, and general welfare. This innovative redevelopment will preserve the 1961 office building and provide a variety of uses for Miami Beach residents and visitors. It will benefit the

community by serving as a catalyst project to revitalize Washington Avenue with residential and hotel units, and further the efforts to improve the streetscape. The enhanced pedestrian experience opens onto the historic U.S. Post Office. The Project also includes lush shade trees. The intent is of the new uses is to incentivize local retails and generate jobs, thereby stimulating the local economy.

**(5) Adequate off-street parking facilities will be provided.**

The Applicant will provide ample off-street parking spaces onsite with valet services. Based on the recent Washington Avenue incentives, parking is not required for the existing and new uses. The Applicant is utilizing off-street parking spaces and valet services to provide parking for guests, residents, and tenants. The Project also features shaded bicycle parking at the corner of Drexel Avenue and 13<sup>th</sup> Street.

**(6) Necessary safeguards will be provided for the protection of surrounding property, persons, and neighborhood values.**

The Applicant is proposing 24/7 security on the Property, security cameras at all major entrance and exits points. The point of sale locations and elevators will also be monitored with security cameras. The operator will schedule additional security on high occupancy days, and will ensure additional security at the higher occupancy locations within the Property. There will be additional security at all entertainment locations. The Applicant is also proposing a gate within the breezeway to ensure patrons of the ground floor establishments cannot cross to Drexel Avenue through the Property. This will ensure protection of the Property and the neighborhood.

**(7) The concentration of similar types of uses will not create a negative impact on the surrounding neighborhood. Geographic concentration of similar types of conditional uses should be discouraged.**

This portion of the Washington Avenue corridor lacks hotel uses and mixed-use projects, and needs revitalization projects, such as this one. The Project will feature active daytime and nighttime uses. All active uses are focused to and accessible by pedestrians from Washington Avenue. This is an ideal location for redevelopment, as it will pose a positive impact on the surrounding neighborhood.

Supplemental Review Criteria for New Construction. Pursuant to Section 118-192(b) of the City Code, the Planning Board's review of an application for conditional use of new structures 50,000 square feet and over, considers the following:

- (1) Whether the proposed business operations plan has been provided, including hours of operation, number of employees, goals of business, and other**

**operational characteristics pertinent to the application, and that such plan is compatible with the neighborhood in which it is located.**

The Applicant has submitted a business operations plan with the application materials. The operations plan includes pertinent operational characteristics, such as the hours of operation, estimated employees, and goals and objectives of the Applicant and Project. The Applicant has modified certain operational characteristics for the benefit of the residential neighbors to the west. The mixed-use project fronts Washington Avenue, and will provide a variety of uses to improve the corridor. The hours of operations and hours of entertainment are compatible with the commercial and entertainment uses of Washington Avenue, and sensitive to the residential uses to the west.

- (2) Whether a plan for the mass delivery of merchandise has been provided, including the hours of operation for delivery trucks to come into and exit from the neighborhood and how such plan will mitigate any adverse impacts to adjoining and nearby properties, and neighborhood.**

The operations plan included with the application materials provides specific parameters for the Project's deliveries. Unlike the existing at-grade parking lot fronting Drexel Avenue, the design of the new structure provides an internal driveway for loading. The design to accommodate both large and small-scale deliveries. The driveway will be landscaped and screened for minimal impact on the residential uses, which will enhance the pedestrian experience on Drexel Avenue. There are also three (3) existing loading spaces on 13<sup>th</sup> Street, abutting the Property. The City limits use of these spaces to thirty (30) minutes, and the Applicant agrees to monitor the limited usage of the on-street loading spaces.

- (3) Whether the scale of the proposed use is compatible with the urban character of the surrounding area and create adverse impacts on the surrounding area, and how the adverse impacts are proposed to be addressed.**

The proposed design ensures that there is a minimal impact on the surrounding area, and the uses are compatible with the urban character of Washington Avenue. Specifically, the office use and structure will remain. The new structure on the 1260 Parcel provides an open pedestrian plaza on Washington Avenue, and a portion of the six-story structure abuts Drexel Avenue on the west and the U.S. Post Office to the north. The entertainment uses will be properly managed and controlled with internal sound systems, limited hours of entertainment, and strategically placed sound attenuation walls screened with lush landscaping. The high-quality development and

beautification are consistent with the City's vision for Washington Avenue. The Project's size and uses are also consistent with the existing structures and uses. It will have a minimal impact on the surrounding built environment, and breath new life to the corridor.

**(4) Whether the proposed parking plan has been provided, including where and how the parking is located, utilized, and managed, that meets the required parking and operational needs of the structure and proposed uses.**

A traffic study and parking circulation plan are included with the application materials. The Project maintains the existing ground floor parking spaces for the valet operators use. There is a lengthy, internal driveway for vehicle queuing off the street. All vehicles, including ride sharing options, will be directed with proper signage to enter from 13<sup>th</sup> Street. The proposed plans satisfy the required parking and operational needs of the Project.

**(5) Whether an indoor and outdoor customer circulation plan has been provided that facilitates ingress and egress to the site and structure.**

The architectural drawings, operations plan, traffic study and letter, provide details of the indoor and outdoor customer circulation. Pedestrians will enter the site from Washington Avenue, and vehicles will enter from 13<sup>th</sup> Street and exit onto Drexel Avenue. Vertical circulation is accessible from the ground floor lobby, pedestrians can access the lobby from Washington Avenue, and vehicles can access the lobby from the internal driveway area. The public will be limited to certain elevators that access the Rooftop Bar.

**(6) Whether a security plan for the establishment and supporting parking facility has been provided that addresses the safety of the business and its users and minimizes impacts on the neighborhood.**

The operations plan included with the application materials provides detailed security measures supporting the entire Project. The Applicant's goal is to provide safe accommodations for the residents and hotel guests, as well as the public and patrons of the retail and restaurants. There will be 24-hour security, and each entertainment venue will be staffed with its own security personnel. Cameras will be located at all entrances and exits, at all points of sale, and within the elevators. Additional security will be allocated during high occupancy days.

- (7) Whether a traffic circulation analysis and plan has been provided that details means of ingress and egress into and out of the neighborhood, addresses the impact of projected traffic on the immediate neighborhood, traffic circulation pattern for the neighborhood, traffic flow through immediate intersections and arterials, and how these impacts are to be mitigated.**

The Applicant engaged a traffic engineer to determine the effect of the Project on the roadways. The traffic engineer's report, produced by TrafTech Engineering, Inc., is included with the application materials. The study included analysis of the exiting land uses and access and parking, existing conditions of the roadway system surrounding the Project, traffic counts, trip generation, trip distribution, traffic assignment, and traffic impact. The trip generation counts show that the Project generates 124 daily trips (in 24-hours). The new net peak hour trips are approximately nine (9) less trips than the existing uses. There is no difference in the weekend net trips for the proposed uses, and approximately fourteen (14) new weekend peak hour trips, which is minimal. Additionally, all intersections are currently operating adequately and are anticipated to operate at a good level of service in 2022 when the Project is built. The exit-only driveway is also project to operate at an acceptable level of series.

- (8) Whether a noise attenuation plan has been provided that addresses how noise will be controlled in the loading zone, parking structures and delivery and sanitation areas, to minimize adverse impacts to adjoining and nearby properties.**

The Applicant engaged a sound engineer to determine and provide recommendations on the sound effect of the proposed uses. The sound engineer's report, produced by Edward Dugger and Associates, P.A. provides specific areas where sound will travel and the decibels at which it will be audible by neighbors. The report also provides specific recommendations for sound attenuate walls, which the Applicant has agreed to implement with a living hedge along the ground floor. Currently, there is nothing buffering the residential neighborhood to the back-of-house areas on the ground floor. The Project will beautify this parking area and have contained waste areas, with sound absorption concrete walls.

- (9) Whether a sanitation plan has been provided that addresses on-site facilities as well as off-premises issues resulting from the operation of the structure.**

The operations plan included with the application materials provides specific parameters for the Project's collections. They will be scheduled no earlier than 8:00 AM. Management will ensure minimal impact to guests and residents, as well as traffic by

keeping refuse internal to the site. The refuse and recycling will be stored within the building and visually blocked from the public right of ways. Additionally, management will provide cleaning and maintenance services for the entire Property and its adjoining rights of way.

**(10) Whether the proximity of the proposed structure to similar size structures and to residential uses creates adverse impacts and how such impacts are mitigated.**

The Project complies with the City Code requirements for intensity and density. It is not larger in size than certain existing structures and approved projects along Washington Avenue. Its purposefully layout reduces the tower's presence from Drexel Avenue, and with the public plaza provides breathing room and public amenity space on Washington Avenue. The Applicant is proposing several sound attenuation walls and lush landscaping to mitigate any adverse impacts.

**(11) Whether a cumulative effect from the proposed structure with adjacent and nearby structures arises, and how such cumulative effect will be addressed.**

The Washington Avenue corridor is one of the main corridors of Miami Beach. The Project is designed to compliment the surrounding mix of uses and designs, and promote pedestrianism while accommodating vehicle circulation. The residents and guests will benefit the existing commercial uses on Washington Avenue, and provide a transition to the residential uses on the west.

Sea Level Rise and Resiliency Criteria. The Project advances the sea level rise and resiliency criteria in Section 133-50(a) of the City Code as follows:

**(1) A recycling or salvage plan for partial or total demolition shall be provided.**

Yes, a recycling and salvage plan for the demolition of the one-story building will be provided at permitting.

**(2) Windows that are proposed to be replaced shall be hurricane proof impact windows.**

Hurricane proof impact windows will be provided.

**(3) Where feasible and appropriate, passive cooling systems, such as operable windows, shall be provided.**

Yes, the Applicant will provide, where feasible, passive cooling systems.

**(4) Whether resilient landscaping (salt tolerant, highly water-absorbent, native or Florida friendly plants) will be provided.**

Resilient landscaping will be provided.

**(5) Whether adopted sea level rise projections in the Southeast Florida Regional Climate Action Plan, as may be revised from time-to-time by the Southeast Florida Regional Climate Change Compact, including a study of land elevation and elevation of surrounding properties were considered.**

Yes.

**(6) The ground floor, driveways, and garage ramping for new construction shall be adaptable to the raising of public rights-of-ways and adjacent land.**

The ground floor areas will be adaptable to raised public rights-of way and adjacent properties.

**(7) Where feasible and appropriate. All critical mechanical and electrical systems are located above base flood elevation.**

All mechanical and electrical systems will be located above base flood elevation.

**(8) Existing buildings shall be, where reasonably feasible and appropriate, elevated to the base flood elevation.**

The office building on the 1234 Parcel will be designated as a historic contributing structure, and the Applicant proposes to renovate and preserve it in place.

**(9) When habitable space is located below the base flood elevation plus City of Miami Beach Freeboard, wet or dry flood proofing systems will be provided in accordance with Chapter of 54 of the City Code.**

Michael Belush, Chief of Planning and Zoning  
February 4, 2020  
Page 10 of 10

Yes, when habitable space is located below base flood elevation, wet or dry flood proofing systems will be provided.

**(10) Where feasible and appropriate, water retention systems shall be provided.**

Water retention systems will be provided as part of the resiliency goals of the Project.

**(11) Cool pavement materials or porous pavement materials shall be utilized.**

Yes.

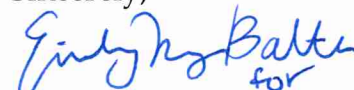

**(12) The design of each project shall minimize the potential for heat island effects on-site.**

Yes, the Applicant is proposing rainwater retention on site, and specific materials and landscaping to minimize any potential for heat island effects on-site.

Conclusion. Approval of the Project, and conditional use, will promote quality redevelopment and reuse of the Property. The Project respectfully revitalizes the heart of the Washington Avenue corridor by providing a quality mixed-use project that activates the area both day and night with appropriate safeguards. The Applicant has considered the dual-frontages and variety of surrounding uses to include several mitigation efforts for any potential adverse impacts. Granting of the requested Conditional Use Permit for new construction greater than 50,000 square feet will be in harmony with the intent and purpose of the City's Comprehensive Plan and Land Development Regulations, and will not be injurious to the area involved or otherwise detrimental to the public welfare.

Based on these reasons, the Applicant respectfully requests your favorable review and recommendation of this application. If you have any questions or comments with regards to the application, please give me a call at (305) 377-6231.

Sincerely,

Michael W. Larkin

**SURVEY NOTES:**

- THIS SURVEY REPRESENTS A BOUNDARY AND TOPOGRAPHIC SURVEY AS DEFINED BY STANDARDS OF PRACTICE FOR SURVEYING AND MAPPING, CHAPTER 5J-17, FLORIDA ADMINISTRATIVE CODES. THIS SURVEY IS NOT VALID WITHOUT THE SIGNATURE AND THE ORIGINAL RAISED SEAL OF A FLORIDA LICENSED SURVEYOR AND MAPPER.
- THE BEARINGS SHOWN HEREON ARE BASED ON A BEARING OF N.88°01'17"E, ALONG THE SOUTH RIGHT OF WAY LINE OF 13TH STREET ARE RELATIVE TO THE FLORIDA STATE PLANE COORDINATES SYSTEM, EAST ZONE, 1983 (1990) ADJUSTMENT.
- THE PROPERTY SHOWN HEREON LIES WITHIN FLOOD ZONE AE, ELEVATION 8' (NATIONAL GEODETIC VERTICAL DATUM OF 1929) OR 6.45' (NORTH AMERICAN VERTICAL DATUM OF 1988), AS SHOWN IN FLOOD INSURANCE RATE MAP NUMBER 12088C 0317 L, COMMUNITY NUMBER 120651, CITY OF MIAMI BEACH, MIAMI-DADE COUNTY, FLORIDA. MAP EFFECTIVE DATE: SEPTEMBER 11, 2009.
- THE SYMBOLS REFLECTED IN THE LEGEND AND ON THIS SURVEY MAY HAVE BEEN ENLARGED FOR CLARITY. THE SYMBOLS HAVE BEEN PLOTTED AT THE CENTER OF THE FIELD LOCATION AND MAY NOT REPRESENT THE ACTUAL SHAPE OR SIZE OF THE FEATURE.
- THE INFORMATION DEPICTED ON THIS SURVEY REPRESENTS THE RESULTS OF A FIELD SURVEY ON THE DATE INDICATED AND CAN ONLY BE CONSIDERED AS A REPRESENTATION OF THE GENERAL CONDITIONS EXISTING AT THAT TIME.
- THE SURVEYOR DID NOT INSPECT THE PROPERTY SHOWN HEREON FOR ENVIRONMENTAL HAZARDS. OWNERSHIP OF WALLS OR FENCES WAS NOT DETERMINED.
- BUILDING DIMENSIONS WERE MEASURED AT GROUND LEVEL AND ARE OVERALL. ARCHITECTURAL DETAILS MAY NOT BE SHOWN.
- OWNERSHIP OF WALLS OR FENCES WAS NOT DETERMINED.
- THE INFORMATION CONTAINED IN THIS DOCUMENT WAS PREPARED BY ECS LAND SURVEYORS, INC. ECS HAS TAKEN ALL REASONABLE STEPS TO ENSURE THE ACCURACY OF THIS DOCUMENT. WE CANNOT GUARANTEE THAT ALTERATIONS AND/OR MODIFICATIONS WILL NOT BE MADE BY OTHERS AFTER IT LEAVES OUR POSSESSION. THIS DOCUMENT MUST BE COMPARED TO THE ORIGINAL HARD COPY (WHICH BEARS THE RAISED SURVEYOR'S CERTIFICATION SEAL IF APPLICABLE) TO ENSURE THE ACCURACY OF THE INFORMATION CONTAINED HEREON AND TO FURTHER ENSURE THAT ALTERATIONS AND/OR MODIFICATIONS HAVE NOT BEEN MADE. ECS MAKES NO WARRANTIES, EXPRESS OR IMPLIED, CONCERNING THE ACCURACY OF THE INFORMATION CONTAINED IN THIS OR ANY DOCUMENT TRANSMITTED OR REVIEWED BY COMPUTER OR OTHER ELECTRONIC MEANS. CONTACT ECS DIRECTLY FOR VERIFICATION OF ACCURACY.
- SUBSURFACE UTILITIES, FOUNDATIONS AND ENCROACHMENTS WERE NOT LOCATED AND ARE NOT SHOWN HEREON. THIS SITE COULD HAVE UNDERGROUND INSTALLATIONS THAT ARE NOT SHOWN HEREON. BEFORE DESIGN, CONSTRUCTION OR EXCAVATION, CONTACT SUNSHINE STATE ONE CALL OF FLORIDA (1-800-432-4770) AND THE APPROPRIATE UTILITY COMPANIES FOR FIELD VERIFICATION OF UTILITIES. THIS SURVEY IS LIMITED TO ABOVEGROUND FEATURES ONLY.
- THE PROPERTY SHOWN HEREON CONTAINS AN AREA OF 0.77 ACRES (33,488 SQUARE FEET), MORE OR LESS.
- ADDITIONS OR DELETIONS TO SURVEY MAPS OR REPORTS BY OTHER THAN THE SIGNING PARTY OR PARTIES ARE PROHIBITED WITHOUT WRITTEN CONSENT OF THE SIGNING PARTY OR PARTIES.
- HEDGES, ORNAMENTAL PLANTS, IRRIGATION LINES AND SPRINKLERS HEADS (IF ANY), NOT LOCATED OR SHOWN HEREON.
- THIS FIRM HAS IDENTIFIED VARIOUS TYPES OF TREES LOCATED ON THIS SITE BASED ON COMMON KNOWLEDGE OF TREE SPECIES. A QUALIFIED LANDSCAPE ARCHITECT SHOULD BE EMPLOYED FOR POSITIVE IDENTIFICATION OF TREE SPECIES. TREE DIAMETERS ARE APPROXIMATE AND WERE MEASURED AT BREAST HEIGHT. ONLY TREES 4 CALIPER INCHES IN DIAMETER OR LARGER WERE LOCATED AND SHOWN ON THE SURVEY. DEAD TREES, HEDGES AND GROUND COVER WERE NOT LOCATED AND ARE NOT SHOWN HEREON. EXOTIC TREES SUCH AS MELALEUCA, BRAZILIAN PEPPER AND AUSTRALIAN PINE WERE NOT LOCATED OR SHOWN HEREON.
- THE ELEVATIONS SHOWN HEREON ARE BASED ON A CITY OF MIAMI BEACH BENCHMARK "12 02 06" AND REFER TO THE NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD 88). THE MARK IS LOCATED AT THE NORTH MEDIAN OF THE INTERSECTION OF 12TH STREET AND WASHINGTON AVENUE. ELEVATION=5.31'.
